Dear St Michael’s Community,

As you are aware, last week saw St Michael’s College students and staff engaged in a number of activities promoting social justice, service and charity organisations through Charities Week and Year 10 CAD/RAD.

Service projects and outreach programs bring the poor’s voice into the lives of students and enriches the College community through action to help meet the needs of others. In this spirit, I draw your attention to the notices below, as we move to support these very worthy causes over the next week.

As I am travelling to the USA on Sunday morning for a two week Lasallian studies course, I’d like to wish all staff, students and families a successful end to the semester and a restful upcoming break. It is well-deserved!

**ST VINCENT DE PAUL WINTER APPEAL CLOTHING DRIVE**

On any given night in Australia, one in 200 people are homeless. These people are often sleeping out in the open, on the street or in unsafe and unstable housing. The St Vincent de Paul Society annually launches a Winter Clothing Drive to collect blankets and clothing for those in need.

In South Australia alone, almost 6,000 people are currently homeless, and will face a long and cold winter without shelter or adequate clothing. As a College community we hope to change this dire situation for many of the less fortunate and to support St Vinnie’s to make a difference!

St Michael’s College will be supporting St Vinnie’s in their mission to help the homeless population. In week 10, 29 June – 3 July 2015 of this term, there will be 30 clothing bins placed around the Secondary Campus (including one in the Front Office from Monday to Friday, between 8:00am and 4:30pm) and the Primary Campus.

Students, staff and families are encouraged to bring any unwanted clothes (preferably warm, suitable for winter) as well as blankets to deposit in any of these numerous bins. Families are asked to look through their wardrobes for articles of clothing that might still be wearable but perhaps no longer fit, have been grown out of or are just not needed. These articles will be passed on to very appreciative recipients. Please take this opportunity to de-clutter your wardrobe.

_Cilla Nesvanulica on behalf of the Social Justice Group_

**CASUAL DAY TO SUPPORT THE HUTT STREET CENTRE**

To further support the community, _students may wear casual clothes on Friday 3 July 2015 for a gold coin donation_ to support the work of the Daughters of Charity at the Hutt Street Centre for the homeless. Once again, I trust that St Michael’s College will demonstrate its tremendous spirit of kindness and generosity.

Live Jesus in our hearts!

_John Foley_
Principal

SOUTHERN CROSS NEWSPAPER
For the latest edition www.thesoutherncross.org.au

Entertainment Books
St Michael's College is once again offering a limited number of Entertainment Books for sale. Books are $65 each and inside you'll find hundreds of 50% off, 25% off and 2-for-1 offers from the best restaurants, movie cinemas, takeaway chains and attractions. The vouchers can be used over a 12 month period. Books will be available for collection from Week 2, Term 2.

HEAD LICE
Secondary College parents are advised that there has been some reported cases of head lice at the College. For further information click on: https://www.sahealth.sa.gov.au/wps/wcm/connect/2d290f80458f949a927eff488a01d5/12068.2-Headlice_PreventionTreatment.pdf?MOD=AJPRES&CACHEID=2d290f80458f949a927eff488a01d5

REST IN PEACE
Mrs Betty Jean Hoffman
Mother of Mr Wayne Hoffman (Staff) and Grandmother of Sally (Class of 2002), Simon (Class of 2004) and Stefan (Class of 2005) Hoffman

Eternal rest grant unto her
O Lord and let perpetual light shine upon her.
May her soul, and the souls of all the faithful departed,
through the mercy of God, rest in peace.
Amen

END OF TERM DISMISSAL
Parents are advised that students will be dismissed at the following times on the last day of Term 2, 3 July 2015.

PRIMARY – 12:40pm
It would be appreciated if Primary School parents could treat Hubbard Street as a 2 minute pick up zone.
Cars are not permitted to be parked or left unattended.

SECONDARY - 1:05pm
School bus services will be provided from 1:00pm. School resumes on Monday 20 July, 2015.

YEAR 10 DRAMA PERFORMANCE ~
Tuesday 30 June and Wednesday 1 July 2015 at 7:00pm, DRAMA SPACE

St Michael's College Year 10 Drama presents...

