Dear St Michael’s Community,

**MAD**

Thank you to all involved in the very successful Mission Action Day last Friday. The weather was a little cooler this year ... particularly for those early risers who were fishing. The new activity, ‘Bounce’, was a huge success and we are hoping to have two sessions for students next year.

Participation on the day was outstanding, as was the community spirit shown by staff and students alike. During her visit, Miranda Chow, Chief Executive Officer of the Lasallian Foundation, inspired students with her examples of how the funds raised assist those in need on a global level. We REALLY DO make a difference!

With some contributions still to come in, we will be able to give an overall total in the next few weeks. Well done to all those who participated, donated and helped facilitate MAD this year.

**SACE ART SHOW 2015**

Congratulations to former students Murtaza Hussaini, Scarlett Parker and Phoebe Schipper who have all been selected to have their artwork displayed at the SACE Art Show 2015.

Murtaza is exhibiting his untitled watercolour work featuring the faces of four young Afghani men to illustrate the ease with which asylum-seekers can be demonised in the community.

Meanwhile, Scarlett is showcasing her paint, pastel, and charcoal work entitled ‘Grandfather’; and Phoebe is presenting her pen on rocks collection called ‘Broken Dreams’.

Their work is among about 150 pieces, including traditional paintings and drawings, sculptures, jewellery, costumes and multimedia works, being showcased at Light Square Gallery in Adelaide until 29 April. The SACE Art Show is free and displays selected art and design work created by Year 12 students who completed their Visual Arts – Art, and Visual Arts – Design subjects last year. The Show is designed to inspire and encourage current and future SACE art and design students and raise awareness about how these subjects can be used as stepping stones to higher education and career pathways.

For the first time in the Show’s 33-year history, visitors will have an opportunity to win a prize worth $500 by simply voting for their favourite piece through the new Community Award, sponsored by Credit Union SA. Also, a “Meet the Artists” afternoon will be held on Saturday 11 April to enable visitors to get a greater insight into the creative processes and inspiration behind a number of the works. For more information about the Show, visit the SACE website: [https://www.sace.sa.edu.au/news/events/sace-art-show](https://www.sace.sa.edu.au/news/events/sace-art-show)

Wishing you and your families God’s blessings this Easter.

*Live Jesus in our Hearts!*

*John Foley*
Principal

### REST IN PEACE

Miss Shayna Brooke Scott
Beautiful sister of Blake Scott (RBA)

Mrs Chris Gill
Great Aunt to Ruby Ross BMI

Eternal rest grant unto them
O Lord and let perpetual light shine upon them.
May their soul, and the souls of all the faithful departed,
through the mercy of God, rest in peace.
Amen

### HOLY THURSDAY - SCHOOL BUSES
Parents and students are advised that buses have been organised to accommodate the early dismissal.

### COLLEGE UNIFORM – TERMS 2 & 3

The end of Term 1 is quickly approaching, and as such, it is an opportune time to prepare for the change of uniform for Terms 2 and 3. For the students in Years 9-12 it would have been 6 months since they wore the College Winter Uniform and some adjustments may need to be made to ensure that we are ready to go day one Term 2.

Please find below, an extract from the College Diary (page 13) which outlines these uniform requirements. Please pay particular attention to the requirement to have the shirt tucked in at all times.

**Boys**
- Blazer – worn to and from school from (Year 5)
- Tie – top button on shirt must be done up
- Shirt – tucked in during Terms 2 & 3
- Grey trousers
- Grey socks
- Blue St Michael’s jumper with crest
- College spray jacket (optional)
- Black leather school shoes – polished (No boots, ripple soles, runners, canvas or skate shoes)
- No printed or coloured T-shirts or skivvies as undershirts
- Black leather belt

**Girls**
- Blazer – worn to and from school
- Tie – top button of shirt must be done up
- Shirt – tucked in
- Skirt (not shorter than knee length)
  **And must not be rolled up at waist**
- Blue St Michael’s jumper with crest
- Navy stockings (no knee high socks)
- College spray jacket (optional)
- No printed or coloured T-shirts or skivvies as undershirts
- Black leather school shoes – polished (no high heels or scuffs

Other guidelines regarding the expectations the College has of the students are in the College Diary (pages 11 to 19).

