Dear St Michael’s College Community,

History was made this week when the Primary and Secondary Campuses (1700 staff and students) joined as one to celebrate the College’s 60th Anniversary with a special Mass, on the same day that St John Baptist De La Salle was declared the Patron Saint of Teachers back in 1950. Our history and our heritage is central to all we do, and who we are, as a College and community. St Michael’s is built on the stories, the culture, the events and most importantly, the people ... those who have gone before us, those who are here now, and those who will be here in the future.

We were delighted to have Fr Paul Cashen co-celebrate this special Mass. Fr Paul was one of the first 29 students to begin on day one of St Michael’s College 60 years ago and below he gives us an insight into his time at the College and beyond.

Reflections on St Michael’s after 60 Years ~ Fr Paul Cashen MSC

I was born in Adelaide in 1944, and with mum and dad and four siblings settled in Flinders Park in 1948. When St Michael’s was opened in 1954 at Beverley my parents enrolled me in the original intake of students of 29: I was in year 5. On the first day the workmen were finishing surfacing the grounds around the new building: it was all a new experience for us all. The lower classrooms were able to be used at that time, and as there were so few of us only two classrooms accommodated us. There were three Brothers, Victor, school principal, and George and Ephraim who were in their twenties and played footy with us – to make up two teams almost!!

In 1960 I left for the seminary in Sydney. By then the College had grown to 450 and the first stage of the classroom block along East Ave was completed. My reflections on those six years were in two parts: the first three years was like a large extended family, in fact a family of nations as there were boys from many countries as part of the resettlement program post WWII. As the college grew, more teachers and prefects and added regulations were required. This second stage meant engagement with other colleges and high schools with sports and other activities. The education environment broadened beyond the college and even Adelaide with trips interstate. Philip and John, my brothers, and John, David and Peter McEntee, cousins, continued the contact I had for the next 10 years.

I was ordained a priest in 1969 and celebrated mass in the Henley Chapel not long after its opening which renewed my personal relationship with the College as chaplain and this continued in the two periods I had as Parish Priest of Hindmarsh/Flinders Park in the 1980s and the early 2000s.

In my time as a Missionary of the Sacred Heart, I have had the privilege of serving in the diocese of Darwin as Administrator of the Cathedral and Vicar General in the 1980s. After studies in Belgium at the Catholic University in Leuven, I was appointed Rector of St. Paul’s National Late Vocations Seminary in Sydney in 1990 and during that time was closely associated with the De La Salle Provincialate across the road at Kensington. During that time I began studies for a PhD in theology, which was granted in 2005 by the ACU. The thesis researched the changes in the attitude and practice of the faith in the Catholic Church in Australia, since Vatican II.

From 2004 I had the opportunity of celebrating Mass frequently in the senior campus on a regular basis. This was important for me as a ministry because at that time I was involved with Diocesan Strategic Pastoral Planning and the Ministry Formation Program. During this time I was invited to be part of a luncheon group of past students which continues to this day: many memories are shared during these gatherings.

Last year I returned to Adelaide after three years as a member of the leadership of the Australian Missionaries of the Sacred Heart, based in Sydney. I now have a fulltime ministry in the Adelaide Cathedral Parish with the task of developing ministry programs that will reach out to the growing number of people and students who are coming to live in the city.

Since 1954 our world has changed irrevocably and in that time St Michael’s is part of the church’s response as it struggles with these changes. In recent times, Pope Francis has challenged all to respond to assist those who struggle with the everyday tasks and seemingly impossible situations. We, who through an education such as St Michael’s offers, are also challenged to share what we have received. The commitment of the Brothers, the Parents and the Staff of St Michael’s over 60 years has reflected these same ideals and values. This is the grounding on which so many of us have grown and established ourselves in our society; we have much to be thankful for.

WE REMEMBER...

Br Bill Shaw, the Trustees’ Archivist, has provided an interesting insight into the naming of St Michael’s College. An extract from an undated 16-page document in the De La Salle Brothers District Archive, quite possibly written by the then Parish Priest, Fr C. Hoy MSC, states:

“We should delay here to give the reason of the title of the new School Church.

