Dear St Michael’s Community,

Our first Portfolio Conference Evening for this year held in Week 8 had a slightly different format designed to allow more time for students to take the lead in discussing their learning through their portfolio. It also incorporated the Open Classroom and Information Sessions on specialist subjects. It was a great privilege to be able to walk through all of our learning areas and observe the high level of engagement in every room. It was also encouraging to see the specialist areas well supported and students very excited to introduce their teachers with obvious pride in their school community. Our survey results provided extremely valuable data and feedback from both parents and teachers to assist us with the planning and organisation for our next Portfolio Conferences in Term 3. Our primary parents and caregivers are reminded that staff will make themselves available at other times during the course of the year, by appointment, if parents wish to discuss their son’s learning or well-being.

Due to the enthusiasm generated by our Youth Environmental Leaders and their mentor Mr Damian Basso, Middle Primary Coordinator, the strong support from our Leadership Team, School Environmental Management and Garden Committee members, and the incredible amount of work undertaken by our School Community Volunteers, our Mini Wetlands Development has expanded to create an area that far surpassed our original expectations. It will enable us to meet all the outcomes it was designed for, particularly:

- Building on the work already achieved through our Kitchen Garden Program.
- Increasing biodiversity within the school grounds.
- Enabling our students to care for their own ecosystem to authenticate learning and ensure its sustainability.
- Maximising learning outcomes not only in Science but in all areas of the curriculum.
- Fostering student leadership and support student voice.

Our sincere thanks is extended to the following people for their amazing generosity. Your support is greatly appreciated and without it the Mini Wetlands project could not have gone ahead.

Mr Bruno Basso (SMC Old Scholar 1964) for various materials, equipment hire and labour.
The Chiose family for fencing, deck construction, materials and labour.
The Ciarla family for labour, materials and equipment.
The Massaro Family of Adami’s Sand and Metal.
The Michaelis family for earthworks and consultation.

For the last 2 years the Primary Campus has been involved in the Stephanie Alexander Kitchen Garden Program founded on the premise: ‘If a child is regularly engaged in activities in the garden and in the kitchen and is invited to the table and encouraged to taste and to learn about healthy, delicious food, that child will grow to embrace fresh, seasonal flavours and will understand so much about the natural world and how to relate with others.’

As part of their Mini Master Chef Investigation Unit students in Year 3 this term were taught many simple and specific life skills in basic hygiene and food preparation. Activities such as working safely with knives, peelers and hot baking dishes, setting the table for whole year level celebrations and washing dishes to name but a few. The students created dishes that they equally distributed amongst their peers in “tasting portions.” Each student received enough food to appreciate what it was made of and how it tasted. Mrs Robyn Palmer, Parent/Garden Coordinator and Mr Alan Tessari, Teacher 3AT have been the drivers behind the success of this program which is also dependent on parent volunteers. Thank you to all.

Students, staff and members of the Primary Community gathered Easter Tuesday morning in Founders Hall to celebrate the Risen Christ. Students were invited to wear coloured clothing to signify new life, the Paschal Candle was lit and the large wooden cross draped in white. These are symbols to represent the promise of the new hope and the message of joy that the Resurrection brings. The banner ‘He is Risen’ now proclaims that message at the Primary Campus as we celebrated the wonderful liturgical season of Easter.

Wishing all families a safe and restful break.

Kind regards

Louise Kometer
Acting Deputy Principal - Primary

We wish Antonio Murdaca (OS 2013) all the best as he competes with the world’s greatest golfers at this week’s Masters at Augusta. We are proud and excited for this talented, hard-working and humble young man. Antonio’s progress can be followed on the Masters website and his preview story found here.
REST IN PEACE

Mr Gino Ricciuto and Mrs Marianna Vannucci
Grandfather and Great Grandmother
of Lisa Ricciuto 8DE

Eternal rest grant unto them
O Lord and let perpetual light shine upon them.
May their souls, and the souls of all the faithful departed,
through the mercy of God, rest in peace.
Amen

COLLEGE UNIFORM – TERMS 2 & 3

The end of Term 1 is quickly approaching, and as such, it is an opportune time to prepare for the change of uniform for Terms 2 and 3. For the students in Years 9-12 it would have been 6 months since they wore the College Winter Uniform and some adjustments may need to be made to ensure that we are ready to go day one Term 2.

