Dear St Michael's College Community,

LEARNING TECHNOLOGIES

St Michael's College is committed to providing an outstanding contemporary learning environment where students and teachers are afforded the very best opportunities to develop their skills and effectively utilise available technologies to improve learning outcomes. While much has been achieved in recent years, 2014 will see a significant and necessary leap forward in the development of integrated learning technologies across the College.

Following an extensive evaluation of where the College is currently at and where we would like to be, the Board of Directors has recently approved a proposal that will allow:

- A wide-ranging infrastructure upgrade that includes an extensive wireless network overhaul at both Primary & Secondary campuses, including server updates and 70 additional wireless access points. Additionally, the College is installing new, state of the art firewall/internet protection systems to safeguard both the College network and the students whilst using their learning technology at school.
- The implementation of SEQTA, a web-based learning management system that enables teachers, students and parents to collaborate more effectively to establish better teaching and learning opportunities.
- Students, from 2014, to have their own College supplied device. This will include iPads and iPad minis at the Primary campus and ACER tablets (with keyboards) at the secondary campus for those year levels not a part of the previous DER rollout. The devices will be issued to students during the first week of Term 1 next year.
- The IT Support Department to expand the number of Support Technicians so students are provided with ready assistance should they have any issues with learning technologies/devices.
- A commitment to Professional Development and technology integrated teaching and learning programs.

Clearly, such an initiative requires a significant allocation of resources. We have again worked in partnership with the Board to produce a model that aims to respect the financial implications for families, while still allowing St Michael’s College to be a leader in the effective use of integrated learning technologies.

More details will be forthcoming shortly, but I am excited to make this initial announcement in the knowledge that we are moving in a direction that will further develop rich, collaborative learning opportunities that inspire engagement and lead to improved outcomes for all.

MEMORIAL MASS

We invite members of the College community to attend the annual Memorial Mass in memory of deceased Old Scholars and members of the St Michael’s College Community to be held on Thursday 14 November, 2013 in the St Michael’s College, Henley Beach Chapel at 7:00 pm. All family and friends are welcome.

THE STORY OF THE LITTLE GRAPE STEM – A PARABLE
A parable is a story with a hidden truth.
Jesus frequently used them to explain the meaning of the kingdom and our relationships
with each other. What does this story say to me?

Once upon a time there was a little grape stem.
This stem was so glad to be alive …
She drank water and minerals from the soil and grew and grew.
She was young and strong and could manage quite well …

All by herself.

But then, the wind was cruel, the rain was harsh,
The snow was not one bit understanding,
And the little grape stem suffered!
She drooped, weak and suffering.
It would be so easy to stop trying to grow, to stop trying to live.
And the grape stem was poor!
The winter was long and the stem was weary.
But then the little grape stem heard a voice.
It was another grape stem calling out to her...
“Here, reach out … Hang onto me.”

But the stem hesitated. “What would this mean?” she thought.
For you see, the little stem had always managed quite well.

All by herself.

But then, ever so cautiously,
she reached out towards the other grape stem.
“See, I can help you,” it said. “Just wind your tendrils about me, and I will help you lift
your head.” And the little stem trusted … and suddenly she could stand straight
again.

The wind came … and the rain … and the snow.
But when it came, the little grape stem was clinging to many other stems,
and although the stems were swayed by the wind … and frozen by the snow,
they stood strongly united to each other.
And in their united strength … they could smile and grow.

And then, one day, the little stem looked down and saw a tiny stem, swaying
frightened.

And our little grape stem said,
“Here, hang on … I will help you.”
And the other stem reached up to our grape stem …
and together all the stems grew …
leaves budded … flowers bloomed …
and, finally, grapes formed.
And the grapes fed many!

All Family Members & Friends Welcome
It is with great pleasure we announce Christopher D’Aloia as the recipient of the Josiah Mitton Award for 2013. The award was presented at a civic reception at Woodville Town Hall on Thursday 7 November by the Mayor of the Charles Sturt Council, Kristen Alexander. The award is presented to a Year 7 student who best exemplifies the characteristics of St Michael’s College. Christopher was selected by his peers as a student who displays compassion to others, respects and encourages his class mates; a student with a wonderful sense of humour, bright, cheerful, enthusiastic and immensely fair in his dealings with others. Christopher has the ability to make people happy by simply being with him, studious and ever ready to share a joke or lend a helping hand. Christopher’s adherence to Student Responsibilities has been exemplary and without question deserves to be the Josiah Mitton Award recipient for 2013.