In these days when men are so neglectful of God, and live almost in a Godless manner, we thought that the name of St Michael the Archangel, would be a fitting designation to our new venture since St Michael was the great champion of God when the first creatures rebelled against their Creator. We would like then the vision of this great Champion of God to be continually before the minds of our Parishioners, and particularly before the gaze of the rising generation that will come to manly development in this new School we are now undertaking.

The motto “Quis ut Deus?” meaning “Who is like to God?” was first the cry of the great Archangel against rebellious hosts of angels who lead by Lucifer had shocked the Heaven with their cry "I will not serve God".

YEAR 12 DRAMA PRODUCTION
“DESIREE DIN AND THE RED FOREST”
BY MAXINE MELLOR

Desiree Din is an angry little girl. Sick of being told she is too young to understand her family’s problems, she fights with her mother and battles with her brother and sister. Out of her frustration she creates the Red Forest - a world where strange, mutant creatures seek Desiree as their leader in their mission to stop a dangerous contamination. Finally, Desiree has a chance to be in charge. But is it really that simple?

Come and see our talented Year 12 Drama class present “Desiree Din and the Red Forest” by Maxine Mellor next Tuesday 20, Wednesday 21 and Thursday 22 May at 7:00 pm in the SMC Drama Studio. The performance is suitable for 9yr + and is entertaining for the whole family. Tickets are free and can be booked by emailing desireedin@smc.sa.edu.au.

We look forward to seeing you there!

Mrs Becker, Subject Coordinator - Drama

CAN YOU HELP US?

Are you the owner of a business who could assist us? Since 2005, over $300,000 has been raised by the St Michael’s Community to aid the Lasallian Foundation’s valuable work around the world. Preparations for the 2014 MAD Quiz Night are well underway and we are seeking your support in the form of donations for raffles and auctions. No donation is too small.

In recognition of your support, businesses will have their logos displayed on the night and in our weekly newsletter, The Star. The following businesses have already supplied generous donations to our cause ... and we thank them!

Donations can be left at either Campus Administration office. If you have any queries, please contact Helen Murphy or Caryn Fielke at the Secondary Campus: 8356 5966 or email us at smc@smc.sa.edu.au.

MARK LE MESSURIER—PARENT EDUCATION SEMINAR
All parents are asked to take the opportunity to attend a parent education seminar with Mark Le Messurier on the topic of **RAISING BEAUT KIDS** on Wednesday 4 June 6:30 pm – 8:00 pm at the Primary Campus, 78 East Avenue Beverley, Founders Hall.

INCLEMENT WEATHER
Parents and Caregivers are advised that on days of inclement weather they may **IN PERSON** collect their son from his class from 3:10 pm. **Students will not be dismissed unless they are collected in person.** This is to assist families in picking up their sons in a safe and orderly manner when the volume of traffic after school is likely to be very high. **Motorists are NOT to park in the pick-up zone** whilst collecting their son from the classroom. The aim is to maximise the available space for the 3:20 pm peak pick up by providing an alternative to those parents who are prepared to park and walk.

SPORTS UNIFORM
Students in Reception to Year 7 come to school dressed and remain in their sports uniform on designated PE days. Students must wear SMC attire for PE lessons. The dress code for special occasions/school events, such as College Photo Day, Whole Campus Mass and Special Assemblies will be advised via the College Newsletter “The Star” or student notices.

LOST PROPERTY
Now that winter co-curricular is in full swing many students are changing into sports clothing after school and consequently considerable lost property is being generated. Please label your son’s clothing clearly to assist in prompt returning of these items by Administration staff.

CYBER AWARENESS - CYBER SAFETY. **DID YOU KNOW?**
71% of parents believe their children use the internet mostly for research, whereas only 23% of children say they research online. The internet has grown and offers a whole new world of research, accessibility, communication local and abroad. Be alert for secretive behaviour. It is essential to speak with your child if every time you come into the room they minimise the screen, or it appears blank, so you don't see what they are searching for. If the child types POS when you walk in, that means, “Parent over shoulder”. You don't have to be an internet expert to teach children how to enjoy the internet and be online safely. Learn about the internet together. Get them to show you where they go online and what online activities they like to do, offer some of your own suggestions that you think are suitable.