Please find below, an extract from the College Diary (page 13) which outlines these uniform requirements. Please pay particular attention to the requirement to have the shirt tucked in at all times.

Students

Boys
• Blazer – worn to and from school from (Year 5)
• Tie – top button on shirt must be done up
• Shirt – tucked in during Terms 2 & 3
• Grey trousers
• Grey socks
• Blue St Michael’s jumper with crest
• College spray jacket (optional)
• Black leather school shoes – polished (No boots, ripple soles, runners, canvas or skate shoes)
• No printed or coloured T-shirts or skivvies as undershirts
• Black leather belt

Girls
• Blazer – worn to and from school
• Tie – top button of shirt must be done up
• Shirt – tucked in
• Skirt (not shorter than knee length)
• Navy stockings (no knee high socks)
• College spray jacket (optional)
• No printed or coloured T-shirts or skivvies as undershirts
• Black leather school shoes – polished (no high heels or scuffs)

Other guidelines regarding the expectations the College has of the students are in the College Diary (pages 11 to 19).

Whilst in school uniform, students are representing the College. We have spoken to the students regarding the impact they have as an advertisement for the College. As such, it is expected that the uniform be worn correctly and that non-uniform items are not worn. This includes when travelling to and from school and at all times whilst at school. The Diary information is also available on the College Intranet.

Please contact the Dobsons Uniform Shop (8150 2306) for further assistance. Family support in this matter is appreciated.

Thanks in anticipation for your support in these matters.

Mr John Lambert, Deputy Principal – Pastoral &
Kym Clark Director Lasallian Mission

Some memories of my first year of St Michael's College Beverley.

My family moved to Adelaide in the early 50’s; Dad was a school teacher at small schools in the mid-north. The first five years of my life was at Booboorowie, in the lower Flinders Ranges where my father taught all students; there were I think less than 12, in all grades, and that included my two elder sisters (and me, who up to that stage would have been lucky to get into a kindergarten, if such existed in those days).

I went to St Joseph’s Primary School in Hindmarsh, and Mum and Dad brought a house in Frederick Street, Welland. I worked after school and during school holidays with my Uncle Leo, who was a baker. In those days he baked his own bread, and delivered it by horse-drawn cart; then, as his delivery round expanded, he needed to motorise his deliveries, and brought a three wheeled motor bike with a bin in the front. He was based at Flinders Park, where many Italian migrants settling around there becoming customers. He soon specialised in what was known then as Dago bread. I used to get two shillings from Uncle Leo for every new customer I brought in. I learnt enough Italian to get a foot-hold into the doors of all prospective customers in the Underdale area. However, with existing deliveries into North Adelaide, eventually a Commer was purchased. I can remember huddling against the warm motor, (which was in the cabin in lieu of a passenger seat) in the winter.

With the deliveries to North Adelaide, we watched as Blackfriars was opened in 1953. I think my parents briefly entertained the idea that I would go there next year when I went into grade 5. But at that stage the Hindmarsh Catholic Parish decided that it needed a boys school in its area; The De La Salle Brothers were invited to set up a school in Beverley, only a few streets away from our new home.

Thus in early February 1954, 29 of us turned up on that first day at this new school, St Michael’s College, East Avenue, Beverley. It certainly sounded a lot grander than St Joseph’s Convent, Hindmarsh. All was new. It was a boy’s school. There were three teachers – Brother Victor, the Headmaster, Brother George and Brother Ephraim.

At St Joseph’s we had about 80 students to a teacher. This new teacher student ratio meant an entirely new way of learning. Everything was fairly intense, but we were all in the same boat. We were all very close.

