Dear St Michael’s Community,

Term 1 2014 has been a very exciting time at the Primary Campus with the introduction of the iPads as part of our Integrated Learning Technology Program.

Last week was an opportunity to engage parents with their sons learning by running a variety of workshops to provide them a deeper understanding of what is taking place in the 21st Century and in our classrooms. These workshops included:

- **Angles on Popplet**: Utilise the Popplet App to record your exploration of angles
- **Augmented Reality**: Research desert adaptations using the Aurasma and QR Reader Apps to transform learning from the ‘old school days’ to the 21st century way
- **Claymation Narratives**: Develop a short Claymation story using the iMotion App
- **Collaborative Portals**: Sign up and share your knowledge the 21st century way using Edmodo, Showbie and Explain Everything
- **Explain Everything**: Use the Apps Explain Everything and QR Reader to explore and explain the Water Cycle
- **iPicasso**: Review, create and share using Showbie and Explain Everything to create your own ‘Work of Art’ inspired by Picasso
- **Reading**: Learn how to get started with reading and what we do at school; how we use the iPads for learning; different types of text; strategies used by the beginning reader; ideas and strategies for home.

Mr Damian McNamara, e-Learning Teacher, introduced the evening explaining the learning journey that staff at the Primary Campus have worked through to get to this point. He used the term ‘digital natives, digital immigrants’ (Mark Prensky 2001) to identify the generational landscape in which digital technologies are being embraced into learning and everyday lives. For educators and the education system it presents an exciting and challenging period of transformation as we endeavor to develop student learning for a future which is ever evolving.

The 100 parents who attended the workshops were able to engage and make stronger connections with the learning that is taking place in the classrooms. Feedback from the evening was very positive, such as:

“*The workshop gave me great ideas on how I could use the popplet app to assist the boys with their learning. An alternative learning method.*”

“*Being new to this learning tool, more sessions on the iPad and its use in the school would be great. I love these workshops. I am grateful that they are held so that I can be closer to my children’s education.*”

Portfolio Conference Evenings this Term will provide another opportunity for parents to share in their son’s learning with class teachers.

I also take this opportunity to recognise our Lenten period and the support we receive from families for Project Compassion and MAD and we look forward to the commitment from the boys into the various activities on MAD DAY (next Friday, 4 April).

Kind regards

Mr Damian Patton
Deputy Principal – Primary
Term 1

(March

Subject to change)

March

Enrolments close for Year 8 2016

Final day of Term 1

Dismissal 12:45pm Primary

Dismissal 1:05pm Secondary

Mass

Parents and parishioners are warmly invited to attend mass at either Campus each week during school time. Please do not hesitate to contact the College with any queries.

Primary: Thursday at 9:05am

Secondary: Wednesday 9:00am

Important Changes to Enrolment Closing Dates

2016 Reception and Year 8 enrolments will close on FRIDAY 11 APRIL, 2014

Limited places are available in other year levels. To obtain an enrolment package contact:

Primary Registrar: 8346 6548 or via smcprimary@smc.sa.edu.au

Secondary Registrar: 8356 5966 or via registrar@smc.sa.edu.au

Mission Action Day

School Buses

Designated school buses have been rescheduled to coincide with the early finish to MAD. T & J buses will depart the Secondary Campus at approximately 12:20pm.

Admin Office Early Closure

Due to the celebrations of Mission Action Day, the Primary Campus Administration Office will be closed on Friday 4 April. The Secondary Campus Administration Office will close at 2:00 pm. Enjoy MAD!

End of Term/School Holidays

Dismissal ~ Friday 11 April, 2014

Primary Campus dismissal: 12:45pm

Secondary Campus dismissal: 1:05 pm

School resumes Monday 28 April

Administration Office

Primary Campus: Closed

Secondary Campus: Open, with limited staff 9:00 am and 4:00 pm each day.

