Dear St Michael’s Community

SCHOOL FETE
St Michael’s College celebrated its 60th Anniversary Fete in fine style last weekend. The weather was extremely kind and families, friends and old scholars turned up in great numbers. The variety of stalls, food, drinks and craft engaged everyone and the community atmosphere was fantastic. The fun and noise from the amusement was alive and well. The sound of children enjoying themselves should never be underrated.

An event of this size cannot be a success without the work and coordination of many people. To Ms Jo-Ann Fidock and the Beverley Administration Team and Mrs Rowena Trevaskis and Mrs Tracey Leaney and the Parent Committee – a very big thank you for your tireless work. I would like to take this opportunity to thank all the stall holders, volunteers, sponsors, primary and secondary students on a very successful day.

PORTFOLIO CONFERENCE EVENINGS
On Monday and Wednesday evening the Primary Campus held Portfolio Conference Evenings. This provides an opportunity for the boys to walk their parents through their learning journey in 2014. Students who articulate about their learning and understand themselves as learners tend to have a deeper understanding of what is being taught. The College appreciates the level of support and the importance our parents give to these evenings.

NRM NEWSLETTER
In my last newsletter I made reference to our feature in the NRM Digest. A copy of the article is located under the Primary Campus section of this edition of The Star.

CATHOLIC MUSIC FESTIVAL
Congratulations to the St Michael’s Primary Choir on their performance at Thursday evening’s Catholic Music Festival. We continue to have significant representation in the choir. Congratulations to all the secondary students who also performed exceptionally well. The students are well supported by our very talented Music Staff.

Kind regards

Damian Patton
Deputy Principal - Primary
## CALENDAR

### TERM 4

| OCTOBER | 13 | Classes resume  
| 15 | Yr 10-12 Academic Assembly  
| 16 | Yr 9 Boys Activity Day Aquatics  
| 17 | Green & Gold Day (P)  
| 19 | Leadership & Awards Assembly (S)  
| 20 | World Mission Sunday  
| 21-22 | Universal Children’s Day  
| 22 | Yr 8-9 Academic Assembly  
| 23 | Parent/Teacher Interviews 3:30-8:30 (P)  
| 24 | Yr 12 Breakfast 8am & Final Gathering  
| 25-26 | Yr 11 Drama Production 7pm  
| 27 | Yr 10 Drama Production 7pm  
| 28 | Yr 12 Study Week  
| 29 | Parent/Teacher Interviews 3:30-8:30 (P)  
| 31 | Principal’s Tour (S)  

#### NOVEMBER

| 3 | Yr 12 Exams Commence  
| 5 | Yr 8 (2015) Information Evening 7pm  
| 6 | Yr 8 Drama Production 7pm  
| 7 | Br Paul Kent Drive for Justice  
| 11 | Remembrance Day  
| 12 | Yr 10 Drama Production 7pm  
| 13 | Yr 10 Breakfast  
| 14 | Instrumental Concert R-7 (P)  
| 15 | Memorial Mass 7pm  
| 16 | Yr 11 Classes conclude  

## DIAMOND JUBILEE EVENTS

### 7 December

**Mass & Reunion**

Parents and parishioners are warmly invited to attend Mass at either Campus each week during school time. Please do not hesitate to contact the College with any queries.

**PRIMARY:** Thursday at 9:05am  
**SECONDARY:** Wednesday 9:00am

## YOUTH MINISTRY NEWS

To view the latest copy of Youth Ministry News, visit  

## ATTENTION YEAR 5, YEAR 8, YEAR 9 AND YEAR 10 STUDENTS ~ CAMP GALLIPOLI

Current Year 5 and Year 8 - 10 students have been invited to be a part of a fantastic experience titled ‘Camp Gallipoli’. Please refer to the following website for further details:  

Camp Gallipoli is an overnight school camp that will be educational, informative and respectfully entertaining. It will consist of documentaries, live concerts, a special ceremony involving the Waler Horse Society and the Anzac Flame, and the following morning the RSL will be holding a Dawn Service. All of these aspects will be exposing students to a unique commemoration that has not been experienced in Australia before.

