Dear St Michael’s College Community,

**PARENT TEACHER INTERVIEWS**
Thank you once again to all the families who participated in Wednesday’s Parent/Teacher interviews at the secondary campus. It is always pleasing to see so many families taking the time out of a busy day to engage with the teachers. A big thank you also to the teachers and administration staff for their preparation and participation on the night. I trust that it was a valuable experience that not only develops important partnerships, but helps produce better outcomes for the students.

**ROTARY/INTERACT**
St Michael’s College has had a long association with the Rotary Club of Henley Beach (RCHB) and hopes to further develop the relationship into the future. As part of these initiatives, the College will be hosting the RCHB weekly club meeting on Wednesday 4 September at the secondary campus. The night will include dinner and a guest speaker. The theme for the night is around “Interact”, Rotary International’s service club for young people aged 14-18. Interact Clubs are sponsored by individual Rotary Clubs, which provide support and guidance, as well as the opportunity for young people to take an active interest in community life and develop their leadership skills. I am excited by the prospect of an Interact Club being developed at St Michael’s College. An invitation is extended to any interested students (Years 10-12), parents and staff to attend on the night. Please contact the front office for more details.

**PULSE VI - THURSDAY 29 AUGUST**
I direct your attention to the article regarding “Pulse VI” which has been in the STAR in recent weeks. Pulse VI is the St Michael’s College Music Department showcase. While predominantly highlighting the wonderful talent from the secondary campus, there will also be special performances from the bands from the SMC Primary Campus and Star of the Sea School. The format and venue have changed somewhat over the years to the point where this year will see it as a cabaret format in the new Founders Hall. Booking details can be found in the article. I have been fortunate to be present at all of the previous Pulse nights and can thoroughly recommend it as a great night out. I look forward to seeing you there.

**KNOCKOUT NETBALL**
Well done to our Open Girls Netball team who this week won their 3rd consecutive State Knockout title. I am proud of the way the girls represented the College, not only in their winning performance but also for their impeccable manner on court! Our Girls Co-curricular Coordinator, Kellie Casserley, reported ...

A huge congratulations to our Open School Girls Knockout Netball Team (pictured) who become State Champions on Monday 19 August. This is the third year in a row that SMC has won the title, an amazing effort by all! A big thank you to coach, Teresa Davoren, and to the team for your hard work and commitment. You have achieved something very special!

St Michael’s went through the minor round undefeated against Henley High School and Faith, then in the cross-over finals they played Immanuel College which was a well fought game, with St Michael’s winning 21-19. This secured a place in the grand final against Henley High School which St Michael’s won 36 - 14. Many thanks to all who came out to support the girls.

Congratulations to team members: **Year 12 Students:** Rachel Bissett, Amber Davoren-Searcy, Felicity Pearce, Carly Reed, Madeline Turner, **Year 11 Students:** Hannah Schwartz, Georgia Wright, Brittany Jessup. **Year 10:** Charlee Hodges, Adele Demasi, Naomi Fins.

## REST IN PEACE

Mrs Carmela Bollella
Great Grandmother of Natasha in year 8

Eternal rest grant unto her, O Lord and let perpetual light shine upon her.
May her soul and the souls of all the faithful departed, through the mercy of God, rest in peace. Amen.

## PRAYER

When we are close to a person words are not necessary. A look, a smile, a glance, just the awareness of the person’s presence is all that is needed. Both are conscious of the other without the necessity of words. Prayer is like that. We don’t need words with God.

Much has been written about prayer. St Therese of the Child Jesus wrote in her autobiography...

‘For me, prayer is an uplifting of the heart, a glance towards heaven, a cry of gratitude and love in times of sorrow as well as joy. It is something noble, something supernatural, that expands the soul and unites it to God...When my state of spiritual aridity is such that not a single good thought will come I repeat very slowly the Our Father and the Hail Mary, which suffice to console me, and provide divine food for my soul.’

Therese was often so tired that she would sleep through prayer. Again, this did not worry her...

‘I should be upset with myself for falling asleep during my prayers and acts of thanksgiving after Holy Communion. Oh well, I am not upset ... I think that children give as much pleasure to their parents when they sleep as when they are awake; that to perform operations Doctors put their patients to sleep; and finally that the Lord knows our frames, He remembers that we are dust.’