Mr Kym Clark, Director of Lasallian Mission

STUDENTS NOT RETURNING TO THE COLLEGE IN 2014

If your son or daughter will not be returning to the College for 2014, please contact the Registrar at the Secondary Campus as soon as possible. The withdrawal of enrolment affects many different areas of the College administration and your help in this matter greatly assists us in resource planning.

Ms Jane Green, Registrar

SECOND-HAND UNIFORM TRADING

The College has been delighted with the outcomes from using the Sustainable School Shop for second-hand uniform trading and we are continuing to promote and use this helpful service, encouraging all families to recycle their second-hand uniforms and other student resources.

The introductory period provided by the Sustainable School Shop is finishing on 31 Dec 2013. Families that register on the Sustainable School Shop website prior to this date will receive a complimentary Annual Subscription that last 365 days. All new registrations after that date are offered three levels of access:

1. Search the For Sale Ads, gaining the contact details of the seller for free, or
2. Single items can be advertised for $1.00, or
3. Annual Subscriptions cost $19.95 (includes unlimited Ads and many time saving features)

Registering on the Sustainable School Shop is free. Further information about this service, features, and pricing can be found by going directly to: www.sustainableschoolshop.com.au or by clicking here for a copy of the Sustainable School Shop brochure.

ANNUAL MEMORIAL SERVICE AT BEVERLEY

Tuesday 19 November, 2013 at 9:05am

Each year a special Memorial Prayer Service is held for the students to give them an opportunity to pray for those close to them who have died. This year it will be held on Tuesday, 19th November in the School Chapel at Beverley at 9.05 a.m.

We would also like to invite family members and friends to this Service. The Service will take approximately 30 minutes and all are very welcome to attend.

RECEPTION & YEAR 1 ENROLMENTS 2014

A limited number of enrolments are available in Reception and Year 1 at the Primary Campus for 2014. Please contact the Primary Registrar on 8346 6548 or smcprimary@smc.sa.edu.au

ORIENTATION MORNING / PASTORAL AFTERNOON

Parents are advised that Orientation Morning / Pastoral Afternoon is Monday, 2 December.

- **ORIENTATION MORNING @ THE PRIMARY CAMPUS:** Current SMC students R – Year 6 remain with their teacher as new students (Year 1 – Year 6/2014) undergo their orientation to the College.

- **ORIENTATION MORNING / ACTIVITY AFTERNOON @ THE SECONDARY CAMPUS:** All Year 7 students will participate in Orientation morning followed by an activity afternoon at the Henley Campus. Dress Code: Sports Uniform; Drop & Collect: Henley Campus – 8:45 am/3:20 pm; Assembly Point: meet Class Teacher at entrance to Mary MacKillop Centre.
PASTORAL AFTERNOON: All current students Reception to Year 6 (and new Year 1 to Year 6) will participate in various activities throughout the afternoon including: soccer / football / hockey clinics, participate in circus skills workshops and much more commencing 12:00 noon. Dress code: sports uniform; dismissal: 3:20 pm.

VOLUNTEERS – PRIMARY MASS/MORNING TEA
To the many parents and grandparents who volunteer their time at the Primary Campus, we would like you to join us for Mass in the Chapel followed by morning tea in the Staff Centre, Thursday 28 November at 9:05 am. RSVP to the Primary Campus Administration by Thursday, 21 November please.

FAMILY MASS – CANCELLATION
Unfortunately, due to Fr Bill’s unavailability, the Family Mass calendared for 10 November has been cancelled.

PICK UP AFTER SCHOOL
Motorists are asked not to queue at the corner of East Avenue and Hubbard Street but to continue along Hubbard Street and proceed around the block. The queing of traffic causes congestion particularly along East Avenue. Students should be reminded to be attentive to your vehicle, however, please reinforce your expectations to your son that he is to be vigilant and move to the pick-up area promptly. A reminder that the parking time limit applies once you stop in the designated area, waiting closer towards East Avenue and creeping along still counts towards the restricted time. Please consider moving around the block to allow others to collect and depart. Your consideration in being attentive to improving the flow of traffic helps all. Students will not be permitted to move towards cars stopping in non-parking areas.

NEW TO DESIGN & TECHNOLOGIES
The Design & Technologies faculty has recently invested in a Makerbot Replicator 3D printer to work alongside the Roland CNC machine. Both machines can produce a physical product from a computer generated design. As a faculty we aim to keep up with new technologies and the inclusion of a 3D printer will give students an experience with one of the newest technologies available. With endless possibilities, the 3D printer can be integrated into all Computer Aided Design subject areas. We have already printed whistles, combs, wheels, nuts and bolts, who knows what students will come up with in the future.

