Dear St Michael’s College Community,

**Welcome to Sr Jimsy and Sr Nithya**

I would like to officially welcome Sr Jimsy (pictured right) and Sr Nithya (left) as staff of St Michael’s College. I am delighted they have agreed to accept our offer as Pastoral Support Workers and to be part of the College. Jimsy and Nithya are Passionist Sisters and live in community at Parkside.

Sr Nithya will be with us four days per week and Sr Jimsy two days, working across both campuses. While they will undertake a similar role to Sr Kathryn in regards to staff, student and family Pastoral support, they will also be involved in the Liturgical and Religious life of both campuses. I know you will join with me in welcoming them both to St Michael’s College.

View the February 2014 Southern Cross article regarding the Sisters via http://www.thesoutherncross.org.au/?iid=79917&startpage=page0000012&xml=The_Southern_Cross

**Lasallian Leaders Gathering**

Early this week, Mrs Brigette Jaeschke, Director of Mission (APRIM) and I were fortunate to attend the second annual Lasallian Leaders gathering, held in Sydney. The LLG commenced on Sunday afternoon and concluded on Tuesday, with 44 Lasallian leaders in attendance (9 Brothers, 36 lay partners), representing most parts of the District and including Principals, CEOs, Board members, members of the District Council, the Lasallian Mission Council, Lasallian Mission Services and the Vocation Committee. The theme of the gathering combined the District theme with the theme of the 2013 International Assembly: Lasallians: One Family, One Mission. A Future Full of Hope. It was a terrific opportunity to meet and share with other Lasallians, as we continue the important work of our Mission.

**Rotary Intercity Meeting**

On Tuesday evening, it was our pleasure to host the local Intercity meeting of Rotary. In attendance were representatives from the Rotary Clubs of Kidman Park, West Torrens, Kangaroo Island and Henley Beach, as well as staff and students of St Michael’s College. This was a wonderful opportunity to share a meal with a group of dedicated, service minded individuals.

Last year the College invited its students to join an “Interact” Group, a service club sponsored by Rotary International which will provide support and guidance, as well as opportunities for young people to take an active interest in community life and develop their leadership skills. Although still in its fledgling stage, we will continue to build on this initiative.

**Parent Evenings**

Thank you to all those families who have been able to attend our Parent Evenings over the last weeks at both campuses. Clearly, it is not possible for all families to be at these sessions, however it was most pleasing to see so many in attendance, and some on more than one night. The purpose of the evenings is numerous, but essentially designed to provide information for the year ahead as well as creating an opportunity for parents to touch base with the key staff your sons and daughters will be working with. This partnership has long been a feature of St Michael’s College. As highlighted on the night, your involvement is also of very real benefit to the education of your child, and starts the moment they know you are attending. I thank you for your ongoing support.

**Old Scholars**

You might have noticed in past editions of The Star, the call for old scholars to update their contact details with the College. This can be done via the website: http://www.smc.sa.edu.au/old-scholars. The College celebrates 60 Years in Education this year and we hope to invite as many old scholars, past staff and families to a celebration to be held later in the year.

Also, over the last few weeks we have featured a number of profiles, including Phillip Kavanagh (OS 2005) who was shortlisted for the Jill Blewett Playwright’s Award as part of The Adelaide Festival Awards for Literature and recently, Vincent Ciccarello (OS 1981), who has been appointed Chief Executive of the Adelaide Symphony Orchestra.

We will continue these features throughout the year so if you are an Old Scholar and would like to tell us what you have been up to since leaving school, please make contact with the College via the website.

*John Foley*
Principal
CALENDAR

TERM 1
(Subject to change)

FEBRUARY
24  Sports Day (S)
26  Yr 8-12 MAD Launch
27  Catholic Co-Ed Swimming Carnival (S)

The College is seeking the services of a Soccer Coordinator and a Boys 1st XI Soccer Coach for the 2014 season. Visit the website:  for more information. An honorarium is payable for both positions.

MASS
Parents and parishioners are warmly invited to attend Mass at either Campus each week during school time. Please do not hesitate to contact the College with any queries.

PRIMARY: Thursday at 9:05am
SECONDARY: Thursday 9:00am

LAND OF THE "FAIR GO"?
From The Little Brown Book, written by Sue & Leo Kane to bring Mary MacKillop’s spirituality into our everyday lives...

Mary was one of those pioneers who helped to build our traditions and our heritage in this Great South Land. She wrote these words to help Roman authorities understand the needs of the poor in outback Australia. As she explained, “The good of Australian children is alone what we seek.” (1873)

Today in this country of our hopes and dreams, she still says to us, “Let us, one and all, try to remember why God called us here.”