POLICE CLEARANCES
Thanks to the parents who have obtained Police Clearances. The College greatly values the support of volunteers and the efforts of all who have undergone this process to make the School Community a safer place. If you have recently received your police clearance letter from the Police Check Unit, please bring the original to Administration to enable the College to enter the data into the database. Without the sighting of this letter you are unable to volunteer, attend on excursions or participate as a coach.

THE COUNTDOWN TO WALK SAFELY TO SCHOOL DAY HAS BEGUN
With less than two weeks to go, primary school aged children across Australia are gearing up to take those important steps towards a healthier future by participating in National Walk Safely to School Day on Friday 23 May 2014. Now in its 15th year, this important community initiative aims to raise awareness of the health, road safety, transport and environmental benefits that regular walking (especially to, during and from school) can provide for the long term health of our children.

**Are you involved? It’s not too late. Here’s how:**
- Mark Friday 23 May 2014 in your diary.
- Consider walking to school from home with your children or walking with them to the school bus.
- If you have to drive, park the car a short distance away from school and walk the rest of the way.
- Remember, until they are 10, children must always hold the hand of an adult when they cross the road – any road.
- Discuss ways to walk as a family or with friends as a relaxation and fitness activity.
- Visit walk.com.au to find out more about how to get involved.

Mr Kym Clark, Director Lasallian Mission

SECONDARY CAMPUS

YEAR 8 PARENTS AND STUDENTS
I wish to draw your attention to the outstanding effort of so many students in Year 8 who were awarded certificates at our Academic Assembly. I am proud of the way so many students have settled into the St Michael's community and are living up to our motto to 'Be the best they can be'.

I encourage parents to check their child’s diary for any homework which may have been set or for upcoming due dates for assignments and draw your attention to our Due Date Policy which is on the intranet. It is of upmost importance that students abide by this policy when submission dates are set to ensure that students are given the best chance of success. We are understanding of those times when extensions are required and encourage students to approach their teachers well before the due date.

Our focus this term in Year 8 is on Leadership and I wish all the students the very best with their upcoming studies.

Mr Williams, Year 8 Director
TERM 2 PARENT TEACHER INTERVIEWS, WEDNESDAY 28 MAY, 2014

The second Parent Teacher Interviews are calendared for Wednesday 28 May. These events are always very popular with teachers in high demand, particularly in the evening time slots. We are aware that not all requests for interviews were able to be granted at the last Parent Teacher interviews and we have been looking at expanding the times available into the future.

Teachers prioritize some students and families and they enter these before the bookings open up on-line. Teachers generally reserve these for parents and students at risk, those studying in Year 12 and other targeted students. I suggest you select these as a high priority. As long as you can enter your requests by the deadline everyone is given equal consideration in the automated selection process.

We value communication with you as integral to our success and I know our community values this as well as evidenced by the tremendous support shown to all of our events.

We trust that if you are experiencing any concerns of either a Pastoral or Curriculum nature, you will make contact with the relevant Subject or Pastoral Teacher, Counsellor or other relevant staff member.

Mr Alan Crierie, Deputy Principal – Curriculum

TERM 2 PARENT TEACHER INTERVIEWS, WEDNESDAY 28 MAY, 2014

Parent Teacher interviews are scheduled for WEDNESDAY 28 MAY, between 1:52 pm and 8:30 pm. Please note that classes finish at lunch time on this day. Information will be mailed home on Friday 16 May in relation to the booking process. Parents and guardians will have the opportunity to talk with their child’s teachers about any issues of concern that may have arisen during the year to date. To make the most of the opportunity it is important to be prepared. Before your interview, plan specific questions you wish to ask and identify factors of which teachers need to be aware. The interview process should be seen as an opportunity for two way discussion where the interests of your child are important considerations for both parties. We also strongly encourage all students to attend so as to enhance the conversation and to hear constructive feedback firsthand. After the interview it is important for parents to follow up on matters discussed at the meeting with their son or daughter. Acknowledge strengths, identify areas where improvements can be made and encourage your child to take responsibility for his/her own learning. We look forward to seeing you and your child on the day.