Mr Mark Stephens, Design & Technologies Faculty

YEAR 11 END OF YEAR ARRANGEMENTS
Year 11 students have their final lessons for the year on Friday 15 November. They will have normal lessons 1-4 then lesson 5 will be time to clean out lockers and to return any books or equipment that are not required for exams. There will also be boxes available for any unwanted stationary. This activity will be supervised by Pastoral Teacher and the students will be dismissed when this task is completed.

Exams start on Monday 18 November and a reminder that all students need to be correctly attired not only for the exams but any time they are at the College. The exam timetable has been published along with the exam protocols. I stress the importance of punctuality and the requirement that no electronic devices may be taken into the exam room. On behalf of the Year 11 Pastoral team we wish students well for their exams and in completing their final assessment pieces for SACE.

Mrs Margaret Dunn, Year 11 Director
YEAR 11 EXAM PROTOCOLS

STUDENT RESPONSIBILITIES

- Students should be ready to enter Exam Room 15 minutes before the starting time. Please assemble in the adjacent courtyard; for example for all morning exams, please assemble by 8:40am, sign the attendance sheet outside the room and you will be directed from there.
- Students are not to enter the Exam Room until invited to do so.
- Students are to ensure that all the necessary equipment has been obtained for the Exam. NO borrowing will be permitted. NO pencil cases allowed.
- Students plagiarizing will have their paper cancelled. However, the Exam must be completed. Obviously final assessment will be adversely affected.
- No student will be permitted to leave the Exam Room before the appointed finishing time.
- READING TIME – Each student will be permitted to make notes and read the Exam Paper for ten minutes prior to the start of the Exam. All notes must be written on the sheet supplied ONLY. Before the Exam, consideration should be given as to how best to use this time. Check with teachers if uncertain.
- If a student is ill and unable to attend, a phone call must be made to Ms Kemp, ideally prior to the commencement of the exam.
- Full College uniform is required for all exams, including compliance with the Grooming Policy.
- Students are encouraged to bring a dictionary into the examination but only unmarked dictionaries are to be taken in.
- Students will not be required for formal lessons during the exam week. Instead, private study should take place at home.
- Graphic calculators need to be cleared for subjects other than Maths.
- Mobile phones are NOT permitted. Teachers will not be responsible for these during the examination period.

STUDENT SERVICES

GRADUATING YEAR 12 STUDENTS

We hope students are checking their school emails and again ask that students who have not yet emailed a non St Michael’s email address, do so by November 25 so we can email important end of year information, please email to: rose.coorey@smc.sa.edu.au.

UNIVERSITY OF ADELAIDE MECHEXPO

For those who attended the exhibition of Final Year Honours projects at Wayville Showgrounds last week, we imagine you too would have been inspired by the breadth of projects on display. For those with a call to justice there were cutting edge designs focusing on a low emission portable and safe stove for families living in third world conditions. The breadth can be demonstrated from Aerospace student’s projects that developed remote control drones and to Sporting Engineers research into better materials and design for racing bike wheels. The common advice offered was to keep up with Maths and Sciences though school and to get as much experience along the way as possible to improve employment outcomes. Students who do not have Specialist Maths can do an alternative course in the first year followed by a Summer School Maths subject which allows them to pick up the Specialist Maths requirement. In most cases that leads to a successful transfer into second year of the desired Engineering program. Of course Year 12 Maths Studies, Specialist Maths and Physics (sometimes Chemistry) offers the best preparation for an Engineering degree.
YEAR 11 AND YEAR 12 STUDENTS APPLYING FOR ENTRY TO TAFE 2014

A reminder that the deadline for applications to SATAC for entry to a TAFE course in 2014 will have its first closing date on Friday 15 November. Students applying after this date may not get equal consideration. We have encouraged students to apply as it is free and are under no obligation to follow through on the offer to enrol. In the unfortunate situation of students missing out on a University offer, a late application to TAFE is not often successful. Students are better to have applied and to reject offer than to apply late. Students who need assistance are encouraged to make an appointment with Ms Coorey or Mr Vizaniaris as soon as possible. We again encourage students to check with the relevant TAFE Campus as to the cost of the course they are interested in at TAFE, as costs vary significantly. Also students should be aware of the newly placed limit on access to the heavily subsidised Skills for All courses, where students will only get access to two of these subsidised courses at Certificate 3 level and above. There are some exceptions and conditions so we refer you to the updated Website: http://www.tafesa.edu.au/apply-enrol/applications-requirements/skills-for-all.

