Dear St Michael’s College Community,

BR DAVID HAWKE APPOINTED ‘VISITOR’

On Monday we received the following news from our District Office.

"The BIG news this week, already widespread on social media, is, of course, the appointment by Br Bob Schieler, Superior General, of Br David Hawke as our Br Visitor for the next four years. Br David returns to the District after serving for seven years as the Institute’s General Councillor for the PARC (Asia Pacific) Region, based in Singapore. Although absent from the District Br David maintained close contact through regular visits to the District and attendance at various District assemblies and gatherings, including formal visits in his role as Councillor. Br David has led the way in promoting the concept and reality of "shared mission” involving partnership and co-responsibility between Brothers and lay Lasallians and he is looking forward to working closely with the Lasallian Mission Council in animating, supporting and integrating the mission of the District in all its facets. His close association with the Brother Superior and the General Council, together with his attendance at this year’s General Chapter in Rome, gives him singularly clear insights into the “mind” of the Institute in respect of the religious life of the Brother and our Lasallian mission priorities. Br David was previously Br Visitor of the District for eight years, from October 1996 through to December 2004.

We welcome back Br David to the District as our Brother Visitor.

Br David’s appointment will commence on Monday 8 September 2014."

On behalf of the College, I would like to congratulate Br David on his appointment and offer him our full support in his role.

SAFETY & WELL-BEING

St Michael’s College is committed to sustaining a safe and orderly environment that supports student learning, engagement and well-being. One of the ways we do this is through our Pastoral programs, which are continually developed and adapted to ensure they are relevant and meaningful to our students and include contemporary issues that affect young people today.

In working through these issues, we have built significant partnerships with a number of organisations, including the Metropolitan Fire service (MFS) and South Australian Police (SAPOL). The MFS have had a long association with the College and this year presented their outstanding Road Awareness Program to Year 11 students and their parents. Through the RAP, the firefighters provide a first-hand look at the risks young drivers choose and the consequences they have no control over. The message is: ‘Through Concentration and Commonsense, almost all road crashes are avoidable.’

SAPOL has also contributed significantly to the College over many years, collaborating with us on a range of issues including safe driving and responsible decision-making, cyber-safety, youth crime prevention and drug and alcohol awareness. Our latest initiative with SAPOL has been this week’s visit by the drug detection team and dog who conducted a sweep of the locker areas. As expected, it is pleasing that no substances were found, however if necessary, we were committed to addressing the issue in a forthright manner.

I would like to thank the team from SAPOL for their willingness to work with us in maintaining a safe school environment and highlighting our shared commitment to a drug free zone and the safety and wellbeing of the students in our care.

John Foley
Principal
The vibrancy of the Parents & Friends Association continued in 1993 and, again through their successful fundraising activities, computer facilities were expanded at both Campuses. Br Rory reflected in his report for the year that the College was entering an exciting era, a time when students will be exposed to technology as a tool of learning and an enhancement of traditional teaching and learning methodologies, as well as being able to evaluate and test information through the immediate use of simulation, modelling etc.

1993 also saw the retirement of long-serving staff member Mr Rob Keenan (pictured). In 1991, Rob’s 28 year association with the College was recognised with him being made a “Benefactor of the Institute of the Brothers of the Christian Schools”. This Benefaction recognised Rob’s outstanding contribution in assisting the De La Salle Brothers in their mission and work at St Michael’s College and it is the means by which the Brothers can formally express their appreciation and gratitude for such services. Also, a Benefactor of the Institute is entitled to special recognition and a place in the prayers of the Brothers throughout the Province. Mr Keenan’s nomination was also significant in that it was the first bestowal of this award to a South Australian after 37 years of the Brothers work in the Adelaide Church.

Daniel Kowalski, Olympic swimming champion, was College Vice Captain in 1992. He unfortunately missed out on Olympic selection for the Barcelona Olympics that year even though he was recorded as the sixth fastest swimmer in the world for his division.
DE LA SALLE DAY
Friday 26 September, 2014
Parents are advised that De La Salle Day is a whole College event (involving both Campuses) and will be held at the Henley Campus on the last day of Term 3 – 26 September. The day will conclude at 12:40pm.

Catholic Charities ~ 2014 September Appeal
September is Catholic Charities month and we are invited to contribute to this appeal. Through our generosity, Catholic Charities supports organisations such as: Catherine House, Ain Karim, The Hutt Street Centre, The Catholic Deaf Association, The Aboriginal Catholic Ministry, Centacare, Our Lady of La Vang School (formerly St Anne's) and St Patrick’s Special Schools. Catholic Charities envelopes have been distributed to students to enable donations to be made directly to Catholic Charities.

Ms Katrina Senyszyn, Head of Campus Ministry (Secondary)

PRIMARY CAMPUS

CLASS ALLOCATION 2015
Parents are invited to forward a specific class allocation request for their son in 2015 for consideration by the College. This request can be forwarded in writing to Mr Damian Patton, Deputy Principal – Primary or via email: smcprimary@smc.sa.edu.au by the end of Week 8 – Friday 12 September. It should be noted that the invitation to forward a specific request does not imply the College can guarantee your request will be met, as many factors need to be considered. The allocation of students to classes remains the College’s right to review to meet the educational needs of all students. It is important to note that as determination of Class Lists is a complicated process no consideration can/will be given to requests received after the closing date.

