Dear St Michael’s Community,

CHARITIES WEEKS 2015

This term during weeks 8-10 through both the Stewardship Leadership Program and Social Justice Group we are going to have a focus on supporting a range of local charities. In the tradition of our very own Mission Statement ‘The human and Christian education of the young especially the poor’ we are able to see justice in action across all year levels. This initiative will be coordinated via the College Leaders and Assistant Year Level Directors with a year level focus to present opportunities to those in our community who are in any way marginalized.

In Year 8 and Year 12 there is a focus on a Casual Dress Day for both the Henley and Beverley Campuses, whereby students will be asked to donate a gold coin on the last day of term. The money that will be raised will be donated to the Hutt Street Homeless Program. As part of this donation our very own College Leaders are going to attend Costco to purchase a range of items as requested by this organization.

In Year 9 we are going to be running a can drive for the Western Food Bank. This will again go towards supporting people in the western suburbs in being able to supply a range of food hampers to those in need.

In Year 10, students will be conducting a Stationery Drive across the year level whereby unused stationery items collected will be donated to the Boys Town Program which is run by the Lasallian organisation in the northern suburbs of Adelaide.

Year 11 students along with the Lasallian Youth Leaders, College Leaders, Australian Refugee Group and Social Justice Group will be running a sausage sizzle next week from Wednesday to Friday in the LaSalle Courtyard. All of the profits raised during this week will be donated to the Australian Refugee Association. In Week 10, we will be supporting St Vincent de Paul Society with 20 clothing recycling bins being delivered to the Henley Campus and 10 bins will be delivered to the Beverley Campus whereby we will be able to collect quality second hand clothing items and blankets. Students will also be doing a letter box drop for our local community for the surrounding houses around the College and inviting local residents to make donations to this worthy cause.

We are excited by the prospect of our very own students being able to contribute to so many worthwhile local charities. We do require your support for these initiatives as we are aiming to be able to educate all of our students to ensure they have a real sense of stewardship and justice which are all collectively organized around the story and heritage of St John Baptist De La Salle.

Live Jesus in our hearts!

Matthew Williams
Director of Pastoral Administration

### SOUTHERN CROSS NEWSPAPER

For the latest edition click here  
www.thesoutherncross.org.au

St Michael's College is once again offering a limited number of Entertainment Books for sale. Books are $65 each and inside you'll find hundreds of 50% off, 25% off and 2-for-1 offers from the best restaurants, movie cinemas, takeaway chains and attractions. The vouchers can be used over a 12 month period. Books will be available for collection from Week 2, Term 2.

### FROM THE FEDERATION OF CATHOLIC SCHOOL PARENT COMMUNITIES

The Federation of Catholic School Parent Communities, the peak body for Catholic School parents in SA has released its 2014 Annual Report which was tabled at the Federation’s AGM held on 30 May 2015. You can access the Annual Report by going to http://www.parentfederation.catholic.edu.au/about-us/annual-reports

Be connected. Be informed. Be heard.

### CHARITY WEEKS 8-10

**STEWARDSHIP LEADERSHIP AND JUSTICE PROGRAM**

During Weeks 8-10 across both the Beverley and Henley Campus we will be having a focus on supporting a range of local charities. This is a part of our strategic plan in supporting both local, national and international organisations as part of our Lasallian Mission.

Both Beverley and Henley campus students will be involved in the St Vincent de Paul Recycled Clothing Drive throughout Week 10. There will be 30 recycling bins delivered across both campuses and we will be asking all community members to send in or drop off any clothing items or blankets they no longer require.

We will be having a Food Bank Can Drive to be run via the Year 9 Pastoral Program whereby students will be bringing in cans of food to support the needy of the western suburbs. Please send in as many cans as possible.

We will also be having a Stationery Drive in Year 10 where students will be collecting any unwanted stationery items and these will be donated to Boys Town which is a Lasallian run support program in the northern suburbs of Adelaide.

Finally the last day of school is a Casual Day which is the first in College history. Students from Years 8-10 and Year 12 will be asked to bring in a gold coin to support the Hutt Street Appeal for the homeless people of Adelaide. We will collect the donations and, at the request of Hutt Street, the College Leaders will be attending Costco to buy groceries to support this very worthy cause.

In closing, as part of our mission in being able to support the poor these are brilliant initiatives taking place across the College and we do look forward to any support you can offer towards these causes.

Mr Matthew Williams, Director of Pastoral Administration
Parents are invited to attend Mass which is celebrated on Thursdays at 9:00am in the Beverley Chapel.

Please note the Family Mass on Sunday 28 June at 9:00am in the Beverley Chapel. An invitation to all SMC families is extended.

