Dear St Michael’s College Community,

Over the past few years you would have become familiar with the term ‘working in partnership’ at St Michael’s College which is very much about working together to achieve the best results for our students. This is not solely about academic achievement but also student wellbeing and enabling our children to be informed global citizens.

The De La Salle Brothers use the word ‘co-responsibility’ with lay staff which means we, as lay teachers and partners, continue to promote and teach the values of Lasallian Education. The same principles of co-responsibility are shown by teachers when they involve parents in activities throughout the school year.

At the Primary Campus this Term, parents have been invited to attend Parent Information Evenings, Parent Workshops and Masses and a new students and families intranet page has been introduced. A Portfolio Conference Evening will also be held in Week 11.

Our parent workshops were again very successful with 12 workshops attended by 70 families. Topics ranged from literacy and numeracy right through to the weird but wonderful augmented reality, bringing 3D to life on the iPad. It was an opportunity for parents to engage in learning workshops to support their son’s educational needs. In Term 2 we will be holding Wellbeing Workshops which focus on areas where we can support young people in health, education and welfare. Information will be available early in Term 2.

I would like to thank the families who attended the Upper Primary Mass held last Sunday in the College Chapel, especially those who took roles in the Mass. Fr Bill Brady also provided a timetable for Holy Week and Easter for the Flinders Park, Hindmarsh and Findon Parishes which can be found on the Primary Intranet – Students and Families – Religious Education – Masses Holy Week and Easter.

I encourage parents and families to spend some time looking through the students and families page on the intranet and welcome any feedback via smcprimary@smc.sa.edu.au. Some year levels have developed wikispaces to enable students and families to access some learning from home. Connecting students and their families via the intranet is an area of focus for all year levels in 2013.

All primary families will receive a letter this week regarding the Primary Portfolio Information Evenings. These evenings provide an opportunity for your son to share and celebrate his learning with you. Therefore it is a requirement that the boys attend the evening.

I take this opportunity to recognise the importance of Holy Week and Easter in the St Michael’s community leading into Palm Sunday and wish you a happy and safe Easter.

Regards

Damian Patton
Deputy Principal - Primary

The Year of Grace ~ One Solitary Life

Here is a young man who was born in an obscure village,
the child of a peasant woman.

He worked in a carpenter’s shop until he was thirty,
and then for three years he was an itinerant preacher.

He never wrote a book. He never held office.
He never owned a home. He never went to university.
He never did any of the things that usually accompany greatness.

While he was still a young man, the tide of public opinion turned against him.
His friends ran away.

He went through a mockery of a trial.
He was nailed to a cross between two thieves.

While he was dying his executioners gambled
for the only piece of property he had on earth, his coat.

When he was dead he was laid in a borrowed grave through the pity of a friend.

Three days later he rose from the dead.

Twenty centuries have come and gone but it is true to say,
that all the armies that ever marched,
and all the parliaments that ever sat,
and all the kings that ever reigned, put together,
have not affected life upon this earth
As much as this one solitary life
JESUS CHRIST.

MISSION ACTION DAY (MAD)

MAD is Friday 5 April.

All parents have received information regarding MAD and in particular how important our support of this event is to many thousands of people. Every year the generosity of St Michael’s College families and friends has been amazing - we again seek your involvement.
**PRIMARY CAMPUS**

**Sacramental Programs**
Parents wishing their sons to receive the Sacraments of Confirmation and Eucharist need to make contact with their Parish. The Parish Administrator will be able to guide you through the process. St Michael's College does not conduct a Sacramental Program.

**Mission Action Day (MAD)**
Students will shortly receive confirmation of their MAD activity. Please direct any queries to Mr Kym Clark.

**Holy Thursday**
Parents are advised that school will conclude at 12.45pm on Holy Thursday 28 March. A Holy Week presentation in Founders Hall beginning at 11.45am will precede student dismissal.

**Project Compassion**
Families are asked to return their Project Compassion boxes by Holy Thursday. Your generous support of the work of Caritas is very much appreciated.

**Easter Tuesday 2 April**
Students are asked to wear bright colourful clothing to school on Tuesday 2 April. Conservative clothing with minimal advertising would be appreciated. All students will gather in Founders Hall for a short Easter Reflection and then assemble outside as a whole campus in the shape of a cross to signify the Resurrection of Our Lord. The symbolism of the bright clothing represents “New Life - New Growth - Bright Future”.

**Student Pick Up**
Parents and caregivers are asked to utilise the “Pedestrian Crossing Lights” on East Avenue. Please do not expect children to move to a vehicle that is parked or standing illegally. Please consider the safety of your sons and others.

**Year 12 Retreats 2013**
Last week the annual Year 12 Retreats were held at Normanville, Mylor and Belair. Year 12 students embraced this opportunity to reflect on their personal journeys at this significant time in their lives. I thank all staff who contributed to helping make these Retreats successful and the students for their thoughtful participation in the programme. A special thanks to Mr Sam Kitschke (Year 12 Director) and Mr Tim Donovan (Music) who assisted by leading the Mylor and Belair Retreats. The student reflections below will give you an insight into how the experience influenced the year level. Additional student reflections will appear in next week’s edition of The Star.