Isn’t it so that we, too, can respond by building a bridge to our fellow Aussies who need a helping hand – especially the young and the battlers? What is mateship unless it’s based on true justice and equality for all?

Making every effort to maintain the unity of the Spirit in the bond of peace (EPH 4:3)

IMPORTANT CHANGES TO ENROLMENT CLOSING DATES
Enrolment applications for Reception and Year 8 will now close on Friday of the last week of Term 1 (ie twenty months prior to the enrolment start date).

2016 Reception and Year 8 enrolments will close on FRIDAY 11 APRIL, 2014

Limited places are available in other year levels.
To obtain an enrolment package contact:
Primary Registrar:  8346 6548 or via smcprimary@smc.sa.edu.au
Secondary Registrar:  8356 5966 or via registrar@smc.sa.edu.au

FEDERATION OF CATHOLIC SCHOOL PARENT COMMUNITIES

4:00 pm - 6:00 pm

Tours depart every 15 minutes.
Last tour departs 5:45 pm.

2016 Enrolments for Reception & Year 8 close Friday 11 April, 2014
Boys Reception to Year 7 : Boys & Girls Year 8 to Year 12 : Gender-based classes in Years 8 & 9.

A Catholic School committed to the Lasallian Vision of Education
PRIMARY CAMPUS

PARENT REPRESENTATIVE COMMITTEE
Thank you to the Parent Representative Committee at St Michael's Beverley for the work they put in across the campus in 2013, particularly with Grandparents Morning and Sports Day. Monies raised at the Sports Day has allowed the group to donate two sound-field systems into classrooms this year. These systems not only enable students with auditory processing to engage in the curriculum more successfully but have benefits for all boys. The committee’s continued support is very much appreciated across the College.

Mr Damian Patton, Deputy Principal – Primary

COLLEGE UNIFORM
Students may wear either the new style white shirt, which is designed to be worn over shorts or the previous styled shirt which is worn tucked in. Likewise, a new sports top (blue) has been introduced but students may continue to wear the previous style.

MASS
Parents are cordially invited to attend Mass which is celebrated weekly on Thursdays at 9:05 am in the Beverley Chapel.

AFTER SCHOOL
If any parents would like their son to have a Bus Buddy to help in providing a familiar face, help ensuring they embark on the bus and importantly get off at the right bus stop please contact Mr Kym Clark to discuss further.

TEACHER COMMUNICATION AFTER-SCHOOL
Parents are asked to note that teachers may have Yard Duties immediately after dismissal; please allow teachers to get to their Yard Duty obligations as a priority and duty of care.

PLAYGROUND
Students who wish to access the playground equipment after school must be supervised by parents. Teachers are on duty at the exit points of the school and are therefore not in a position to supervise children on the playground. To prevent unnecessary injuries we ask all students and parents to please adhere to this safety directive.

Mr Kym Clark, Director Lasallian Mission

SECONDARY CAMPUS

TERM 1 PARENT TEACHER INTERVIEWS TUESDAY 4 MARCH, 2014
Parent Teacher interviews are scheduled for Tuesday 4 March, between 1:44 pm and 8:30 pm. Information will be mailed home shortly in relation to the booking process. Please note that school finishes at lunch time on this day. Parents and guardians will have the opportunity to talk with their child’s teachers about any issues of concern that may have arisen during the year to date.

To make the most of the opportunity it is important to be prepared. Before your interview, plan specific questions you wish to ask and identify factors of which teachers need to be aware. The interview process should be seen as an opportunity for two way discussion where the interests of your child are important considerations for both parties. We also strongly encourage all students to attend so as to enhance the conversation and to hear constructive feedback firsthand. After the interview it is important for parents to follow up on matters discussed at the meeting with their son or daughter. Acknowledge strengths, identify areas where improvements can be made and encourage your child to take responsibility for his/her own learning. We look forward to seeing you and your child on the day.

SUMMARY OF DATES /TIMES:
- Monday 24 February, 4:00 pm: Access to Edval Parent/Teaching Interview Scheduler.
- Friday 28 February, 9:00 am: Program closed for processing.
- Friday 28 February, 4:00 pm: Program reopened at which time schedules can be viewed and printed.
- Monday 3 March, 9:00 am: Program closed for final time. No further appointments can be made after this date.

Please remember to print your schedule and bring it with you on the day.