Positions are limited for this amazing experience so interested Year 5 and Year 8 - 10 students are encouraged to return the relevant forms as soon as possible. Forms are available from either Campus Administration Office. The camp will take place on Friday 24 April 2015 at the Morphettville Racecourse as students sleep rough in remembrance of those “FIRST ANZACS” and conclude on 25 April 2015. The cost for this amazing experience is only $99.00.

Mr Kym Clark, Director Lasallian Mission (Primary) and Mr Matthew Williams, Director of Pastoral Administration (Secondary)

## THE MISSIONARIES OF THE SACRED HEART (MSC)

The MISSIONARIES OF THE SACRED HEART (MSC) priests have served our Flinders Park /Hindmarsh and Henley Beach Parishes for 100 years.

To celebrate this occasion families in our schools in which our MSC priests have so faithfully served are invited to these celebrations:

**MSC CENTENARY CELEBRATION ARCHDIOCESAN MASS**  
concelebrated with Archbishop Philip Wilson presiding  
at St Francis Xavier’s Cathedral on TUESDAY 21 OCTOBER at 5.45 pm

**MSC CENTENARY CELEBRATION MASS**  
at Sacred Heart Church Hindmarsh on SUNDAY 26 OCTOBER at 11.00 am followed by lunch

Please RSVP for Lunch  
phphparish@sjsh.catholic.edu.au  
Ph 8346 3901 or 8355 5365

---

**REST IN PEACE**

Mrs Diana Smith  
Nanna of Cameron Gaylard 8GI, Cody Smith 7AD and mother in law of Brenton Gaylard (Class of 89)

Mr John Howard  
Grandfather of Isabelle Wright 11RS

Mr Juan Camacho  
Grandfather of Javier Camacho 8AM

Mr Sam Coppola  
Uncle of Michael Labbozetta 11BR

Mr Joe Giannini  
Grandfather of Oliver Dunn 12ED, Joseph Dunn (Class of 2009) and Nicholas Dunn (Class of 2007) and Father of old Scholars Peter Giannini and Vincent Giannini

Eternal rest grant unto them O Lord  
and let perpetual light shine upon them.  
May their souls, and the souls of all the faithful departed,  
through the mercy of God, rest in peace.  
Amen

---

**STUDENT ABSENCE**

Please advise student lateness or absenteeism via the designated phone numbers:

**PRIMARY:** 8150 2397  
**SECONDARY:** 8150 2323
In the week that we celebrate De La Salle Day, we digress from our historical stories of St Michael’s just a little, to reflect on the importance of De La Salle Day and the sense of community that this day engenders. Our Lasallian heritage follows the spirit of Faith, Service and Community. The community spirit of De La Salle has been alive at St Michael’s College from its inception and is the reason the College has developed into the successful College that it is. The community spirit of those original families and those that followed are the reason those associated with the College benefit from what it is today. There were many families involved from those early days. Many interesting stories can be told of those early days and but one example is that of the Martin family.

In 1954, the Hindmarsh Parish Priest, Fr Cuthbert Hoy, who (so legend has it) was a master at roping people into jobs for the parish, prevailed on a local young parishioner (Brian Martin) to attend at the opening day of the new St Michael’s College at Beverley to collect donations toward the school building fund from attendees at the opening. Little did Brian know that this was the start of an association with the College that would last to this day.

Brian and his wife Margaret (pictured below) both served on various Boards and Committees during the 1970’s to 1990’s. Brian chaired the Campus Consolidation Committee which investigated the move of the Year 8 students to the Henley Campus and the subsequent building process as well as chairing the College Appeal to raise much needed funds for this urgent capital works. Also during this time, 4 of their 5 children were enrolled at St Michael’s.