SUMMARY OF DATES /TIMES:
- Monday 19 May, 4:00 pm: Access to Edval Parent/Teaching Interviewer Scheduler.
- Friday 23 May, 9:00 am: Program closed for processing.
- Friday 23 May, 4:00 pm: Program reopened at which time schedules can be viewed and printed.
- Monday 26 May, 9:00 am: Program closed for final time. No further appointments can be made after this date.

Please remember to print your schedule and bring it with you on the day.

Ms Bron Kemp, Director of Teaching and Learning

YEAR 11 VISUAL ARTS EXCURSION

This years excursion in April saw students attending the DarkHeart exhibition at the State Gallery and the Stage 2 SACE Art Show at the Dame Roma Mitchell Centre. Controversial and challenging, the Darheart show showcased some of Australia’s leading artists which included such names as Ben Quilty, Del Kathryn Barton and Ah Xian. This was a great opportunity to see these artist’s works first hand and to have a guide uncover the many layers of meaning behind each piece.

The second exhibition, The SACE Art Show, saw the best Art and Design works from all 2013 South Australian secondary school Art Students. This was, once again, a great opportunity for students to see the broad range of approaches to major works taken at this level. Included in the exhibition were four works selected from St Michael’s 2013 art students.

Mr Terry MacDermot, Head of Department - Art

GIFTED AND TALENTED STUDENT CONFERENCE DAY

Recently, a group of Year 10 and Year 11 students attended the Gifted and Talented Student Conference day hosted by Julie Arliss and Jefferey Hodges, Academy Conferences. Julie Arliss lectures at King’s College and works in association with Oxford and Exeter Universities, organising student study days internationally. Jeffrey Hodges is a performance consultant who works in the area of helping young people realise their potential through successful life management and thinking skills.

The focus of the day was on a variety of topics which were approached from many different disciplines so that students begin to see connections between different areas of study and the bigger picture.

Students were challenged with many questions and different ways of thinking, examples being:

"Do you believe that statues can move, and how might you justify such a belief?"
"The Origins of the Universe and what came before The Big Bang."
"What is Justice and does it even exist?"
Students were encouraged to think in diverse ways. The following are reflections to their experiences of the day:

The Gifted and Talented Conference held at Concordia College was very productive and interesting. I feel as though I got a lot out of it and it’s inspired me to think bigger about things that I hadn’t done before. The question “Do you believe statues can move?” turned out to have an incredible variety of answers that showed how laterally you can think. I learnt a great deal from each of the topics. For any student who is given the opportunity to attend one of these days, I would strongly recommend it.

Charlie Dessaur 10BL

I attended a Philosophy seminar along with Lily Schubert, Jesse Nguyen and Daniel Dessaur. Throughout the day we were presented with different lectures about abstract ideas in philosophy and science that encouraged us to think laterally. One lecture that I found interesting in particular was about the Oxford Question: “Do you believe that statues can move, and how might you justify such a belief?” Overall the day was a great opportunity to think critically about fascinating concepts and gain insight from an expert in the fields discussed.

The topics covered in the conference spanned a wide spectrum of ideas, from “Justice, Truth, Beauty and Mathematics”, Emotional Intelligence, The Oxford Question and The Origins of the Universe. All of the lectures were mouth-wateringly fascinating and the presenters, Julie Arliss and Jeffrey Hodges had us hanging on every concept they expressed. It catered to students of all levels and their explanations of the given notions were comprehensive and thought-provoking. I was incredibly inspired by both Julie Arliss and Jeffrey Hodges as they have an incredible breadth of knowledge and use it to enrich the lives of people like us. The conference lived up to the introduction stating that our minds would be challenged and stretched beyond our initial dimensions and I am so glad I had the opportunity to attend the day.

Lily Schubert 11MS

Students were rapt with attention as Julie took them on a philosophical journey from Justice and Chaos theory through to the Precautionary Principle. The unique day proved to be one which provided broadening of knowledge, critical thinking and inspiration for all those who attended.