Parents who have several students at the Primary Campus are asked to please place the correct money or as close to, in each child’s lunch order bag. The Canteen Manager processes lunch orders by classes and having to cross check payment/orders that might be in another lunch order bag is time consuming. Your cooperation is appreciated as the canteen is staffed by a sole operator.

During Week 10 students are asked to bring to school any unwanted clothing that would be suitable to donate to the St Vincent De Paul Winter Appeal. Families are asked to look through the wardrobe for articles of clothing that might still be wearable but perhaps no longer fit, grown out of or just not needed. These articles will be passed on to very appreciative recipients. Please take this opportunity to de-clutter the wardrobe.

Parents are welcome to look through the Life Education Van which will be on site on 25 and 26 June 2015. The Life Education Team will provide life style lessons around the themes of Healthy Eating, Road Safety and Drug Awareness.

The next Year 12 Seminar Day will be led by Glen Gerreyn, Director of “Oxygen Factory”. Glen’s seminars aim to inspire young people to face challenges with confidence and make positive life choices. Many of our past students speak very highly of the positive impact Glen’s presentation had on them during their final year of schooling. Students are asked to arrive at the Christian Family Centre, 185 Frederick Rd, Seaton, by 8:45am and will be dismissed by 3:00pm. Please refer to the letter which will be sent home next week via students for more details. The Year 12 Seminar Day is an integral part of the St Michael's College learning program and a compulsory Year 12 event. Any questions relating to the day can be directed to Mrs Katrina Kreis, Head of Campus Ministry, or Mr Sam Kitschke, Year 12 Director.

A reminder that all Year 10 students will be participating in a special Religious Education and Pastoral Program on Wednesday 17 and Thursday 18 June 2015. On CAD (Church Awareness Day), students are required to meet their Pastoral Care teacher at their usual Pastoral Care room by 8:40am at the latest, wearing full school uniform. After their visits to various social welfare and charity organisations, they will meet at the Cathedral Hall in the city to participate in a reflection afternoon, and will be dismissed from the Cathedral Hall at 2:45pm. RAD (Reflection Activity Day) will take place at the Woodville West Torrens Football Club, Oval Ave, Woodville, from 8:45am until 3:00pm. Students need to arrange their own transport to and from the venue. The program gives students the opportunity to explore key issues affecting them in their senior years of schooling. Students are asked to wear neat, casual clothing on this day. Please refer to the information sent home via students for further details.

The day will conclude at normal school dismissal time.

As you are no doubt aware, Semester 1 formal lessons for Year 11 students conclude on Friday 19 June 2015. Monday 22 June 2015 is a study day where students have the opportunity to stay home and prepare for exams. Exams will be held from Tuesday 23 June 2015 until Wednesday 1 July 2015 inclusive and students are only required to attend school for their exams. Thursday 2 July 2015 is a ‘compulsory’ day of attendance for all Year 11 students. The program for this day is effectively broken into 2 sessions:

a) Encounter Foundation Seminar: This is a program that explores the importance of forming safe relationships for young adults and promotes how Christian values underpin such relationships.

b) Subject Selection for 2016, Expo, and information session.

The day will conclude at normal school dismissal time.

Student Services will be available for students to change subjects for Semester 2, 2015 should students wish to change in light of information/discussions on Thursday.
Students should be ready to enter Exam Room 15 minutes before the starting time. Please assemble in the adjacent courtyard; for example for all morning exams, please assemble by 8:40am, sign the attendance sheet outside the room and you will be directed from there.

Students are not to enter the Exam Room until invited to do so.

Students are to ensure that all the necessary equipment has been obtained for the Exam. NO borrowing will be permitted. NO pencil cases allowed.

Students plagiarizing will have their paper cancelled. However, the Exam must be completed. Obviously final assessment will be adversely affected.

No student will be permitted to leave the Exam Room before the appointed finishing time.

READING TIME – Each student will be permitted to make notes and read the Exam Paper for ten minutes prior to the start of the Exam. All notes must be written on the sheet supplied ONLY. Before the Exam, consideration should be given as to how best to use this time. Check with teachers if uncertain.

If a student is ill and unable to attend, a phone call must be made to Ms Kemp, ideally prior to the commencement of the exam.

Full College uniform is required for all exams, including compliance with the Grooming Policy.

Students are encouraged to bring a dictionary into the examination but only unmarked dictionaries are to be taken in.

Students will not be required for formal lessons during the exam week. Instead, private study should take place at home.

Graphic calculators need to be cleared for subjects other than Maths.

Mobile phones are NOT permitted. Teachers will not be responsible for these during the examination period.