We were all from working class origins. I think the fees were 6 pounds a term, perhaps not in the first year, but sometime in those first years. This was up on the two shillings a week that we paid at the convent. Several of us had come from St Joseph’s Hindmarsh, but there were others from other parish schools in other directions. Quite a few were children of post war immigrants. Amongst my best friends were Peter Mayberry who was still being treated for Potts disease of the spine (Tuberculosis) and David Lovell who was recovering from poliomyelitis. Chris Wocjiak (I think that is how it was spelt) was one of several who came from the Baltic countries, and who had survived an awful post war refugee process.

I was always enthusiastic to go to school, even when we got thrashed at football (Australian Rules of course in those days) by Allenby Gardens Primary School. I think it took three years before we won our first game of football against our local nemesis. I think I played in the first eighteen for most of my school career as we only ever had 17 other players.

I was even worse at cricket than I was at footy, and can remember playing Blackfriars in the North Adelaide Parklands. I remember Brendan Roberts scored 20, but most of the rest of us were lucky not to score a duck. I wasn’t invited to play cricket for St Michael’s again, as it was relatively easier to get at team of 11 together than a team of 18.
Later in the year, as numbers in the school rose, some classes were held in the back part of the chapel, with the concertina doors drawn across to separate the church area from our study area. Immediately behind was a science laboratory, which was only one bench wide, but was our first inkling of the role of practical application of our studies.

Out on the oval, which in that first year was only on the southern part of today’s fields, were thousands, if not millions of ‘marshmallows’, a significant weed, growing. Always as part of a detention process, or not, we had to go and pull out thirty marshmallows. You will not see too many growing on those fields now.

We grew very close to our teachers who lived a very spartan life. We were amazed to see Brother Victor, who in our eyes was absolutely ancient, getting about on a bicycle, but generally they seemed to walk everywhere. Brother George principally taught grades 6 and 7, and was to go on to be Headmaster when Brother Victor left after three years. Brother Ephraim was our teacher and I think he also left after the third year. He was probably only in his early twenties, but he was a great teacher; he taught us French later, as I recall. I wished I had tried harder, but all this was very new to us, and I never knew anyone in those early years who spoke French outside school. In retrospect, I would have been much better off with Italian. “Quanto pane oggi”.

That first year, there were two students in Grade 4. Grade 5 and Grade 6 probably had about 15 each by the end of the year; there was only a handful of students in Grade 7, and two in 1st year (High). A total of about 40 by the end of the year. One could only dream of what it might grow to back in those days.

Dr John Oswald, was College Captain and Dux of St Michael’s College in 1961. In January 2011 he was awarded an Order of Australia Medal in the Australia Day Awards for services not only to medicine as an anaesthetist, but also for his community service work with the Twinning Program in Tonga, the Interplast programs in South East Asia and the Rotary Club of Ballarat West.

Dr Oswald helped set up the Twinning Program, which involved an exchange program of both staff and equipment between St John of God Hospital and Vaiola Hospital in Tonga. He also volunteered in the Interplast program for many years, which provided plastic surgery to underprivileged people in South East Asia.

Over his distinguished medical career, Dr Oswald has spent 35 years working for Ballarat Health Services, with seven years as Director of the Anaesthesia Department, as well as several years as Director of Intensive Care at St John of God Hospital.

**PRIMARY CAMPUS**

**MASS**

Parents are invited to attend Mass which is celebrated on Thursdays at 9:00 am in the Beverley Chapel. Parents and Grandparents are asked to note in their diaries May 7 when the Middle Primary Classes (Years 2 to Years 5) will host a Mothers Day Mass in Founders Hall followed by activities in the classroom. More details to follow early Term 2.

**PROJECT COMPASSION**

Families are asked to kindly return their Project Compassion boxes during Week 1 so the College can finalise your generous contributions. The support of the works of Caritas Australia through your generosity is very much appreciated.

**SUSTAINABILITY WORKSHOP**

A Sustainability Workshop will be held in Founders Hall on Wednesday May 13 beginning at 7:00pm. St Michael’s is offering the opportunity for parents and friends to learn basic steps on how to be sustainable at home. These simple steps will help you reduce waste, reduce chemical use and reduce plastic in lunch boxes. Every good environmental practice (whether it is big or small) has a positive impact and our aim is for these skills to be available not only to students at school, but for the wider community to also practise at home. Further information to be sent out in due course.

