Dear St Michael’s Community,

Hope this finds you well, while coping with the colder weather as we brace for the coming winter.

I write to you as Mr Foley is away from the College for a few days working with staff from one of our sister schools La Salle College, Kowloon in Hong Kong. It is pertinent to remind ourselves of our place in the world-wide Lasallian family.

On Friday 15 May we celebrate the feast of St John Baptist De LaSalle, our founder, with a whole College Mass. We come together as a community, all students from Reception to Year 12. This important celebration takes place in all Lasallian Communities throughout the world.

NAPLAN
This week has been a testing time for our Year 3, 5, 7 and 9 students, as they have completed the National Assessment Program—Literacy and Numeracy (NAPLAN) tests.

The results of these tests provide parents and schools with an understanding of how individual students are performing at the time of the tests – they are a snapshot. They also provide schools with information about how education programs are working and which areas need to be prioritised for improvement. This allows us to tailor Learning and Teaching programs to better meet the students’ needs.

NAPLAN tests are one aspect of each school’s assessment and reporting process, and do not replace the extensive, ongoing assessments made by teachers about each student’s performance.

RECOGNISING ACHIEVEMENTS
Last Wednesday we had an Assembly to recognise those students who achieved Academic Excellence and Academic Endeavour Awards. Academic Excellence was awarded to the students who achieved ‘A’ grades across a significant number of subjects and Academic Endeavour was awarded to those students who achieved ‘Excellent’ or ‘Good’ for Application to Study and Behaviour in class for all subjects. It is great to have these students recognised in front of their peers; a good reward for their diligence and hard work. The Academic Assemblies occur after each Reporting Cycle.

BUSINESS WEEK
The Year 11 students have been tempting our taste buds as they prepare, market and sell their products to eager customers at break times at the Henley Campus. This event is a part of the Curriculum where students are able to experience some of the workings of a small business. Congratulations to the students and Mr Chatterton.

STUDENT LEADERSHIP
The Year 9 Student leaders attended a seminar with Mr Schwidder and Mrs Rossi where they had the opportunity to discuss the themes of Student Leadership. I am sure that this experience will have the students bring some enthusiastic thinking to the College. This fits well with the work these students are undertaking with the Year 12 Leaders.

FRIDAY 29 MAY—MAD QUIZ NIGHT
There is still some time to organise a table for this great event. The Year 12 Leadership have organised a great night of fun and fund raising. Donations of raffle prizes are still being sought. All proceeds go to supporting those in need, both locally and overseas.

CO-CURRICULAR
The boys and girls Co-curricular programs are in full swing. Good luck to all teams this weekend. I encourage you to attend some of the matches/games and watch the students in action.

COMING EVENTS
Some of the highlights on our College Calendar over the next few weeks include:

- **Monday 18 May - Friday 22 May 2015**: Year 11 Work Experience Week
- **Thursday 21 May 2015**: Year 10 Activities Day: This is a great day where the students are freed from the grind of classes, gather together as a Year Level and trek up Mt Lofty.
- **Friday 22 May - Saturday 23 May 2015**: Year 11 and 12 Italian Immersion Camp: Students spend the weekend immersed in Italian Culture; practising their language skills and having some fun!

Wishing you all a great week!

Live Jesus in our hearts!

A MESSAGE FOR PARENTS AND CARERS WITH CHILDREN IN YEAR 7

As your child prepares to undertake the national numeracy and literacy tests in the week beginning 11 May, we want to bring an inequity to your attention.

Did you know each Year 7 student in South Australia receives thousands of dollars less in government funding for their education than Year 7 students in every other Australian state and territory?

In a recent meeting with state Education Minister, Dr Susan Close, the Federation made it very clear that this was totally unacceptable.
We called for progress in state/federal government negotiations to deem South Australian Year 7 students as secondary to secure the secondary level of funding in line with other states and territories.

This call recognises that South Australian Year 7 students are accessing a national curriculum and are sitting the same national NAPLAN tests and that there is a community expectation of performance consistent with the national average.

Most importantly, our call for fairness and equity in funding is focussed on supporting the teaching and learning of Year 7’s enabling them to fully access the national curriculum irrespective of where Year 7 is placed. This is especially relevant given that in SA, Year 7 students are currently situated in a range of school settings (e.g. R – 7; R - 12, 7 – 12 etc.).