---

**REFUGEE WEEK 2015 – ‘WITH COURAGE LET US ALL COMBINE’**

Refugee Week runs from Sunday June 14 to Saturday June 20. It is an opportunity to celebrate the contribution that refugees have made to the fabric of Australian society. It is also a time to acknowledge how far we still have to go in relating to providing a safe and welcoming environment for all those who have been forced to flee their homelands.

The Catholic Social Justice teachings encourage us all to contribute to the creation of a just world. As part of demonstrating our solidarity with those in need, St Michael’s College Secondary students will have the opportunity next week to participate in fundraising for the Australian Refugee Association (ARA). There will be a bake sale on Monday and Tuesday and a Sausage Sizzle on Wednesday, Thursday and Friday.

St Michael’s College is privileged to have a number of refugees amongst our student body and here are two profiles for you to read.

---

**Victorline Paye**

Victorline is a 17 year old girl with a love for singing, soccer and accounting. Victorline takes part in the choir at St Michael’s and sings at Lighthouse Church which she attends three times a week. Her favourite subjects at school are Economics and Accounting, which she hopes to pursue as a career.

Victorline was born in Côte d’Ivoire (also known as Ivory Coast) in West Africa but due to the war she moved to Guinea. Victorline arrived in Australia in February 2014 with her Aunty and two cousins. Upon arriving in Australia she was reunited with her uncle who had come to Australia in 2008. For Victorline the thought of moving to Australia was a journey into the unknown but as she said; ‘You just have to move on and focus on your goals’.

Victorline faced many obstacles as a refugee but with courage, strength and faith she was able overcome them. 

---

**Bal Dhakal**

Bal Dhakal is a friendly, bubbly and ambitious St Michael’s student. He is currently 17 years old and is in year 12. His favourite subject is Information Technology which he hopes to pursue a career in. Bal came to Australia in 2011 from Nepal with his family. A member of his family was already living in Adelaide, helping them to settle in.

He attended Adelaide Secondary School of English for a year and was then invited to St Michael’s. He found school in Australia quite challenging as he was exposed to subjects he had never been introduced to in Nepal. Through the help of friends, family, services provided by the Migrant Resource Centre in Adelaide and a local Bhutanese community he was able to settle into Australia comfortably and happily. Amongst the stress of year 12, Bal enjoys hanging out with friends and playing table tennis.

The main focus for this year’s refugee week is: courage. I asked Bal what courage meant to him, he expressed; ‘although the years living in Nepal was misery it took courage to leave the environment that I knew so well and to head into the unknown.’

*Eleanor Kain 10CO*
YEAR 12 MODERN HISTORY – FLINDERS UNIVERSITY EXCURSION
On 28 May 2015 the Year 12 Modern History class attended a day trip excursion to the Flinders University, Bedford Park Campus. The trip allowed students to access the extensive and in-depth range of sources held at the Flinders University Central Library in order to assist in developing individual research questions.

This essay focuses on an area of interest each student has regarding world history; whether it is society, war or revolution related. I found the trip to be highly enjoyable as it enabled me to delve further into the events involving my individual research topic, as well as gaining a view on how University life differs to High School. The whole group found the trip to be beneficial, insightful and enjoyable because we were able to observe the differences between School and University life and learn more about our individual topic of interest. Many thanks to Mr Muscat and Mrs Gilmore for organising the day.

Lachie Holt 12ED

YEAR 10 HISTORY EXCURSION: MIGRATION MUSEUM
On 2 and 4 June 2015, Semester 1 History classes visited the Adelaide Migration Museum to explore the wonders of what Adelaide was like before we were born and how that has made Adelaide and South Australia what it is today. At the museum each class was split into two groups. Our group was accompanied by Mrs Mitropoulos and a tour guide who led us through the museum.

At the museum, we explored each room and had an insight into what Australia and more specifically what Adelaide was like during the 19th and 20th century. It showed that Australia was not a multicultural country and had policies that discriminated against foreigners, especially Asians and even the Aboriginal people. The tour guide showed us many artefacts and the rooms also displayed interesting facts and stories about some of the migrants who have come to Australia over the years.

While at the museum we learnt many new facts about Australia and Adelaide. One interesting fact I learnt was that Asians were only allowed into Australia if they were farmers because they brought new skills into the country. Politicians from European countries were not allowed to enter the country even though they passed the dictation test multiple times because they could have caused controversy in Australia.

After this excursion I have a better understanding of life in Australia and what people had to do to migrate to this country. I am looking forward to learning more about Asian migration to Australia. Overall the excursion was interesting and a valuable experience.