**PERSONAL GROOMING**

Parents are reminded that student hair styles need to be neat, tidy, out of eyes and without extremes of colour or style. As a general rule if having a clipper, cut no shorter than a number 3 please. We thank you for your support in this matter.

**PRIMARY CAMPUS PHOTOS**

Class and individual photos will be taken of students in Reception to Year 7 on Friday 8 May. Photo envelopes (barcoded specifically to identify your son) will be distributed before the end of Term 1. Please return the envelope to your son’s class teacher even if you do not intend to purchase photos. Students will require their full college uniform which includes the blazer for Years 5 – 7. Family envelopes will be made available from the Primary Administration Centre from Tuesday, 28 April. There will be no PE classes on this day.

**PICK UP AREA – EARLY FINISH DAY**

Please do not leave you vehicle if you choose to park in the Pick-up Area on Early Finish Days. Although parking restrictions do not apply at these times, it would greatly assist the traffic flow if drivers still adhered to the 2 minute time frame. Please consider others. Council will be reviewing the traffic flow on these days and it would be beneficial to all if we can self-regulate our parking rather than have further restrictions imposed.

**TERM 2 – WINTER UNIFORM**

Parents are advised Term 2 sees the transition to the full College Uniform including blazer and tie for students Year 5 and onwards. Please refer to the College Diary or the Star article on page 2 for specific details.

Mr Kym Clark, Director Lasallian Mission
FRANCE TOUR 2015 – BON VOYAGE!
The St Michael’s College France Tour 2015 departs next week on 14 April. The group of 25 students from Years 10 and 11, and four staff, will be visiting Paris, De La Salle’s home town of Reims, and the Battlefields of the Western Front. The tour culminates in attendance at the Dawn Service at Villers Bretonneux on ANZAC Day. The program provides students with a unique learning opportunity where they deepen their knowledge of Australian history and, in particular, their understanding of Australian involvement in the Great War and the impact that it had on their local community. We acknowledge and thank the City of Charles Sturt and the City of West Torrens for their support of this tour. We wish staff and students well as they embark on this exciting trip.

2015 AUSTRALIAN NATIONAL CHEMISTRY QUIZ
The ANQC is a unique chemical education activity. It provides a major focus for secondary school students on the relevance of chemistry in an exciting and stimulating way.

The Quiz is a truly international competition with papers translated into seven different languages. The Quiz attracts students throughout Australia and 17 neighboring countries including Switzerland, Austria and Germany.

The ANQC aims to promote interest in chemistry and the role of chemists in our society. The quiz consists of 30 multiple choice questions to be answered in 60 minutes. Students are encouraged to engage with the questions and are not penalised for incorrect answers.

All students receive a Certificate of Participation and students who obtain a perfect score receive a Certificate of Excellence and a Plaque.

The competition will be held on Thursday 23 July and the closing date for registration is Tuesday 9 June. Students who wish to register their interest are to contact or email Mr Karnas for more information. Stratos.karnas@smc.sa.edu.au

Mr Karnas, Gifted and Talented Coordinator

CO-CURRICULAR NEWS - ATHLETICS CARNIVALS
On Thursday 2 April and Tuesday 7 April, the St Michael’s Athletics Squad was busy competing against numerous other schools in the Catholic Girls Athletics Carnival and the Secondary School Sports SA (SSSSA) Athletics Carnival.

Competition was tough from our opposition schools, with many fast times being recorded, long throws and jumps, but this did not scare anyone away from putting their hat in the ring. The team spirit and positive attitudes SMC students showcased was fantastic as they all put in 110%, including in events they would have preferred not to do.

St Michael’s College competed in B grade in the Catholic Girls Athletics Carnival, finishing 4th. Standout performances on the day included Charlotte Prest jumping 4.05m to win the U/14 Long Jump, Kate Hall winning the U/20 Shot Put with a throw of 7.76m, Kelsey Preece winning the U/14 80m Hurdles in 15.14 seconds and Gigi winning the U/15 Shot Put with a throw of 7.09m. Special mention goes to Olivia Watts for placing in 3 of her 4 individual events, even after strongly preferring not to do half of them.