Closed

Friday 18 April 2014 Good Friday

Monday 21 April 2014 Easter Monday

Friday 25 April 2014 Anzac Day

Mission Action Day

Next Friday 4 April the College will experience one of the most significant days on the St Michael's College calendar for 2014 – MISSION ACTION DAY.

A few weeks ago both the primary and secondary campuses witnessed the launch of this year’s video, inspiring each one of us to make a difference. MAD provides a unique Lasallian opportunity to raise money for our brothers and sisters who live in impoverished conditions. As we know, as a combined Primary and Secondary College, together we can make a huge difference to the lives of others.

Thank you to all students and their families for supporting Mission Action Day thus far by bringing in donations. Also a thank you to those working behind the scenes who have been getting into the spirit of the day by preparing and organising the activities for the students to enjoy next week.

All students received a letter confirming which activity they have been assigned earlier this week. Students will receive further information from the Staff Supervisor of their activity at a meeting next week.

Whatever activity we are doing this year, let’s not forget the true purpose of Mission Action Day. Let us enjoy the day but, at the same time, give our best effort to support the less privileged.

Mr Jason Thur – Director of Pastoral Administration and Mr Kym Clark – Director of Pastoral Administration

Lasallian Mission
THE PASSION OF CHRIST

Described as ‘the Broadway version of ’THE PASSION’, Archbishop Wilson has recommended attending this moving musical during Lent. All Year 9 students of St Michael's College will be attending this performance on 3 April. Starring a highly talented cast, including local State Opera Soprano, Deborah Caddy as Mary, Mother of Jesus.

Created in the USA over 60,000 in Detroit and Adelaide have experienced THE CROSS, a highly successful musical dramatization of the last hours of Christ Performances are on April 3, 4, 5. Tickets available at Koorong Bookstore Adelaide or online www.thecross.net.au

Mrs Brigette Jaeschke

LAST CHANCE TO REGISTER

EMBRACING CHALLENGES OF THE CHANGING ADOLESCENT BRAIN WORKSHOP

How the brain changes during adolescence and what this means to you and them.

St Michael’s College ~ MacKillop Centre  Monday 31 March, 2014 @ 7:00 ~ 8:00pm

REGISTER YOUR INTEREST HERE ⭐

St Michael's College is pleased to be able to present a workshop, in conjunction with registered psychologists presenters, Susan McPhee and Justin MacKenzie, titled Embracing Challenges of the Changing Adolescent Brain.

There are many explanations and myths about adolescents including that it is their raging hormones, peer pressure and that they just need to grow up. Some also view it as a time in which they need to become independent from parents. Susan and Justin will challenge these commonly held beliefs with information about what is really happening during this enormous time of growth and change. They will also provide strategies for embracing these challenges as this is not a time to be simply endured as many positives emerge as a result of the changes that occur.

Susan is also a registered teacher and she and Justin practise from their rooms in Parkside as part of a larger group of psychologists with a broad range of services. Both have worked for many years with adolescents and families. They also have a strong interest in neuroplasticity and the integration of mind/brain and relationships for optimal psychological health, learning and personal growth.

ST VINCENT DE PAUL CLOTHING APPEAL

St Michael's College along with other Catholic schools are supporting an appeal by Vinnies for clothing, including sporting apparel and shoes, for the families and young people of Coober Pedy. During this busy time of Lent and our preparations for Mission Action Day, the College is seeking your support for this initiative.

Students will be advised during pastoral care where to take the goods as various collection locations will be available. Additional items can be delivered to either Campus Administration Office.

Please ensure that items are clean and not damaged.

We thank you in anticipation of your support of this worthy cause.

Mr John Lambert, Deputy Principal – Pastoral
**PRIMARY CAMPUS**

**MASS**
Parents are cordially invited to attend Mass which is celebrated weekly on Thursdays at 9:05 am in the Beverley Chapel.

**FAMILY MASS**
The first Family Mass for 2014 is Sunday 30 March at 9:00 am in the Beverley Chapel.

**PROJECT COMPASSION**
Families are asked to return their Project Compassion boxes during Week 1 next term please. The support of the works of Caritas Australia through your generosity is very much appreciated.

