Dear St Michael’s College Community,

It is with great pleasure that I welcome new and returning staff, students and parents to the 2014 school year.

The following are excerpts from the addresses given by College Captains Hannah Schwarz and Michael Ucci at the Secondary Campus Welcome Assembly this week. We are in good hands!

Mr John Foley  
Principal

Today marks the beginning … the beginning of a new journey that will be 2014. In this our 60th Year we gather in this brilliant Founders Hall as the St Michael’s family, with hopes, dreams, and aspirations of what the coming year will bring.

As we begin, we would especially like to give a warm welcome to the new Year 8s. Not only are you about to begin your journey into senior schooling, you are also entering into the St Michael’s community – a community that we are so privileged to be a part of due to the vast opportunities it offers.

As a proud Lasallian community though, we need to understand why we gather as we do. It is our belief that this understanding of ‘why’ lies within the meaning and purpose of a school. Amongst all the frustration of assignments and tests that are to come, it is easy to lose sight of why a school exists. If you strip it back to its core, a school is a community, set up with the best intentions of benefitting society. Its purpose is to enlighten and enrich the lives of its students, such that they can make a positive impact on their community. These purest of intentions are in fact what started our Lasallian tradition over 350 years ago, when St John Baptist De La Salle brought in young boys off the street to educate them so their lives could be benefitted. Within a school, there are some very special individuals, namely our teachers, who have chosen their career to be one in which they support the youth of today, the future of tomorrow.

Last week, we were lucky enough to be given the opportunity to travel interstate to NSW for a Lasallian Student Leadership Seminar involving Leaders from 22 Lasallian schools across the southern pacific region. We were surrounded by many young people all with positive aspirations and goals for the future, making for a very uplifting experience. Whilst at the camp, we learnt how simple it is for our lives to be impacted when we are surrounded with positives influences. Positive influences make people feel better. They give encouragement and give everyone a sense of belonging.

Good influences are everywhere around us but our challenge is to not be so caught up in ourselves that we are unable to spot them. If we pay close enough attention they will teach us many worthwhile lessons, for example, that it’s okay to just be you. Being confident and true to yourself without fear of falling into peer group pressure, as well as making the right choices, is one way to make it easier for us to be Lasallian.

As students of St Michael’s, we are asked to uphold the values of faith, service and community and demonstrate them to the best of our abilities. By displaying our faith, not only through the way we reflect and pray but also through the way we treat others with kindness and respect, we are able to serve the community so that they are encouraged to become good influences themselves. One person's influence can be truly significant, but ultimately, it is the combination of positive influences around us that eventually helps us to achieve our goals.

As a member of the St Michael's community, you will often hear a phrase, a motto if you like. Six words which have shaped the College’s culture … Be the best you can be. If you break it down, being the best you can be, reaching your maximum potential, means being both physically and mentally present in the moment and being open to developing new skills. Whether it be in your maths class, sitting behind a piano or in the middle of the footy field, St Michael’s will support you to reach the greatest possible success. Again however, reaching your potential is ultimately your choice. Whether it be through a decision to think differently, work harder or persevere, you must first choose to be the best you can be.

The underlying factor of the ideas we have shared is that your success begins with a choice. Choice is the active ingredient of life. And what better opportunity than right now, to choose, Success?

Always remember that you are a limited edition. There is no-one else like you … so be proud of who you are.

It is often said: “Don't walk behind me; I may not lead. Don't walk in front of me; I may not follow. Choose to walk beside me and be my friend.” As your College Captains of 2014, we ask that whether you be the youngest of Year 8s, or the wisest of teachers, that you choose to walk with us on our journey, moving forward as a Lasallian community, choosing to be the best we can be.

Hannah Schwarz & Michael Ucci  
College Captains

Meetings for parents of students, Reception to Year 3 will begin at 6:30 pm in your son’s classroom with meetings for Year 4 to Year 7 parents beginning at 7:00 pm. These meetings provide an important opportunity for the class teacher to outline the year ahead. Students do not need to attend.

SAFETY MATTERS - ARRIVAL/DISMISSAL
The gates to the Primary Campus are opened progressively from 8:15 am with yard supervision beginning at this time. Students are requested not to arrive prior to 8:15 am. Students arriving after 8:50 am and leaving prior to dismissal must report to the front office. No student is able to leave the College grounds prior to official dismissal without parental consent.

DROP OFF/PICK UP
The support of all car drivers is requested in regard to the obeying of road traffic signage and regulations surrounding the College. Council Officers and Police regularly monitor the area. However, for the safety of all students, the College asks that each road user (pedestrian and driver) be very conscious of placing safety ahead of all other concerns. The College has a duty of care to ensure students are not placed in an unsafe situation due to motorists not adhering to road safety expectations. Parents are encouraged to use the Drop Off / Pick up Zone in Hubbard Street or alternatively use parking on Main Street that runs along the College Boundary. Please instruct your son in safe road crossing rules.