The Lottie Project

Adapted by Jacqueline Wilson
From the novel

SOUTH AFRICAN CULTURE CENTER
Tuesday 30 June & Wednesday 1 July 7 PM
Free tickets available from the SACC administration centre
**PRIMARY CAMPUS**

**MASS**
Parents are invited to attend Mass which is celebrated on Thursdays at 9:00am in the Beverley Chapel.

**FAMILY MASS**
Please note that there is a Family Mass on Sunday 28 June at 9:00am in the Beverley Chapel. An invitation is extended to all SMC families.

**LUNCH ORDERS**
Parents who have several students at the Primary Campus are asked to please place the correct money, or as close to, in each child’s lunch order bag. The Canteen Manager processes lunch orders by classes and having to cross check payment/orders that might be in another lunch order bag is time consuming. Your cooperation is appreciated as the canteen is staffed by a sole operator.

**LIFE EDUCATION VAN**
Parents are welcome to visit the Life Education Van which will be on site on 25 and 26 June 2015. The Life Education Team will provide life style lessons around the themes of healthy eating, road safety and drug awareness.

**PRIMARY CAMPUS PHOTOGRAPHS**
An album is available in the Primary Administration Office for viewing and ordering of photographs, which were taken earlier this term, at a cost of $20 each. These include Class Leaders/Environmental Leaders/Stage Band and Sons of Old Scholars. Orders can be placed up to and including Friday, 26 June 2015.

**PLEASE NOTE THAT THE ASSEMBLY** calendared for Friday 3 July at 11:15am has been cancelled.

**SECONDARY CAMPUS**

**YEAR 11/12 EXAM PROTOCOLS ~ STUDENT RESPONSIBILITIES**

- Students should be ready to enter the Exam Room 15 minutes before the starting time. Please assemble in the adjacent courtyard; for example for all morning exams, please assemble by 8:40am, sign the attendance sheet outside the room and you will be directed from there.
- Students are not to enter the Exam Room until invited to do so.
- Students are to ensure that all the necessary equipment has been obtained for the Exam. NO borrowing will be permitted. NO pencil cases allowed.
- Students plagiarizing will have their paper cancelled. However, the Exam must be completed. Obviously, final assessment will be adversely affected.
- No student will be permitted to leave the Exam Room before the appointed finishing time.
- **READING TIME** – Each student will be permitted to make notes and read the Exam Paper for ten minutes prior to the start of the Exam. All notes must be written on the sheet supplied ONLY. Before the Exam, consideration should be given as to how best to use this time. Check with teachers if uncertain.
- If a student is ill and unable to attend, a phone call must be made to Ms Kemp, ideally prior to the commencement of the Exam.
- Full College uniform is required for all exams, including compliance with the Grooming Policy.
- Students are encouraged to bring a dictionary into the examination but only unmarked dictionaries are to be taken in.
- Students will not be required for formal lessons during the Exam week. Instead, private study should take place at home.
- Graphic calculators need to be cleared for subjects other than Maths.
- Mobile phones are NOT permitted. Teachers will not be responsible for these during the examination period.

Mr Kym Clark, Director Lasallian Mission
CHARITIES WEEK

YEAR 10 STATIONERY DRIVE
As part of Charities Week at the College, all Year 10 students were asked to bring in various items of usable stationery to our Reflection Activity Day to be donated to BoysTown. This organisation is dedicated to enabling young people, especially those who are marginalised, to improve their quality of life and education. The Stationery Drive initiative was the first of its kind at St Michael's College and it was overwhelming to have such an abundance of stationery items brought in for donation. One of the key messages of our Church Awareness Day and Reflection Activity Day (CAD/RAD) is to promote the idea that there are far less fortunate people in our society compared to us. With this, the Year 10 students learnt about the generosity and selfless work many people and organisations in Adelaide do to help those in need. Our Stationery Drive was another small way in which we as a cohort could help to make a positive difference, particularly to the young people at Boystown, who are in dire need of stationery items.

For those students who have not yet donated an item of stationery, there is still time to do so as we are collecting items until the end of term. Well done Year 10s!

