Dear St Michael’s College Community,

ENROLMENT INTERVIEWS

Thank you to all those involved in the Year 8 2016 enrolment interviews held recently.

The atmosphere was one of welcome and engagement, with many excited Year 6s having their first face to face experience of St Michael’s College. The interviews set a positive tone in regard to the prospective partnership between staff, student and parent.

While it is a great opportunity for staff and students to get to know each other a little better, it is also an opportunity for parents to ask questions and get a deeper sense of what St Michael’s College is about. The occasion also provides the College with important feedback as to why parents choose St Michael’s as the preferred choice of school for their sons and daughters and allows us to build on these strengths in future planning.

We are currently working through the enrolments, with first round offers to go out within the week.

THE FEAST OF THE SACRED HEART OF JESUS

The Feast of the Sacred Heart of Jesus is a moveable feast, which means that it depends on the date of Easter Sunday. It is celebrated 19 days after Pentecost Sunday, which sees it fall this year on Friday 27 June.

The Missionaries of the Sacred Heart have a special devotion to the Sacred Heart of Jesus, and a long and positive connection with St Michael’s College. As such, we wish all MSC, including Fr John, Fr Carroll, Fr Paul, Fr Mark and Fr Bill a very special day this Friday, particularly as it falls in the centenary year of the MSC in Adelaide.

The Sacred Heart of Jesus represents not simply His physical heart but His love for all mankind, and as described on the MSC site:

“One of the strongest human needs is the longing to be loved. We are born with this yearning deep within us. It has been revealed just how much God is willing to love us by sending the Son. St. John puts it this way: “For God so loved the world that he gave his only Son…” (3:16).

God’s love is made real and personified in the Sacred Heart of Jesus. Because the heart is a symbol of love, the Sacred Heart represents God’s love for us”.

ST MICHAEL’S COLLEGE DIAMOND JUBILEE 1954 – 2014

WE REMEMBER ...

The 1964 vision of a Secondary Campus at Henley Beach was to become a reality. The association with the contributing Parishes continued and the community spirit was very much alive during the building process.

Community spirit was seen in action when in 1969 the Parents & Friends, under the direction of Leo Gilbertson, Bruce Williams, Mos Bawden, Don Mount, Arthur Fisher, Arthur and Vince Selfe, constructed 500 desks to be used in the new buildings. The basic framework was of heavy iron pipe welded into the required shape and including a small seat and back rest. The table and shelf was of solid wood and firmly attached to the frame. The resulting desk was quite heavy but so sturdy that it became known as “the indestructible”. The photo shows the desks being used for the exams in the hall. These original desks were only replaced in 1992 by more modern tables and chairs.

The students also took part in work for the community, albeit for some of them most unwillingly. During the latter part of 1966, on many a Saturday morning, small parties of boys, some of them undergoing penance for transgressions, others out of a sense of community and yet others from the senior classes, went to Henley from Beverley, taking with them sprigs of couch grass from the oval at Beverley to start the new oval areas at Henley. Some of the groups worked at clearing away the reeds and thistles. The thistle clearing task lasted for another two years as punishment for late arrival and for those who failed to tackle homework tasks. The students were relieved when the remaining uncleared land was eradicated of thistles by the application of chemicals.

The Senior College opened for business at the start of the 1967 school year with 8 Brothers, 5 lay teachers and a student population of 360 and with the Hall, Chapel (pictured below) and the Brothers’ residence still under construction. The buildings and ovals were blessed and officially opened on Sunday, February 26th, 1967 by Archbishop Gleeson. The main part of the ceremony took place in what today is known as the “courtyard”, an area which was to be the location of many official ceremonies in future years. Hundreds of parents, friends, old scholars, current students and staff with their families attended the official opening. So great was the crush that many of those attending had to use the upper balcony. Student Anthony Meegan, representing the students, spoke for them and all those who had been involved with life at Beverley when he said that over the years, St Michael’s had undergone many extensions but this one overshadowed them all.
FAMILY MASS
Please note the Family Mass on Sunday 29 June at 9:00am in the Beverley Chapel. An invitation is extended to all SMC families.

LOST PROPERTY
Parents are encouraged to label all school clothing. This will assist in the prompt return of misplaced articles. Please encourage your son to be responsible for his property. Please check if any items of clothing are missing as prompt follow up increases the likelihood of a successful return.

END OF TERM & REPORTS
Parents are advised students will be dismissed at 12:45pm on Friday, 4 July. Bus services will be provided from 1:00pm. School resumes on Monday 21 July. Semester One Written Reports will be posted home on Friday, 4 July.