**ACTION AGAINST BULLYING AND VIOLENCE**
The National Day of Action against Bullying and Violence is designed to encourage parents and families to take a stand together with school communities and recognise the important role that everyone plays to stop bullying. The Australian Communications and Media Authority (ACMA) focus was Bullying – No Way, with the use of social networking sites, mobile phones and texting central to the theme. In brief the ACMA – “Bullying No Way” message is:

- Don’t just stand by if you witness bullying.
- Everyone has a unique role to play.
- Counselling is free and readily available via the Online Helpline.

ACMA encourages families and schools to work together to inform and protect their children by having conversations about bullying and the role that they play in stopping the bullying cycle. Please visit the web site "Bullying No Way!” or http://www.bullyingnoway.gov.au for a wealth of ideas and suggestions on this very important focus.

**Mr Kym Clark, Director Lasallian Mission**

**PRIMARY LITERACY NEWS**

**Importance of Reading**
Having a child read is one of the most important skills to give a child. The joys of reading are crucial to a child’s all round development. Children, the world over, have a fascination for stories and the habit of reading can be instilled through them.

Stories are a good medium for imparting knowledge and information in an interesting and amusing way. Difficult subjects like history, geography and science become easy to understand when they are presented in the form of a story. Students become curious to learn more and learning becomes a fun activity. Reading stories about people of different communities and from different parts of the world gives a global perspective to the child. They present an opportunity to get a close look at various people, cultures and religions. This intercultural understanding promotes respect for all. Good values and the right attitude is instilled in a child at an early age through stories for children. Young readers develop a strong character through inspirational stories. Reading short stories improves the attention level of a child, increases vocabulary and helps sharpen memory too. Discussing stories and why characters acted in certain ways encourages critical thinking in the child. It also presents an opportunity for socialising with the child and gives the educator and parents an additional idea about the child’s interests. It is generally accepted that when a child gets involved in anything interesting, they learn it faster, and also retain that learning. This is where the solution to learning lies.

**THE PREMIER’S READING CHALLENGE**
This is the tenth challenge that has been issued to South Australian students from Reception to Year 12 to read 12 books by 5 September 2014. Last year 82% of our boys here at St Michael’s Primary completed the challenge. We are aiming for EVERY STUDENT to complete the challenge this year. It is never too late to start! (It's only 12 books). It is easy to get involved: Students will need a student record sheet (found on the school’s ‘s’ drive in the pick-up folder if they lose the one they have already been given) to write down the title and author of each book they read. A list of books (R-2, 3-5, 6-9) registered for the challenge can be downloaded from the reading challenge website: www.prc.sa.edu.au

Students need to read 8 books from the list and 4 books can be of their own choice.

To ensure you receive your correct award - please make every effort to fill out the form correctly including the birth date and any previous schools attended.

**NAPLAN TESTS 2014**
This year, the year’s National Assessment Program – Literacy and Numeracy (NAPLAN) test period is in Week 3 of Term.

- **Tuesday 13 May:** Language Conventions and Writing (2 tests each for Years 3, 5, 7, 9)
- **Wednesday 14 May:** Reading (1 test each for Years 3, 5, 7, 9)
- **Thursday 15 May:** Numeracy (1 test each for Years 3, 5; 2 tests each for Years 7, 9)

The writing task this year will either be a 'Persuasive' OR 'Narrative' text. We will only find out at test time. More information, previous tests and sample text prompts can be found on the NAPLAN website: http://www.naplan.edu.au/.

Additional information from the school is to come closer to the dates.

**Mr Ray Becker, Key Literacy and Numeracy Teacher**
2014 INTERNATIONAL COMPETITIONS AND ASSESSMENTS FOR SCHOOLS (ICAS)

For the last 30 years ICAS has taken place each year in schools throughout Australia, New Zealand, Singapore, Malaysia, Brunei, the Pacific region and South Africa. Your child is invited to participate in 2014. ICAS provides an opportunity for students to gain a measure of their own achievement in an external testing situation. It provides teachers, parents and students with comprehensive reporting of results.

