It is with great pride that I detail the excellent SACE and ATAR achievements of the graduands of 2016, with the number of eligible students completing the SACE at 99.6%. Our students have shown the skills and capabilities that will ensure they continue to contribute productively to the world beyond school.

The Year 12 students of 2016 have performed at an excellent level. Of the 204 students eligible for an ATAR, 42 students achieved an ATAR over 90 – which places them in the top 10% of students in the State and the nation. In total, 98 students secured an ATAR in excess of 80. 8 students secured scores in excess of 98.0 which places them in the top 2% of the SACE cohort which is an exceptional achievement.

Congratulations to these students and to all our students who achieved their goals in Year 12. Our thanks are extended to the parents who supported their sons and daughters, and to the teachers, both Year 12 and throughout the College, who have continued to challenge and support them to “be the best they can be”.

John Foley
Principal
18 students achieved 23 merits in 9 subjects.