Our St Michael’s College Co-Ed team also competed in the C grade SSSSA Track and Field Championships, finishing 5th in the Boys, 9th in the Girls and 7th in the combined division. The field was tough but the team performed well throughout the day with many standout performances. These performances include James Simpson winning his U/14 400m, Liam Firns winning his U/15 100m Hurdles in his first attempt at the event, and Kai Pudney taking a class win in the U/15 800m event. Jack McCann ran a strong race to win in the U/14 Boys 800m event, with older brother Will claiming first place in the trifecta of distance running, winning the Open 3km, 1500m and 800m events. The team finished the day on a high with the U/14 Girls relay team (Kelsey Preece, Chelsea Calabro, Ruby Williams, and Charlotte Prest) along with the Open Boys relay team (Liam Toohey, Matthew Calvitto, Andrew Georgeson, and Jack Panuccio) winning their respective relays.

Mrs Kate Didyk, Girls Co-curricular Coordinator

YEAR 12 SCHOOL TIES
The Year 12 ties are now available for purchase from the Bookroom Senior Campus. The Bookroom is open between 8:00am-4:00pm weekdays except Wednesdays. School Ties are $22.00 each. Cash payments can only be accepted at the Bookroom. Credit Card/EFTPOS payments can be made through the Administration Office and ties can then be collected from the Bookroom using the receipt as proof of purchase.

LOST PROPERTY IN BOOKROOM
If you have lost any items of clothing during the year please come to the Book Room to see if they are yours. All items unfortunately are unnamed. For named items, a note will be sent to the student via the classroom for collection.

Lost School Uniform Items include: hats, jumpers, spray jackets, polo tops, shorts. Other items include: assorted keys, jewellery, drink bottles, USBs, glasses and glass cases, non-uniform hats/caps, one sandshoe and a novel.

Mrs Rogers, Bookroom
Student Absence - Extended Absence on Family Holidays in Term Time

Introduction
Issues arise when parents elect to take their sons/daughters on extended holidays during term time. These issues vary and are dependent on such factors as the timing of the holiday, length of time missed, the year level of the student and the nature of the subjects in the learning program. Whilst the College understands that there are many valid reasons why parents would, from time to time, take students out during term time, it is important not to lose sight of the fact that in some cases this may have quite a significant impact on the students’ learning program.

The Impact at Different Year Levels
Missing work at any year level has the potential to have negative consequences including disruption to the continuity of the learning program, or missing essential assessment items needed for grading purposes. At senior year levels of Year 11 and 12 in particular, parents need to be aware that missed work can affect the SACE outcome. In the SACE there are many specific requirements that in many instances, if they are not completed to a satisfactory standard, will lead to the student having to repeat work, or catch up at a later time, for SACE completion to be achieved.

From past experience, when a Year 12 student is absent from school for an extended period of time, it can cause a significant degree of distress for the student in many instances, as students contend with catching up on work and assignments and try to keep up with an extremely busy and full schedule.

The College strongly advises against a Year 12 student going on a family holiday during term time. It is important to note that SACE do not consider holidays sanctioned by families to warrant consideration for any Special Provision.

Staff and Student Responsibilities
St Michael’s College staff are extremely generous with their time. Most staff spend a significant portion of their week working individually or in groups to assist students outside of the programmed teaching and learning time. It is an unreasonable expectation to ask teachers to work for extended periods of time with students who have missed programmed time whilst on a family holiday.

Teachers are expected to provide an assessment plan and a subject outline in all subjects at the beginning of each year/semester. These provide the sequence of learning activities and the timing of all assessments for each subject. Electronic versions of these documents as well as lesson information are available to students via SEQTA online. Please note that access to SEQTA does not replace the benefits associated with face to face contact between teacher and student.

Students who miss work have the following responsibilities:
- To inform the teacher of the absence (e-mail via SEQTA is a good source of communication).
- To make sure they are aware of topics/concepts missed and any assessments.
- Where possible to complete work to keep up with the learning program.
- To negotiate any extensions to assignments using the correct protocols.

