Dear St Michael's Community,

SEMESTER 1
As Semester 1 comes to a close, it is important that we remember that learning programs and activities are still in full swing for most students. Years 8 -10 programs continue through to the end of term, while the Year 11s move into exam mode next week. Year 11 exams are held in Weeks 9 and 10 with a study day available on Monday 22 June 2015. These exams are an excellent opportunity for students to both test their learning from Semester 1 and gain valuable insights about their strengths and challenges when in exam mode.

Year 12 learning programs obviously continue, aside from the Research Project. This subject, compulsory for the successful completion of SACE, is in its final week and the results are being submitted to the SACE Board. We wish the students well and trust that all the learning, application and hard work comes to fruition. The coming term break is a great opportunity for Year 12 students to have a rest from the day to day demands of classes, but also consolidate their learning where necessary and focus on particular areas of need as they move into what will essentially be their last term of school.

This time of the year is also (can you believe it?) when students will begin the process of selecting subject and learning pathways for 2016 and beyond. Year 10 and 11 students will have their "Future Pathways” and "Subject Selection Expo” during the next two weeks, with Years 8 and 9 having similar opportunities into next term. Subject selection information will also be provided for parents, as the partnership of school, students and parents is essential to gaining the best possible outcomes. More information will follow and we look forward to working with you through the process.

CAD/RAD
On Wednesday and Thursday of this week the entire Year 10 cohort was engaged in the annual CAD/RAD program. CAD, or Church Awareness Day, is designed to give our students a practical insight into the works of a number of Adelaide Charities. RAD, or Reflection Activity Day, challenges students to reflect on their relationships, their priorities and the direction of their lives as they enter their senior years of schooling.

These two days are an integral part of the Year 10 program and parents of these students are encouraged to discuss the days with their sons and daughters.

We greatly appreciate all of the wonderful organisations who opened their doors to us and to the presenters who were, through their sharing and personal stories, able to provide insights not always available to our students. A particular thank you to past College Captain John Tobin (class of 1984) who, in his role as General Manager, Business Development & Marketing at SCOSA, was able to arrange a presentation for Wednesday’s session at short notice. Presenters, Marie, Wendy and the wonderful Songa were inspirational and have left a lasting impression on those present.

Live Jesus in our hearts!

John Foley

**FROM THE FEDERATION OF CATHOLIC SCHOOL PARENT COMMUNITIES**

The Federation of Catholic School Parent Communities, the peak body for Catholic School parents in SA has released its 2014 Annual Report which was tabled at the Federation’s AGM held on 30 May 2015. You can access the Annual Report by going to  
http://www.parentfederation.catholic.edu.au/about-us/annual-reports

Be connected. Be informed. Be heard.

**CHARITIES WEEKS 8-10 STEWARDSHIP LEADERSHIP AND JUSTICE PROGRAM**

During Weeks 8-10 across both the Beverley and Henley Campus, we will be having a focus on supporting a range of local charities. This is a part of our strategic plan in supporting both local, national and international organisations as part of our Lasallian Mission.

Both Beverley and Henley campus students will be involved in the St Vincent de Paul Recycled Clothing Drive throughout Week 10. There will be 30 recycling bins delivered across both campuses and we will be asking all community members to send in or drop off any clothing items or blankets they no longer require.

We will be having a Food Bank Can Drive to be run via the Year 9 Pastoral Program whereby students will be bringing in cans of food to support people of the western suburbs. Please send in as many cans as possible.

We will also be having a Stationery Drive in Year 10 where students will be collecting any unused stationery items and these will be donated to the BoysTown which is a Lasallian organisation program in the northern suburbs of Adelaide.

Finally, the last day of school is a Casual Day which is the first in College history. Students from Years 8-10 and Year 12 will be asked to bring in a gold coin to support the Hutt Street Homeless Program. We will collect the donations and, at the request of Hutt Street, the College Leaders will be attending Costco to purchase a range of items to support this very worthy cause.

In closing, as part of our mission in being able to support the community, these are brilliant initiatives taking place across the College and we do look forward to any support you can offer towards these causes.

Mr Matthew Williams, Director of Pastoral Administration
PRIMAR Y CAMPUS  - Rosewater, Massachusetts

MASS
Parents are invited to attend Mass which is celebrated on Thursdays at 9:00am in the Beverley Chapel.