In our meeting with the Minister, we indicated that the Federation will raise awareness of this funding inequity within our parent communities and would work with our school communities to collectively call for funding fairness if steps were not taken to address the issue soon.

Hence, this message to you.

Our question to the Minister is this:

Given the need for state/federal government liaison in relation to rectifying this inequity, can you please advise the steps that are being taken to address this important question of fairness for the education of our Year 7 students?

At the time of writing we are yet to have a response from the Minister.

This is a cross sector issue and is a call for fairness for all Year 7 students in SA.

In our meeting with the Minister, we indicated that the Federation will raise awareness of this funding inequity within our parent communities and would work with our school communities to collectively call for funding fairness if steps were not taken to address the issue soon.

Hence, this message to you.

Our question to the Minister is this:

At the time of writing we are yet to have a response from the Minister.

This inequality is unfair and requires action now. Be ready to raise your voices to call for equity if the State and Federal governments do not address this soon.

Yours sincerely,

MASS
Parents are invited to attend Mass which is celebrated on Thursdays at 9:00 am in the Beverley Chapel. Please note no Mass will be held 14 May 2015, due to the whole college Mass on 15 May 2015 at the Henley Beach Campus (see details below).

WHOLE COLLEGE MASS
Friday 15 May all Primary students will be transported to the Henley Campus for a “Whole of College Mass” to celebrate the life of St John Baptist De La Salle who was proclaimed Patron of Christian Teachers May 15, 1950 by Pope Pius XII. All students must wear the full college uniform which includes the blazer for Years 5 – 7. Students will be dismissed from the Henley Campus at 3:20pm.

Students will not require their normal school bag; they can bring a small bag, preferably disposable for storage of lunch boxes, drink bottle if necessary. This will greatly assist in the movement of students once Mass concludes at the Secondary Campus to exit without the need to look for or carry heavy bags. Students who have been registered for OSHC will be transported back to the Primary Campus by bus.

PERSONAL GROOMING
Parents are reminded that student hair styles need to be neat, tidy, out of eyes and without extremes of colour or style. As a general rule if having a clipper, cut no shorter than a number 3 please. We thank you for your support in this matter.

JOHN BURLAND CONCERT
John Burland is an educator and composer who has been writing and recording Religious music for children and adults for over 20 years. Each year John travels to many Catholic communities celebrating our Catholic faith through the great gifts of music and song. He is a sought after keynote speaker, workshop leader and published author in the area of music and catechesis. John is currently the Project Officer for Liturgy/ Music for the Catholic Education Office, Sydney, where he conducts workshops, celebrations and reflection days for children, teachers and parish communities. John will present a concert in Founders Hall on Monday 18 May at 9:00am. Parents are most welcome to attend. Please visit his website to listen to a collection of his music.

PARKING
Compliance officers will continue to monitor the outer perimeter of the school and side streets regularly. Parking infringement notices will be issued if road users do not adhere to parking signs around the school and in particular in Hubbard Street. We also ask that road users ensure their vehicles are not parked in or across the driveway of our school neighbours.

INCLEMENT WEATHER
Parents and Caregivers are advised that on days of Inclement Weather you may IN PERSON collect your son from his class from 3:10pm. Students will not be dismissed unless they are collected in person. This is to assist families in picking up their sons in a safe orderly manner when the volume of traffic after school is likely to be very high. Motorists are NOT to park in the pick-up zone whilst collecting their son from the classroom. The aim is to maximise the available space for the 3:20pm peak pick up by providing an alternative to those parents who are prepared to park and walk.

SPORT TRAININGS - INCLEMENT WEATHER
Students/Parents will be notified as soon as possible after 2:30pm if training has been cancelled. A text message will be sent from the Primary Campus to families advising them of the cancellation. If the weather becomes inclement after 2:30pm training sessions will be modified and/or moved indoors.

SPORTS UNIFORM
Students in Reception to Year 7 come to school dressed and remain in their sports uniform on designated PE days. Students must wear SMC attire for PE lessons. The dress code for Special Occasions/School Events, such as College Photo Day, Whole Campus Mass and Special Assemblies will be advised via the College Newsletter “The Star” or Student Notices. Students (R – Year 2) undertaking SMC activities such as Auskick may also wear PE on these days.