Mr Kym Clark, Director Lasallian Mission

PRIMARY SCHOOL GARDEN
The Primary staff developed a School Environmental Plan in 2012. The opening statement expresses our hopes for the future and has been the catalyst behind many projects that have been developed since it was written.

Our vision is to develop a culture within our school community that recognises the shared responsibility to reduce our environmental footprint and promote the educational value of sustainability. We intend to create a balanced and equitable approach to the development of ecological programs within our curriculum that will enable our students to become informed, responsible, resourceful and respectful global citizens.

Chol’s Garden is flourishing under the careful coordination of Mrs Robyn Palmer. Mapped against our curriculum, each class has an area of study that is well supported by our school garden. Every student in the school will have had practical involvement in the garden by the end of this year. Buddy Classes have been rostered on together this term.

- Term 1 - Year 5 and Year 2
- Term 2 - Reception and Year 7
- Term 3 - Year 3 and Year 6
- Term 4 – Year 1 and Year 4

Our boys work with Mrs Palmer and her crew (including parent volunteers) every Friday afternoon weather permitting; planting, propagating, watering and weeding. A team of Year 6 students have been designated Garden Monitors and are being trained by Mrs Palmer every Friday lesson 6 in Garden Maintenance.

To assist with propagating our own seeds, Mr and Mrs Mercurio (Mrs Palmer’s parents and grandparents of Jaiven 3ES and Kalan 1NR), have very kindly donated a very substantial greenhouse. It is fantastic to have such support and we greatly appreciate their generosity.

We registered this year with the Stephanie Alexander Kitchen Garden Program and both Mrs Palmer and Mr Alan Tessari (Year 3 Class Teacher) underwent a 2 day training course to run the kitchen garden program at our school. The ultimate aim is for all year levels to be involved in these classes but only Year 3 are the chosen ones for this year. These students will be using the produce from our garden to grow, harvest, prepare and share.

Ms Kate Tyrwhitt entered a competition during the Tasting Australia event to win a garden bed full of produce and won! Thank you to Kate for this initiative and for enabling us to substantially expand our garden.

We were also successful in receiving a grant of $3944.40 from Zero Waste SA for the management of our green waste and compost. This will allow us to continue to reduce waste in all areas of our school operations particularly the size of landfill collections and to develop the production of our own compost and mulching of garden waste and compost.

We look forward to seeing the parent volunteers from Years 3 and 6 in Term 3 on Friday’s Lesson 5 and to developing our next outdoor classroom – the Mini Wetlands.

YEAR 11/12 EXAM PROTOCOLS & STUDENT RESPONSIBILITIES
- Students should be ready to enter exam room 15 minutes before the starting time. Please assemble in the adjacent courtyard; for example for all morning exams, please assemble by 8:40am, sign the attendance sheet outside the room and you will be directed from there.
- Students are to ensure that all the necessary equipment has been obtained for the exam. NO borrowing will be permitted. NO pencil cases allowed.
- Students plagiarizing will have their paper cancelled. However, the exam must be completed. Obviously final assessment will be adversely affected.
- No student will be permitted to leave the exam room before the appointed finishing time.
- READING TIME – Each student will be permitted to make notes and read the exam paper for ten minutes prior to the start of the exam. All notes must be written on the sheet supplied ONLY. Before the exam, consideration should be given as to how best to use this time. Check with teachers if uncertain.
- If a student is ill and unable to attend, a phone call must be made to Ms Kemp, ideally prior to the commencement of the exam.
- Full College uniform is required for all exams, including compliance with the Grooming Policy.
- Students are encouraged to bring a dictionary into the examination but only unmarked dictionaries are to be taken in.
- Mobile phones are NOT permitted. Teachers will not be responsible for these during the examination period.

YEAR 11 END OF TERM ARRANGEMENTS
As you are no doubt aware, formal lessons for Year 11 students conclude for Semester 1 on Friday 20 June. Monday 23 June is a study day where students can have the opportunity to stay home and prepare for exams. If they wish to come to school a study room will be provided for them. Exams will be held from Tuesday 24 June until Wednesday 2 July inclusive and students are only required to attend for their exams. Thursday 3 July is a ‘compulsory’ day of attendance for all Year 11’s. The program for this day is effectively broken into 2 sessions:

a) **Choicez Seminar:** Choicez is a program that explores the importance of forming safe relationships for young adults and promotes how Christian values underpin such relationships.

b) Subject Selection for 2015 Expo and information session.