NOTIFICATION OF ABSENCE/LATE ARRIVALS

PRIMARY EMAIL ADDRESS

HOT WEATHER POLICY FOR ALL SPORTS TRAININGS
The following outlines the Hot Weather Policy for all sports training at St Michael’s Primary:

If the temperature (for the following day) is forecast to be 35 degrees or more in the Advertiser all sport training for that day is automatically cancelled and therefore your son will need to be aware of his after school arrangements. For example, if training is on Tuesday and Monday’s Advertiser forecasts 35 degrees for Tuesday, training is automatically cancelled. If you have any queries or concerns regarding this policy, please do not hesitate to contact Mr Lachlan Bartlett, Co-Curricular Coordinator – Primary on 8346 6548.

HAIR STYLES
Please err on the conservative side when considering changes to hair styles to ensure students comply with the College’s expectations.

COLLEGE UNIFORM
Students may wear either the new style white shirt, which is designed to be worn over shorts or the previous styled shirt which is worn tucked in. Likewise, a new sports top (blue) has been introduced and students may continue to wear the previous style.

PE UNIFORM: YEARS 5 - 7 STUDENTS

Mr Kym Clark, Director Lasallian Mission

SECONDARY CAMPUS

ABSENTEE LINE – SECONDARY CAMPUS ~ 8150 2323

The number is available 24 hours. Parents will be requested to advise the full name of the student, their year level and reason for absence.

SACE INFORMATION
The SACE Board recognises that learning doesn’t just happen in the classroom, but in all kinds of settings. SACE students can earn credits for community service or activities in a number of ways:

- **Community-developed programs** through a current award or certificate from a community-developed program, such as those offered by the Royal Life Saving Society or the Duke of Edinburgh’s Award.
- **Self-directed community learning** such as taking care of a family member, supporting a refugee family, or volunteering for a community project. To gain recognition for this kind of community learning, students need to show evidence about what they have learnt.
- **Other** learning programs, such as the Life Saving Bronze Award.

The SACE Board is also committed to providing all students with opportunities for success in completing the South Australian Certificate of Education (SACE). Achieving the SACE is based on your ability to show evidence of what you have learned during your studies.

The Special Provisions in Curriculum and Assessment Policy is a critical strategy that allows alternative arrangements to students whose capacity to participate in an assessment is adversely affected in a significant way by illness, impairment or personal circumstances. The policy aims to apply the special provisions responsibly, fairly and equitably.

For further information or to get an application form, see Mr Schirripa, SACE Coordinator or visit the SACE Board website under Community Learning and Special Provisions.

Mr Rocco Schirripa, SACE Co-ordinator

The College will be offering students the opportunity to participate in a study tour of France and the battlefields of the Western Front in April, 2015. As the centenary of the Gallipoli campaign will be commemorated in 2015, this tour will be especially significant. The itinerary includes 7 nights in Paris with excursions to Reims, the Eiffel Tower, Louvre, Versailles and Notre Dame with stays in Lille on the Border of Belgium and Amiens with visits to the Somme. Visiting the house of our Founder in Reims and being present at the ANZAC Day Ceremony at Villiers-Bretonneux with a direct telecast to Australia will be other highlights.

The trip will take place in the first term April holidays 2015. If your child is interested in participating, please attend the information evening for students and their parents to be held on at 7:00 pm, Tuesday 18 February in the MacKillop Centre.

Mr Michael Kulesza, Head of Department - English
YEAR 8 UPDATE
What a tremendous start we had to the year with the students being introduced to a range of activities and school events. Many students were disappointed there were no scheduled lessons on the first day!

Students have quickly become used to using their lockers and being organised. We were very fortunate to be able to gather the Year 8 students for meetings about a range of matters which included:

- the importance of Mass and Prayer,
- being a Year 8 student at St Michael’s,
- Athletics Day,
- the House System,
- Co-Curricular Sport and Music.

Students are also very fortunate to have an electronic device that they are able to use both at home and in class for their learning.

We look forward to the next two big events:

Year 8 BBQ Evening ~ 10 February at 6:30 pm in Founders Hall
Year 8 Camp ~ 19 - 21 February

Documentation for both of these events will be sent out over the coming week and we look forward to your support in being able to attend the BBQ Evening and completing the camp information booklet in preparation for the camp.

I have been very impressed with the way many Year 8 students have started the year with positive attitudes and great manners.

Welcome to the 15 families new to St Michael’s College. We hope you enjoy being a part of our Lasallian Community.