LOST PROPERTY
Now that Winter Co-curricular sports are in full swing many students are changing into Sports clothing after school and consequently considerable Lost Property is being generated. Please label your son’s clothing clearly to assist in prompt return of these items by Administration.

ST MICHAEL’S COLLEGE AT THE WESTERN FRONT

Every second year, students from St Michael’s College travel to France and Belgium. Students spend a week in Paris, taking in the many cultural highlights such as Versailles, the Louvre and Les Invalides Military Museum, and then travel to the battlefields of the Western Front, both at Flanders and the Somme. This part of the trip culminates in attendance at the ANZAC Day Dawn Service at the village of Villers-Bretonneux, after which we make our way back to Paris and then home to Australia.

On the first day, we visited the Armistice Wagon at Compiègne. While a replica of the real one destroyed by Hitler, it’s a chance to reflect on the significance of the signing of the Armistice on November 11. We joined with another tour group, primarily comprising retirees on a similar trip to our own. This was a great opportunity for cross-generational discussion about the war and what we had experienced so far.

The second main stop on the first day was Peronne Castle. Peronne was taken by Australian troops on 2 September 1918, shortly after their victory at the adjoining village of Mont St Quentin, at a combined cost of 3000 casualties. We immediately noticed the tourist office window display consisting of Aboriginal art and a road-sign listing many major Australian cities, and felt that we were welcome guests in Peronne.

We visited the Historial de la Grand Guerre at Peronne. The museum contains an enormous selection of art works produced during the war, as well as the best collection of uniforms and other trench artefacts which we saw on the Western Front.

Our last stop for the day was the village of Fromelles. On 19-20 July, 1916, Australian soldiers faced their first real battle at the Western Front in this spot, in a bloodbath which remains Australia’s worst one-day killing field ever. While there we visited the new Musee de la Bataille de Fromelles, which features a range of multi-media presentations showing aspects of the war such as conditions for troops and the movement of the front line. We visited the Pheasant Wood cemetery and laid a wreath made by one of the staff on the trip, Mr Pike.

On the second day of our Western Front visit we travelled to Ypres in the region of Flanders, Belgium. Ypres was the site of three major battles during the First World War, as the Allies and Germany grappled for control of the Ypres Salient. Although the town was virtually destroyed, these days it is picturesque, having been painstakingly reconstructed after the war. It’s hard to imagine as you stroll amongst the chocolate shops and bakkerij/patisseries that the town was once a centre of so much bloodshed, but you don’t have to move far to see the craters, small cemeteries and remnants of trenches and bunkers which indicate what happened 100 years ago.

We visited the Flanders Field Museum, which highlights individual stories of everyday people affected by war. The Museum is located in the reconstructed Cloth Hall, a replica of the one which was the heart of Flemish industry for six centuries. We visited the Tyne Cot cemetery, which contains 12,000 of the Allied dead, many unidentified. Students had the chance to roam Hill 60, site of the famous underground tunnelling expedition, before returning to Ypres for the Menin Gate Ceremony. After the ceremony students had the chance to look for names of relatives who are commemorated on the Gate as part of the 55,000 British and Commonwealth troops who were killed in the area but whose remains have never been located or identified.

On our third day at the Western Front we travelled through several different areas in the Somme, including the excellent Somme 1916 museum in Albert. Situated in a tunnel under the Cathedral, this museum features sound and light (and water!) experiences aiming to recreate something of the atmosphere of trench life. We visited the Lochnagar Crater, and also two key memorials. At the first, the 1st Division Australian Memorial, we encountered Collie High School from WA, who like us were involved in the ANZAC Centenary Schools Link Program which aimed to connect schools in Australia, France and Belgium. We joined Collie in a brief service at the memorial. We also went to the Australian Memorial of Le Hamel which commemorates the military achievements of General John Monash and his troops in the area. To carry on the theme for the day, we encountered the Federal Defence Minister Kevin Andrews, a graduate of Monash University, who was also visiting the Memorial and who stopped to chat to our students, particularly those involved in Cadet units.

