Dear St Michael’s College Community,

**LASALLIAN YOUTH GATHERING**

Next week Dominic Ascoli, our Lasallian Youth Minister, along with Bradley Andrew, Aaron Manuell, Nadia Loprete and Michael Phillips, all from the Class of 2013, will be attending the 2014 Lasallian Youth Gathering in Brisbane. This is an event for young Lasallians who are interested in, and passionate about, the Lasallian call to serve and live the Mission. This is a great opportunity for young Lasallians from Australia, New Zealand, Pakistan, PNG and even the USA, to share in faith, service and community.

The new Superior General of the De La Salle Brothers, Br Robert Schieler, will also be at the gathering and Dominic Ascoli is involved in facilitating sessions at the gathering.

We wish the group all the best for the gathering.

**AUSTRALIAN REFUGEE ASSOCIATION (ARA)**

Well done to Cilla Nesvanulica, Pamela Carrera, Eleanor Kain and Amir Owrang for recently taking on the role of ARA Youth Ambassadors at St Michael’s College. Their role includes supporting ARA through fundraising and awareness raising. This week, they ran a particularly successful bake sale generating some much needed financial support, as well as encouraging a positive understanding of the issues facing refugees in our country. Well done, and it was great to see the support received from the SMC staff and students.

**YEAR 12 SOLO MUSIC EVENING**

It was my pleasure to attend this enjoyable event on Monday night, as our Year 12 students performed as part of their first summative solo performance. The performances covered a range of areas including voice, guitar, piano and brass. Not only did the students entertain the appreciative audience of parents, staff and friends, but they provided an insight into the outstanding skills and abilities developed though many hours of committed practice. I am very jealous!

A big thank you to all of the students, as well as their talented SMC teachers and individual mentors.

**WESTERN FUTURES**

On Tuesday night, I was fortunate to attend the annual Western Futures Partnership Dinner with our VET Co-ordinator, Mr Kevin Woolford (pictured right with Bunnings representatives George Forest, Di Castrechini, Jeff Bull). Western Futures is a community based not for profit organisation located in the Western Adelaide Region. Its aim is to assist young people to achieve a successful transition through school as well as from school to further education, training or employment. It is unfortunate that funding has now been cut to this necessary organisation and as such, this looks like the last year of operation.

St Michael’s guests this year included a number of our partners, including reps from PEER VEET, VET Network, The Lakes Hotel and Bunnings. It was particularly pleasing that Bunnings received a special recognition award on the evening, due in part to the terrific association they have had with the St Michael’s College Doorways to Construction Program. Many of our students have benefitted from this program over the years and we congratulate Bunnings on the award and thank them for their commitment to our student VET courses over the years.

With this decision permanently co-existent one. However, by May 1973, there was pressure for the College to become permanently co-educational at Year 12 level and did so by catering for 80-100 girls. With this decision came extensions to the present buildings and the appointment of a permanent ‘Sister’ and one or two female lay staff as teachers.

In 1972, Year 12 classes became co-educational with 13 girls entering as students into the life of the College. Sister Catherine Clarke, from the Josephite Order of Mary Mackillop was their ‘mentor’. ### ST MICHAEL’S COLLEGE DIAMOND JUBILEE 1954 - 2014

WE REMEMBER ...

At the start of 1968, there were 540 students enrolled at Henley in Years 9-12, and 520 at Beverley in 14 classes from Years 3 to 8. At Henley, Commonwealth Government Grants made it possible in 1970 to build the air-conditioned Lecture Theatre which had tiered seating for 120 students (now the Boeyen Room), a Library which is now the Staff Centre (pictured left) and which incorporated discussion rooms, a teachers study and 20 carrels wired for five audio channels. The grants also enabled the College to purchase slide projectors and videotape machines as well as shelving for 8,000 books.

Br Athanasius (our much loved Peter Wallace) had developed an intense interest in the audio-visual sector of Education and on his advice that section of the Library was so well designed and equipped that lecturers in Teachers Colleges and Universities would often make arrangements for their students to visit it and study its workings.

Originally, the areas which are now the soccer pitch and main ovals were destined to be residential housing but thanks to the foresight of both Br George and Br Athanasius, St Michael’s acquired the land and even today, the aesthetics of the wide open spaces and sporting grounds are a sight to behold.  
(Pictured bottom left: southern side of Lasalle Building from original tennis courts).