FAMILY MASS
Please note the Family Mass on Sunday 28 June at 9:00am in the Beverley Chapel. An invitation to all SMC families is extended.

LUNCH ORDERS
Parents who have several students at the Primary Campus are asked to please place the correct money, or as close to, in each child’s lunch order bag. The Canteen Manager processes lunch orders by classes and having to cross check payment/orders that might be in another lunch order bag is time consuming. Your cooperation is appreciated as the canteen is staffed by a sole operator.

ST VINCENT DE PAUL WINTER APPEAL
During Week 10, 29 June – 3 July 2015, students are asked to bring to school any unwanted clothing that would be suitable to donate to the St Vincent de Paul Winter Appeal. Families are asked to look through their wardrobes for articles of clothing that might still be wearable but perhaps no longer fit, have been grown out of or are just not needed. These articles will be passed on to very appreciative recipients. Please take this opportunity to de-clutter your wardrobe. Collection bins will be located throughout the school for your convenience. Visit their website for other ways to assist – www.vinnies.org.au/winterappeal or call 13 18 12.

To further support the community, students may wear casual clothes on Friday 3 July 2015 for a gold coin donation to support the work of the Daughters Charity at the Hutt Street Centre for the homeless. Once again I trust that the St Michael’s College will demonstrate its tremendous spirit of kindness and generosity.

LIFE EDUCATION VAN
Parents are welcome to look through the Life Education Van which will be on site on 25 and 26 June 2015. The Life Education Team will provide life style lessons around the themes of Healthy Eating, Road Safety and Drug Awareness.

AUSKICK

SECONDARY CAMPUS

YEAR 12 SEMINAR DAY 2 - THURSDAY 25 JUNE 2015
The next Year 12 Seminar Day will be led by Glen Gerreyen, Director of “Oxygen Factory”. Glen’s seminars aim to inspire young people to face challenges with confidence and make positive life choices. Many of our past students speak very highly of the positive impact Glen’s presentation had on them during their final year of schooling. Students are asked to arrive at the Christian Family Centre, 185 Frederick Rd, Seaton, by 8:45am and will be dismissed by 3:00pm. Please refer to the letter which will be sent home next week via students for more details. The Year 12 Seminar Day is an integral part of the St Michael's College learning program and a compulsory Year 12 event. Any questions relating to the day can be directed to Mrs Katrina Kreis, Head of Campus Ministry, or Mr Sam Kitschke, Year 12 Director.

YEAR 10 PARENTS DINNER AND CATCH-UP
Come along and enjoy a meal and catch up with other Year 10 parents on Wednesday 5 August 2015 at The Lakes Resort Hotel, at 7:00pm. RVSP your reply to Sharon May at: gmay2@bigpond.com or 0414 228 577 by 1 August 2015. All Year 10 parents welcome.

Mr Kym Clark, Director Lasallian Mission

Mr Lachlan Bartlett, Primary Co-curricular Coordinator

Mrs Katrina Kreis, Head of Campus Ministry
YEAR 11/12 EXAM PROTOCOLS ~ STUDENT RESPONSIBILITIES

- Students should be ready to enter the Exam Room 15 minutes before the starting time. Please assemble in the adjacent courtyard; for example for all morning exams, please assemble by 8:40am, sign the attendance sheet outside the room and you will be directed from there.
- Students are not to enter the Exam Room until invited to do so.
- Students are to ensure that all the necessary equipment has been obtained for the Exam. NO borrowing will be permitted. NO pencil cases allowed.
- Students plagiarizing will have their paper cancelled. However, the Exam must be completed. Obviously, final assessment will be adversely affected.
- No student will be permitted to leave the Exam Room before the appointed finishing time.
- READING TIME – Each student will be permitted to make notes and read the Exam Paper for ten minutes prior to the start of the Exam. All notes must be written on the sheet supplied ONLY. Before the Exam, consideration should be given as to how best to use this time. Check with teachers if uncertain.
- If a student is ill and unable to attend, a phone call must be made to Ms Kemp, ideally prior to the commencement of the Exam.
- Full College uniform is required for all exams, including compliance with the Grooming Policy.
- Students are encouraged to bring a dictionary into the examination but only unmarked dictionaries are to be taken in.
- Students will not be required for formal lessons during the exam week. Instead, private study should take place at home.
- Graphic calculators need to be cleared for subjects other than Maths.
- Mobile phones are NOT permitted. Teachers will not be responsible for these during the examination period.