Mr Mark Labrosciano, Assistant Year Level Director – Year 10

REFUGEE WEEK 2015
During Refugee Week (15 June – 19 June 2015) many fundraising initiatives took place at the College to raise funds to donate to the Australian Refugee Association (ARA). The Lasallian Youth Leaders of the College were given the privilege of volunteering and leading the cooking and selling of sausages during lunch time from Wednesday to Friday of Week 8. There were groups of four people each day allowing different people to take part in this enjoyable and beneficial activity. The Lasallian Youth Leaders are a large group of students who represent our school not only as Lasallians and helping to spread the word of De La Salle, but as representatives of the Year 11 year level. Students in years below can see the benefits and the good that is reflected, hopefully inspiring them to join the Lasallian Youth Leaders in the future.

Overall, this sausage sizzle promoted the mission of ARA and raised over $800, which will help refugees and ARA continue to play the important roles needed to ensure safety and comfort for refugees and their families in a new country.

Mr Gavin O'Reilly, Assistant Year Level Director – Year 11

THE BIG DAY IN
On Thursday 18 June a group of Year 11 and 12 Information Technology students attended the Big Day In Careers Conference at Adelaide University. We heard from a number of speakers including representatives from Microsoft, IBM, Adobe and HP, as well as professionals working in banking and human services. The speakers demonstrated the breadth of careers in the industry ranging from content and design jobs through to the technology services industry to business services, as well as product development in hardware and software. Current university students gave valuable advice on course selection as well as highlighting opportunities for paid work while studying, especially the Australian Government ICT Cadetship Programme. One of our students, Dylan Tittoto, won a Raspberry Pi 2 credit-card sized computer in the raffle and remarked: “It was an informative experience that I recommend to anyone with an interest in Information Technology. It has opened up numerous pathways for me to follow that I might not have considered.” As pictured to the left, students were able to check out industry stalls during the breaks. Jordan Dametto experienced the new Oculus Rift Virtual reality headset: “It was quite interesting and very fun”, he reported. Overall the day gave an insight into how much growth in employment there will be in this industry, with excellent flexibility to travel and find work anywhere. Whether a coder, a designer, engineer or business analyst, there is so much opportunity in this sector.

Mr Stephen Harvey – Teacher, Information Technology
Year 10 students spent two days out of the College during Week 8, involved in our annual CAD/RAD days. CAD, or Church Awareness Day, was designed to give our students a practical insight into the works of a number of Adelaide Charities. In small groups our students visited various organisations including Caritas Australia, Louise Place, Hutt Street Centre and St Vincent de Paul. They heard enlightening accounts of the plight of the disadvantaged in our community and of how the various welfare agencies have helped make a positive difference for those in their care. The CAD students then assembled at Cathedral Hall in the city to partake in various activities aimed at sharing their experiences from the charity visits. In tandem with CAD was Reflection Activity Day (or RAD), presented by Graham Hyman, from Youth Specialties Australia. RAD was held at the Woodville Football Club, where students were challenged to reflect on their relationships, their priorities and the direction of their lives as they enter their senior years of schooling.

Feedback from students indicates that they learnt a great deal about the range of support agencies working in Adelaide and were challenged by the experiences offered through CAD and RAD.

On Friday, 19 June, all six Year 8 boys’ classes went to the Adelaide Zoo for Science and Italian. We learnt a lot about animals and how to describe their behaviour and characteristics in both English and Italian.

We completed a booklet for each subject. For Science we focused on organisms, including vertebrates and invertebrates, and for Italian we focused on oral language and how to answer questions about animals in Italian. We learnt more about animals through both subjects using scientific terminology and new Italian words.

The excursion helped us to improve our understanding because we got to see the animals live so that we could examine what they were doing, even if it was in an artificial habitat. We had lots of opportunities to practise our Italian skills and increase our Italian vocabulary, using new words orally and in writing.

The highlight was the meerkats (isluricati). They were the most entertaining as they moved around the most. The chimpanzees were also very active and noisy.

Overall it was a good day and a great experience. Even the weather was good. Thank you to all the teachers who attended and helped us improve our knowledge and skills in both subjects.
‘LEADERSHIP IS ANY ACTION THAT MAKES THE WORLD WE TOUCH A BETTER PLACE’

On Wednesday 3 June 2015, the Year 9 Student Leaders went to the Adelaide Convention Centre to participate in the YLead Altitude Day. During the day inspirational guest speakers spoke about their own experiences and gave us some advice about how to be strong leaders in our own schools and communities.