Whilst in school uniform, students are representing the College. We have spoken many time to the students regarding the impact they have as an advertisement for the College. As such, it is expected that the uniform be worn correctly and that non-uniform items are not worn. This includes when travelling to and from school and at all times whilst at school. The Diary information is also available on the College Intranet.

Please contact the Dobsons Uniform Shop (8150 2306) for further assistance. Family support in this matter is appreciated.

Thanks in anticipation for your support in these matters. **Mr John Lambert, Deputy Principal - Pastoral**
PRIMARY CAMPUS

MASS
Parents are invited to attend Mass which is celebrated on Thursdays at 9:00 am in the Beverley Chapel. Parents and Grandparents are asked to note in their diaries May 7 when the Middle Primary Classes (Years 2 to Years 5) will host a Mothers Day Mass in Founders Hall followed by activities in the classroom. More details to follow early Term 2.

MAD 2015 - MISSION ACTION DAY
Thank you to all students for your fantastic participation. The day was a wonderful success, a day of community building and outreach to many far less fortunate. It was made all the more relevant by having Ms Miranda Chow - CEO Lasallian Foundation - address classes on the Thursday prior to MAD. Her presentation highlighted the importance and the impact our MAD contributions can make to developing communities in our Pacific Asian region.

PERSONAL GROOMING
Parents are reminded that student hair styles need to be neat, tidy, out of eyes and without extremes of colour or style. As a general rule if having a clipper, cut no shorter than a number 3 please. We thank you for your support in this matter.

PROJECT COMPASSION
Families are asked to return their Project Compassion boxes during Week 11. The support of the works of Caritas Australia, through your generosity, is very much appreciated.

EASTER TUESDAY
Students are encouraged to wear bright colour clothing to school upon their return after the Easter break. This visual display of brightness will serve as a reminder of the joy of the Resurrection. Students will gather in Founders Hall at 8:50am to begin the day with the lighting of the Paschal Candle to celebrate Christ’s Resurrection. The Paschal Candle symbolizes the eternal presence of Christ, light of the world in the midst of his people. The Paschal Candle is sometimes referred to as the "Easter Candle" or the "Christ Candle."

SUSTAINABILITY WORKSHOP
A Sustainability Workshop will be held in Founders Hall on Wednesday May 13 beginning at 7:00pm. St Michael’s is offering the opportunity for parents and friends to learn basic steps on how to be sustainable at home. These simple steps will help you reduce waste, reduce chemical use and reduce plastic in lunch boxes. Every good environmental practice (whether it is big or small) has a positive impact and our aim is for these skills to be available not only to students at school, but for the wider community to also practice at home. Further information to be sent out in due course.

HOLY THURSDAY
Parents are advised school concludes Thursday 2 April at 12:40pm. An Assembly to reflect upon the events of Holy Week will begin at 11:50am. Wishing all a very safe and Holy Easter season.

SECONDARY CAMPUS

YEAR 12 SCHOOL TIES
The Year 12 ties are now available for purchase from the Bookroom Senior Campus. The Bookroom is open between 8:00am-4:00pm weekdays except Wednesdays. School Ties are $22.00 each. Cash payments can only be accepted at the Bookroom. Credit Card/EFTPOS payments can be made through the Administration Office and ties can then be collected from the Bookroom using the receipt as proof of purchase.

LOST PROPERTY IN BOOKROOM
If you have lost any items of clothing during the year please come to the Book Room to see if they are yours. All items unfortunately are unnamed. For named items, a note will be sent to the student via the classroom for collection.

Lost School Uniform Items include: hats, jumpers, spray jackets, polo tops, shorts. Other items include: assorted keys, jewellery, drink bottles, USBs, glasses and glass cases, non-uniform hats/caps, one sandshoe and a novel.