Ms Bron Kemp, Director of Teaching & Learning

SCHOOLS MATHS COMPETITION:
Offered by the Mathematical Association of South Australia (MASA)
On Tuesday 18 March 2014 the College will once again have students participating in the MASA Schools’ Maths Competition. The aim of this competition is to encourage interested and motivated students to enjoy the challenge of non-standard problems. The competition is sponsored by the Society of Petroleum Engineers who provide monetary prizes to the Top Ten students in the State.

All Year 9 and 10 Level A Maths classes will be participating in this competition. Some of our stronger Year 8 Mathematics students will also be given the opportunity to participate. The competition takes 1.5 hours and students are allowed to use calculators. Good luck to all participants.

Ms Anne Finlay, Head of Mathematics
2014 INTERNATIONAL COMPETITIONS AND ASSESSMENTS FOR SCHOOLS (ICAS)

For the last 30 years ICAS has taken place each year in schools throughout Australia, New Zealand, Singapore, Malaysia, Brunei, the Pacific region and South Africa. Your child is invited to participate in 2014. ICAS provides an opportunity for students to gain a measure of their own achievement in an external testing situation. It provides teachers, parents and students with comprehensive reporting of results.

All students receive a certificate and an individual student report indicating which questions they answered correctly and their score compared with the rest of the students tested. The tests are an excellent preparation for National tests and the student report is useful for highlighting your child’s strengths and weaknesses. The UNSW certificate and individual student report are also suitable for your child to include in a portfolio. High quality UNSW certificates are awarded for each year level as follows:

- High Distinction to the top 1% of entrants
- Distinction to the next 10% of entrants
- Credit to the next 25% of entrants
- Participation to all other participating students.

A UNSW Global medal is awarded when the highest score in each year level in each state is judged to be sufficiently meritorious. These medals are presented at either a Medal Presentation Ceremony or at a school assembly. Students must sit on the official sitting dates to be eligible for a medal.

For Science, the entry fee per student is $8.00 (held on Wednesday 4 June 2014).

For more information please visit the EAA website at www.eaa.unsw.edu.au or contact Customer Service on (02) 8344 1010 or by email at info@eaa.unsw.edu.au

This information applies to secondary students only. Students will complete the test during normal lesson time. Past papers are available from Mr Dempsey. If you would like your son or daughter to participate please complete the information below and place it in an envelope with the $8.00 and mark it “science competition” and hand it into the front office before March 20. Please note the date of the test on your calendar and remind your son or daughter if they are participating. Enquiries can be addressed to Mr Dempsey, Head of Science.

If you wish for your son or daughter to participate in the Science Competition, please enclose the $8.00 entrance fee in an envelope marked with the STUDENT NAME, PASTORAL CLASS AND PARENT SIGNATURE.

Mr Robert Dempsey, Head of Department – Science

NATIONAL YOUTH SCIENCE FORUM

Between 20 January and 1 February I attended Session C of the National Youth Science Forum. I was very fortunate to be chosen as one of approximately 450 students out of over 1,300 to attend the event held at the Australian National University in Canberra. It was a life changing experience in which I met many amazing people and undertook numerous opportunities which I normally wouldn’t be able to access in the scientific field. The organisers of the event and the volunteer staff called on previous experience to make the forum both enjoyable and life changing and they definitely succeeded. I would like to thank the Rotary Club of West Lakes for sponsoring me to the event and Mr Dempsey for bringing it to my attention. The two weeks at the NYSF were ones that I shall never forget and I urge any Year 11 student this year to apply for the programme. Any students who are interested and have any questions do not hesitate to email me any inquiries you may have.

Ross Fraser

I was fortunate enough to be invited back to the National Youth Science Forum in 2014 as a staff member to facilitate Session C of the Forum, held in Canberra at the Australian National University. I was chosen from over 500 students who attended the sessions in 2013 to help with the running and organisation of sessions, with our aim to make the session a truly memorable and life changing experience for all of the students and also to have some major fun and surprises along the way. Although this was only a volunteer position, I have gained experience and lifelong lessons which money could not possibly buy, with my personal highlight being the transformation which all of the students undertook over the two week period.

I would like to thank once again the Rotary Club of Charles Sturt/Grange and also Mr Dempsey for their support, through both my student and staff session. I highly implore all Year 11 students who are interested in a career in science to apply for this programme when applications open later this year. If you have any questions, please do not hesitate to contact Ross or myself.

Aaron Manuell

AUSTRALIAN OPEN

At last month’s Australian Open, one of our students, Olivia Sharman (10CF), was fortunate enough to be selected as one of the Australian Open Ball Kids. She thoroughly enjoyed the experience and has highlighted some of her most memorable moments.