Our last day at the Western Front began early, with students rising at 1:30am to prepare for the high point of our trip: the Dawn Service at Villers-Bretonneux. The heavens opened, and students developed a newfound appreciation for why their History teachers often talk about the impact of French weather on life in the trenches.
At the Dawn Service images of World War 1 are projected onto the tower. One of the images used in 2015 was this picture held by the Australian War Memorial, depicting a soldier visiting the grave of Henley serviceman R S Knill.

Immediately after the service we made our way to the cemetery adjoining the memorial. Along the way, we had the chance to speak to Leon Bignell, State Minister for portfolios such as Tourism and Agriculture. Mr Bignell is an old scholar of the College, and spent some time speaking to the students (and introducing them to Christian Prudhomme, head of the Tour de France!)

Interred in the cemetery are two Henley and Grange servicemen, Harry Gantlett Collins and Colin Alan Langbourne Greig. At each grave we placed a cross with a message from the school and local community, as well as a small container of sand from the half-way point between the Henley and Grange jetties. Pamela Carrera had researched Greig prior to the trip, and she placed a hand-knitted poppy, prepared by a member of her family, on his grave. On the way back to Paris we visited the Franco-Australian Museum in Villers-Bretonneux.

As it is a compulsory part of the National Curriculum, our students are well-versed in the key facts, figures and dates about World War 1. However, seeing the locations for yourself enables a level of empathy and understanding which cannot be achieved simply by reading a text book or conducting some internet research. Being present for the commemoration of the centenary of ANZAC Day at Villers-Bretonneux is an experience which has transformed our comprehension of the war and will stay with us for the rest of our lives.

Mrs Jane Sykes, Head of Department - English

FRANCE TOUR 2015

Eating Snails and fresh baguettes, mastering the ticket machines of the Paris underground and discovering the cities rich history; our first week in Paris gave us a real taste of French culture. From the moment the France Study Tour group set foot on French ground, we were exploring the classically Parisian streets and visiting some of the most iconic locations in the world. An eye opening cruise on the River Seine, under the beautiful love lock bridges, gave us a scenic introduction to the city. The boats we cruised shrunk to the size of toys as we ascended 324m above them to top of the Eiffel tower. Being there in person was so exciting and none of us could comprehend the size of the structure that is famous around the world. The whole of Paris stretched out before us and it felt as though we were on top of the world.

The Versailles Palace visit was an exciting highlight, we were able to explore one of the world’s most elaborate palace. The beautiful Gardens of Versailles, where Maria Antoinette the last Queen of France spent most of her time, were breathtakingly huge. We enjoyed an afternoon wandering through the stunning gardens, one of our personal favourite places of the trip. In La Musee De Louvre and Musee D’Orsay is a collection of the world’s most recognisable and valuable works of art created by artists including Da Vinci, Van Gogh, Monet and Degas. We could decipher the different eras each work belonged to, by just looking at the brush strokes, use of colour and the way the human body was depicted. Our noses were treated to delicate aromas as we toured La Musee de Parfum of the renowned Fragonard and learnt the ancient art of perfume making. Almost all of us left with a bottle of our favourite scents. On Sunday morning, we attended mass spoken in French at the Notre Dame Cathedral welcomed by the chiming chorus of the bells. We spent the afternoon at Montmartre, reflecting in the Scare Coure Basilica and enjoying the busy atmosphere of The Artists Square filled with Parisian Art and a few of us even had portraits drawn. Each night we ate at local restaurants and cafes where we were able to taste delicious new cuisine with a truly Parisian ambiance.

Asha Kuchel and Pamela Carrera 10CO
Our brief eight days in Paris were over quickly, and we found ourselves being given an opportunity and experience that none of us will ever forget. We commenced our battlefields tour with a visit to the Armistice wagon located just outside of Compiègne. As we continued our tour of Northern France, we visited the town of Fromelles and Pheasant Wood Cemetery where 250 Commonwealth soldiers are buried. This was our first experience witnessing the loss of WWI soldiers. Many students found the cemetery quite confronting and emotional seeing the names of deceased Australians who weren’t much older than us.