Lynn, the eldest son, commenced in Year 4 at Beverley and graduated in 1973. He served as College Vice Captain in his final year. Lynn returned in 1977 to teach at the College until 1984. Lynn’s 4 sons, Daniel, Matthew, Nicholas and Patrick also attended St Michael’s College.

David Martin, son No. 2, was also enrolled at Beverley in Year 4 and graduated in 1975 being awarded the prestigious Athlete of the Year Award and having completed a successful year as College Captain. David married fellow old scholar Loretta Mancini (a Prefect in 1975) and in years to come, a teacher at the Primary Campus (1999 to 2011). Loretta and David’s 4 children, Christopher, Timothy, Anthony and Jessica all graduated from the College. David served on the College Board from 1994 to 2007 and you can read further about his career this week in “Where are they now”.

Although Nareeda, the third child and first daughter did not attend St Michael’s, her daughter Meg Martin-Dashwood did and graduated in 2013.

Marianne began at St Michael’s in Year 12 in 1981 and was elected College Vice Captain. She married Paul Zanelli (Class of 1981) and 2 of their 3 children, Samuel and Louis, attended St Michael’s. Sam graduated in 2010 and Louis is currently in Year 10. Marianne served the College for many years as a Parent Representative and offered her expertise on the feasibility study and Jubilee Committee.

Carolyn, the youngest of the Martin children began at St Michael’s in Year 11 and graduated in 1988. She married Phil Dawkins (Class of 1988) and their three children, Joshua, Harrison and Tayla, have either commenced their schooling at St Michael’s or are due to start in the coming years.

Little did Brian know back in 1954 that assisting at the opening day of the Beverley Campus would prove to be the start of a deep and wide connection with the College that his direct family (all pictured above) would have that persists to this day, and which “so far” has produced:

- 17 children and grandchildren as St Michael’s scholars;
- A further 2 grandchildren and 3 great grandchildren who are enrolled at SMC in the future
  (the youngest great grandchild enrolled for 2026!);
- 4 marriages to fellow St Michael’s College scholars;
- 1 College Captain;
- 5 College Vice Captains;
- 5 Prefects/College Leaders;
- 5 Athletes of the Year;
- 1 Principal’s Award;
- 1 Service to the College Award.

In addition to Brian and Margaret Martin’s direct family connection, there are even deeper and wider related family connections to the College involving the following Gutte, Martin (John & Betty), O’Donnell, Auld, Mancini, Ullianich, Zanelli and Carlin families.

The College is eternally grateful to the Martin family, and the many others who have forged and contributed to the history of St Michaels College.
Education for Sustainability through a food garden lens

The following abridged story was submitted by Louise Konmeyer from St Michael’s College.

Choll’s Garden

Our garden is named ‘Choll’s Garden’, in memory of a student who passed away around the time our garden was being established. Involvement in Choll’s garden each week is all ‘hands on’, in which two year levels (buddy class) are rostered on each term and work in the garden each Friday afternoon, learning how to propagate seeds, plant seedlings, control pests organically, compost, harvest and cook. By upskilling through projects outside the school (such as NRM, OPAL, Magic Harvest Program, Wipe Out Waste and the Stephanie Alexander Program) and using the knowledge and expertise among our staff and school community, we have developed very sound educational programs strongly linked to our curriculum - linking science and investigation units in all year levels. Furthermore, Simone Kourni from the Henley Organic and Sustainable Market has chosen to sponsor our garden, allowing us to sell our produce there, as well as at our own school markets. Market stalls are student-run, and all funds raised are put back into the garden.

How did it start?

Our initial project in 2012 was to simply establish an Organic School Garden, as several teachers had the foresight to see strong links to the curriculum, particularly in the area of science. The best thing we ever did was to invite Matt (NRM Education), Katriona and Claire (OPAL) to run a staff-wide Professional development session on Sustainability, and engage Robyn Palmer (parent of 2 boys at our school) as our School Garden Coordinator. The Primary school staff, as part of the development of our School Environmental Management Plan (SEMP) developed the following vision:

“To develop a culture within our school community that recognises the shared responsibility to reduce our environmental footprint and promote the educational value of sustainability. We intend to create a balanced and equitable approach to the development of ecological programs within our curriculum that will enable our students to become informed, responsible, resourceful and respectful global citizens.”