Mr Matt Williams, Year Level Director - Year 8

STUDENT SERVICES

YEAR 12 2013 & YEAR 12 2014 CAREER GOAL SETTING
We are still tracking our 2013 Year 12 students and celebrating some wonderful career beginnings. We will publish a more detailed Destination Summary late February. There are numerous students who have secured Apprenticeships, got into university courses with ATAR cutoffs of 97 and above, and students who took up a course at TAFE through a 2 year Training Guarantee plan. There is such a myriad of ways to make that post school transition. The age of flexibility, seizing opportunities and engaging in life-long learning is definitely here. Of interest is seeing the degree of variation between the careers of interest listed on the Year 10 2011 Subject selection forms to the 2014 SATAC Tertiary Course offers for this group of Year 12 students. We encourage 2014 Year 12 students to make an individual appointment with the Career Counsellors early in Term 1 to begin the “flexible” goal setting process. Whilst goals may change during the year it is valuable to have measurable goals.

Ms Rose Coorey and Mr Anthony Vizaniaris are the two Career Counsellors at the College. Ms Coorey focuses on Year 12 student pathways whilst Mr Vizaniaris covers all year levels and has the additional role of Personal Counsellor. Mr Kevin Woolford also works in Student Services but with a VET, Trade and Apprenticeship focus. Ms Sarah Davies our other Personal Counsellor (and Registered Psychologist) also assists students with aspects of goal setting in terms of study skills etc in addition to her Personal Counselling role. As you can see there is a great deal of support for our students. Students wishing to make an appointment can come to Student Services at recess or lunch to book a time or email the relevant person directly.

SHOWCASING INTERESTING AND SUCCESSFUL CAREER PATHS OF OLD SCHOLARS
Each month in The Star we are hoping to focus on the career path of one of our Old Scholars. We often find that despite the very social world our students live in (in terms of social media), many of our students are unaware of the more flexible and non-traditional pathways to success. Many students want clear fixed Career Goals, yet as we all know there is often more to success than this. As such we would like to capture and share some of these stories from our Old Scholars. If you know of someone whose Career Path history is of particular interest we would love to hear from you. Please email rose.coorey@smc.sa.edu.au.
YEAR 11 WORK EXPERIENCE 19 – 23 MAY 2014
All Year 11’s are required to complete a one week Work Experience Placement during Term 2, Week 4. Students have received a Work Experience Package this week. If you or anyone you know can assist with a Work Experience Placement during this week (or another negotiated time) please email Mr Anthony Vizaniaris at the College: anthony.vizaniaris@smc.sa.edu.au or Ph 8150 2342. We encourage students to make the most of this opportunity as a good placement is very valuable in terms of resume building, career planning and networking.

VOCA TIONAL EDUCATION VET STUDENTS
Most VET Courses will begin in the next two weeks and students should have received letters outlining the start date, times and location of their Courses, although in some cases we are still waiting for the Training Organisations to let us know specifics. Please contact the VET office if you still require these details: via email: nikki.tidd@smc.sa.edu.au or drop in for a personal visit at recess and or lunch. It is important to remind students that undertaking a VET Course is a privilege and that normal College expectations apply. It is also an expectation that students make up any work missed while out of school at their VET Courses, and absence is no excuse for not completing assignments. Students are asked to be pro-active with their teachers in this respect.

Kevin Woolford
VET Coordinator
kevin.woolford@smc.sa.edu.au

YEAR 11 RE: UNIVERSITY ENTRANCE 2016
We have recently received communication from SATAC announcing a change to the Subject Bonus Point System used for entry to the three South Australian Universities for entry from February 2016. As such, it will be in place for our current Year 11 students. Note this change will not impact on the Bonus Point System in place for financial need and Equity considerations.

This new Subject Bonus Point scheme will take over from all other arrangements that have existed for individual Universities and specific course Bonus Points. Given this could impact on current Year 11 subject selections we thought it prudent to bring this change to your attention in time for the College’s Change of Subject deadlines.

YEAR 12, 2015 THE SA LANGUAGE, LITERACY & MATHEMATICS BONUS SCHEME
The Scheme encourages students to strengthen their preparation for university studies by undertaking a language other than English, or specified English and Mathematics subjects. In this Scheme, candidates will be awarded two points, up to a total maximum of four points, for successfully completing a subject in any one of these four categories:

- 20 credits of a LOTE in the Languages Learning Area (not including the subject Language and Culture – two 10 credit Australian indigenous language subjects can be paired in lieu of a 20 credit LOTE);
- 2END2 English Studies or 2ECS20 English Communications;
- 2MDS20 Mathematical Studies;
- 2MSC20 Specialist Mathematics.

Successful completion is defined as gaining an Overall Grade of C- or better. The Scheme is designed to encourage enrolments in these subjects rather than reward outcomes, no higher bonuses will be granted for higher achievement. Subject Bonus Points are not considered for entry to Medicine and Dentistry.