The next day we left our hotel in Lille and made way to Ypres, Belgium along the way visiting the largest Commonwealth War Cemetery in the world, Tyne Cot Cemetery. Here approximately 12,000 lost soldiers are buried, one of the saddest parts of the trip was the hour we spent there remembering the fallen soldiers from both sides. In Belgium, we visited the Flanders Fields Museum, a graphic and modern museum recounting the conditions of the trenches and the fighting during the war, later treating ourselves to Belgian chocolate, ice cream and waffles before getting on the bus once again. Hill 60, made famous by the great Australian movie, was our next stop where we were allowed to roam the various hills and discover leftover trenches and craters made by the countless shells that bombed the surrounding area. We made our way back to Ypres to experience the Menin Gate ceremony, a parade held every night since 1928, after which we were able to find many names of relatives and soldiers on the walls of the Menin Gate. Many saw this ceremony as a highlight of our trip and something unlikely to be forgotten.

On Day 11 we departed from the Holiday Inn to travel to Amiens and visit the Somme Battlefields. Our first stop was the Australian Memorial in Pozieres. Together with another school we paused for a moment and paid our respects to the lost. Following this we visited the Somme Museum in Albert. This is a museum created in the underground tunnels used during the war. As we walked through the tunnels gave sense to what it was like fighting in the trenches of Somme. We returned to the hotel in Amiens for an early night before the dawn service.

We departed just before 3am for the Villers-Bretonneux service. It was freezing cold. As we arrived and made our way to our seats the weather turned and it began to pour, though we struggled through in order to pay our respects to the men and women who died in much worse conditions. Three wreathes were laid at the foot of the memorial in the name of St Michael’s College, City of West Torrens and City of Charles Sturt before we made our leave to return home to warm showers. Upon making our way back to Paris we visited the local school where in the courtyard is written ‘Never Forget Australia’ which along with the service is two of the most amazing moments of our entire trip.

On a whole we would just like to thank everyone who made this trip possible. Many thanks to the wonderful staff, Ms Sykes, Ms Baldwin, Mr Kulesza, Mr Pike. To Trekset for organising all of the flights and accommodation. Also thank you to the students who came on the trip. Many new friendships were created on the trip and many great memories that will never be forgotten. And most of all to the parents who allowed us to have this amazing experience.

GOLF
All three St Michael’s College teams displayed steely determination with SMC Team 1 and SMC Team 2 finishing first and second in the quarter finals of the SSSSA Team Stableford Knockout competition. Conditions on Monday 4 May at North Adelaide Golf Links were warm and blustery, with students battling tricky greens. Of particular note was Gianni Di Ciocco and James Pedlar scoring 38 stableford points and Harrison Burner 36 points. The semi-finals will be held on Monday 1 June with both teams a good chance to make the final.

Mr Mark Stephens, Design & Technology Teacher & Golf & Baseball Co-ordinator

LUNCHTIME HOUSE SPORTS
We are excited that during Weeks 2-10 this term our House Captains from Year 12 will be coordinating Year 8/9 students at lunch times to play a Round Robin House Tournament. Both boys and girls will play netball and soccer in their respective House teams with the aim of winning points and a range of awards. I would like to thank both Mr Hicks and the House Captains for organizing and coordinating this event for students in the middle school.

2015 MAD QUIZ NIGHT

~ Friday 29 May 7:30 pm ~

Eagles Function Centre, Oval Avenue, Woodville

$10.00 per head – BYO Supper.

Book early – we are limited to 25 tables of ten

Drinks to be purchased at the bar and not brought into the venue.

Join us for a great night out and help raise funds for disadvantage Lasallian students from the Asia Pacific region.

Lots of prizes, lots of questions, silent auction items, and plenty of fun.

So, get your tables of 10 (or less) together for this worthy cause – MAD!

Reserve your table by completing the tear off slip below and return it, with payment, to either the Beverley or Henley campus Administration Office.

Alternatively, simply phone the College to make your booking, with your credit card details ready.

Donations for the Main Auction, Silent Auction and Raffle will also be gratefully accepted.

Any queries, email smc@smc.sa.edu.au.

ALL PROCEEDS GO TO MAD.

We look forward to seeing you there!

Complete and return this form to Henley/Beverley Administration Office.