All students receive a certificate and an individual student report indicating which questions they answered correctly and their score compared with the rest of the students tested. The tests are an excellent preparation for National tests and the student report is useful for highlighting your child’s strengths and weaknesses. The UNSW certificate and individual student report are also suitable for your child to include in a portfolio. High quality UNSW certificates are awarded for each year level as follows: High Distinction to the top 1% of entrants; Distinction to the next 10% of entrants; Credit to the next 25% of entrants; Participation to all other participating students.

A UNSW Global medal is awarded when the highest score in each year level in each state is judged to be sufficiently meritorious. These medals are presented at either a Medal Presentation Ceremony or at a school assembly. Students must sit the test on the official dates to be eligible for a medal.

For Science to be held on Wednesday 4 June 2014, the entry fee per student is $8.00. For more information please visit the EAA website at www.eaa.unsw.edu.au or contact Customer Service on (02) 8344 1010 or by email at info@eaa.unsw.edu.au. This information applies to secondary students only. Students will complete the test during normal lesson time. Past papers are available from Mr Dempsey.

If you would like your son or daughter to participate please place the student’s full name and Pastoral Class on an envelope along with a parent signature. Mark the envelope “Science Competition” and enclose $8.00. Hand the envelope to the Administration Office staff. Enquiries can be addressed to Mr Dempsey, Head of Science.

NATIONAL YOUTH SCIENCE FORUM

The NYSF is a unique 12-day program that offers students currently in Year 11 the opportunity to test drive careers and learn about study options in the fields of science, engineering and technology.

Sessions are run in Canberra and Perth, where students will live on campus as a university student for twelve days. Students form friendships with 150 like-minded individuals selected from around Australia, and will also play host to a number of your international peers.

Students gain an insider’s perspective on campus life, and experience real science at a range of laboratories and workshops. They will see how study links into careers by engaging with scientists from university, industry and research organisations, whose operations are built around innovative science and engineering as well as discuss and debate the hot topics and key challenges in science, and pick up the knowledge, skills and perspectives that will take them successfully through Year 12 and into a future of their choosing.

Students if you are in Year 11, a permanent resident of Australia, and are planning to study science, engineering or technology at university, then you should apply! Rotary Clubs all around Australia work closely with the NYSF, and actually conduct the selection processes to identify the participants to attend each of the three January sessions.

For further details and help with the Application process, go to: http://www.nysf.edu.au and contact Mr Dempsey, Head of Science. Applications to Rotary Clubs close 31 May 2014. An information session will be held in Lab 7 on Tuesday 1 April with previous participants Ross Fraser and Aaron Manuell.

Mr Robert Dempsey, Head of Department, Science

2014 INSTRUMENTAL MUSIC LESSONS

If your son or daughter learns a musical instrument at St Michael’s, a reminder that all relevant procedures are as per the “SMC Instrumental Music Guidelines”, as signed and agreed to at the time of the student’s commencement of lessons. There have been a number of recent incidences where parents have not followed these guidelines, often resulting in being charged for lessons when the student has been absent. The most important aspect to remember is that if you wish to advise of a student absence, you must contact the instrumental teacher directly. Contacting the College or music office is not adequate. The “Instrumental Music Guidelines”, which are signed and agreed to by each parent/caregiver at the commencement of lessons, clearly state this.