With the development of our School Environmental Management Plan more staff began to take ownership and responsibility and things quickly snowballed from there.

School Market Day

We now have a School Garden Committee and a SEMP Committee that meet once a month. To keep all informed of our progress, the SEMP is a standing item on all other meeting agendas to provide updates to the wider school community. As a result, more and more people became involved in the planning and organisation, and brought with them expertise, energy, enthusiasm and innovation. We have now gone from a handful of students “pottering” in the garden every now and again, to running a full-scale Kitchen Garden Program.

Where to from here?

Due to the success and obvious benefits we were seeing from Choll’s garden, ideas for new initiatives were quickly generated and we are in full swing developing a mini wetland. The systems we put in place (SEMP and Committee) as well as setting up a Youth Environmental Leaders group have meant the school community has quickly got behind the project. Many classes have been involved in researching how we can encourage different plants and animals to the wetland (e.g. frogs, water plants and mini beasts) and art students have developed designs. The new wetland will be incorporated into a grand new entry way to the school.

Another project we’ve started is setting up a whole of school recycling system (compost, paper and plastics) with support from a Zero Waste grant.

We are also interested to explore ways of using water more wisely and energy efficiency initiatives.

To be true to our vision we now have a strong body of actively involved participants and supporters who will ensure the long term sustainability of project development, maintenance and our environmental education programs.

Parents and students in particular are taking real action to realise our vision of shared responsibility and long term sustainability, and they are actively involved in trying out our ideas at home. Backyard veggie patches and better waste management systems at home are being discovered with enthusiasm by more and more members of our school community.

The energy and enthusiasm generated has enabled us to achieve outcomes in many diverse areas, including overwhelming financial and practical support, the empowerment of students to take the lead, the development of gardens at home, a strong community motivation to become more skilled and knowledgeable and, lastly, a change in culture that recognises the shared responsibility of promoting the educational value of sustainability.
SECONDARY CAMPUS

PEDAL PRIX 2014

Senior Report
The Murray Bridge 24 Hour Pedal Prix race was once again a unique and highly enjoyable weekend. The atmosphere of this year’s race was indescribable, right from the moment we arrived on the Thursday to the final minutes of the race on the Sunday. This year the senior team was able to compete in a new high-end aerodynamic trike, which had taken hours of preparation to make it race-worthy.

Having the opportunity to race in a brand new bike and having a dedicated team we aimed to finish higher than ever before. This was achieved on the Friday night with Oliver Dunn posting a lap time of 2:54 putting us into grid position 50. This fired up the team’s hopes and motivation to do the very best they could. The seniors had a racing start with everything going better than planned, until a series of mechanical problems snapped us back into reality - a flat tyre, busted wheel, several rollovers and many chain throws. This bad luck had put the team around 80th position overall. Everybody in the team worked together through the trike, we managed to snap us back into reality - a flat tyre, busted wheel, several rollovers and many chain throws. This bad luck had put the team around 80th position overall. At a good hour’s hard effort in the trike, we were able to put ourselves in a great position to finish the race. In the final racing hours of Sunday morning, we were racing head to head against Pembroke and Cardijn Colleges for positions in our category, which proved a challenge. After a good hour’s hard effort in the trike, we managed to lap Pembroke and put the team into a better overall position. At the end of the 24 hours of racing the senior team finished in 38th position overall and 10th in our category.

The weekend was overall a great experience, with a fantastic camping setup, plenty of space, food and heaters for the cold hours of the night. There was also a strong presence of team work and pride throughout both Senior and Junior teams. The entire event is something very special, as thousands of people come to the park at Murray Bridge to race against each other. We have competed at the 24 Hour Pedal Prix three times now, and it still remains a highlight of our year.