Therese also wrote...

‘To pray ... I do it like the children who don’t know how to read. I simply tell God what I want to, without fancy words, and he always understands me ... For me, prayer is a burst from my heart, it is a simple glance thrown towards heaven, a cry of thanksgiving and love in times of trial as well as in times of joy. Finally, it is something big, supernatural, which opens up my soul and unites me with Jesus.’

Later, when she was dying and her sufferings were intense, she was asked how she prayed in her pain. Therese replied, ‘I say nothing - I just love him.’

Venerable Catherine McAuley, the foundress of the Sisters of Mercy said:

‘Prayer is a plant the seed of which is sown in the heart of every Christian but its growth entirely depends on the care we take to nourish it.’

There is the story of a little girl who was sent to the store with specific instructions from her mother to come directly home after her purchases. She was more than 2 hours coming home, much to the distress of her anxious mother. “Where have you been?” scolded the mother. “I’m sorry Mummy. I know I’m late, but Jane broke her doll and I had to stop to help her fix it.” “And how could you help her to fix that broken doll?”

“The little girl replied, “I really couldn’t, but I sat down with her and helped cry.”

That is prayer!

There is also the story of the man who went to the Priest and asked whether it was alright to have a cup of coffee while he was praying. “No. But,’ the priest added, “You can pray while you are having a cup of coffee!”

This seems to be just a play on words, but the story does hold a profound truth, we can pray no matter what we are doing, whether it be washing up, hanging out the washing, cleaning the car or putting the bins out.

We don’t have to use words, just a glance, an awareness that God is always with us.

This request can be forwarded in writing to Mr Damian Patton, Deputy Principal – Primary or via email: smcpprimary@smc.sa.edu.au by the end of Week 8 – Friday 13 September. It should be noted that the invitation to forward a specific request does not imply the College can guarantee your request will be met, as many factors need to be considered. SACPSSA CROSS COUNTRY

The SMC Primary Cross Country squad competed in the annual South Australian Catholic Primary School Sports Association Cross Country Carnival on Thursday 8 August. The event was held in the East Park Lands covering a distance of 2km over varying terrain. The SMC team consisted of 55 energetic boys from Years 3-7 competing in four different age groups. The day could not have started any better with Harry Shawcross winning the opening race followed by Anthony Bagnato and Sebastian Simone finishing in third and fourth respectively in the U/10 Div C. This is a fantastic effort considering the event comprised of up to 300 runners per race. As these boys did so well collectively they also won the U/10 Div C boys team award. The awards continued to flow with the U/10 Div B team (Harry Dwyer, Luke Trevaskis, Marko Cubelic and Patrick White) and the U/10 Div A team (Ryan Green, Zane Fiacchi, Michael Parente, Darcy Barry) both coming first in their divisions. The boys competing in the U/11 Div A and B and U/12 Div A and B performed strongly and were rewarded by coming second in the team awards. Overall it was a very successful day for the school. I would like to thank Mr Fry and Mr Zoanetti for their help organizing the competitors and also to the parents who came out and supported the boys.

SECONDARY SUBJECT COUNSELLING INFORMATION
Term 3 is when students and parents make important decisions regarding subject choices in preparation for future career pathways. These choices should be guided by student interest and success in preparatory subjects. Students in Year 10 have completed, or will be completing in Semester 2, the Personal Learning Plan (PLP) as the first stage of their SACE certificate. This is designed to assist students to identify possible career paths. Various parent information nights are designed to explain the subject selection process and SACE certificate requirements and I urge parents to attend these if at all possible. Mr Anthony Vizaniaris and Ms Rose Coorey are available for Careers Counselling and Mr Kevin Woolford is available for advice on VET courses. Appointments can be made by contacting Student Services. Critical dates for various stages of the subject selection process are listed below. Due dates for the return of various forms will be published on the forms. Your support in this important process is greatly appreciated and I can be contacted through Student Services to clarify any issues arising.

