Dear St Michael’s College Community,

REMEMBER THE HOLOCAUST
St Michael’s College was honoured on Tuesday afternoon to be the venue for the launch of the virtual exhibition ‘Remember the Holocaust: Art and the Holocaust’.

Present at the launch were many participants in the production, including Andrew Steiner (pictured) – Artist, Historian and Holocaust Survivor whose exhibition and vision has made this wonderful resource available and accessible worldwide. Also present were Regina Zielinski, a Survivor of Sobibor and a regular visitor to many schools in South Australia, including St Michael’s College and Eva Temple, the youngest survivor from Bergen-Belsen.

Other participants were acknowledged for their contributions, including Associate Professor Peter Monteath and Associate Professor Derek Dalton, Head of IT Bob Cunningham, Head of Music James Musci, old scholar Sam Zanelli for his beautiful musical composition and Laurence Castle for his outstanding filmmaking contributions. Andrew Steiner gave a heartfelt and well deserved vote of appreciation to St Michael’s College Head of History, Mathew Muscat for the support, commitment, skill and enthusiasm he brought to the project.

It is hoped that this online resource will now be utilised in the teaching of history across the nation, as a way of bringing this incomprehensible period of history to our students. The ABC are running a segment on the virtual exhibition this Friday night at 7:30 pm.

CAICA CUP
Last Friday saw the third Caica Cup competition, an annual event which sees St Michael’s College and Henley High School students compete in a range of sporting activities across the day. While this type of event might not be unique, it is certainly far from common for the local high school to compete against the local Catholic College in an ‘intercol’ type format.

The concept was originally devised to develop the community relationship between the two Cudmore Terrace tenants and highlight both the personal and the sporting talents of the students. I’m not sure that anyone truly realised how significant the event would become and what the ongoing benefits would be. Not only have the results been particularly close in all three years, but the spirit and sportsmanship has been outstanding.

As mentioned, the results have always been very close and 2013 was no exception. The Cup came down to the last event, the Open Boys Basketball in the HHS gym. After being all tied up after regulation time and in front of a large, supportive Henley crowd, it was the SMC team that prevailed. The overall Cup result ended up with St Michael’s College edging out Henley High 8 matches to 7.

The Cup is named after Paul Caica, member for Colton and a long-time friend of both schools. It was a pleasure to have him on hand again to present the Cup. A big thankyou to the organisers, particularly Jess Fanto and Kellie Casserley from SMC, staff and students from both Henley High and St Michael’s College. We look forward to the Caica Cup being a valued annual event and continuing to foster the already positive relationship between the two schools and their communities.

PORTFOLIO CONFERENCE EVENING
The Portfolio Conference Evening will be held at the Primary Campus next week. These evenings are a wonderful opportunity for teachers, students and families to witness and discuss the learning and achievements during the Term and to set meaningful goals for the remainder of the year.

EARLY DISMISSAL ~ DE LA SALLE DAY / END OF TERM 3
FRIDAY 27 SEPTEMBER
Dismissal will be at 12:45 pm from the Henley Campus, with buses (B, J, S and T) ordered for a 12:45 pm departure from the Henley Campus.

Primary Administration: closed all day
Secondary Administration: closed from 2:00 pm

HOLIDAY ADMINISTRATION OFFICE HOURS
Primary: Closed. Re-opening Friday 11 October 8:30 am.
Secondary: Open 9:00 am – 4:00 pm daily.
Our annual Founder’s Day, “De La Salle Day” is fast approaching and will be celebrated on 27 September, the last day of the school term. De La Salle Day is a whole school community event which embraces both Campuses and so it is expected that all students will attend on this day.

De La Salle Day is in recognition of the work and sacrifices of St John Baptist De La Salle, together with that of the Brothers, who are committed to following his work in providing a human and Christian education for all. As such, we look forward to all students across both campuses coming together for a day of community celebration and thanks.

Students can wear neat casual dress or come in Fancy Dress, (no inappropriate attire and nothing offensive) on the day. This year’s theme is “The Hero Within”. Students are encouraged to come dressed as someone or something that is inspirational to themselves and others!

The proceeds of the day will be donated to Lasallian Foundation. We are asking our students and families to support the valuable work of the Lasallian Foundation by donating a gold coin. As you would be aware, the Lasallian Foundation supports development projects in the Asia Pacific region and South Sudan. The aim of these projects is to achieve lasting and sustainable social and economic change throughout the disadvantaged communities the foundation serves, addressing the root causes of poverty and discrimination.

The students will begin the day with a whole school liturgy. This will be the first time we have been able to celebrate as a Reception to Year 12 community in one location, Founder’s Hall.