Throughout the day we were involved in many social activities which required us to communicate with Student Leaders from other schools in South Australia. These activities placed us outside of our comfort zone but were a lot of fun. The event definitely motivated the participants to make good choices, to build confidence and to form friendships along the way. I found the day to be very successful as I learnt that if you let opportunities pass, you will never know what you could be missing out on. Overall, the day was an experience that we will never forget.

Isabella Candeloro 9KL

YEAR 10 PARENTS DINNER AND CATCH-UP

Come along and enjoy a meal and catch up with other Year 10 parents on Wednesday 5 August 2015 at The Lakes Resort Hotel, at 7:00pm. RSVP your reply to Sharon May at: gmay2@bigpond.com or 0414 228 977 by 1 August 2015. All Year 10 parents welcome.

STUDENT SERVICES

Please be aware that many of these articles have extra information that can be accessed on the Student Services Intranet page: http://intranet/secondary/student_services/latest_news/current.pdf#

CAREERS TERM 3

Next term is the busiest term for Student Services Careers and VET.

Year 12
We support Year 12 students with their 2016 SATAC applications for University and TAFE SA, due at the end of September for university and the end of October for TAFE SA. In most cases students can add to their course preference application, change the order and delete preferences right through to early January 2016. On Monday 3 August 2015 at 7:00pm we will host an Information Night for interested Year 12 parents who wish to know more about the SATAC application process and the transition to university and/or TAFE SA. On the same night students will be able to attend a mini Tertiary Entrance Expo here at the College and ask questions of the Uni and TAFE Admission Representatives. We have urged Year 12 students to make an appointment with the Career Counsellors before the Year 10 and Year 11 subject selection process which begins in Week 3 next term. We continue to encourage students who are not aiming for a Tertiary pathway to make an appointment and discuss their plans.

Year 10 and Year 11 Students
There is an extensive support structure in place to assist students in making their 2016 subject selections. As part of this, students may wish to make an appointment with a Career Counsellor once they have worked through the normal process.

TERTIARY OPEN DAYS Friday 14, Saturday 15 and Sunday 16 August 2015

We encourage families to set aside time on this weekend to attend the Open Day events staged by the Universities and TAFE SA. There will be extensive programs, with set talks, tours etc. We will sum all this up in The Star Newsletter next term, but for preliminary planning we urge you to keep an eye on the relevant websites:

TAFESA (No Information released as yet) but Adelaide Centre for the ARTS have a few Information Sessions flagged. See: http://www.tafesa.edu.au/adelaide

UNIVERSITY OF MELBOURNE JULY HOLIDAY OPPORTUNITIES ~ Interstate Student and Family Information Day

Heading to Melbourne for the July school holidays? The University of Melbourne is holding an information day for interstate students and their families - ideal for senior secondary school students thinking about moving to Melbourne in the next couple of years. Families from your school community may like to consider planning their next trip to Melbourne to include the Interstate Student and Family Information Day on Thursday 9 July 2015 at The University of Melbourne, Parkville Campus. To find out more contact Lois Carlton, Manager, Student Recruitment. Registration is required, please go to: http://futurestudents.unimelb.edu.au/explore/events/victoria_and_interstate/victoria/interstate_student_and_family_information_day_july.

A Day at Melbourne 2015 - for parents too!
Year 10 to 12 students and their families are invited to come to a special event to explore the university’s vibrant Parkville Campus, and find out more about the range of study options available at Australia’s number one university, on Friday 10 July 2015 between 9:00am-3:30pm. For more details please go to: http://futurestudents.unimelb.edu.au/explore/events/victoria_and_interstate/victoria/a_day_at_melbourne_10July2015.

Elite Athletes
In addition, our Elite Athletes who may be heading to Melbourne for their sport in the future may also want to check information on: http://www.sport.unimelb.edu.au/EliteAthleteProgram.
FLINDERS UNIVERSITY UPDATE

Last week we had the honour of touring the new Tonsley Campus of Flinders Uni where most of the Engineering, Computer Science and Maths subjects are delivered. It is now the closest university campus to St Michael’s College.

The state-of-the-art $120 million building was designed by award-winning international architects HASSELL. It centrally locates Flinders University’s School of Computer Science, Engineering and Mathematics with the Flinders Medical Device Research Institute and the Centre for Nanoscale Science and Technology alongside some of Adelaide’s biggest businesses and industries.