"The Australian Open was a fabulous experience and something I will never forget. In the early months of 2013 I applied to be a ball kid at the Australian Open in January of 2014. Out of 2,500 people who put in applications I made it to the first round trials. For each trial I would travel to Melbourne and show my best skills to see if I was eligible for the main squad. After 5 trials and a long year of waiting I received an email letting me know I was in the main squad. I was required from the 6 January for qualifying until the end of the main draw on the 27 January. For the three weeks I did over 50 matches, including Rafael Nadal vs Gael Monfils and Victoria Azarenka vs Yvonne Muesburger on centre court (Rod Laver Arena) on Saturday the 18. To finish off the tournament I was selected to be a flag bearer for the women's doubles, women's singles and men's singles final."

Olivia Sharman
STUDENT SERVICES

UNIVERSITY ENTRY ~ Becoming a Vet
We have previously flagged some changes to entry to Vet Bioscience at University of Adelaide 2015. Besides having an ATAR In excess of 90 and having passes in the prerequisite subjects Maths Studies and Chemistry there will be other requirements. Whilst not yet confirmed, it is likely, students will be required to submit a questionnaire and top ranked applicants may be invited for a Multiple Mini Interview. The University will confirm the application process in the SATAC University Guide 2015 (to be released in July).

The reason we continue to highlight this is that interested applicants will more than likely need to have “experiences of animals” and a knowledge of the Industry that they can outline in the questionnaire. This may require voluntary work at a local Vet of extra blocks of Work experience or holiday workshops etc. We encourage students interested in becoming a VET to make an appointment with either Ms Coorey or Mr Vizaniaris to plan their bank of experiences in advance.

CURRENT YEAR 11 UNIVERSITY ENTRY 2016
A reminder that University of SA’s current Bonus Point Scheme will no longer apply for 2016 entry. Students applying for any course at a South Australian University will be awarded up to maximum of 5 bonus points if they achieve a minimum of C- for Year 12 Stage 2: Maths Studies, Specialist Maths, English Studies, English Communications and or a Language other than English. There are some restrictions as to how many can be counted from each category. Subject Bonus Points such as these are not factored in for entry to Medicine or Dentistry.

UPCOMING CAREER EVENTS

HEALTH SCIENCES INFORMATION EVENING: YEAR 10, 11 & 12 STUDENTS, PARENTS & CAREGIVERS
Entry to Medicine, Optometry, Paramedics, Occupational Therapy, Speech Pathology and understanding the UMAT. We are pleased to announce that Flinders University will be able to support us in offering this Information Evening here at St Michael’s College on Wednesday 26 March 2014 6:30pm to 8:00pm. Whilst representatives from the University of Adelaide can no longer attend individual school events we are confident that we can cover information required about entry to Medicine & Dentistry offered at the University of Adelaide. Given you will be able to get so much information about UMAT it will be worth attending. No need to RSVP. Simply place the date in your diary and we look forward to seeing you here. We have invited surrounding schools so please feel free to spread the word.

Interested in a Career in Medicine, Optometry, Paramedics, Medical Science, Occupational Therapy or Speech Pathology? Do you want to know more about:

☑ Courses available?
☑ Entry Requirements?
☑ UMAT Requirement?
☑ First-hand experience from University students currently studying in these areas

You are welcome to attend the Information Evening:

Wednesday 26 March 6.30 – 8.00pm
Mary MacKillop Centre, St Michael’s College

Representatives from Flinders University will be presenting information and answering questions.

Please Note: University of Adelaide Faculty of Health Sciences will be staging their own information sessions on campus later in the year. If you are interested in Medicine or Dentistry at the University of Adelaide it is still worth attending as you will gain an early insight into UMAT entry requirements.

For more details please email: Rose Coorey, Career Counsellor at St Michael’s College: rose.coorey@smc.sa.edu.au

Careers in the Graphic Design and Printing Industry Dinner
Hoping all interested families have by now RSVP’d for this dinner on Tuesday 18 March 6:00 pm-9:00 pm at The Lakes. Please register your interest well before the 3 March deadline. For more details contact Kirsty Wilding: admin@westernfutures.com.au.

Jam Factory Open Day – Be inspired about a future in the Creative Arts. This Saturday 22 February:
Experience all the excitement and action that Jam Factory’s Morphett Street Studios, Galleries and Shop have to offer, with hands on activities, exhibitions, demonstrations, live glass blowing, guided tours and more!