The day will conclude at normal school dismissal time.

Friday 4 July is optional attendance for Year 11 students. We will have:

c) Study room available from 9:00am – 1:00pm for private study.

d) School Counsellors and Career Advisors available for personal counselling sessions (details to be explained to students soon) for 2015 subject selection.

Student Services will also be available for students to change subjects for Semester 2 2014 should students wish to change in light of information / discussions on Thursday.

Mr Alan Crierie, Deputy Principal - Curriculum

SUBJECT CHANGES
At St Michael’s we pride ourselves on our subject selection procedures using our successful Year 12 results as a gauge of the rigor of the process. To ensure the best possible approach, during specific assemblies students are provided with information from Heads of Departments in regard to the subjects on offer. Individual counselling sessions are offered through Student Services to assist in determining appropriate subjects. Career Counsellors visit senior classrooms to personally deliver relevant material. Subject Handbooks pertaining to particular year levels, as well as tertiary information pertinent to the senior years, are distributed to parents via their daughters or sons. Pastoral Teachers are also important sources of information in this process. For our senior students, the process culminates with an individual parent/student interview with a Counsellor to determine the validity of the proposed subjects.

We stress to students to choose their subjects wisely because once the line structures and number of classes are determined based on original student preference, it may be impossible to change to another subject.

We also understand that mistakes can be made and preferences shift for a wide range of reasons. Therefore, we allow students the opportunity in the first two weeks of the school year to review and make changes, where possible. This does cause a significant degree of disruption to our teachers’ learning programs and also disadvantages students as they enter a new subject having already missed a substantial amount of work.
We always endeavour to place students into the most appropriate course. However, there are practical matters that must be taken into consideration. Changes in the middle school are often problematic and not necessarily in the best interests of the student. More often we are finding that students in the middle school seek changes that, unfortunately, are not made for sound educational reasons, such as wanting to be with their friends in a particular class or preferring one teacher over another.

Generally, unless there has been an administrative error, Year 8, 9 and 10 students will be expected to remain in the subjects of their original choice for the duration of the semester. This will allow teachers to begin each semester with a minimum of disruption which is necessary to ensure a quality learning environment and ultimately a successful outcome for all students. At times, Subject Teachers may use their professional judgment as to whether a particular student is able to cope with their demands of their course and recommend an alternative option.

Our senior students, namely Year 11 and 12 students undertaking the SACE, will still be able to make modifications at the beginning of the school year, and also mid-year for Year 11’s, if they are concerned as to whether they will be successful in that particular subject or where their intended pathway has changed.

To conclude, I would like to reiterate the importance of careful planning and consultation in ensuring the most appropriate subjects are chosen in the first instance.

Ms Bron Kemp, Director of Teaching & Learning

### SECONDARY SUBJECT COUNSELLING INFORMATION

Term 3 is when students and parents make important decisions regarding subject choices in preparation for future career pathways. These choices should be guided by student interest and success in preparatory subjects. Students in Year 10 have completed, or will be completing in Semester 2, the Personal Learning Plan (PLP) as the first stage of their SACE certificate. This is designed to assist students to identify possible career paths. Various parent information nights are designed to explain the subject selection process and SACE certificate requirements and I urge parents to attend these if at all possible. Mr Anthony Vizaniaris and Ms Rose Coorey are available for Careers Counselling and Mr Kevin Woolford is available for advice on VET courses. Appointments can be made by contacting Student Services. Critical dates for various stages of the subject selection process are listed below. Due dates for the return of various forms will be published on the forms. Your support in this important process is greatly appreciated and I can be contacted through Student Services to clarify any issues arising.

YEAR 11 ITALIAN IMMERSION CAMP - *UN TUFFO NELL’ITALIANO 2014*  
(A DIVE INTO ITALIAN)  

Last Friday the Year 11 Italian class and 2 students currently undertaking Stage 1 Italian through the School of Languages, departed for the Immersion Camp - *Un Tuffo nell’Italiano* at the beautiful Serafino’s at McLaren Vale.

Over the following twenty-four or so hours, the students worked enthusiastically on a range of language activities intended to enhance their speaking and comprehension, and to unite and immerse them in the language and culture they have been studying over the past years.

I was really proud to see the students engage energetically in every activity and opportunity, like the vibrant and collaborative family they have become. Their growth over this brief time was evident, they became more confident and were literally glowing as a result of their success.