A few points of relevance:

- Lesson fees are now due. It is an expectation that each instrumental teacher begins a new Term with no outstanding fees from any previous Term. Instrumental teachers are within their rights to postpone any future lessons until these fees have been paid. All parents should have been invoiced by this stage but if you have any questions in regard to these matters then please direct your questions to each individual music teacher.
- Missed Lessons: It is the responsibility of each student to be prompt and ready to begin at the designated time. Timetables are updated daily and should be checked regularly by students. Any lessons missed without sufficient prior notice (24 hours) will be charged accordingly. If students are unable to attend lessons for a valid reason and have followed the due processes outlined in the “SMC Instrumental Music Guidelines”, these lessons will be made up by each individual teacher at a later stage.
- SMC Instrumental Music Guidelines: We are aware that there are many forms to and from the College at the beginning of each school year, however, it is a condition of enrolment in Instrumental Music Lessons that all families sign and agree to the conditions contained within the booklet “SMC Instrumental Music Guidelines”. If you would like another copy of these guidelines, please contact the Music Office.

If you would like another copy of the “SMC Instrumental Music Guidelines” please contact Mrs Pauline Cutt (Music Assistant), or if you have any questions relating to Instrumental Music Lessons, please call Mr James Musci (Instrumental Music Coordinator) in the music office.

Mr Tim Donovan, Director of Music
YEAR 9 GEOGRAPHY

Students studying Year 9 Geography this term are taking part in the 2014 Australian Geography Competition in Week 10. Over 75,000 students from all around Australia have entered the Competition which is organised by the Australian Geography Teachers’ Association and the Royal Geographical Society of Queensland. Outstanding students aged 14 or 15 are in the running for a place in Australia’s team to the National Geographic World Geographic Championship. Students will undertake the competition during their Geography classes.

Mrs Catherine Pearce, Subject Co-ordinator - Geography

OLD SCHOLARS

WHERE ARE THEY NOW?

St Michael’s College ~ the First Year

On February 9, 1954, twenty-nine students, listed below, commenced at St Michael’s College, Beverley.

Robert Bender
Robert Butterfield
Paul Cashen
John Cornish
Don Coutts
Peter Cunningham
Ian Daniels
Terence Dinnison
John Graham
Christopher Hall
Michael Harley
Kevin Johnson
Livio Lamberti
Alexander Lewis
David Lovell
Bernard Maher
Terry Mayberry
Peter Mayberry
Raymond O’Sullivan
John Oswald
Brendan Roberts
John Schofield
Allen Suter
John Tonkin
Peter Tonkin
Thomas Warren
Michael Warren
Dion Williams
Robert Wise

As the year progressed, another twelve boys were enrolled into Years 5, 6, 7 and 8:

Walter Bajko
Michael Carmody
Richard Brandon
Paul Elliott
Anthony Medlyn
Christopher Murray
John O’Brien
Paul O’Sullivan
Peter Smith
Christopher Wojciak
Barry Young

Where are they now? We hope to let you know in the coming weeks.

ARE YOU AN OLD SCHOLAR?

Please update your contact details via the College website … http://www.smc.sa.edu.au/old-scholars.

In 2014, St Michael’s College will be celebrating 60 Years in education. Join us in the celebration!

CONGRATULATIONS TO!

James Pedlar (10BL), Liam Georgiadis (11PE), Jack Hynes (12PE), Josh Richards (10KA) and Harvey Miller (10KA) who participated recently in the Teams Stableford Golf Championships at North Adelaide Golf course. In recent times St Michael’s College has enjoyed success both with individual champions (Anthony Murdaca ‘10 & Matthew Lisk ‘11) and Teams Champion in 2010 and 2011. SMC Team 1 comprised of Josh Richards, Liam Georgiadis and James Pedlar who managed to finish 4th in good conditions for golf. This qualifies the team for the next round on Monday 7 April. Another highlight was Harvey Miller’s 38 Stableford points on the day, a brilliant effort. Well done to all involved.

Mr Mark Stephens, Golf Coordinator

Brigette Belton (10SU), who has been selected in the Under15 State Hockey Team. The Australian Hockey Championships to be held in Hobart Tasmania in April 2014 Good Luck Brigette.

CO-CURRICULAR ACTIVITIES

SAVE THE DATES:

Please put the dates below into your calendar. It is vital that your son/daughter attends ALL trials. Please note that junior football trials will not occur until after the cricket season (week 10). Students will be emailed additions and changes.