ARTS WEEK 2015
Arts Week 2015 was a great success with students being exposed to a variety of art and drama workshops, Fringe acts and musical performances. A big thank you to all who participated so enthusiastically!
MUSIC NEWS
“The Gen Connection” at The Gov ~ Wednesday 8 April, 7:00pm
This year “The Gen Connection” is on again! St Michael’s College, St Mary’s College and Blackfriars Priory School join forces to bring you an amazing night full of talented Big Band and choral music from our three Catholic schools. This year, performing from SMC will be Big Band 2, Big Band 1, our College Choir and the all new Senior Vocal Jazz group! We encourage you to come and bring as many family and friends as you can muster to show your support. All money raised on the night goes towards reducing all schools/parents costs for the upcoming “Generations in Jazz” trip to Mount Gambier in May. All details about booking a table and tickets for the night are on the poster displayed in this edition of The Star.

Mr Tim Donovan, Director of Music

ST MARY’S COLLEGE
BLACKFRIARS PRIORY SCHOOL
ST MICHAEL’S COLLEGE

THE ‘GEN’ CONNECTION 2015
prelude to Generation in Jazz

Wednesday 8 April
Show starts @ 7.00pm

Dinner available from 6pm
book your pre show meal by phoning the Gov on 83400744
[visit www.thegov.com.au to view menu]

Non Pre-Show Dinner option (show tickets only) are all General Admission

Show tickets: adults$20/con$15/child $10

http://www.trybooking.com/HDHB
The National Youth Science Forum is a two-week residential camp run over the summer holidays in our capital city, Canberra and I was fortunate to become part of it this year. Founded by Rotary to inspire coming generations into careers in Science, the program had a huge focus on community input.

I was blessed to be a part of the National Youth Science Forum over the summer holidays this year. At St Michael’s College, we have been fortunate to have someone represent the College at the Forum for several years running and it is through their advocacy of the NYSF that I came to hear about it. Following a rigorous selection process, I spent 2 weeks in Canberra with two hundred peers also interested in Science, community and “cards against humanity”. Not an adventure for the faint of heart, every day was tightly scheduled from dawn till the small hours of the evening, which was entirely necessary to make the most of the company and activities available.

Before arriving in Canberra, I admit that I had some preconceptions about what would await. I was under the impression that everyone else would be child prodigies and that it would be hard to fit in. Alas, I made more friends over the twenty hours of bus travel to the Capital than I have ever met in such a space of time. What was incredible about the program was the calibre of people who attended. It was great to learn about so many diverse backgrounds and interests within Science and Technology, as these connections enabled us to discover more options within our scope of interest or potentially beyond it entirely. It was entirely staffed by past NYSFer’s called “Staffies” who were perpetually full of energy and maintained our enthusiasm through incessant chanting.

The forum featured a variety of group lectures focused on cutting edge developments in science, presented by captivating researchers and were great in extending our capacities for thought. One particularly fascinating presentation looked at the consciousness of bees, and how we can observe their process of learning. Although our interest group was designed to specify the type of lab visits we were to attend, the visits were conducted to cater for a broader scope in thinking, as we visited a particle accelerator and spent time in chemistry labs where we titrated orange juice and isolated fluorescence pigment, located on campus. We also spent time at the National Arboretum, studying the biochemical impact of urban development on native and exotic flora.

No Science trip to Canberra is complete without a visit to Questacon, and we were fortunate to attend twice. One night was allocated to participate in a live video conference with CERN, the European Organization for Nuclear Research. We had two formal dinners with the rotary members involved, and also with the Science Teachers who participated in the National Science Teachers Summer School.

I am beyond grateful for the wonderful support I received from the Rotary Club of West Lakes, who helped me with both my application and their generous sponsorship. Head of Science, Mr Dempsey also came to information sessions in his own time and was very informative about the forum. I have certainly gained new perspectives on Science and career pathways, and created a solid network of peers across the country and globe. I look forward to the Next Step Program which is an extension of the Forum run through the school holidays. To anyone in Year 11 or below, I tell you now that it is in your best interests to check out the NYSF to broaden your horizons, lose 2 weeks’ worth of sleep and learn about what Science looks like in the real world. Lily Schubert 12MA

A meeting for interested students will be held in Lab 7 at lunch time Monday April 6. Information is also available on the Website http://www.nysf.edu.au/ or from Mr Dempsey Head of Science.  