SUBJECT SELECTIONS YEARS 9 AND 10 (2014) – (Current Year 8 and 9 Students)
Year Level Assemblies were held this week for all Year 8 and 9 students informing them of the subject selection process for 2014. All students have been provided with relevant information and Subject Handbooks outlining both the core subject requirements and elective choices they are able to make.

Students in both year levels are required to make on-line subject selections by Wednesday 28 August. We encourage parents to be actively involved with this process, as it is important that students choose wisely, as it is not always possible to make changes once subjects have been selected and the timetable constructed. If parents have any queries please feel free to contact Student Services for advice or clarification.

YR 12 SATAC APPLICATIONS
We can see on the SATAC Website over 20 students have successfully registered for a minimum of one SATAC preference for 2014. We are encouraging all interested students to register with a minimum of one preference well before the 27 September Deadline. They will then be in a position where they can add, delete and change the order of preferences right through to 6 January 2014. There are a few courses with early closing dates that cannot be added after the 27 September closing date. A reminder also that students interested in Music Courses at the University of Adelaide Elder Conservatorium need to book in for an audition before 30 August.

Students who will be 18 by 1 February 2014 can also apply to sit for the Special Tertiary Admissions Test STAT. The main STAT Sitting is on 24 November (please note that there is a possibility that this may be the Sunday of Schoolies). If you want to avoid this you may need to book an earlier session at the SATAC Offices. Remember to check section 4 of the SATAC Guide to make sure your course(s) of interest accept the STAT.

There is still no information about 2014 TAFE courses available and unlikely to be LIVE until late September. There will be no hardcopy information, only the website. This makes it somewhat difficult for current Year 10 and Year 11 students choosing 2014 subjects. We advise you to base decisions on current offerings but be aware things may change.

Both the recent Year 12 Parent SATAC Talk and SATAC PowerPoint presentations can be accessed on the College Internet page. UniSA have a fantastic video explaining all aspects of the actual SATAC Application process see: unisa.edu.au/school-leavers applying to SATAC and we encourage all families to view this.

CAREER COUNSELLING APPOINTMENTS
We welcome appointments with students and have set up a more structured process this year to ensure a more effective use of the 30 minute appointment time. Students are asked to do some preparation using information in their Subject Selection Bag and on the Internet. Once they have completed the relevant sections on their “Appointment Preparation Sheet”, they can bring this to Student Services at recess or lunch to make an appointment. Spare Appointment Preparation Sheets are available from Student Services. Students who do not bring this sheet to their scheduled appointment will have their appointment rescheduled to another time. We thank parents for their support in sharing the Subject Selection journey.

OPEN GIRLS FOOTBALL
The Open Girls Knockout Football Team coached by Mr Matthew Williams and assisted by Mr Andrew Spencer and Mr Mark Mickan competed in the State School Girls Grand Final at AAMI Stadium on Sunday, August 11 against Sacred Heart College. The girls were strong throughout the entire game but unfortunately they were unable to convert the ball into scoreboard pressure losing by 7 points in the end. It was a fantastic achievement by the team in making the grand final after performing so well in the minor rounds and the girls are already planning on making the grand final in 2014! Many thanks to all of the staff, families and friends who came out to support the team.

KNOCKOUT SOCCER
On Thursday, the senior soccer boys faced their first adversary, Underdale, in the fourth knockout round of the state knockout championship. Conditions were testing for both sides but the wet weather and ‘muddy’ patches didn’t dampen their spirits. Underdale showed immense flare and were well structured, commencing the game with a confident control of the ball. Yet, little did they know they were awakening the SMC giant, and once the boys found their feet, began to outplay and dominate Underdale every move. After a technical finish from Anthony Impedovo and an aggressive header by Evan Ramos, SMC were 2 - 0 up and looking confident for a win. Underdale’s bombardment of attacks was unable to penetrate the defensive line, led by Vince Marafioti and Theo Kasmeridis along with some spectacular saves made by ‘Hand of God’ Yanni Zabbanias. The entire team came together as one and all involved played with heart, determination and a willingness to be the best they could be; the true Lasallian spirit!

There are 2 more games before the Grand Final with the next game will be played here at the College against St Pauls with the date still to be announced. Good luck!