After an enjoyable afternoon of activities, we walked to the amazing Vasarelli’s restaurant in the moonlight and enjoyed a delicious meal, after which we returned to Serafino’s to watch a film together.

The following morning, we discussed the film, undertook further language activities and then walked to the Bocce Club, where Mrs Vicki Vasarelli, long-time resident and community representative, taught our students how to make (and eat 😉 pasta and play Bocce. A game of stealth and strategy, of course the girls couldn’t help but win, much to the boys disappointment!! Better luck next time!

Overall, a wonderful opportunity to be immersed in language, wonderful food and surroundings and good company! Many thanks to Signora Pepe, Signor De Lorenzis and Signor Faraone for their much valued contributions!

Well done Year 11s ... you have taken un *tuffo*... now keep swimming, in Italian, always!

YEAR 10 DRAMA PRODUCTION  

On Thursday 12 June, Ms Ramsey’s Year 10 drama class performed “The Mystery of Roger Mullaney” to an audience of friends and family in the Drama Studio. The play tells the story of the long and mysterious disappearance of Roger (Jackson Tucker), the son of an elderly and wealthy widow Mildred Mullaney (Jordana Montesi). Desperately, Mildred calls upon her nephew, Benjamin Skelton (Madeleine Dawes) to solve the case.

The main characters Imogen (Taylor Strube) and her cousin Timothy (Joel Westbrook) are two budding private investigators who are determined to put their detective’s skills to the test. Due to placing an ad in the newspaper, Skelton hires them both to solve the mystery once and for all.

The play was met with a lot of laughs, drama and plot twists that kept the audience on the edge of their seats. There were quite a few scene changes due to the many locations but the backstage crew rose to the challenge and along with film noir style music to set the tone, each setting appeared flawlessly.

The director (Ms Ramsey) along with the stage manager (Ella Bullock) directed a skilled team of wardrobe, set designers, sound, lighting and make-up artists along with the additional performers in the play. It was a huge success and was an amazing experience being able to perform with some of your closest friends on stage in front of a live audience. The production process was also very exciting, as we were all encouraged to contribute to the design and direction of the play. Seeing all our ideas come to life was worthwhile; all of the long rehearsals and hard work paid off!

YEAR 11 AND 12 SOLO PERFORMANCE EVENINGS
It's that time of the term, that our Year 11 and 12 music students have their final Solo Performance Assessment evenings in the Mackillop Centre. The Year 11's had theirs this week, and the students performed exceptionally well. The Year 12 students have theirs on Monday night, 30 June, at 7:00pm. We encourage parents, friends, neighbours, anyone to attend!

Sponsor-A-Row

The Catholic Schools Music Festival is the premier arts event for Catholic Education in South Australia. It is a not-for-profit event which relies on the generous support of school communities and volunteers to make it a great success.

We are looking for individuals or businesses from within our school communities to sponsor a row of the massed Festival Choir. Sponsors will have their name or business name listed in the free program provided to audience members on each night of the Festival.

This is fantastic exposure, reaching a huge cross-section of families from Catholic schools around the state. Over 6000 people attend the Catholic Schools Music Festival each year.

To sponsor a row, please fill in your details below and return this form, along with a cheque or money order for $50.00.

If you would like further information regarding this initiative, please contact Vicki McGregor, Catholic Schools Music Festival Consultant vicki.mcgregor@cesa.catholic.edu.au Phone: 8301 6813

Thank you for your generous support of the Catholic Schools Music Festival.

YEAR 9 DRAMA PRODUCTION "BULLY"
On Tuesday 17 June, the Year 9 drama class performed a drama play, 'Bully'. We wrote the play ourselves as a response to bullying information that we receive from adults. After having a class discussion about the important things in our lives that we needed to address, we all decided that real life bullying and social status was the most important. We believe that there is a difference between real life bullying and the videos we have watched at school. Creating and performing this play was really fun, entertaining and enjoyable. It was great being able to have our own input into the play that we were performing and to be able to teach the audience something important in a light hearted way.

STUDENT SERVICES
Please be aware that many of these articles have extra information that can be accessed on the Student Services Intranet page: http://intranet/secondary/student_services/latest_news/current.pdf#

CAREERS NIGHT: MONDAY 4 AUGUST ~ Years 10, 11 and 12 Students and families
Next week we are hoping to provide a preliminary list of organisations that will be represented at our annual Careers Night. It is important families plan ahead to ensure the right questions are asked and research done to make the most of this event. Please stay tuned for next week's web links for each organisation so students are able to use some holiday time to plan ahead. The biggest challenge rests with asking the right university about the right course, hence web links are provided: www.satc.edu.au  www.adelaide.edu.au  www.flinders.edu.au  www.unisa.edu.au.