The school offers a range of disciplines including Biomedical, Civil, Electronic, Electrical, IT and Software Engineering, Design and Innovation and Engineering Science and Technology. There are state-of-the-art learning facilities, illuminated glass walls where students write a problem and others provide a solution during the day, work lounges that provide soundproof discussion areas, student lockers, where digital technology can be safely locked away and recharged and amazing study areas; outside courtyards and light filled interior spaces.

There are many companies linked in with the new facility ensuring students gain a workforce edge to their degree. Flinders at Tonsley is also a hub for entrepreneurs and next-generation start-ups through the New Venture Institute (NVI). The NVI, the centre of innovation and entrepreneurship at the university runs programs, mentors and helps the next generation of ideas to become reality. The fact that the Bachelor of Design and Innovation is placed there too, provides so much scope for budding entrepreneurs.

Flinders at Tonsley promotes collaboration, a place for students to interact with business and where business interacts with researchers in areas such as Engineering, Medical Devices and Nanoscale Technologies, to make the new products and processes of the 21st century.

We strongly recommend you check out the Flinders Focus Website, follow the Tonsley links and be inspired, http://flindersfuturefocus.flinders.edu.au/.

THE AUSTRALIAN SOCIETY FOR MEDICAL RESEARCH COMPETITION

Mr Karnas, Gifted and Talented Coordinator at St Michael’s College, has brought to our attention a student competition for budding Medical Scientists. Students in Years 10, 11 and 12 interested in careers in Medicine, Dentistry, Health Science and Medical Science, or one of these pathways are encouraged to enter the competition. The competition closes 2 July 2015, so not only would it be a good pre-UMAT practice as it includes 20 multiple choice, a great result may affirm aptitude in these areas and encourage more specific career planning. It is very worthwhile to enter these competitions and see where your level lies in a broader setting. Go to: The Australian Society for Medical Research Competition at http://asmr.org.au/MRWQuiz.html.

DEFENCE FORCE

Defence Force Recruiting will be running Q&A sessions on multiple avenues of entry into the Defence Force. Students will be able to login through Facebook and chat to members of the ADF!

To find out more please direct students to www.facebook.com/defencejobsaustralia

VENUES/TIMETABLES

Please follow the link http://www.smc.sa.edu.au/news-information/current-sports-fixtures to access times and venues (no password required!). Details have also been emailed to students.
OPEN GIRLS KNOCKOUT FOOTBALL

On 11 June 2015, St Michael's College First XVIII Girl's football team ventured to Central Districts Football Oval to play round 2 of the Open Girls Knockout Football competition. Our competition was Nuriootpa High School and Faith Lutheran School who had both won their round robin competitions against four other schools in round 1 to play against us.

The team started the day off strong against Faith Lutheran College, taking control of the game early. Sophie Morgan provided forward run through the middle and accurate kicking from Lauren Steer assisted in getting the ball into the multiple goal scorers of Demasi, Watts, Williams and Steer. St Michael's College won the first game 56-0.

Coaches Mr Williams and Mr Spencer knew the second game against Nuriootpa High School would be the more challenging for the day. Both coaches went into tactic overdrive providing individual guidance to the girls on how they needed to shut down their opposition. Team captains, Hodges and Marinoff, rose to the challenge, inspiring the team with their fancy footwork. Hard work at ground level and tight defense of players prevented Nuriootpa from having the drive and clear kicking previously shown. The whole team lifted to win their second game 21 to 7. Goal scorers for the game were Watts and Demasi.

The win means the team will move on to round 3 of the Open Girls Knockout Football competition, being hosted at St Michael’s next term. Congratulations to all involved on a great day.

Mrs Kate Didyk, Girls Co-curricular Coordinator

COLLEGE INFORMATION

SCHOOL IMMUNISATION DATES 2015

All Year 8 students will be offered: 1 dose of Varicella (chicken pox) vaccine, 3 dose course of Human Papillomavirus (HPV) and 1 dose of combined Diphtheria, Tetanus and Pertussis (Boostrix).

Visit 2 Thursday 30 July 2015 Year 8 HPV (2) and Boostrix