In 1969 Br George was one of six Australians selected for a six month American travel study grant and some subtle changes were made at the College upon his return and as a result of his experience. There were changes to the uniform, the requirement of wearing of the cap to and from school for the senior students was abolished and a summer uniform of shorts, open-necked shirt and socks was introduced. The emphatic emphasis on academic success as a yardstick for development of the individual as a well-balanced and psychologically mature person.

LOST PROPERTY
Parents are encouraged to label all school clothing. This will assist in the prompt return of misplaced articles. Please encourage your son to be responsible for his property. Please check if any items of clothing are missing as prompt follow up increases the likelihood of a successful return.

REPORTS
Semester One Written Reports will be posted home on Friday, 4 July.

ASSEMBLY - CHANGE OF DATE
Parents are advised that the school assembly calendared for Friday 4 July has been postponed until Friday 25 July, 9:00am. This assembly will feature the presentation of Academic and Achievement Certificates based upon Semester 1 reports.

ROAD SAFETY
In the interest of safety can all motorists please encourage your passengers to enter and leave the car via the footpath side of the car. The habit of having students (especially younger students) move onto the road to enter/leave the vehicle raises safety concerns. Also please instruct your son not to leave the footpath until your car is completely stationary as there are times when you may pull in and then proceed to move forward to maximise the parking spaces.

FAMILY MASS
The next Family Mass will be Sunday 31 August in the Beverley Chapel at 9:00am. An invitation is extended to all SMC families.

PREMIER’S READING CHALLENGE
The Premier’s Reading Challenge is a literacy engagement program that was introduced by the Premier in 2004 to encourage students to read more books and enjoy reading and improve literacy levels
The Challenge requires students to read twelve books between the beginning of the school year and early September.

Students can read a combination of books from the Challenge booklists and books of their own choosing. Students can choose to read books in languages other than English. The booklists are available on the Premier’s Reading Challenge website.

Benefits of taking part in the Challenge:
• Raises the profile of reading, libraries and literacy in schools
• Gives students a focus for their reading
• Encourages students to read more books and enjoy reading more - the more you read the better you get at it!
• Encourages boys to participate by being ‘challenged’
• Offers incentives for reluctant readers
• Builds self-esteem and pride, school unity, and a sense of achievement
• Increases the involvement of parents in their child’s reading
• Increases library borrowing
• Contributes to increased literacy levels.

Please use the holidays as a chance to get your son to complete the Challenge if he has not done so already. More information at http://www.premiersreadingchallenge.sa.edu.au.

Congratulations to the students and teachers in 3AT and 4DB who have already completed the challenge.

Mr Ray Becker, Key Literacy & Numeracy Teacher

Mr Dylan Hicks, Head of Health & Physical Education

INSTRUMENTAL LESSONS
Some positions have just become available in Term 3 for Saxophone, Clarinet, Trombone, Guitar, Piano and Violin if your son/daughter is interested in learning to play these instruments. Please email Mrs. Cutt on Pauline.cutt@smc.sa.edu.au for further information.

Mr Tim Donovan, Music Director
BIG BAND 2
On Wednesday 25 June, Big Band 2 was invited to the St Michael's College Primary Campus to perform at the Year 5 Immersion Night. It was an enjoyable evening, showcasing just how much musical talent there is at the primary school. Big Band 2 concluded the night by performing three songs: The Duke of Earl, I Feel the Earth Move and Brazil (in honour of World Cup fever!). This was Big Band 2’s first public performance and they rose to the occasion, performing three polished and crowd-pleasing songs. It was exciting for the Year 5 musicians to see just how far they could progress on their instrument in a matter of years, and a great opportunity for Big Band 2 to show off their sound. For many Big Band 2 members who attended the primary school (and started learning their instrument through the Immersion Program) it was a satisfying look back at their amazing musical journey through St Michael’s College.

Mr Kevin Woolford & Mrs Carly Sandford – Big Band 2 Musical Directors

YEAR 9 ART
Year 9 boys and girls Art classes have been working on a series of Pop Art car designs. The black and white drawings were then transferred and carved into Lino. These students had an opportunity to explore the printmaking process, investigating a variety of coloured inks and handcrafted printing surfaces.