YEAR 10 AND YEAR 11 STUDENTS CONTEMPLATING ENTRY TO MEDICINE DENTISTRY OR OPTOMETRY 2015 AND BEYOND

We will be having a brief lunchtime session for students interested in these pathways on Wednesday 13 November in the Library Seminar Room. As students need to get a competitive score on the Undergraduate Medical Admissions Test to be in the running, we like to introduce students to the UMAT prior to Year 12 entry. Also it is timely to remind students about Interstate Entry requirements for Medicine and Dentistry so students can ensure they have chosen subjects to keep their options/pathways open. In March 2014 we will run a Medicine Dentistry Optometry UMAT Information night inviting Parents and Students from around the western region.

STUDENTS INTERESTED IN THE VISUAL ARTS PATHWAYS AT ADELAIDE TAFE
It has come to our attention that there are no longer any Visual Art pathways being offered at Adelaide TAFE, outside of the combined Flinders University & Adelaide TAFE: Bachelor of Arts/Ad Dip of Visual Arts. (Photomedia, Jewellery and Ceramic Sculpture still have pathway options at Cert 4 level). This is critical information for Year 11 students who have selected Year 12 subjects that do not lead to an ATAR as if the current situation stands in 2015 they would not be eligible for entry without a satisfactory STAT Test result. Students may wish to book an appointment with a Career Counsellor to discuss this further. There have been many cuts to TAFE Courses being offered in 2014 so it is critical that students aiming for a TAFE pathway keep an eye on the TAFE website to ensure valid pathways still exist.

VISUAL ARTS INFORMATION SESSION
Study ceramics, jewellery, painting, drawing, photography, digital imaging, printmaking and sculpture at the new Bachelor of Arts/Advanced Diploma of Visual Art with TAFE SA's Adelaide College of the Arts. Students interested in visual arts are invited to attend the upcoming information session to find out more, visit the campus and meet some of the teaching staff they will be working with during their studies on Tuesday 12 November in the Main Theatre, Adelaide College of the Arts, Light Square from 6:00 pm to 7:30 pm.

YR 10 AND YR 11 CAREERS AWARENESS DAY AT ADELAIDE ZOO
Interested Year 10 and Year 11 students who wish to apply to attend a Careers Awareness Day at the Adelaide Zoo on Wednesday 27 November had been invited by email to make email contact with Ms Coorey by this Monday 11 November. There is a cost to families of $35 for successful applicants ($25.50 for Zoo members). Successful applicants need to make their own way to and from the Zoo for a 9:50 am start and 3:30 pm finish with Morning Tea and Lunch provided. It is highly competitive and only 4 applicants per school are accepted.

SAUCNA NATIONAL CHAMPIONSHIPS
This year three of our Year 9 St Michael’s students represented the South Australian Uniting Church Netball Association (SAUCNA) in the recent National Netball Championships in Beenleigh, Queensland. The U15 team made it through to the grand final and finished in second place overall. The following St Michael’s students played in these championships, Madison Stegmeyer, Mia Troncone and Mia Voulgarakis. Both Madison and Mia made the National Touring Team who will travel a way to Malta in April 2014. Congratulations girls! A magnificent achievement.

PHILLIP KAVANAGH CLASS OF 2005
Phillip Kavanagh is an Adelaide/Sydney based playwright who graduated from St Michael's in the Class of 2005 as the Dux of the College scoring a merit for Drama Studies and English Studies. In the newly launched State Theatre Company of South Australia’s 2014 Education program Phillip’s play Jesikah will be presented in May in Adelaide as well as part of a regional tour. Students from St Michael's will be attending the production as part of their studies of Drama. It will indeed be inspiring for our students to see Phillip’s work as an old scholar.

After graduating from SMC, Phillip completed a Bachelor of Creative Arts (Honours) and a Master of Arts in Creative Writing at Flinders University, as well as a Graduate Diploma of Dramatic Art (Playwriting) at NIDA. His works include Which Time (Airplay on ABC Radio National), Replay (NIDA), Heart of Glass (TRS’ Bondi Feast), Plain Jane (Urban Myth) and Little Borders. He has been awarded the Patrick White Playwrights Award, the State Theatre Company of South Australia’s Young Playwrights Award, and the Colin Thiele Creative Writing Scholarship. He has recently undertaken an Australia Council JUMP Mentorship with playwright and screenwriter Andrew Bovell. This mentorship has focused on developing a play for a large cast, working with ten acting students at Flinders Drama Centre. In addition, he has also worked as a dramaturg on a short new work with WA Ballet for the 2014 Perth Festival. He is about to start work as writer and dramaturg on a new play for Buzz Dance Theatre.

The SMC Arts community will be eagerly following Phillip’s ongoing career and works.