Junior Team Report
This weekend the Saint Michael’s Pedal Prix team competed in the 24 hour race at Murray Bridge. All of the members of the junior team really enjoyed the race. We had a few faulty errors on the junior bike thanks to Angela’s unfortunate crash! Overnight, the temperature dropped to -1 degrees. It was very hard to keep warm so therefore most people had trouble to get up during the night, especially Will. The junior team placed 157th overall out of 240 pedal pix teams and 40th in their category. The whole junior team was very happy with the result. On behalf of the junior team we would like to say thank you to all the parents who helped behind the scenes with food, marshalling, packing up and down, etc. We would also like to say a big a thank you to the seniors for helping with the pit changes and advice of what to do! We would also like to say another big thank you to Chooky for Tuesday night trainings and Mr Parfrey and Mr Pike for running the 2014 Pedal Prix, without all of these people, we wouldn’t be able to do Pedal Prix! WE ALL CAN’T WAIT FOR NEXT YEAR!

YEAR 8 ART
The Year 8 girls have been exploring portrait painting in the style of Picasso in Art in term 3. The four artworks pictured are from Maggie Schubert, Marie Borg, Sonja Liszewski and Olivia Paterson.

CESA COMBINED ENSEMBLE
On Wednesday 24 September a number of students from various Catholic Parish Schools participated in the CESA Combined Ensemble directed and conducted by Mr Ben Chambers (St Marys College). The students practised tirelessly for two terms to then perform to a noisy crowd in the foyer at the Festival Centre.

Mr Chambers said “Right, the crowd is loud so we have to be LOUDER”. This was no problem for the St Michael’s boys involved - Albert Zanardo (bass guitar), Oscar Tarras (Trombone), Aiden Burgess (keyboard/synthesizer) and Kirsty Rivera (violin - Ms Tyrwhitt’s daughter from St Bernadette’s). They played 4 songs which all told different stories and represented different genres of music. Incentives like this really help to broaden the students’ experience with music and their performance was really enjoyed by the crowd.

Ms Kate Tyrwhitt - Art Teacher & Student Services - Learning Support Teacher

Oliver Dunn 12ED and Harrison Tracey 12DJ

Seth Bartlett 8AM and Emily Phipps 8WI

Mr Lewis Montagnese - Art/Design Teacher
YEAR 9 MUSEUM OF SOUTH AUSTRALIA EXCURSION

On 18 September our Geography class, supervised by Mr Fulton, and Mr Burns’ class went to the Museum of South Australia to look at the Sir Douglas Mawson Exhibition. Although the exhibition was small it was extremely interesting. The exhibition shows the hardships that Mawson went through to achieve his goals. The most interesting items on display was the half-sledge Mawson dragged by himself, and the preserved creatures in jars. We went to the Museum of South Australia to expand our knowledge on the Mawson and our general knowledge of Antarctica. This was an overall great experience, it shows us the history of one South Australia's greatest figures.

Kenny Cao 9FA

On 18 September our class went to the Museum to look at the expedition of Sir Douglas Mawson and his trek through Antarctica. It was a great experience to see what he used and the hardship he had to go through to survey the area of Antarctica. I like that they either had the real thing or replicas of the real things but it was a great to see what he used.

Trent Holmes 9FA

CAICA CUP 2014

Last Friday 12 September, the 4th Annual ‘Caica Cup’ was held. This event is a competition between our ‘Cudmore Terrace Cousins’ – Henley High School. This is a fantastic event that offers our students the opportunity to showcase their enormous talent. Throughout the day, a selection of sports were played by both boys and girls from the junior and senior year levels. This year, Henley High School took out the honours, winning 11 of the 17 events.