FLINDERS UNIVERSITY UPDATE
Flinders University will be combining with TAFESA next year to offer a Bachelor of Fashion Design with students completing the first year at TAFE but then combining studies at TAFE and Flinders University beyond this. This will open up some interesting options for students who may want to incorporate a few other creative fields into Fashion Design. Given there are units on offer at Flinders in Graphic Design, Visual Arts etc you could put together a very interesting pathway. http://www.flinders.edu.au/courses/new-courses-2015/bca-fashion.cfm This course will operate along the same lines as Creative Dance introduced in 2014. The new Bachelor Design and Technology Innovation also sees a useful new focus where students will add a business edge to design and technology – for all our budding entrepreneurs. See: http://www.flinders.edu.au/science_engineering/csem/disciplines/di/.

CAREER IN TEACHING DINNER
If you would like to find out more about a Career in Teaching the final Western Futures Career Advice Dinner for 2014 is in this area. This will be your last opportunity to enjoy a free 2 course dinner at The Lakes Resort and hear from the course providers, University SA, Employers and those in the profession. It will be held Tuesday 9 September 6:00pm- 9:00pm, please RSVP by August 24 to Kirsty Wilding at Western Futures, call 8354 4214 or email: admin@westernfutures.com.au.

CAREER EVENTS IN THE HOLIDAYS
Do You Want to be a Vet? Get updated on the changes to entry 2015, University of Adelaide
Find out about Vet Studies and courses at Roseworthy. You must book in: See: July 8 and July 9 2014, 11:00am or 2:00pm. Come along and visit the University of Adelaide’s historic Roseworthy Campus, located 53km north of Adelaide. You will have a chance to discover our leading-edge teaching facilities and veterinary health centre, as well as meet our team of world-class animal and veterinary science academics and clinicians. There will be talks on specific degrees and courses as well as campus and building tours. Prospective students and parents will have a chance to learn about Roseworthy Campus and have all your questions answered about specific areas of study and interests. Receive academic advice, view the residential college and go on a campus tour. *Please Note: Allow approximately 1 hour travelling time (each way) from Adelaide to Roseworthy. OLD SCHOLARS

WHERE ARE THEY NOW?

Leon Chiara ~ Class of 1992

I attended St Michael’s College from 1988 to 1992. My mother still reminds me to this day how lucky I am to have attended the school. After graduating from Year 12, I headed straight to the University of South Australia and completed a Bachelor of Business. At the end of the degree I didn't feel ready for the workforce (not really knowing what I wanted to do!) so decided to enrol into a Bachelor of Commerce at Flinders University which I completed by the end of 1997.

During my final year of Commerce I applied for roles at all the major corporates and was fortunate to land an interview with BHP Billiton for a Graduate Accounting role in the Melbourne Head office. I still remember how excited I was walking into 600 Bourke Street for the first time and being offered the position. Back then I only owned one suit and one shirt so after the Melbourne weekend I came back to Adelaide and still had an interview with Southcorp first thing Monday morning. My mind was already set on the BHP role so the HR at Southcorp were quite surprised to see me turn up for a final interview in a t-shirt, shorts and thongs. No surprises but they didn’t offer me the role.

After two years with BHP I decided to move back to Adelaide to take up a role with Ernst & Young. Although I enjoyed the ability to put my Accounting studies into practice, I also had a strong interest in financial markets so after eighteen months I decided to take the plunge as a Stockbroker with Macquarie Bank. Fourteen years later, I am so glad I made the move. I enjoy the challenge of the markets and especially the new opportunities that each day presents.

The values that St Michael’s instilled in me have served me well. While I may not have appreciated it at the time, the support of the teachers and my peers in those senior years helped me immensely and gave me the confidence to make the important decisions both in my career and personal life.

Last year, with nine close friends I set out to run the New York Marathon and raise much needed funds for children charities. Along our training journey we raised $60,000 for the Women’s & Children’s Hospital Foundation and $40,000 for the neonatal unit at Flinders Hospital.

Next year I turn 40. When I started in this industry I was fresh out of Uni at 22 and I thought people of 40 were ancient - I couldn't understand why they were still working!
The sad facts of life have long caught up with me. Not one to celebrate my own birthday, I will bring in the big four-oh by running the Paris Marathon and hope to raise vital funds for the Asthma Foundation. So here's my plug ...

