DE LA SALLE AWARD ~ Nadia Loprete
The De La Salle Award is awarded to a graduating student who personifies the spirit and values of the College. It is St Michael’s most significant student award, for it seeks to recognise and promote what are seen as our core values. The award is presented to a student committed to study and achievement at a level commensurate with their ability. They must be active in the spiritual dimension so central to the life of St Michael’s and participate willingly in the social justice programme. The nominated student must also contribute to the co-curricular programme and the wider life of the College in a way which brings distinction upon themselves and the College.

The College has pleasure in congratulating Nadia Loprete, the 2013 De La Salle Award winner. Nadia (pictured) fulfilled all the nominated criteria and has made an outstanding contribution to the St Michael’s College community. Nadia received her award at the recent Year 12 Graduation Mass.

Nadia is a true example of what it means to be a young Lasallian.
FR JOHN RATE
On behalf of the St Michael’s College Community, I would like to congratulate Father John Rate on his 40th Anniversary of Ordination. While many of you would know Father John as the Henley Beach Parish Priest, he has also been a great supporter and friend of our College, generously enriching our faith community. The Henley Beach Parish will celebrate Father John’s 40 years as a Priest this Sunday 1 December at the 9:30am Mass at Our Lady of the Sacred Heart Church. This will be followed by morning tea in the parish hall. Parishioners and friends are invited to help celebrate this special occasion. Please bring a small plate of food to share.

NEW PRINCIPAL ~ STAR OF THE SEA
The St Michael’s College community farewell and thank Mr Michael Honey as he prepares to leave his post as Principal of Star of the Sea, our closest Catholic Primary School neighbour. We wish Michael all the best in his new role as Primary Campus Principal at Nazareth Catholic College.

We are also proud to welcome and congratulate the new Principal, Mr Joe DeTullio, who is an Old Scholar of St Michael’s College.

Joe matriculated from St Michael’s in 1974 and recalls fond memories of his time at St Michael’s College, Beverley and Henley. Mr Peter Wallace (formerly Brother Peter) was the Principal at that time. Again, Joe remembers Peter as a very gentle and dedicated educator who inspired him to take up teaching as a vocation. Beginning his teaching career at Mount Carmel Primary, Rosewater as a Year 6 teacher Joe has also taught and held leadership positions over the years at Mercedes College, St David’s Parish School, St Pius X School and St Francis Xavier School.

We extend our best wishes and look forward to working with Joe as he takes up the role of Principal of Star of the Sea in the new year.

1ST SUNDAY OF ADVENT ~ 1 DECEMBER
As parents you have all held a newborn child. You have seen how vulnerable that child is, how totally dependent they are on those around him or her for life and nurturing. The amazing thing is that Jesus made Himself that vulnerable and dependent on those around him for our sake. As the time approaches when we remember the coming of the Christ Child we need to forget all the pretty postcards, the halos, the visions of angels and instead think of an old barn and a mother and father with a newborn, helpless baby. Their poverty was so great that they had to use the animals’ feeding stall in which to put him, wrapped in whatever clothing they had. We can forget that and only see the ‘holy’ pictures that can glamorise the true facts.

In this season of Advent, we could think of this every time we see a baby with its parents and give thanks that God would send his only Son for us, to live as we do, feeling the heat, the cold, the poverty, sorrow, illnesses and all that happens to us in our lifetime. One of the arguments the people of his hometown used for not believing in Jesus and his message was that he was just one of them, that they knew his parents, Mary and Joseph and ‘where would he have got this learning?’ That’s how ‘ordinary’ Jesus was for us.

ADVENT PRAYER
O Giver of Peace, we wait for you in hope; eye has not seen and ear has not heard the wonders of your deeds.
In gratitude we thank you for the gift of Jesus to our world.
May we SEE with new insight and HEAR with new clarity, the joy of your message for our community here at St Michael’s.
We ask this gift in the mystery of our God, who is the Giver of peace and the Source of all Creation.
You are the human face of God. You come to show us how to be more fully human in our giving to an unjust world.
Free our ears to hear your Word. Stir our hearts to be transformed with love.
Let us look forward in hope to the feast of Emmanuel – God is with us.

Blessed is the place of God’s indwelling ...
Mary bore Jesus, the Word of God within her Being.
‘We are the place of God’s indwelling …’ Mary knows how to carry the divine within and she prays in solidarity with us on our journey.
‘We are the Church ...We’re called to Good news to birth...’ Mary shows us by her life and example how to ignite sparks of reconciliation and compassion in our contemporary world.

Hail Mary full of grace, the Lord is with you.
Blessed are you among women, and blessed is the fruit of your womb, Jesus.
Holy Mary, Mother of God, pray for us sinners now - and at the hour of our death.

INTERACT CLUB
St Michael's Interact Club participated in the Central Adelaide Palliative Care Walk to Remember that was held on Sunday 24 November. The walk started at Grange Jetty and finished at Henley Jetty with a Memorial Service. Members of the Interact Club walked with members of the Rotary Club of Henley Beach. The Rotary Club also supports the walk by providing morning tea after the service.
This was a good opportunity to support a local activity and also to share information between the Rotary Club and our Interact Club.

YEAR 8/9 SOCIAL JUSTICE ~ ST VINCENT DE PAUL CHRISTMAS HAMPERS
Christmas can be an especially difficult time for vulnerable and disadvantaged individuals and families in our society. Often they are unable to afford presents, celebrations and the traditional Christmas lunch that so many of us take for granted. This isolation from the activities of mainstream society often leads to emotional distress.
As in previous years, the Year 8 and 9 students are responding to this need by coordinating the collection of non-perishable food and other items for Christmas hampers to be distributed by the St Vincent De Paul Society. We invite all members of our College community to support this initiative by donating one or more items via their child’s pastoral class. Specific information about suitable items for donations has been sent home with your child.
A representative from Vinnies Henley Beach Branch has been invited to our final assembly on 6 December to accept our Hampers. On behalf of Vinnie's thank you to all of the Year 8/9 students who have generously donated to this worthy cause over a number of years.