The students participate in a range of activities relevant to their year level. These activities include, Face Painting, Jumping Castle, an Indigenous performance, Karaoke, Rock Bands, sporting events and more fun activities. Staff and students are looking forward to having a day of fun together, celebrating Founders Day.

There will be food and drinks available for purchase on the day including Pizza, Hot Chips, Sausage Sizzle, Hamburgers, Spring Rolls and Ice-cream and soft drinks. The Year 11 Lasallian Youth Leaders will also be running a ‘Sideshow Alley’ where students can test their luck in the hope of winning a prize!

Dismissal will be at 12:40 pm from the Henley Campus, with buses (B, J, S and T) ordered for a 12:45 pm departure from the Henley Campus.

Thank you in advance for everyone’s support.

Mr John Lambert, Deputy Principal, Pastoral (Secondary)

YEAR 11 FORMAL

Last Thursday night, after weeks of excitement, the Year 11 Formal arrived. The night started with all the good looking students rolling up in limos, double decker buses and hotted up cars. The food, music and atmosphere were indescribable, seeing all the boys suited up and all the girls looking beautiful. This was good to see as we are used to seeing each other in our school uniforms. It was such a great night and by far an amazing memory to look back on in years to come. Thank you to all the pastoral teachers who were there on the night to supervise the event, but also a massive thank you to Mr Parfrey and Mrs Dunn for all the hard work and effort they put in to make the night as good as it was!

YEAR 12 UNIVERSITY APPLICATIONS 2014

A reminder that on Friday 27 September the **On Time** applications for University courses around Australia close. Whilst in many cases you can apply after this date you will pay a late fee and may not have equal consideration. There are a handful of courses that only accept applications up to 27 September, including Medicine, Dentistry, Optometry Oral Health and Creative Arts Streams including the new DANCE stream at Flinders University. All applications are now done online. Students needing support in this process are encouraged to make an appointment with Ms Coorey or Mr Vizaniaris as soon as possible.

Once students have "submitted" their application with their preferences they can continue to add, subtract and change the order up to Monday 6 January 2014, (with the exception of Medicine, Dentistry and Oral Health but there may be a number of other courses so students need to check the SATAC Guide). It is expected SACE results will be issued around the 18 or 19 of December. Students are then expected to pay their $25 SATAC application fee by 2 December and we can see on the schools portal that many have yet to pay.

We encourage all eligible students to make a SATAC application as they can always defer or reject an offer. If they are not ready to go on to study - most courses have this option. Also if the ATAR cut off rises the following year they will have a place to go to with a 2013 competitive ATAR. Many students feel overwhelmed with the constant study load of Year 12 and are reluctant to apply for study next year but in reality the possible 4 month gap in lessons/lectures is usually enough for them to be re-energised.

University of Adelaide now have a video to explain the SATAC application process too -  [www.adelaide.edu.au/study/high-school/](http://www.adelaide.edu.au/study/high-school/) Click on How to Apply link to access Video.

Just to remind students they have completed the online application process once they have hit the SUBMIT tag and are issued with a SATAC Registration Number.

Students applying for courses at Interstate Universities are reminded to go to their SATAC Equivalents (See pages 233-235 of SATAC Guide) and make the online application by Friday 27 September. Students can apply in each State as each Tertiary Admissions Centre operates independently.

- Victoria: [www.vtac.edu.au](http://www.vtac.edu.au)
- Queensland: [www.qtac.edu.au](http://www.qtac.edu.au)
- Tasmania - direct to the institution
- NSW: [www.uac.edu.au](http://www.uac.edu.au)
- WA: [www.tisc.edu.au](http://www.tisc.edu.au)

Students contemplating interstate study and considering University Accommodation options should be applying for accommodation now as it is not wise to wait for an offer as most accommodation is taken by then. A reminder that many Interstate Institutions often have English as a pre-requisite subject and students will need to check directly with the institution itself for any flexibility for SA applicants.