Mrs Sally Armour – Art Teacher

SECONDARY SUBJECT COUNSELLING INFORMATION
Term 3 is when students and parents make important decisions regarding subject choices in preparation for future career pathways. These choices should be guided by student interest and success in preparatory subjects. Students in Year 10 have completed, or will be completing in Semester 2, the Personal Learning Plan (PLP) as the first stage of their SACE certificate. This is designed to assist students to identify possible career paths. Various parent information nights are designed to explain the subject selection process and SACE certificate requirements and I urge parents to attend these if at all possible. Mr Anthony Vizaniaris and Ms Rose Coorey are available for Careers Counselling and Mr Kevin Woolford is available for advice on VET courses. Appointments can be made by contacting Student Services. Critical dates for various stages of the subject selection process are listed below. Due dates for the return of various forms will be published on the forms. Your support in this important process is greatly appreciated and I can be contacted through Student Services to clarify any issues arising.

**CAREERS NIGHT: MONDAY 4 AUGUST 6:00pm-8:00pm ~ Years 10, 11 and 12 students and families**

It is important for families plan ahead to ensure the right questions are asked and research done to make the most of this event. Please see below for web links for each organisation attending Careers Night so students are able to use some holiday time to plan ahead.

The biggest challenge rests with asking the right University about the right course, hence web links are provided: [www.satac.edu.au](http://www.satac.edu.au), [www.adelaide.edu.au](http://www.adelaide.edu.au), [www.flinders.edu.au](http://www.flinders.edu.au), [www.unisa.edu.au](http://www.unisa.edu.au) and [www.tafesa.edu.au](http://www.tafesa.edu.au). The resourceful Mrs Tidd has secured TAFESA and individual representation of the following popular areas: Justice and Policing, Human Movement Exercise Physiology and Physiotherapy, Visual Arts, Sport and Recreation Management, Tourism and Event Management and Media Arts. There will be an Interactive Corner with a University of Adelaide Robotics and UniSA Wind Turbine display. We have confirmed representation from 35 organisations, but unfortunately a few promised groups: AFL SportsReady and Agriculture Industry Representatives have declined for 2014. We are still finalising the program and hope to add a few more to the list below. Stay tuned!

NATURAL KNITWORK: DO LOVE KNITTING & THE SCIENCE OF THE BRAIN
OLD SCHOLARS

WHERE ARE THEY NOW?

Chris, Tom & Jack Dittmar

Chris ~ Class of 1980
Reflecting on his time at SMC, Chris recalls his involvement in sport as the highlight. He was a member of the incredibly talented cricket team that won every game during his five years at high school, a team that was coached by Brother Eric Pigott who kept the boys focused on cricket whilst also having many laughs.

Chris’ sporting achievements upon leaving school are legendary in the world of Squash. Formerly ranked World No. 1, he finished runner-up at the World Open five times and was runner-up at the British Open twice. Chris captained the Australian Squash team who were World Champions from 1989 to 1992 and in 1987 and 1989 was named South Australian Sports Star of the Year. Chris also represented his fellow players as President of the International Squash Players Association for several years and served as Patron of Squash Australia from 2002 to 2005. He was inducted into the Squash Australia Hall of Fame in 2005.

Since retiring as a squash player, Chris has worked as a television and radio sports commentator in Australia.

Chris reflected that he made many friends during his years at the College, friendships that continue today. His association with the College has continued through his two sons, Jack and Tom.

Tom ~ Class of 2008
My favourite memories from SMC include any opportunity I got to represent the school in sport and community events such as De La Salle Day and Mission Action Day. It was during these times that close friendships were formed and I could take pride in being a part of a great College. Since graduating in 2008, I have recently completed a Double Bachelor Degree in Human Movement and Education which has now brought me back to SMC for relief teaching which I am thoroughly enjoying! I also continue to play premier league soccer and catch up with many mates from school as those close bonds still remain. As our dad and cousins have all been through SMC, our family has enjoyed this continual close connection.

Jack ~ Class of 2011
Through sporting, academic and social areas, SMC provided a great opportunity for me to develop in all aspects of life. My time at SMC allowed me to make so many great friends that I still see on a regular basis. I am currently in my 3rd year of a Double Degree in Law/Commerce at Adelaide University, and I could not have achieved this without the guidance of my teachers at SMC. I have also been lucky enough to gain government funding to study in Japan (completed earlier this month) and I will be travelling around Europe for the second half of this year.