PICK UP AREA
Many thanks to the vast majority of parents and students who are using the Pick Up area responsibly to ensure a safe pick up is completed in as timely a manner as possible. Please refrain from leaving your vehicle/overstaying the 2 minute period/using the clearly marked Bicycle lane as a parking bay or stopping on the road and beckoning your son to your vehicle. Compliance Officers will continue to conduct random visits to support the College in providing as safe a Pick Up area as possible.

SPORTS PHOTOGRAPHS
Sports photographs (all year levels) will be taken on Monday 8 September. All students who have participated in any sporting activity this year will be included. All photographs will be in Full College Uniform, Blazer is required for Years 5 to 7, while Reception to Year 4 require their school jumper. Please note the following - Spray jackets are not permitted for photographs; full College Uniform appropriate to your son’s year level; hairstyles in line with College policy – refer to Personal Grooming on page 13 of the College Diary. No PE uniforms required on this day as there will be no PE lessons.

Mr Kym Clark, Director Lasallian Mission

YEAR 11 RETREAT
The retreat was a fantastic day filled with fun yet also thoughtful activities. The day truly reflected on the goals of the SALT team of SOS – service, opportunity and sacrifice. One of the most eye opening activities of the day was when the year level was required to put in effort and hold onto a bag of rice and 2 weights for the whole day. Neither objects were allowed to touch the ground. We later discovered that children in the third world countries often spend their days walking to and from water sources carrying heavy buckets. This activity really carried the message of teamwork as we all had to help each other out and carry the load. It also reminded us to reflect on our own lives and to realise that some people aren’t as lucky as us – and to be grateful for what we have.

DESIGN AND TECHNOLOGY
The Design and Technology Department has invested in a heat press to compliment the Roland GX-24 Vinyl Cutter already being utilised in classes. The aim was to have students design a logo for their dustcoats on the computers, then use the vinyl cutter to cut their design from heat transferable vinyl and finally press it onto their dustcoats. This way students could identify their coats more easily and hopefully it would also encourage them to look after their dustcoats. So far the new project has been trialled in a Year 8 and 9 class with some very successful results.

Mr Stephens, Design and Technology Teacher
**YEAR 8 SCIENCE**

As part of the Year 8 Science Biology unit, students have been learning about plant and animal cells. They have studied the different parts of each type of cell and investigated the function of each of these parts. During Week 6, students created an edible cell model using cake, lollies and jelly. All students thoroughly enjoyed the task and produced fantastic replicas. A job well done!

OLD SCHOLARS

OUTSTANDING EDUCATIONALIST ~ MR ROB KEENAN

On Thursday May 17 2001, one of the foremost teachers and administrators in the history of St Michael’s College passed away suddenly at home. Robin Anthony Keenan, affectionately known as Rob, was of the most significant influences in 28 years (1965 – 1993) providing shape, both philosophically and structurally, to the position that the College now occupies as one of the leading educational organisations in the western suburbs of Adelaide.

Rob was an outstanding educationalist in the broadest and richest scope of the term. He possessed an enquiring mind, encyclopaedic knowledge, colourful personality who challenged students, whether they were inside or outside of the classroom. Rob held a deep respect for learning that encouraged others, both staff and students, to do the same. Over an exceptional career, Rob taught almost every subject to every level of the secondary. In senior secondary he taught Mathematics, English, Geography, Religious Education, Vocational Education, and his great love - History. Those who had Mr Keenan as their teacher will always remember him, and be enriched by the inimitable manner in which he conducted his classes.

As a man of extraordinary personal faith, Rob contributed meaningfully to the Christian ethos of the school. Rob believed that the highest form of Christian expression was service - service to community organisations, to the disadvantaged in the community and the marginalised. Rob took pains to establish and support outreach programmes that augmented the works of St Vincent de Paul, Meals on Wheels, and of course, the local church. So exceptional was Rob’s service to the mission of the Brothers that he was made a benefactor of the de la Salle Brothers, an honour that he was particularly proud of before his retirement in 1993.

If Rob left an indelible signature on the College, it was his uncompromising desire to assist those with learning difficulties. In the latter 1970’s and 1980’s Rob worked tirelessly to implement ILM, Transition Education and Vocational Education Programmes. These were designed to present valid learning experiences for students who did not respond to conventional classroom teaching and learning. When there were no teachers available or willing to the take such classes, Rob took them himself. It was Rob’s concern that, for those who had the least, the most should be made available.

One aspect of Rob’s life that was distinctive was his irrepressible sense of humour. His laugh was contagious and sense of mischief infectious – at all times Rob’s wit and sense of fun prevailed, often in times of adversity. Indeed, Rob Keenan was a good bloke to be around, whether student, colleague or friend.

Rob's spirit is part of the College, for he has made an enduring contribution to the shape he provided to the educational mission of the College. May he rest in peace.