Mr Karnas Stratos, Gifted and Talented Coordinator

INSTRUMENTAL MUSIC
If your son/daughter is interested in taking private instrumental lessons at school, positions have become available for piano, drums, violin, saxophone, clarinet, guitar and flute. See Mrs Cutt in the Music Centre for application forms soon, as positions will fill quickly.

Mr Tim Donovan, Director of Music

CELEBRATE LANGUAGES IN ADELAIDE THIS WEEKEND
The Adelaide Languages Festival will be held at the University of Adelaide this weekend, Friday 16 and Saturday 17 May 2014. This is a great opportunity for students wishing to learn more about the advantages of learning other languages and the benefits of being multilingual in a global society. This is a free public event. See the University of Adelaide website for details and the Event Schedule.

Opportunities to Travel Abroad
There is an opportunity for current Year 12 students, particularly those that may be interested in travelling to Asia and extending their learning in a gap year. Young People Without Borders (YPWB), an initiative from the Foundation for Young Australians, are offering young Australians aged 18 to 20 the opportunity to secure $2,500 scholarships towards volunteer placements in the Asia-Pacific.

YPWB have teamed up with Global Vision International and Latitude Global Volunteering, to offer some of the best volunteering placements in India, China, Vietnam, Laos, Fiji, Vanuatu, Nepal and Thailand. The placements are a wonderful opportunity for students to apply learnings from the classroom and gain valuable lifelong skills whilst also making a meaningful contribution to the world.

Applications for departure in 2015 close 27 June 2014. Please go to: ypwb.org.au/startyear to apply or find out more. Students who aren’t 18 by departure in 2015 (e.g. Year 11s) can still sign up to the YPWB community and register their interest to be kept up to date on future scholarship opportunities.

Mrs Maria Cardillo, Subject Co-ordinator – Italian

YEAR 11 WORK EXPERIENCE
We wish our Year 11 students all the best as they head out for their week of Work Experience next week. We remind parents and students that if a student is unable to attend a scheduled day of Work Experience due to sickness, that they phone the employer as well as the College as early as possible on that particular day. Students will need to bring in their Employer Feedback form as soon as possible on their return to school. We look forward to hearing of the successes, positive reflections and insight into individual career planning.

VET NEWS
YEAR 10 and/or YEAR 11 Students with a Disability
We have received notification of two very exciting VET Courses targeted at students with a mild disability. The courses have been developed to improve skills required for post school transition. There is a Cert 2 course in Creative Industries Digital Video Media and a Cert 1 in Hospitality (Kitchen Operations). If you believe your son or daughter may fit the eligibility and be independent enough to attend and complete this course off campus, Mr Woolford would be happy to discuss this further with you. Places are limited so we urge you to make contact as soon as possible.
COME & TRY FLINDERS UNI 2014 - WEDNESDAY 2 JULY 2014, 10AM – 2PM
Flinders University invites high school students with learning needs, disabilities and health conditions to experience university first hand. The seminar involves meeting disability advisors and current university students with disabilities and also going on a tour of the university’s science and nursing facilities. Morning tea and lunch will be provided. Students must be accompanied by a person responsible for duty of care. For further information, or to RSVP, please contact Paula Williams or Toni Crisci, Disability Advisors, Flinders University via disability@flinders.edu.au or phone (08) 8201 211. Replies are required by 11 June 2014.

KEY APPLICATION DATES for January 2015 Intake: ADFA and NEOC only have one intake date per year and RMC has a twice yearly intake - to ensure that students apply at the right time, read below:

AUSTRALIAN DEFENCE FORCE ACADEMY (ADFA)
Year 12 students should apply NOW. Year 11 students looking at a 2016 intake should start an application in Term 3 this year.

ROYAL MILITARY COLLEGE, DUNTRRON (RMC—Army Officer) Year 12 students should apply as soon as possible. Year 11 students looking at a 2016 intake should apply at the start of year 12.

NAVY OFFICER (NEOC)
Year 12 students should apply as soon as possible. Year 11 students looking at a 2016 intake should apply at the start of year 12.