Outside of work my greatest achievements are being married to a very supportive wife and having three amazing children.

FROM THE DIRECTOR

National Sorry Day and Reconciliation Week provided an important opportunity for us to reflect together as a sector on a range of Indigenous issues.

Our school commemorated the week with many meaningful and powerful activities that acknowledged the importance of Aboriginal and non-Aboriginal people working together to shape a future for us as a nation.

Earlier this year Catholic Education SA (CESA) hosted the Hundred Languages of Children: a Narrative of the Possible Exhibition, an international travelling exhibition that tells the story of the Italian based Reggio Emilia educational experience.

The feedback and messages left by the 1,000 visitors to the exhibition clearly demonstrates that the exhibition was a source of inspiration for those who experienced it. Comments describe delight and marvel at the potential of children from the youngest age and highlight people wondering about their role as a parent, educator, grandparent, aunty or uncle in providing opportunities to help children realise their competence.

The recently released Continuous Improvement Framework for Catholic Schools in South Australia has provided a common framework for each school to engage in the ongoing work of improvement in their own unique context. The framework is described in greater detail later in this bulletin, but I mention only one of the domains here — the Catholic identity domain. We recently focused on one aspect of the domain during a session where Principals worked with Denis Edwards to reflect on key themes in The Gospel of Joy — a landmark document written by Pope Francis.

Pope Francis distinguishes between ‘pleasure’ and ‘joy’ in his Apostolic Exhortation. Whenever we allow ourselves to become caught up in ourselves, there is no longer room for others, no place for the poor and God’s voice is no longer heard. God’s will for us is to live a fulfilled and joyous life. We find this life in the Spirit as we deepen our relationship with the person of Jesus. When we lose ourselves in our faith, we find ourselves connected to the well-being of others and the world in new ways. This leads us into a new concern for those who are poor and the welfare of all creation.

My hope for us as a community is that we find many and varied ways to experience the deep joy that lies at the heart of the vision of Catholic faith opened up by Pope Francis in “The Gospel of Joy”.

Dr Paul Sharkey
Director of Catholic Education SA

Let us open our hearts to pray...

Loving God, as we encounter Your image in every child no matter what age, we ask for wisdom and Your grace to see the wonder and awe of the world through the eyes of children, acknowledge and celebrate their agency, listen to their voices with respect and understanding, celebrate with them as they live who they are called to be, invite and nurture their full participation in life and community, value their relationships and heritage, commit ourselves to their right to dream, seek meaning, to love and grow in knowing that they are Your children loved by You.

We ask this prayer through Jesus, the Christ, the Child, the Adult, the Christ, who lives with You and the Holy Spirit,

Amen
Re-imagining Childhood

Catholic Education SA, in partnership with parents, seeks to nurture the uniqueness of each child by enhancing learning and supporting the development of relationships to live their faith in the spirit of Jesus the child, the adult, the Christ.
Catholic Education Week in the Port Pirie Diocese

Thirteen Catholic schools and colleges across the Port Pirie Diocese celebrated Catholic Education Week between 18th and 23rd May. While each community celebrated in its own unique way, all schools took positive action against global warming by switching off school lights for a full day on Thursday, May 22nd. Additionally, all schools decided on a combined fundraising campaign in which over 4,000 students gathered a ruling length of coins to make a coin line that is over 1km long. This kilometer of coins will support the work of Caritas Australia which has been operating for 50 years to support those who are in need.

Director of Catholic Education in the Diocese of Port Pirie, Ms Brenda Keenan sees that it is a privilege to celebrate Catholic Education each and every day.

"I see countless examples of students, teachers, support staff, volunteers, parents and parishioners putting faith into action, living our Catholic values and celebrating who we are as a Catholic community." she said. Brenda added that Catholic Education Week was a time to give thanks and to celebrate.

Continuous Improvement Framework for Catholic Schools in South Australia

The Continuous Improvement Framework (CIF), which was launched earlier this year provides an evidence-based systematic approach for designing, implementing, monitoring and reporting school improvement. The framework offers a tool for self-review and planning which is consistent across the system and able to be externally validated.

Catholic Education in South Australia is confident that the Continuous Improvement Framework will guide schools and the system to focus on quality teaching and learning. Monica Conroy, Assistant Director of Catholic Education, Leadship said that the framework is supporting schools in identifying strengths and areas requiring improvement to ensure better outcomes for all students and overall school performance.