St Michael’s defeated Henley High in the events below. Medals were presented to the Most Valuable Player of the winning teams. Names of these medal winners are also listed below. Congratulations go to:

- Year 8/9 Netball: Rebecah Catanzariti
- Year 8/9 Boys Soccer: Isaac Crowe (Runner up; Blake Carpenter)
- Year 8/9 Boys Football: Jack Zille (Runner up; Ethan Marchioro)
- Open Boys Football: Patrick Quinn (Runner up; Fraser Thorn)
- Open Surf Life Saving: Cassidy Dorian
- Open Mixed Lacrosse: Briana Richards

Mr Paul Caica was in attendance on the day and admired the talent and sportsmanship of the students from both Schools as well as the support of the many parents who attended throughout the day. A big thank you to the staff who volunteered to coach and umpire, parents who came to spectate and each student involved for representing the College in such a fantastic manner.

The result of the Caica Cup is now 2-2. Go SMC for the win in 2015!

Miss Jess Fanto, Co-curricular Coordinator – Boys

COLLEGE SPORT AND EXTRA CURRICULAR PHOTOGRAPHS

College sport and co-curricular photographs are now available for viewing and purchasing in two ways:

1. At the Secondary Campus, the Sports Photos are displayed on the Sports Notice Board, the Music Photos in the Music Suite and other photos on the window of Mr Hoffman’s office at the end of the staff room. Students can collect order forms from the Administration Office. These should be completed and returned to the Office where they will be forwarded to Academy Photographic, for the completion of order. Photos will be posted home via the address on the order envelope.

2. Photos can also be viewed and purchased ‘online’. This can be done by going to the site, www.academyphoto.com.au, click on the Online Order tab which will request the shoot key, which is FRCUF3B then select and order your photographs by following the instructions.

Mr Wayne Hoffman, Director of Administrative Systems
We could not have been given a more beautiful day for the Annual City 2 Bay last Sunday the 21 September. The St Michael's College team met at an early 8am at Kurralta Park Shopping Centre ready to participate in the 6km event. To lessen the nerves we watched the elite 12km runners then participated in an entertaining aerobics style warm up. It was fantastic to witness everyone beginning the event by running, and most continuing to run, the entire 6km. A number of students enjoyed the sunshine by walking and being entertained along the way by the many musicians, cheerleaders and even superheroes. Everyone, no matter if they were walking or running, were treated like professionals, getting handed cups of water to keep hydrated. With just under 1km to go, we were cheered on by people down Jetty Road which assisted us to keep going. The atmosphere at the finish line was euphoric with music and hundreds of stalls at Colley Reserve.

The St Michael's College students had many excellent results however a special mention to Ethan Hauptman (9FA) who achieved a time of 24.07. He was therefore placed 24th out of 3,931 competitors in the 6km run event. This is an outstanding achievement. Well done! All results and photos can be found on the City 2 Bay website at the following link http://www.city-bay.org.au/results2.php

Well done to the students listed below who participated in the event. It is fantastic to see so many students representing SMC in the event for the second and even third year!

Angelo Longo
Caitlin Edmunds
Calista Bennett
Chelsea Shepherd
Emilia Marinelli
Enrico Diamanti
Ethan Hauptman
Hanna John
Harrison Jacobs
Imma Caruso
Olivia Bellas
Jasmin Carroll
Joshua Featherby
Maddy Howard
Michael Longo
Nicholas Howard
Nicolette Giannini
Paris Rowe
Rohan O'Dell
Samuel Cannata
Christopher Conway
Darcy McCullough
Stephen Brown
Zachary Ryke

The following students unfortunately could not participate on the day, however they still showed their support by making a donation:

Dominique Tragos
Dylan Aird
Emily Vaughan
Jayden Harvey
Joshua Andrews
Seth Bartlett

Miss Jess Fanto, Co-curricular Coordinator - Boys

STUDENT SERVICES

Please be aware that many of these articles have extra information that can be accessed on the Student Services Intranet page: http://intranet/secondary/student_services/latest_news/current.pdf/

YEAR 12 SATAC PREFERENCES FOR UNIVERSITY ENTRANCE 2015

A reminder to our current Year 12 students that they should ensure they have one preference as a minimum registered on the SATAC Website by this Tuesday 30 September. In most cases students can add delete and change order of most preferences through to 5 January. Students who will be 18 by 1 February 2015 and wish to sit the STAT Test should have also registered for the STAT and paid for it by 30 September to avoid late fees etc. We have appointments available for Year 12 students who would like assistance. Please visit Student Services at recess or lunch to make an appointment.