WHY START THE RECRUITMENT PROCESS SO EARLY?: The recruitment process can take from 3-12 months depending on each applicants personal circumstances. We recommend that students start the application process early to ensure that they are meeting our deadlines and cut off dates and to avoid disappointment. Undertaking some elements of the recruiting process early also avoids the stresses of assignment submission and exam time at the end of Year 12. Our staff will clearly explain the recruitment timelines and process to students once they start their application for the Australian Defence Force.

CO-CURRICULAR NEWS

INDIVIDUAL GOLF CHAMPIONSHIPS
The SSSSA Individual Golf Championships were held at Flagstaff Hill Golf Club on Friday 9 May with five St Michael’s College students taking part. Jack Hynes, Liam Georgiadis, Josh Richards, James Pedlar and Harvey Miller braved the elements to represent the College.
This round was a stroke play event meaning each hole had to be played out, regardless of the situation. There was a short delay in the morning with heavy rain falling but play got underway once the greens had drained. The tough conditions and delay in play meant some students could not finish their round but Liam and Jack did extremely well to finish with a net 83 and 85 respectively. All represented the College well on a very challenging day.

SA STATE U18 LACROSSE TEAM - BREE AND OLIVIA IN ALL-STAR AUSTRALIAN U18 TEAM
South Australia and Western Australia faced off twice in two days at the conclusion of the last National U18 Women’s titles in Bendigo over the Easter weekend, and both games were thrillers.

WA overcame SA in the final group match, winning in extra time to earn a berth in the grand final after SA had previously qualified. The grand final also went to overtime with SA winning 12-11. Chelsea Gilbert 11BR, Ashleigh Behrendt 12CD, Briana Richards 10CO and Olivia Parker 12MA were part of the SA squad. Olivia Parker and Briana Richards were selected in the All-Star Australian U18 team,

RAISING BEAUT KIDS: Recipes for parents on when to say 'yes' and how to say 'no'

Mark Le Messurier is a teacher, counsellor and author. He regularly presents at conferences throughout Australia and is a recipient of an Australian National Excellence in Teaching Award. Mark works in schools and in private practice in Adelaide with young people he affectionately calls 'Tough Kids'. He is the architect of the ' Mentor Program' now running in many Catholic and state schools throughout Australia to support vulnerable students. Mark's latest book - his 9th - RAISING BEAUT KIDS follows hot on the heels of PARENTING TOUGH KIDS which became an international best seller. Mark's books will be available at the seminar for purchase, using cash or credit card.

RAISING BEAUT KIDS is beautifully presented in a cookbook-style. Each chapter offers a typical tricky scenario that parents often face at home with their children and teens - accompanied with the ingredients that fire things up! Then a set of 'Recipe rescues' are offered as a problem solver: a practical way to respond to kids when they serve up tricky behaviours. The 'Recipe rescues' are designed to help parents steer the behaviour of their kids (and their own behaviour) in more positive directions, within the context of building healthy relationships.

You see, Beauty Kids just don't happen! Children begin life by being naturally impulsive and self-motivated. They look to parents to show sound judgement, compassionate leadership and the capacity to develop predictable boundaries and routines. Kids need connected parents who can make the tough calls when required, even when making such calls inconveniences them. In short, our kids need parents that know, 'when to say yes, and how to say no'. How parents do this often depends a lot more on their personal parenting style than on the kids themselves. Come and learn about your parenting style in a fun and interactive atmosphere.

You'll discover -

What your parenting style really is - the window you mostly live in
Whether your management style is the same at work and at home
Whether your parenting style is working for you, and for the kids
Is it likely to work for you in the future - is it sustainable?

Once you leave the workshop - the next time you're faced with one of kids, you'll be able to ask yourself;

Which window do I 'feel like' reacting from?
Should I move to another window?
If I need to move, how can I gather the energy and poise to do this?
Which window is most likely to result in a constructive solution, and has a good chance of strengthening our relationship?

In the end, parents who RAISE BEAUT KIDS know how to cleverly apply, 'when to say yes, how to say no' by moving freely and consciously from window to window in the Social Control Window.