Mr Robert Dempsey Head of Science

BASEBALL
The qualifying round was played at Kensington Baseball Club on Thursday March 12 between Brighton Secondary, Marryatville High and St Michael’s College. The first game went down to the wire and unfortunately after a 2-0 lead for most of the game we went down 4-3 to Brighton. The boys all managed to put bat on ball and defensively got behind our pitchers, Zac Esca and Alex Martin.

The second game was cancelled after Burnside Council intervened and claimed they had no knowledge of this baseball event and that the final game was not to be played and the grass had to be mowed. This made it particularly difficult given we only had a week to play the game to see who qualified for the final in Week 9.

On Thursday March 19 we played Marryatville High at Glenelg Baseball Club needing a win and to score three runs to go into the final. The game was a very competitive one with each team playing a high standard of baseball. We went into the last innings tied 1-1. We managed to get runners to second and third base with two outs. The Marryatville pitcher had to be changed and the new pitcher only needed to get one out to go through to the final. Fortunately for us he threw a wild pitch that the catcher missed and Alex Martin scored in a close play at home plate. Then in a quality piece of baserunning, Griffin Weber realised noone was covering home plate and continued to run scoring on the same play. An amazing finish to a great game of baseball.

The final was played at Glenelg again and St Michael’s drew Seaton High school in the first game. We could not match it with the baseball focus school and lost 10-1 with a brilliant pitching effort from Ethan Marchioro on the mound. The team was not overawed by the quality Seaton High pitcher and they battled out the run in the last innings. The loss put us in the play-off for third against Brighton Secondary who had defeated us two weeks earlier. The boys were pumped up to finish the competition with a win and led by Zac Esca’s pitching we controlled the game eventually winning 6-1. Alex Martin was best with the bat and Griffin Weber’s leadership throughout the competition was outstanding.

It was a brave effort in all games from a team made up of Year 10’s and a Year 9 student and the future looks very bright for future Open Baseball tournaments.

A big thankyou to Viv Weber and Karyn Stephens for making themselves available to score games during the competition.

Mr Mark Stephens, Design & Technology Teacher & Golf & Baseball Coordinator
YEAR 11 DRAMA PRODUCTION ~ IN YOUR DREAMS

The Year 11 Drama class will be performing their class production, In Your Dreams in the SMC Drama Studio on 8 - 9 April. A College drama, written and performed by the class, explores the wonders and infinite possibilities of dreaming. From nonsensical imaginings to dreams of belonging, In Your Dreams has something to offer everyone, promising an evening of laughs, tears and entertainment for all age groups. Tickets are free and available from the front office. Seats are limited, so get in quick!

Dana Petrovski, 11SA Publicity and Promotion

Year 11 Drama presents...

In
Your
Dreams

Wed 8th of April
Thurs 9th of April
In the Drama Studio

Tickets available from the front office
ST MICHAEL’S COLLEGE GOLF

The SSSSA Teams Stableford championship was run on Monday 23 March and St Michael’s College entered 3 teams. It was played at North Adelaide Golf Course in windy conditions and every player represented the College well. All teams have qualified for the Teams Cup Knockout Competition next term and the day was also well supported by parents which was excellent to see.

Results:
2nd place - Harvey Miller, Isabella Cahill-Terrell and Gianni Di Ciocco: 103 pts
7th place – Harrison Burner, James Pedlar and Liam Georgiadi: 95 pts
14th place – Thomas Davey, Nick Papadopoulos and Lachlan Collins: 49 pts

Mr Mark Stephens, Design & Technology Teacher & Golf & Baseball Coordinator

COLLEGE LEADERS

Anthony Bonini - College Leader
A quote I often use and remember: The best is yet to come.
Favourite Holiday Destination: Bali and Italy.
Occupation I would love to undertake: Language Teacher.
One chore I don't like doing is: all of them.
In the future I hope: to become a language teacher.
I would describe my personality as: humorous and chilled.