Franky Lu 10FE

YEAR 8 MEDIEVAL HISTORY
Semester 1 History classes recently participated in a Medieval Presentation. The following are some student reflections about the activities that students undertook:

On Wednesday 13 May and Friday May 15 the Year 8 classes that have been attending history lessons watched a Medieval History performance presented by Bear and Huxley.

It was a presentation explaining the timeline of armour and weapons. From the performance I learnt that, in the Medieval time, a lot of layers were worn to protect them from nasty hits and to keep them warm. Armour like steel helmets, chest plates, a quilted-under layer and chainmail were tried on by students. Bear had presented how the armour worn by knights protected them from swords and spears by stabbing a sword into the chainmail and, surprisingly the chainmail held up against the sword. Trebuchets, Ballista’s, and Catapults were used on the oval. We were shown how they would be fired, and how far they would fire.

Overall, the performance was demonstrated well, with a bit of humour in it. Daniel Facchini 8F

I really enjoyed the medieval presentation as I learnt many new things about the daily life of knights in the Medieval Society; including how the armoury changed and developed as new technology improved. I really enjoyed the demonstrations of the medieval weapons especially because we were given the opportunity to use them ourselves. Oscar Taras 8C

One thing I learnt was that armour was very heavy and took a while to put on properly. I also enjoyed the interactive activities we did outside. Harrison Payne 8C

The presenters showed and let us use the equipment they brought in, such as slings. I learnt that the swords the English used were not sharp like a razor like a katana, they are curved like an axe. Albert Zanardo 8C

Mr Matthew Muscat, Head of Department - History
ITALIAN WEEK - CELEBRATING LA FESTA DELLA REPUBBLICA

Week 6 marked St Michael’s annual Italian Week celebrations in honour of Italy’s national day on 2 June 2015. This year marks 69 years since Italians voted in the 1946 referendum which saw the monarchy ousted, resulting in the birth of the Italian Republic. Students learned about this event during Italian lessons last week and they also compared the Italian and Australian National Anthems, the Italian Seal and the Australian Coat of Arms. Italian classes also celebrated with pizza and zeppole, while listening to a range of Italian music, which they enjoyed. This provided an opportunity to use and hear language in context and an additional opportunity for some students to taste zeppole for the first time. The verdict: BUONISSIME! :)

Out of class activities included a Staff vs Students soccer match, a Briscola Tournament, a movie screening and a whole school Pastoral Class Italian Challenge. Congratulations to 9KL and 9PU for coming equal first in the Italian Challenge and also to the staff team for beating the students in the above mentioned soccer match. Many thanks to signori Calo, Parfrey, Vizaniaris, Labrosciano, Palladino, Spencer, Murphy and Moritz for representing the staff and signor Monti for volunteering to referee. Thank you also to the Year 8 boys for their enthusiastic participation.

The Briscola Tournament stretched over three days of competition, with each team playing the traditional Italian card game of Briscola for the opportunity to have their name engraved on the St Michael’s College perpetual Briscola Trophy. On Thursday the finalists, Harrison Panuccio (8BU) and Nicholas Lopresti (10KA) played Anthony De Dominici (11PE) and Isabella McCulloch (11KR) for first place. Their supporters witnessed an exciting and tense game as each team strategically discussed every hand played. At the end of the first round the game score was close, and the winners were not decided until the very last hand of the second game, with Harrison and Nicholas being announced Briscola Champions of 2015! It was an enjoyable three days, reminiscing in an Italian cultural pastime that is still quite popular and which a number of students at St Michael’s enjoy playing on a weekly basis. Congratulations to Harrison and Nicholas. Thank you to all who participated, especially our semi-finalists, Anthony and Isabella. The trophy will soon be displayed in the Front Office.

Next year will mark the 70th Anniversary of the Italian Republic and we look forward to more celebrations this time next year. In the meantime, students who are interested in learning to play Briscola for a chance to compete next year can do so every Friday at lunchtime in Room 45.

Signora Benedetti, Italian Coordinator and signora Cardillo, Italian Teacher

GOLF

Unfortunately, it was a disappointing end to the Knockout Teams Golf competition this year. Two St Michael’s teams made it through to the semi-finals by finishing 1st and 2nd in the previous round. On Monday 1 June both teams struggled to come to terms with the North Adelaide Golf Course and we finished 6th and 7th on the day. The top four teams go on to play for the title in Week 10 of this term. It was a good effort by all students involved.