YEAR 11 LEGAL STUDIES EXCURSION

An integral part of the Year 11 Legal Studies Program is to attend sittings at the Adelaide Magistrates Court and District Court, in addition to being given a tour of Parliament house. St Michael’s students participated in this excursion on Thursday 28 May.

At the Magistrates Court, we had a guest speaker called Peter Cavouras, who is the Courts Education Officer. He took us into an empty courtroom to explain the role and purpose of the different courts and the way that court cases operate. He brought in some wigs and robes that judges and lawyers wear and some of us dressed up in them. He explained the role of the judge, the prosecutor, the defendant, and the jury, and told us about the types of cases that are heard in each court. We then entered a court room which was in session, and were able to hear some real cases.
about crimes such as theft, assault, and several traffic offences. In the District Court, we were able to see a more serious case, where a jury was present, and we heard a witness testify about what she had seen.

In the afternoon, we had a tour of Parliament House with our local Member of Parliament, Paul Calca. He talked to us about his role and we were able to ask questions about how Parliament operates and its importance in our legal system.

We enjoyed visiting the Courts and Parliament House, as we were able to learn many new things, as well as apply the knowledge we have already learned in class.

Evin Hoban 11PA and Cooper Boydon 11SA

YEAR 9 RETREAT

On Thursday of Week 6 all the Year 9s attended the Primary Campus for a Retreat Day. At the start of the day we all met in the Founders Hall for prayer with Mrs Kreis. She then outlined the schedule for the day and explained the activities that each class would be doing. The theme of our Retreat this year was “community”.

My group started in the Founders Hall and our session was run by some former St Michael’s students, including last year’s College Captain, Michael Ucci. We then got into groups of eight with Michael as our leader and sat down and discussed issues like the death penalty and social media. After a recess break my class participated in the earth ball activity run by Mr Benedictson and Mr Hicks. The earth ball is a really big inflatable ball that you can push around, trying to score a goal before the other team.

Ethan Abbott 9BR

I particularly enjoyed our session with Scott Darlow. Scott is a singer, guitarist, and didgeridoo player from Melbourne who started playing at concerts at five years of age. His parents were Salvation Army Officers and his first musical experiences were that of watching the brass band at Hawthorn Salvation Army when he was five years old and was invited to go on stage. In 2013 Scott released a cover of the Goanna hit Solid Rock. This was followed in late 2013 with the release of his first album, Darlow. Scott is an inspirational speaker who told some great stories about Aboriginal Spirituality and their struggle for rights and freedoms. He also taught us about his life motto – FLUTE – which stands for forgiveness, love, understanding, tolerance and empathy. I would love to speak to Scott again sometime in the future.

Nathan Viola 9BR

Visiting the primary school classrooms was my favourite activity because I went to St Michael’s Primary and I was able to visit my old teachers and classrooms. My Pastoral class went to Mr Beswick’s class, which just happened to be my Year 4 teacher! I felt like the classroom had become smaller when I got in there, but I guess that is only because I got bigger. During the lesson my buddy Josh and I were set the task of building a boat out of pop sticks. In the end our boat was very good and I got to spend time with an old friend from the primary school. It was a great day which reminded me once again what a great sense of community exists at St Michael’s College.

Joshua Panuccio 9BR

STUDENT SERVICES

Please be aware that many of these articles have extra information that can be accessed on the Student Services Intranet page:

CAREER INSPIRATION OPPORTUNITIES ~ UNISA A Day in the Life

This week all Year 10, 11 and 12 students received an email from Mr Vizaniaris about the UnISA competition "A Day in Life". The prize is one of five work experience opportunities which will take place in July 2015: Applications are due Friday 19 June 2015 and requires a 25 word statement.

UnISA have designed this initiative for students in Years 10-12 who would like to gain an insight into their careers of interest. Winners will benefit from career tips, first hand advice and work experience with successful UnISA graduates.