APPLYING FOR TAFE 2015

The TAFESA and SATAC website is now open for applications. The “Applying to TAFE” PowerPoint presented to students this week is available on the Student Services Intranet. Whilst the deadline for applications is the 30 November we encourage students to apply early. If courses become competitive in the application process, preference is given, in the first instance, to students who applied before it was deemed competitive. Whilst you can add delete and change preference order through to January if you have met the first date of 30 November there is an advantage at TAFE to have your preferences relatively accurate and complete at all times. New courses appearing for 2015 include concurrent options in Geoscience with Uni of Adelaide and also in area of Graphic Design and Media. Please note the TAFE/Uni courses on offer at both Flinders and now Uni of Adelaide do require an ATAR.

INTERESTED IN BEING A SECONDARY TEACHER

Are you aware of the pathways at UniSA through to: Arts (Dance, Drama, Music or Visual Arts), English, Mathematics, Health and Physical Education, History/Geography, Languages, Design and Technology and Science. It is not easy to find on the UniSA website – so go to this link: UNISA Pathways to Secondary Teaching: http://www.unisa.edu.au/Education-Arts-and-Social-Sciences/Pathways/How-Do-I-Become-a-Teacher/.

INTERESTED IN BEING A VET?

Bachelor of Science (Veterinary Bioscience). The Veterinary Bioscience Admissions Guide and Questionnaire is now available online: https://sciences.adelaide.edu.au/future-students/undergraduate/apply-web/; All applicants for the B Science (Veterinary Bioscience) must read this document and the questionnaire must be submitted by 5 October 2014.

CASUAL EMPLOYMENT OPPORTUNITIES

Daniel Centanni from Caffe Primo, 207 Esplanade, Henley Beach has notified us that they are looking for Casual Waiting and Kitchen Staff for after school and weekend work. Students need to be 15 or over, reliable and presentable. We thank Daniel from Caffe Primo for choosing to advertise these vacancies with us. We urge other members of our St Michael’s College community to notify us of any vacancies so we can bring them to the attention of interested students. In these challenging economic times we need to build strong networks with our wider SMC community and of course sharing job opportunities is a very important part of this.

Ms Rose Coorey - Career Counsellor
Mr Anthony Vizianlaris - Career & Personal Counsellor
Mr Kevin Woolford - VET Coordinator
WHERE ARE THEY NOW?  ~ David Martin ~ College Captain, Class of 1975

“My time at St Michael’s was very special to me, and absolutely formative for me. I could not have asked for a better learning and pastoral environment”.

David Martin is Managing Partner of Finlaysons, one of Adelaide’s largest and best known law firms, which traces its history back over 160 years. He is regarded as a leading lawyer in his field of property law both in South Australia and nationally, and is a prominent member of the SA property development community, being a long time Board member, a ‘Fellow’ and Life member and a former President of the Urban Development Institute of Australia (SA Division).

David began at St Michael’s as a Year 4 student in 1967. After graduating from St Michael’s at the end of 1975, David studied Law at the Adelaide University.

He began his career as an articled clerk (an apprentice lawyer if you like!) in 1980 (coincidentally, the year he married Loretta Mancini – also Class of 75). Here he learnt the workings of a law office and how to structure his time in 6 minute units!