English Department News

Over the last month – coinciding with the Adelaide Festival of Arts - the English Department has hosted a range of guest speakers and performers who have enriched the learning experiences of our students.

Acclaimed South Australian poet Geoff Goodfellow addressed all of our Year 11 students about the craft of writing, sharing a variety of amusing, poignant and sad moments from his life including his battle with cancer.

Boori Monty Pryor – the Australian Children’s Laureate – met our Year 10 students, regaling them with humorous anecdotes about his childhood while also delivering a thought provoking message about Australia’s treatment of the indigenous community and the challenges which our nation faces to ensure socially just outcomes for all.

Michael Gerard Bauer – award winning author – spent a day at the College, speaking to all of our Year 8 students about his growing list of titles before convening two writing workshops for some 50 fortunate students who received additional tips on how to write successfully.

The English Department has also hosted – in conjunction with the College’s pastoral program - performances of “Cybershorts” and “Crisis of a Female Kind” for Year 9 and the Year 10 girls respectively. These presentations explored some very significant issues – the impact and consequences of cyber/electronic crime on the individual as well as the challenges and experiences of teenage life encountered by girls. (A student response to the latter play is also featured in this newsletter.)

Student reaction to all of the above has been extremely positive. Animated classroom discussions, increased library borrowing and enhanced student interest in the writing process have all been evident. English teachers anticipate that this enthusiasm will all ultimately be reflected in enhanced student grades!

Mr Michael Kulesza, Head of Department - English

Crisis of a Female Kind- Bamboo Theatre

Last Monday the Year 10 girls’ English classes were fortunate to attend a performance in the MacKillop Centre by the Bamboo Theatre Company titled ‘Crisis of a Female Kind’. The two actors, Rebecca Duff and Emily Beale, presented three short, stand-alone plays, “Mirror, mirror on the wall”, “The ‘S’ word”, and “Frenemies” which were all unique and based around relevant issues in teens' lives, being performed with an entertaining and comprehensive approach.

The first play, “Mirror, mirror on the wall”, discussed self-image and, although the theme was humorous and “played up”, it did bring to light that over 67% of young teens have a negative perception of themselves. A main theme included was of the latest fashion fad, super-skinny liquid jeans, and the characters realizing that keeping up with fleeting trends wasn’t worth the time and effort to keep on top of, let alone to fit into!

The second play, “The ‘S’ Word”, tackled the matter of the language we use, how we judge others and how that reflects back onto us. The more casual we are about tremendously defamatory language, and the more we include it in our everyday conversation, the more we encourage others to use it liberally too. This should not be accepted when the true meanings still retain awful implications. Rebecca and Emily also presented an interactive workshop, eliciting responses from the entire year level on the topic of “respect”, mainly to others but also to ourselves, and how we judge and are judged accordingly.

Finally, the last play, “Frenemies” dealt with the risks of over-sharing private or explicit materials, the dangers of giving and breaking trust and how your ‘digital footprint’ can resonate throughout your entire life and affect the pathways available to you. All of the plays were constructed from actual events which really brought home how serious the situations were, and how much our actions today may affect our lives in the future.

On behalf of the Year 10 girls I think everyone really enjoyed the performance and found their own way to retain the important lessons imbued. I would also recommend this production for future groups of Year 10 girls as the topics covered really do remind us that we are not alone in our troubles, pains, doubts and insecurities.

Safety Cornerstones to Learner Driving ~ published by the SAPOL Road Safety Section
Safety Education ~ highlighting important issues for school families: Parents often ask advice on the proper approach to take when teaching a person to drive. Proper instruction is important and if you are going to teach your child to drive ensure that you are up to date with current road rules. The RAA have an online test to practise the road rules and there is a simple online test on the DPTI internet page as well. The SAPOL Road Safety Section has a session entitled ‘Cars have changed……so have the Road Rules’ which specifically covers supervising learner drivers which can be booked by your school. Here are some ideas to consider when discussing this topic with your daughter or son.

- Only apply for a Learner’s Permit when ready. There is no need to encourage early licensing as your child will need to feel comfortable about taking this step with all the responsibility that this decision brings with it. Learning to drive should not be seen as something that should automatically occur as soon as they attain the correct age.

- Use a licensed driving Instructor. This does not have to be for the whole of the required 75 hours driving experience but having an instructor involved for some sessions is important to ensure that the learner has this experience. The ‘keys2drive’ program is available to give a free driving lesson with a licensed instructor to assist here. This session can be organised through the internet. A professional instructor will judge the areas for improvement in driving and suggest ways to correct them.

- Ensure your learner completes at least 75 hours driving practice as per their log book. Don’t take short cuts here - learners need this practice as once they have their licence their chances of being involved in a crash increase dramatically.

With only one defeat all season the boys are heading for a tough Grand Final match on 7 April and are hoping to repeat last year’s Under 12 Gold Medal win. And while scoring goals is only part of the game, team member Jet Lewis (7AD) has finished the season as leading goal scorer for the SA Water Polo competition. The primary team is fortunate to be coached by National League player Emy Van Duijn who also coaches the State Under 14’s and Year 8 St Michael’s team. If you would like to be part of the action in next season’s Under 12 team, please see Mr Bartlett for information (pre-season training will start in Term 3 with matches starting in Term 4).