Adele Demasi - College Leader
As a Captain I aim to: Be the best I can be.
The thing/s that I do that I am the proudest of: Representing the State in Netball.
One word that describes being Lasallian: Community.
Occupation I would like to undertake: Psychology.
Leadership means to me: Set an example for the school and be a positive influence to those around me.
Best Movie I have watched: Gone Girl.
In my spare time I like to: Listen/play music and play netball.

HOUSE CAPTAIN PROFILES

Abigail Lavender ~ Solomon
The thing/s that I do that I am the proudest of: Caring for others.
In my spare time I like to: Go to the beach, shop because I like to be out and about around people.
One chore I don't like doing: cleaning my bedroom.
Words that describe my personality: Loud, happy friendly, confident, cheeky.
My favourite book is: Family Ties because I love a bit of drama.
As a child I was proud: Winning the tennis Grand Final in my first season.

Jack Calabro ~ Benilde
The thing/s that I do that I am the proudest of: Leading by example.
The best thing I did over the holidays was: Relax/see friends because that’s what the holidays are about.
Words which best describe my personality are: Genuine, outgoing, clown, competitive, laidback.
As a child I was proud: Bringing home a football premiership because it was a sense of achievement.
In my spare time I like to: catch up with friends.
WHERE ARE THEY NOW?

Adam Didyk ~ Class of 1998

I started my schooling at SMC as a Year 4 student in 1990 and graduated in the Class of 1998. I remember vividly, the nerves I felt when addressing the school assembly as Achilles Cup Captain and the day that old scholar and Olympic Swimmer, Daniel Kowalski came for a school visit.

Since my childhood I have had a strong interest in Athletics. It’s offered me great opportunities, and allowed me to follow a passion throughout my life. This has enabled me to develop skills and relationships which will no doubt support me in my career and family life for many years to come.

After finishing secondary school, I went to UniSA and started my teaching degree. Whilst undertaking my Bachelor of Education, I was recruited by a number of Colleges in the United States as a Student Athlete and continued my studies whilst training. Whilst ‘student’ came before ‘athlete’ it was not the curriculum content that taught me the most. My year at the University of Memphis forced me to work harder than I ever had. I took on two years of University in one and tripled my required subject load so that I could leave after one year with a degree and major in Sport Psychology.

On return to Australia I completed my Bachelor of Education and in 2008 I was fortunate to win a position at the St Michael’s College, Primary Campus as a Year 5 teacher. I now teach Year 7 classes. That same year I started my career as a professional athletics coach; it was only one athlete who happened to be a friend of mine, but it allowed me to realise my dream. Since 2008, the number of athletes I coach has grown to 38.

In 2012 I was fortunate enough to have my first athlete qualify for an Olympic games which saw the start of my international coaching career and retired me as an athlete. Up until London, I was still pursuing my own ‘running’ goals, but sitting in the Australian camp I was faced with the confronting thought I had failed as an athlete. This is where I wanted to be, with this team preparing to race. Sitting there as a coach revealed to me that this was the pathway I would now follow, and from then I became more involved in professional athletic coaching.

Since that ‘lightbulb’ moment, I have coached Australian athletes on Australian teams in events ranging from Cross Country running, 3000m Steeplechase, Marathon/Ultramarathons and was the Australian Team Marathon Coach for 2014 in Glasgow. I had two athletes I personally coached in Glasgow, Jessica Trengove who came away with a Bronze Medal in the Marathon and Madeline Heiner who came 4th (behind 3 Kenyan runners) in the 3000m Steeplechase.

The lessons I have learnt throughout my education in many different realms will assist me in supporting my family, athletes and students at St Michael’s College well into the future. We all strive to be the best we can be, but it’s only when you see the best in the world that you realise what is really required.

*Adam was Guest Speaker at the 2014 Academic Assembly (Feb 2015).*

CONGRATULATIONS TO ...