Mr Mark Stephens, Design & Technology Teacher, Golf & Baseball Co-ordinator

CROSS-COUNTRY & HOUSE SPORTS COMPETITION

On Friday of Week 5, all students in the Middle School (Year 8-10) participated in the annual Cross-Country & House Sports Competition. This day involves each year level participating in a rotation of Cross-Country Running, Netball and Tug-O-War. We were blessed with ideal weather for these activities and the tone of the day was fantastic, with many students dressed in house colours and all students showing a high level of participation and enthusiasm. This day allowed all students to express their house spirit and compete in a fun-filled environment. Overall winners on the day were MacKillop House (White), who just managed to beat Turon House (Purple) and win the Br Chris Gorringe House Sports Cup. Winners of the Geoff Cornish Spirit & Sportsmanship Cup were Mutien House (Green). This event is proving to be an enjoyable day on the College calendar for Middle School students and will only get better into the future.

Mr Hicks, Head of Health & Physical Education

THIS WEEKEND ADELAIDE TERTIARY STUDIES & CAREERS EXPO (TSCEA)

Please make a note on the family calendar: Sunday 14 June 2015 10:00am-4:00pm Adelaide Convention Centre, FREE ADMISSION. Information will be available on Universities in SA and Australia, Private Education Providers, TAFE SA, Defence Force, Gap Year and Exchange Programs, Scholarship/Financial information and much more. Visit TSCEA for your chance to win an Apple Watch! www.CareersEvent.com.

CAREERS NIGHT

Every second year we stage a full Careers Night here at St Michael's College. Your family may have attended in 2014. In alternate years we stage a Tertiary Entrance Night with just University and TAFE representatives. This will be on Monday 3 August 2015.

We extend an invitation to our students and their families to attend the Mount Carmel College Careers Night on Wednesday 17 June 2015 between 6:00pm-8:00pm in the Multipurpose Area, 33 Newcastle Street, Rosewater. In addition to the Tertiary Representatives there will be a focus on non-Tertiary pathways with representation from Apprenticeship Group Training Schemes, Employers and more. Please feel free to attend this event if it can be of use in your career planning.

SMC 5 v CBC 2; Best: C Hoban, G Caridi, J Maricic; Goals: S Shoemark 2, S Tadic 1, H Anderson 1, D Scorsonelli 1

STATE SCHOOLS CROSS COUNTRY CHAMPIONSHIPS

On 4 June 2015, 21 Secondary St Michael’s College students travelled to the Oakbank Race Course along with the St Michael’s College Primary School team, to compete in the State Schools Cross Country Championships. Not only did the students endure an early morning start, they also had to survive the wind, rain and cold temperatures that Oakbank provided. Despite this, not one complaint was heard as everyone toed the line on the muddy Cross Country course.
The 14 year old age groups were the first high school race of the day, with Aleisha Fitzgerald and Eleanor Zerella starting strongly for the school. The 14 year old boys saw by far the biggest St Michael’s age group team of the day with Indiana Dorian, Joshua Larven, Patrick Kluzek, Oscar Taras, James Simpson, Benjamin Morris, Emmanuel Verbi and Jackson McCann all racing strongly to take 4th in the team’s event. Another highlight from this age group was Jackson McCann finishing strongly to take 8th position out of 118 boys.

The 13 year old girls were bouncing out of their skin on the start line with Zani Bates, Taylah Green and Claire Davis, all showing their speed and endurance as they passed a dozen competitors over the final hundred metres of their 3km race. Taylah and Zani finished in the top third of the field, finishing 39th and 41st respectively out of 151 finishers.

Asha Kuchel and Angela Trolio paced themselves well, both finishing mid field in the 15 year old girls, while Blaze Dorian ran a strong race in the 15 year old boys finishing 19th from a field of 90 runners. Natasha Maio fought off illness to still race well in the 16 year old girls. In the 16 year old boys event, Jack Hunter and Edward Gates finished strongly in 11th and 12th respectively with Tristan Baldan running well in tough conditions to finish mid-way through the field.

The highlight of the day came from William McCann leading the Open Boys from the gun, convincingly winning the race against 59 competitors. Well done to everyone that competed on the day!

Mrs Kate Didyk, Girls Co-curricular Coordinator

OLD SCHOLARS

WHERE ARE THEY NOW?

Old Scholars are encouraged to update their contact information via the College website and to let us know what they have done since leaving St Michael’s College. Here’s a snapshot of information provided …

Mark Anderson ~ Class of 1981
Head of Commercial Lending ~ Mortgage Trust (Balmain Funds).

Studied Bachelor of Computer Science at Adelaide University. After a short civilian career as a computer programmer, joined the Army as a Signal Corps Officer in 2002. Still in the Army today, as a Major, having deployed on operations multiple times to the Middle East. Has undertaken postings to Melbourne, Canberra, Sydney, Brisbane and Darwin and always looks forward to returning home to Adelaide.