He became a partner of the firm Lynch Meyer in 1983 and subsequently went on to become Managing Partner and Chairman of partners of that firm. David worked primarily as a commercial lawyer and predominantly working for clients in the property industry. He loved the challenging work of this industry and was involved in the legal work for some of the most significant developments in SA such as West Lakes, Golden Grove and Mawson Lakes to name a few, as well as many very prominent projects in NSW, Qld, NT and Victoria.

After 25 years with Lynch & Meyer, he moved to Finlaysons in 2006. He has been Chairman of Partners and Chairman of the Board of Finlaysons and is currently Managing Partner.

Throughout his professional career to the present, David has found time to be involved in a range of community organisations. He has served on many boards and committees including the Henley Parish (Pastoral Council as well as several other groups), the school boards of Star of the Sea, Dominican School and St Michael’s College; the Boards of numerous sporting organisations, Vikings Water Polo Club (Life Member), SA Water Polo Inc (Life Member), Henley Water Polo club (Life Member) and Cycling Australia. He is still currently on the Board of Water Polo Australia Limited. He is currently the Deputy Chairman of the Board of prominent SA aged care provider Southern Cross Care (SA & NT) Inc.

David has always been very proud of his upbringing and his long term connections to St Michael’s. He’s kept close ties with the College, especially during the 90’s & 00’s when all 4 of his children attended: Chris (2000), Tim (2002), Anthony (2004), Jessica (2007). Even though it is 40 years since he graduated from St Michael’s, some of his long term SMC classmates remain his closest friends to this day.

DO YOU HAVE AN OLD SCHOLAR STORY TO TELL? Send through your details to smc@smc.sa.edu.au

CO-CURRICULAR NEWS

CONGRATULATIONS TO ...
Michael Laudato 6EL and Liam Firns 8FP on their Metro West Football League Medal Count. Both boys came 1st and made Team of the Year.

VENUES/TIMETABLES
Please follow the link http://www.smc.sa.edu.au/news-information/current-sports-fixtures to access times and venues (no password required!). Details have also been emailed to students.

UNIFORMS
Available at Sports Centre, 142 Port Road, Hindmarsh. Further information is available via the website: www.sportscentre.com.au or http://www.smc.sa.edu.au/__files/f/2850/co_curricular_website.pdf

BOYS SUMMER SPORT
Commencing in Term 4 on the weekend commencing Friday 17 October. Sports included in the summer program are Waterpolo, Volleyball, Badminton, Cricket and Tennis. If your son participated in one of these sports in Term 1, then he is expected to complete the season in Term 4. If your son did not play in Term 1 and wants to join a team, please contact Miss Fanto as soon as possible.

SUMMER SPORT
Saturday 18 October: Summer Sport commences

A reminder for all parents and students that summer sport commences in Week 1 of Term 4. Team lists are currently on display on the co-curricular windows. It is an expectation that students who played in Term 1 will continue their commitment in Term 4. Information will be passed on regarding times and venues once fixtures have been finalised.

If your child did not play in Term 1 but would like to play in Term 4, please contact Sally Nicholson (Girls Co-ordinator) or Jessica Fanto (Boys Co-ordinator) on 8356 5966 or via email – sally.nicholson@smc.sa.edu.au or jessica.fanto@smc.sa.edu.au.

Miss Jessica Fanto, Boys Co-curricular Coordinator & Mrs Sally Nicholson, Girls Co-curricular Coordinator
COMMUNITY NEWS

Mary Meets Mohammad
A story of asylum seeking & renewal

‘Mary Meets Mohammad’ was filmed for almost two years in Tasmania, following a story around the Pontville Detention Centre
A compelling documentary about generosity of spirit that calls Australia to open its heart.

Wednesday 1st October at 7.00pm
St Michael’s College Henley Beach
(in the MacKillop Centre)

Also guest speakers who are refugees and asylum seekers will tell their story of frustration, endurance & hope.

Invite your friends and become informed about what it is really like to be a refugee/asylum seeker in Australia.

EVERYONE IS WELCOME
FREE ADMISSION
LIGHT SUPPER PROVIDED