- **Adam Swan (Class of 2014)**: has been awarded the Augustus Short Scholarship for outstanding academic performance in Year 12 by the University of Adelaide. This is a full scholarship which provides for the waiving of HECS fees and an annual allowance.
- **Hannah Sitters (Class of 2010)**: has been awarded a University Medal from the Flinders University for outstanding academic performance in the Bachelor of Creative Arts (Honours) Screen and Media, achieving First Class Honours.

STUDENT SERVICES

Please be aware that many of these articles have extra information that can be accessed on the Student Services Intranet page: http://intranet/secondary/student_services/latest_news/current.pdf#

URGENT: VET CERT 3 MICRO BUSINESS OPERATIONS

We are hoping to begin a Cert 3 in Micro Business Operations beginning in June or earlier and going through until October, delivered at St Michael’s College (If we get a Minimum of 10 enrolments) or Adelaide TAFE, Currie Street from 9:00-3:00pm. 50 Stage 2 credits are possible, and satisfactory completion would see 20 points towards the University Aggregate/ATAR. Students will be required to develop a business idea from concept to implementation readiness and will work with the same Business idea throughout the course. We are calling for expressions of interest from our Year 12 students who may wish to consider this at this late stage. As it will require attendance all day on a Thursday students would realistically need to drop one of their other subjects so they don’t miss too much back at the College. It is not something to do on top of a full Year 12 load. If there are any really interested Year 11 students we are happy to hear from you, but it would be timetable dependant before permission would be given to participate in this course. There is a separate VET Family Contribution Policy for students enrolling late in the year for a VET course where they are dropping a subject. This course in particular would incur a family contribution of $675. Please contact Mr Kevin Woolford for more information. There will be an Information session on Thursday 9 April Room 1 at lunch time. The lecturer Emma O’Donohue will have samples of students work available at the session. Parents are welcome to come along at this time too.
**UNIVERSITY OF ADELAIDE: PARENTS NEWSLETTER**

Please find below a link to the University of Adelaide’s first Parent Newsletter. These bulletins will be released on a regular basis (every couple of months) from now on. We believe it will prove to be a very useful resource for parents and guardians of Year 11 and 12 students. [http://www.adelaide.edu.au/study/parents/](http://www.adelaide.edu.au/study/parents/).

**ADELAIDE TERTIARY STUDIES & CAREERS EXPO**

Please make a note on the family calendar: Sunday 14 June 2015 10:00am-4:00pm, Adelaide Convention Centre, FREE ADMISSION. Info will be available on Universities in SA and Australia, Private Education providers, TAFE SA, Defence Force, Gap Year & Exchange Programs, Scholarship/Financial information and much more.

**AUSTRALIAN DEFENCE FORCE**

Advance Notice: Defence Force Careers Expo 28 – 30 May (More details to follow in later Newsletters)

Facebook Question and Answer Sessions

Defence Force Recruiting will be running Q&A sessions on multiple avenues of entry into the Defence Force. Students will be able to login through Facebook and chat to members of the ADF!

To find out more please direct students to [www.facebook.com/defencejobsaustralia](http://www.facebook.com/defencejobsaustralia)

SA Museums offering many holiday Opportunities: Please see intranet

**UPCOMING TALKS**

Students interested in volunteering overseas may wish to investigate one of the companies that coordinate such opportunities. Latitude Global Volunteering is calling for registrations for its Information Night scheduled for Tuesday 12 May 6:00pm at Walford School. See: [http://www.lattitude.org.au/find-out-more/attend-an-info-night](http://www.lattitude.org.au/find-out-more/attend-an-info-night)

**ENTREPRENEURSHIP WORKSHOP**

Introducing entrepreneurship to teenagers, BOSS camp is being held at the University of South Australia on 16-17 April 2015, 9:00 am–5:00 pm each day. Hear from inspiring speakers, work with amazing mentors, connect with entrepreneurs and most importantly have fun. There is a huge prize pool worth thousands of dollars too! So how can you get tickets? Produce a quick video saying why you want to come, email it to scott@bosscamp.com.au, you and a friend can attend for free thanks to our generous sponsor BDO. If interested in purchasing tickets, a set number have been heavily discounted from $197 each to $37 each, again due to the support of sponsors like the City of Adelaide, City of Salisbury, Adelaide Business Hub and the City of Onkaparinga. Here is the link to register: [http://bosscamp.com.au/registernow/](http://bosscamp.com.au/registernow/), enter the following relevant promo code: Port and Western Adelaide: adelaidebusinesshub and [http://www.CareersEvent.com](http://www.CareersEvent.com)