- **Sports Science with Elite Athletes:** Students will spend a day at either Port Adelaide FC or Adelaide United FC. They will see how sporting teams use Sport Science and Technology to monitor performance.
- **Present the Weather:** Students will go behind the scenes at Channel 7 with weather presenter Amelia Mulcahy. They will get an exclusive insight into the making of the news and watch the weather broadcast live.
- **Build a City:** Students will spend the day with urban and regional planning graduate Marc Voortman, Manager of Planning Policy and Strategy at the District Council of Mount Barker.
- **You be the Judge:** Students will spend the afternoon exploring the Adelaide Magistrates Court, hear from the Chief Judge and present their argument in a court environment.
- **Design a Landmark:** Students will spend the day in the fun and creative professional working environment at JPE Design Studios, with Principal Architect Josephine Evans.

Students can find more information and enter online at [unisa.edu.au/dayinthelife](http://unisa.edu.au/dayinthelife). To apply, students must enter online and explain in 25 words or less why they would like to undertake the work experience. Entries close this Friday 19/6/15.

UMAT LATE REGISTRATION CLOSES TOMORROW FRIDAY 19 JUNE 2015

Very last call for any Year 12 students interested in applying for Medicine and/or Dentistry around Australia in 2016. You need to have registered for the UMAT Test by 5:00pm Friday 19 June 2015. See: [https://umat.acer.edu.au/](https://umat.acer.edu.au/).
AUSTRALIAN DEFENCE FORCE SCHOOLS VIP DAY

14 students attended the recent ADF VIP Schools Event and their feedback has placed this experience in one of the best career events on offer. Students were placed into random groups of eight and had various activities or missions to complete in an environment of ever changing operational guidelines. It was so impressive to see our students scattered through the event leading activities, shining at teamwork and making the most of everything on offer. The Leading Commander was very clear about the values that underpin the ADF and wanted to see students compete to complete their task, but adhere to ADF Values. Students were fully engaged for the day and enjoyed visiting the various displays and investigating specific roles within the ADF. Students were very appreciative of all the promotional material they received at the event.

Defence Force Recruiting will be running Q&A sessions on multiple avenues of entry into the Defence Force. Students will be able to login through Facebook and chat to members of the ADF!

To find out more please direct students to www.facebook.com/defencejobsaustralia

OLD SCHOLARS

WHERE ARE THEY NOW?

Anthony Marafioti – Class of 1993

I started at St Michael’s College as a Year 6 student in 1987 and completed Year 12 in 1993. I have nothing but great memories during my 7 years at the College, developing great relationships with teachers and lifelong friends, whilst successfully completing my studies.

Music and Australian Rules Football have always been my two big passions, however music wasn’t a major part of the school curriculum back then, but I was proud to represent the College football team at 1st XVIII level in 1993.

Following Year 12, I went on to study Sales & Marketing, and at the same time pursued my love for music by forming a band (my role being lead vocalist and keyboardist). What started out as just a bit of fun, quickly escalated into more of a profession, as shows went from being once a month to 4-5 times per week, and by 1998, KEEP THE CHANGE, were well entrenched into the Adelaide cover band scene performing major events and every high profile club and pub in the state. From 2000-2007 we extensively toured to every corner of the country, throughout every state on mainland Australia. Our main stays, where we had residency shows for months at a time, were in Darwin (NT), Broome (WA) and Cairns (QLD), entertaining the many tourists from all over the world in peak seasons.

I married in 2005 to Raquel and in 2007 we had our first child, Anthony Jnr. I wound down the band’s touring from that point, and focused on the corporate and wedding entertainment market, where KEEP THE CHANGE have won 7 National Accredited Awards in the Australian Bridal Industry Academy.

I have also since branched off to more than just my band, creating KTC Entertainment for a wider variety of entertainment options including tribute acts, jumping castles, face painting, photo booths, and audio visual production/equipment hire.

As well as being brought up by my wonderful parents, there is no doubt in my mind that St Michael’s helped shaped me as a person and prepared me for the real world in both life and business. I’m proud to have my son Anthony Jnr (Year 2) at the College and look forward to my two year old daughter, Allyssa, hopefully joining the ranks when she’s ready for high school. I’m confident they will both get as much out of the culture and experiences of the College as I did.

COLLEGE INFORMATION

SCHOOL IMMUNISATION DATES 2015
All Year 8 students will be offered: 1 dose of Varicella (chicken pox) vaccine, 3 dose course of Human Papillomavirus (HPV) and 1 dose of combined Diphtheria, Tetanus and Pertussis (Boostrix).