The College suggests that in these circumstances parents initiate contact to the school – the level of action being informed by the length of time missed and the likely impact on the students’ learning program. It might be appropriate for parents to do one or more of the following:
- Make contact with their son/daughter’s Pastoral Teacher.
- Inform the appropriate Year Level Director.
- Discuss the matter with the Director of Teaching & Learning.
- E-mail subject teachers to assess the likely extent of missed work at this time.
- Make private arrangements for the student to receive any necessary assistance to successfully complete the missed work.

Process
This document is to be provided to each family which informs us of a family holiday during term time.

Ms Bron Kemp, Director of Curriculum and Assessment Administration
COLLEGE LEADERS

Mary Hadgis - College Leader
A quote I often use and remember: “You’ll be right”.
Favourite Holiday Destination: Melbourne
Occupation I would love to undertake: Secondary English and Psychology and eventually a Principal.
One chore I don’t like doing is: Making my bed
One word that describes being Lasallian: Service.
I have a pet galah whose names is: Georgie.
Greatest Sporting Achievements: Best and Fairest.

Luke Zille - College Leader
As a Captain I aim to: Provide Leadership and inspire others.
The thing/s that I do that I am the proudest of: Coach U9 children at Semaphore Surf Life Saving Club.
A quote I often use and remember: “Hard work beats talent when talent fails to work hard”.
Occupation I would like to undertake: Accountant.
Leadership means to me: Standing up when others won’t.
Words that describe my personality: Easygoing.
In the future I hope to: Play AFL.
Best advice I have been given regarding sport: Hard work pays off.

HOUSE CAPTAIN PROFILES

Damien Cardone - Turon
The best thing I did over the holidays was: Chill with friends.
Words which best describe my personality are: Creative, interesting.
As a child I was proud: Being the Captain of my Football team.
In my spare time I like to: go for long walks on the beach.
I have a pet cat whose names is: Tiggey.

Charlee Hodges ~ Miguel
In my spare time I like to: Sleep.
One chore I don’t like doing: Washing the dishes.
Words that describe my personality: Nice, dog lover, sporty.
As a child I was proud: To be an U12 Premiership player.
I have a pet dog whose names is: Theo.

STUDENT SERVICES

Please be aware that many of these articles have extra information that can be accessed on the Student Services Intranet page:
http://intranet/secondary/student_services/latest_news/current.pdf#

SWIMMING TEACHING QUALIFICATION WEEKEND WORKSHOP
Want to get your qualifications to become an AustSwim Teacher of Swimming and Water safety? There is a 2 day course running over the weekend of 2 - 3 May at The Parks Recreation & Leisure Centre at a cost of $370. If you decide to do this SMC would subsidise the cost of this course by 50%. The course would contribute 10 Stage 2 credits towards your SACE but does not contribute towards ATAR as it is not an approved Cert 3. Please email sa@austswim.com.au or tel 8354 0873 for more details.

UNIVERSITY OF ADELAIDE: PARENTS NEWSLETTER
Please find below a link to the University of Adelaide’s first Parent Newsletter. These bulletins will be released on a regular basis (every couple of months) from now on. We believe it will prove to be a very useful resource for parents and guardians of Year 11 and 12 students. http://www.adelaide.edu.au/study/parents/.

ADELAIDE TERTIARY STUDIES & CAREERS EXPO
Please make a note on the family calendar: Sunday 14 June 2015 10:00am-4:00pm, Adelaide Convention Centre, FREE ADMISSION.
Info will be available on Universities in SA and Australia, Private Education providers, TAFE SA, Defence Force, Gap Year & Exchange Programs, Scholarship/Financial information and much more.
Visit TSCEA for your chance to win an Apple Watch! www.CareersEvent.com
AUSTRALIAN DEFENCE FORCE
Advance Notice: Defence Force Careers Expo 28 – 30 May (More details to follow in later Newsletters)
Facebook Question and Answer Sessions

Defence Force Recruiting will be running Q&A sessions on multiple avenues of entry into the Defence Force. Students will be able to login through Facebook and chat to members of the ADF!