**CONGRATULATIONS TO ...**

- **Jet Lewis 9HA** has been selected as Captain of the SA 14 & under water polo team competing at a national tournament on the Gold Coast in April.

- **James Simpson 8BU** has made the SA Little Athletics u13 Team travelling to Perth for the Australian Little Athletics Championships in April 2015. James won Gold in the 400m and Bronze in the 200m at the SA Little Athletics State Individual Championships under 13 Boys last weekend.

- **Carly Aird 9WI** who heads to Queensland this April to represent South Australia in the State u/15 Hockey Team. We wish Carly the best of luck.

- **Paige Kearsley 9KL** has been chosen to represent Australia in the Combined Australian Netball Association’s Competition in New Zealand in April. Paige will be playing as part of the U/15 team. We wish Paige the best of luck.

- **Luc Wayne 4MB** for playing in the Woodville Warriors U10 Division 1 Premiership team in the SA District Basketball Competition.

- **St Michael’s College who were well represented in the SAPSASA Metro Swimming Championships last Thursday with Nathan Daly 7AD, Samuel Kelly 7AZ, William Martin SPA, Will Larven 6EL and Tyler Richards 4DB** being selected in the Western Team. All the boys put in a fantastic effort but a special mention to Tyler who won the u10 Freestyle, came second in the u10 Breaststroke, and made the final in the Butterfly. Due to Tyler’s outstanding achievements he has been selected in the State Swim team to compete in the National Swimming Championships held in Adelaide later in the year. William Martin and Nathan also made finals. William, Will and Tyler swam in the u11 4x50m Freestyle relay which just missed out on 1st place but came an amazing 2nd.

If your son or daughter has been selected into a sporting representative team or has sporting achievements that you would like to share with the SMC community please email kate.didyk@smc.sa.edu.au or jordan.young@smc.sa.edu.au

CO-CURRICULAR NEWS

GIRLS SPORT TERM 1 WRAP UP
Girls sport for the term has drawn to a close in what started as a disruptive season with the first 2 of 6 rounds being cancelled due to hot weather. Once the girls finally were able to take the court/field it was fantastic to see the enthusiasm, sportsmanship and team comradery shown.

WATERPOLO
We were lucky enough to have 2 girl Waterpolo teams this term, with many seasoned players as well as numerous new girls to the sport. Our Senior B team demonstrated their skill and knowledge of the game early, coming away with numerous big wins, talking the whole way through. Our junior team under the guidance of experienced coach John Cooper were most improved of the term. The girls listened and executed all instructions given, which reflected in the fantastic wins they had late in the term.

BASKETBALL
Our Basketball teams worked hard every training, following on with their 100% efforts at every game. Their enthusiasm for the sport and work ethic allowed for continuous improvement over the term. Many great wins, accompanied devastating loses, which did not stop the girls’ gusto on the court.

TOUCH FOOTBALL
Our Senior B Touch Football team showed they were one of the teams to beat with their fancy footwork and ability to sneak through gaps in the opposition’s defense. The girls finished the term with a near perfect win-loss ratio. Our Senior C team, always turning up with a smile on their faces and positive attitude despite some tough games. The girls played well in the senior ranks, with the team ages ranging from Year 8-11’s.

VOLLEYBALL
Despite a rocky beginning to the season, our Volleyball girls found their groove and demonstrated some great skills on the court, improving with every game. I look forward to seeing the girls continue to improve in Term 4. Thank you to all the coaches who gave up their time to share their skills and expertise with the St Michael’s Girls Sport teams this term!

Ms Kate Didyk, Secondary Girls Co-Curricular Coordinator