LATE UNIVERSITY NEWS

Flinders University will be offering a Visual Arts major within the Bachelor of Arts. They are also offering a dual pathway through TAFE to University: SATAC Code 224751 Diploma Visual Arts with a Bachelor of Arts. At Flinders the major will cover Essential Multimedia, Introduction to Graphic Design, Indigenous Art and Visual Thinking and Creativity. Unlike other dual degrees where you do the TAFE part then move to Uni, this will see you studying at TAFE and University concurrently and completing both qualifications in 3 years. This is a great option for budding Art Teachers and professional Artists.
ELITE ATHLETES AND DANCERS
Calling Year 11 Elite Athletes and Dancers: State Representatives in any area who may be interested in undertaking a specially designed Stage 2 Subject throughout 2014 which is coordinated through Marden Senior College. The course has been specially designed for such students so they can incorporate their training, special sport knowledge and foster a better understanding of their specific Sports area/association. It is a SACE Stage 2 subject called Workplace Practices and is a TAS Subject which can contribute to a University ATAR. Students work through 5 assignments and have a teacher based at Marden who they work through phone calls, emails, visits to Marden in the school holidays and on occasion they will come to St Michael’s College to meet with a group of students. Students who elect to do this subject need to be self-starters and well organised. This year we have had 4 students undertake this subject. If you would like to find out more visit: http://www.mardensc.sa.edu.au/ and download the Induction Booklet for Elite Athletes and Dancers, see link bottom left corner. Year 10 and Year 11 students can also do this course also but we have found it to be more onerous for these students. Interested students are encouraged to make an appointment with Ms Coorey in Student Services to discuss further.

NANNY AU PAIR
Cultural Care Au Pair will be holding an Information Session on Saturday 12 October at 1:00 pm at the Box Factory Community Centre, 59 Regent Street, Adelaide. For more information please call 1800 677 373 to reserve a spot or visit: www.culturalcare.com.au.

GAP YEAR
Medical Placements: Hospital work experience for students who are interested in careers in Medicine and or Nursing. Placements for students from age 16 upwards in Africa, India and the Caribbean. For more information go to: http://www.gapmedics.com/.

2014 TAFE APPLICATIONS THIS COMING WEEK
Given the course admission requirements for TAFE Courses, this information will be relevant to Year 11 and Year 12 students who are over 16 by 30January 2014. The TAFESA Website will be updated for 2014 Semester 1 course offerings on Monday 23 September. The SATAB website will simultaneously be ready to accept applications from this time onwards: www.satac.edu.au.

We have heard the closing date for On Time Applications is likely to be Friday 15 November. The last date to sit the TABS Test for consideration in the main January Round is Friday 20 December and the likely change of preference deadline is Friday 3 January with first round offers being made on Monday 13 January. We will keep you updated if there are any changes to this. It is imperative students apply for TAFE Courses of interest as close to the opening date as possible as non-competitive courses (80%) will generate an automatic offer of enrolment if the student has met the Course Admission Requirements. Students can in fact change the order of preferences after being made an Offer of Enrolment and receive a second offer to a different non-competitive course. As such, a student may end up with 4 offers to enrol. If the applications for that course then go beyond the ‘quota’ and the course becomes competitive then students will need to compete on different criteria, therefore we encourage students to get in early. We will be running TAFE Information Sessions during lunchtimes in the coming week.

Unfortunately many TAFE courses have been removed from the Government Skills for All subsidised list, and families will need to carefully check on the TAFE website as to the costs of these courses. No longer are Certificate 1 and 2 courses free and some courses may cost in excess of $10,000 to complete. We have heard that there will be scholarships on offer for financially disadvantaged students but these will not be announced until January.

Please keep an eye on this link as some TAFE Courses have important information sessions students should attend. Whilst the TAFE Website has not yet listed 2014 courses we do know there are upcoming information sessions for courses in Creative Arts, Film TV Media and Aviation. These Sessions run from October through November: http://www.tafesa.edu.au/courses/info-sessions.

VET FEE LOAN HELP
VET Fee Loan Help is available for students studying Diploma level courses and above. This may influence which preferences are listed. Any Year 12 students who are not confident on achieving an ATAR required for entry to their desired University course are strongly encouraged to have a TAFE back up plan. For example, students aiming for Bachelor of Human Movement at UniSA would be encouraged to apply for the Diploma of Fitness at TAFE as well. We remind students that many TAFE courses are extremely competitive and entry to these can be more demanding than for University. It is very important that students have TAFE applications in before the Year 12 results are released.

As students apply for courses they need to be fully aware of the competitive classification. If a course is deemed competitive it will have a highlighted heading ‘Selection Criteria’. This will show what factors are considered in what order. An ATAR of 99 will not necessarily get you into a competitive TAFE Course. You could be in the 3rd category (SACE Results with VET Certificates and TAB Test results ranked above you). So, please check carefully as you may need to sit a TABS Test to be further up the rankings. We will be holding an information session for students in Room 1 this coming Wednesday 25 September at lunchtime. Details will be emailed to students.

HOLIDAY ACTIVITIES ~ Writing Bootcamp for Teenagers
This activity will be held at the SA Writers Centre on Monday 30 September until Thursday 3 October 2013. This 4 day course is aimed at students who are dreaming of becoming a writer, author, poet. Registrations close 23 September 2013. For more details www.sawriters.org.au or call 8223 7662.