To find out more please direct students to www.facebook.com/defencejobsaustralia

UPCOMING TALKS
Students interested in volunteering overseas may wish to investigate one of the companies that coordinate such opportunities. Latitude Global Volunteering is calling for registrations for its Information Night scheduled for Tuesday 12 May 6:00pm at Walford School. See: http://www.lattitude.org.au/find-out-more/attend-an-info-night.

Mr Kevin Woolford VET Coordinator, Ms Rose Coorey and Mr Anthony Vizaniaris, Careers

CONGRATULATIONS TO ...

Joshua Dawkins 10ST who has been selected in the Adelaide Jets State U/18 Water Polo team which is competing this week at the Marion Aquatic Centre.

If your son or daughter has been selected into a sporting representative team or has sporting achievements that you would like to share with the SMC community please email kate.didyk@smc.sa.edu.au or jordan.young@smc.sa.edu.au

CO-CURRICULAR NEWS

UNIFORMS
Please ensure you visit Sports Centre at 142 Port Road, Hindmarsh, to purchase the correct uniform for your son/daughter. Further information is available via the website: www.sportscentre.com.au or http://www.smc.sa.edu.au/__files/f/2850/co_curricular_website.pdf.

VENUES/TIMETABLES
Please follow the link http://www.smc.sa.edu.au/news-information/current-sports-fixtures to access times and venues (no password required!). Details have also been emailed to students.

COMMUNITY NEWS

COME & TRY LAWN BOWLS – THE GAME FOR ALL AGES
The Grange Bowling Club invites St Michael’s College students and parents to attend a FREE Come & Try Lawn Bowls Session on SUNDAY APRIL 12 10:00am to 12:00noon. Come and learn how to play the fun game of lawn bowls locally at the Grange Bowling Club (Wilson Road, off Grange Road). We have qualified coaches, new coloured bowls and excellent greens and facilities. Best suited for children 10 years and over. For more information and bookings contact John on 0418 810 070 or just roll up on the day. Further Come & Try sessions will be held on Sunday 19 April and Sunday 26 April. Come and give it a try!

NATIONAL YOUTH WEEK
Celebrations kick off with the Launch at The Parks Theatre THIS FRIDAY 10 April between 4:00pm-8:00pm. Free activities and entertainment so bring the family!!
## COLLEGE INFORMATION

### SCHOOL IMMUNISATION DATES 2015

All Year 8 students will be offered: 1 dose of Varicella (chicken pox) vaccine, 3 dose course of Human Papillomavirus (HPV) and 1 dose of combined Diphtheria, Tetanus and Pertussis (Boostrix).

- **Visit 1** Thursday 28 May 2015 Year 8 HPV (1) and Varicella
- **Visit 2** Thursday 30 July 2015 Year 8 HPV (2) and Boostrix
- **Visit 3** Thursday 26 November Year 8 HPV (3)

### UNIFORMS:

**DOBSONS UNIFORM SHOP**  1 Lawrie Street, Henley Beach  8150 2306  

**HOLIDAY TIME OPENINGS:** Open first week of the school holidays Tuesday - Thursday between 8:00am - 4:15pm.

We would now appreciate clients without blazers and winter skirts to please make an appointment at their earliest convenience as the winter uniform is to be worn beginning of Term 2.

**Normal Trading Hours:** Tuesday, Wednesday, Thursday ~8:00am – 4:15pm

Please contact Mary or Margaret on 8150 2306 to arrange an appointment.

### SPORTS CENTRE SCHOOL WEAR

For supplies of co-curricular uniforms.

142 Port Road, Hindmarsh  

### SECOND HAND UNIFORMS: ONLINE SELLING & BUYING

Please refer to the College website for information relating to the sale of second hand uniform items. For further assistance telephone: 8346 3411  

### STUDENT TRANSPORT

**SCHOOL BUS SERVICE CHANGES**

### ADELAIDE METRO BUS ROUTES & TIMETABLES

- 286  Henley Beach to City
- 287  Henley Beach to City
- 288  West Lakes Centre Interchange to City