Ms Rose Coorey and Mr Anthony Vizaniaris, Careers
CONGRATULATIONS TO

- **Brittany Jessup (12CU)** for being selected in the 2014 SA State Surf Lifesaving Team. There were five males and five females chosen for each age group. Although still aged 17, Brittany was selected to compete for the U19’s and achieved some great results in a very tough competition. The team competed in NSW in January and was captained by Brittany’s brother, Zac Jessup (Class of 2008).

- **Emma Burridge (12CD)** on being selected as a reserve for the Australian Under 19 Women’s Softball Team.

- **Blake Bird (10BL)** who has been selected to represent South Australia in the U17 Rugby Team. Blake is the youngest member of the squad and will be competing in NSW over the March long weekend. Blake has also been invited to attend the New Zealand Sports Academy in Rotorua in early April.

WINTER SPORT NOMINATIONS

Winter sport nominations will be happening this week and next. Once students have nominated in Pastoral Care, they will receive a Sport Contract and Medical Form. These need to be filled out, signed and returned to the Co-curricular Office as soon as possible. Below is a list of trial dates for girls wanting to play netball in Term 2 and 3. It is important that students attend all trials so that they can be placed in the correct team. If there are any issues or concerns please don’t hesitate to contact me on 8356 5966 or alternatively at sally.nicholson@smc.sa.edu.au.

REMINDERS

Hot Weather Policy

In accordance with the College and Sports Association for Adelaide Schools (SAAS) Policy, if the temperature for Saturday is forecast to be 38 degrees or higher in Friday’s Advertiser, all outdoor sports (cricket and tennis) will be cancelled. This is with the exception of the 1st XI Cricket. Students will be emailed to confirm cancellation.

Uniforms

Please ensure you visit Sports Centre at 142 Port Road, Hindmarsh, to purchase the correct uniform for your son/daughter. Further information is available via the website: www.sportscentre.com.au or http://www.smc.sa.edu.au/__files/f/2850/co_curricular_website.pdf

Sport Contracts

All Sport Contracts are now overdue, please return them as soon as possible to the Co-Curricular Office.

Please follow the below link to access times and venues. These have also been emailed to students.

If your son or daughter has been selected in a sporting representative team or has sporting achievements that you would like to share with the SMC community please email sally.nicholson@smc.sa.edu.au or jessica.fanto@smc.sa.edu.au

_HOLIDAY OPPORTUNITIES ~ City of Charles Sturt April School Holiday Active Sports Program_

Applications are now open for these exciting sports holiday programs. _Registrations Close Monday 7 April 2014._

OLD SCHOLARS

ARE YOU AN OLD SCHOLAR?

Please update your contact details via the College website ... http://www.smc.sa.edu.au/old-scholars.

In 2014, St Michael’s College will be celebrating 60 Years in education. Join us in the celebration!

WHERE ARE THEY NOW?  JOE DE TULLIO (OS 1974)

New Principal of Star of the Sea School, Mr Joe De Tullio matriculated from St Michael’s in 1974 and recalls fond memories of his time at St Michael’s College, Beverley and Henley. Mr Peter Wallace (formerly Brother Peter) was the Principal at that time. Joe remembers Peter as a very gentle and dedicated educator who inspired him to take up teaching as a vocation. Beginning his teaching career at Mount Carmel Primary, Rosewater as a Year 6 teacher Joe has also taught and held leadership positions over the years at Mercedes College, St David’s Parish School, St Pius X School and St Francis Xavier School.

COMMUNITY INFORMATION

Please note parents and caregivers need to make their own enquiries and assessments about the suitability of these events and services for their needs and those of their children

ST JOSEPH’S OLD SCHOLARS ANNUAL MASS/AFTERNOON TEA

An invitation is extended to all former students/teachers (male and female) from any Josephite School/College to join us and Mary Mackillop College for Mass at 2:00 pm in St Joseph’s Convent Chapel, Kensington on Sunday 16 March 2014 with Father Ian Mackintosh OMI as the celebrant. Devonshire Afternoon Tea will follow in Bethany, adjacent to the Chapel for a cost of $5. This is a great opportunity for a reunion. RSVP to Margaret Emery on 82640780.

BLUE LIGHT DISCO (Ages 10 – 17)

Will be held on Friday 21 February at the Woodville Town Hall, Woodville Road, Woodville from 7:30 pm–10:00 pm Entry fee: $5.00, for further enquiries call: 8207 6325.

WORKSHOPS FOR PARENTS AND YOUNG PEOPLE

A number of workshops are being offered for both parents and young adults at the Henley Community Centre. For more details contact Christine on 84081277. Cost is a gold coin donation and bookings are essential.