The Cert 1 Hospitality Course run here at St Michael’s has been an outstanding success. Run by Zootz Director, Mr Michael Crossley, our students have cooked a range of culinary delights and learnt how to wait on tables. This course is available to students in Years 10 and 11 in Semester 2. Our College Community gets a chance to taste their very popular Spring Rolls at this year’s De La Salle day. I can personally testify to their quality!

OLD SCHOLARS

Congratulations are extended to Joel Spear and Ryan Clark who were chosen in the CABL All Stars basketball team that played against the Adelaide Sixers as a pre-season game recently. The opportunity to play with former Sixer champion Willie Farley against the Sixers, which has a number of Australian Boomer representatives, was undoubtedly a career highlight. Joel returns shortly to his College in America, while Ryan has just completed the 2013 Under 23 BSA season as the leading point scorer 479 points at 19.2 averages per game.

Congratulations to Paul Ventura (Class of 2012) who has been awarded the SANFL 2013 McCallum Tomkins Medal. Paul has progressed through the Woodville West Torrens Football Club junior system and becomes the first player in Eagles history to win the award. Paul played 17 games in the U18s this season as well as one in the Reserves Team. Paul was also a member of the Club’s U18 Premiership in 2012.

JUNIOR GIRLS NETBALL

The SMC v Henley junior netball match held in Founders Hall at SMC was a highly entertaining and well fought out game. The lead changed many times before the start of the third quarter where SMC had a 6-2 quarter and ended up winning the game 26-21. The team consisted of 12 players and due to the close nature of the game it was difficult to make too many changes. The support and encouragement shown by the girls who did not play was unbelievable and ensured the success of the team. The overall best player as voted by Henley High School was Lindsay Drewer; Best players: L Drewer, M Vougalarakis, K Johnstone, M Stegmeyer.

JUNIOR GIRLS FOOTBALL

The SMC Football team has been in training over the last few weeks with Mr Williams and Mr Spencer and were looking forward to the opportunity to play in their first competitive game of football. The game was held here at SMC on the small oval and was coached by Mr Williams and assisted by Year 12 students Amber Davoren-Searcy, Rachel Bisset and Tehlara Lovett-Finlay and umpired by Mr Schwidder and field officials were Tessa Fowler, Carly Moore and Jessica Joseph. The SMC team was far too strong leading at each of the breaks to be outright winners.

Results
SMC 7.15 – Henley High 0.0
The overall best player as voted by Henley High School was Kalyan Rigney; Goal kickers: L Ljubicic 2.4, G Liambris 3.5, A Watts 1.5, C Hammond 1.0. Best players: K Rigney, G Liambris, S Williams, V Catanzariti, M McInerney, S Victory.

CAICA CUP

Last Friday (13 September) the annual Caica Cup took place. This is a friendly competition that takes place between St Michael’s College and Henley High School. The competition started in 2011 with Henley High winning the cup. In 2012 we won the Cup in a very close finish which required a count-back of tennis sets. The students participating from St Michael's were all very keen to do their part in ensuring the College retained the cup. This year it was another close finish, with both Schools having an equal number of wins after the junior games in the morning. After hearing of our tennis and football loss, the chance of securing another win didn’t look great. Fortunately our senior soccer teams had fantastic wins, which once again made the number of wins equal for both Schools. The senior boys’ basketball game was the decider. St Michael’s have never beaten Henley in a Caica Cup basketball match therefore Henley were fairly confident at this stage. The final score ended up being 52-52 therefore three minutes extra time was played. The boys played an amazing team effort, winning the game 58-54.

Well done to all the students who participated. It was a fantastic day, played in excellent spirit. Thank you to all staff that assisted in making the day successful and to the parents who came out and supported your sons and daughters. It was great to see so many spectators.

CITY 2 BAY

Last Sunday a group of 53 students from Years 8-12 participated in the Sunday Mail City 2 Bay Fun Run. This is the third year the College has been involved in this event and this was definitely the biggest year yet! Rain was forecast for the day, however fortunately, there were only clear skies for the majority of the morning. For a number of students this was the first time they have been involved in this event. Some were involved for the competition, running the 6km in excellent times. Others were involved just for fun, both running and walking in groups with their friends. Luckily the students’ times were not affected by the technology glitch and therefore you can view them at the following link.

Well done to all the students listed below who were involved. A special mention to Ethan Hauptman (8PU) who was the first of the male St Michael’s student to cross the line (25.06) followed closely by Blake Carpenter (8PU) at a time of 26.57. Megan Domerecki (12CU) was the first female student to finish with an excellent time of 30.08. Thank you to all the parents who woke up early to transport their daughter/son.