TRIP OF A LIFE-TIME ~ Tour of France in April 2015. Early announcement!
The College will be offering students the opportunity to participate in a study tour of France and the battlefields of the Western Front in April, 2015. As the centenary of the Gallipoli campaign will be commemorated in 1915, this tour will be especially significant.
The itinerary includes 7 nights in Paris with excursions to Reims, the Eifel Tower, Louvre, Versailles, Notre Dame, stays in Lille, on the Border of Belgium and Amiens with visits to the Somme. Visiting the house of our founder in Reims and being present at the ANZAC Day Ceremony at Villiers-Bretonneau with a direct telecast to Australia will be other highlights.
The trip will take place in the first term April holidays 2015.
Details about an information evening for interested students and their parents (to be held in Term 1, 2014) will be announced early next year.

CAMP LA SALLE
Camp La Salle is an activity based camp that has been held at the 'Woodhouse Activity Centre' for the past 13 years. Run for students in the lower secondary (Years 8 and 9), Camp La Salle provides an environment whereby the students can, above all, have fun and make new mates that they will have for the rest of their schooling.
We will be making good use of the grounds at the Woodhouse Activity Centre, playing sport, using ‘Challenge Hill’, walking up Mt Lofty and enjoying many team activities. As always, Camp La Salle promises to be an exciting way for students to begin their summer holidays! It is run by the South Australian Lasallian Team (SALT) made up of old scholars with the assistance of Mr Peter Curran, Ms Jessica Fanto and Dominic Ascoli (Lasallian Youth Minister). The camp will run from the Monday 9 - 11 December.
Places are limited so if you are interested then get in contact with Dom Ascoli at dominic.ascoli@smc.sa.edu.au or call the College on 8356 5966.

WORK EXPERIENCE
Congratulations to Matthew Testi Year 12 2013 who has recently completed a week of Work Experience at the Animal Welfare League Wingfield. Matthew received fantastic feedback which is even more noteworthy as he will be the last student doing Work Experience at the AWL (they are no longer taking school work experience placements). Matthew has completed both a Certificate 1 and 2 in Animal Studies through Gilles Plains TAFE as part of his SACE. We imagine his resume is looking impressive.

YEAR 11 WORK EXPERIENCE 2014
The dates set for the compulsory week of Year 11 Work Experience is: Term 2 Week 4: 19 – 23 May 2014. If your organisation is able to accommodate any of our Year 11 students during this week, Mr Anthony Vizaniaris would appreciate hearing from you. Some of our best quality placements come from contacts in our community. Email Anthony.vizaniaris@smc.sa.edu.au or phone 81502342.

ADDITIONAL WORK PLACEMENT
We remind students undertaking VET Courses which require Work Placements or students doing an “extra” placement as a result of additional Career Counselling, that, where possible, it is best to undertake these in the school holiday period to minimise disruption during normal term time. Students wishing to do a placement need to check this with Mr Woolford and/or Mr Vizaniaris to ensure all the correct paperwork is in place. Many VET students will need to complete a Log Book during the placement that can be obtained from Mr Woolford prior to the placement. The Work Placement Agreement Form needs to be signed by all parties and returned to the College two weeks before the placement. We are not able to support Work Placements over the Christmas Holiday period (unless by prior agreement with Mr Woolford).

INTRODUCTION TO SACE & YEAR 12
Various organisations run courses to prepare students for specific Year 12 subjects and to fine tune study skills required of Year 12 students. Whilst we do not necessarily encourage student participation and do not recommend any particular courses, we provide the links below for your consideration. It would be prudent to discuss any plans with Year 12 teachers and/or relevant Head of Departments.

UNIVERSITY OF ADELAIDE: CONTINUING EDUCATION
Adelaide Tuition Centre has not yet released details of its Holiday Revision Courses so check early December http://adelaidentuition.com.au/

GRADUATING YEAR 12 STUDENTS
This week we will be emailing students a Final Careers Newsletter with a great deal of information about Year 12 Results, SATAC preferences and responding to offers and career transition information. We will be using the email addresses that students supplied to us on their Destination Survey early in November. There are still a number of students who have not supplied an email address and we again ask that they email either their own, or in the interim, a parent address can be emailed to rose.coorey@smc.sa.edu.au so they can receive this newsletter. If in doubt please respond with an email and we can confirm.

TGGS Students
A reminder that Monday 2 December is the last date for students who completed a VET program under TGGS to notify the relevant RTO and SATAC that they wish to take up their post school training position. If you need assistance please contact Mr Kevin Woolford as soon as possible.

JUNIOR B GIRLS BASKETBALL
The term 4 competition at Mercedes College gave our girls an opportunity to demonstrate how much they had improved since Term 1 where they displayed resilience and determination against strong competitors. Throughout the course of this term, our girls played in a tough competition where they defeated all of their opponents (except for when they played the experienced SMC 1 team). All girls approached each game with enthusiasm and a willingness to succeed. Each player revealed an enormous amount of improvement and a selfless attitude throughout the duration of the season. It was a pleasure to coach the girls this term and I look forward to many more successful seasons with the group. Thank you to all parents for their support throughout the year.

Team consists of: Karlee McCarthy, Natasha Maio, Marissa Prior, Amelia Patching, Taylor Ryke, Sarah Vears.
