Dear St Michael’s Community,

INFORMATION EVENINGS
Thank you to all those parents and students who attended the Secondary Campus Information Evenings recently. In addition to the Year 12 (2016) SACE information session and Year 12 (2015) SATAC meeting, parents and students were able to attend the “mini” Careers Exhibition with tertiary organisations in Founders Hall. I commend the many hundreds of College families who attended on the night, as this partnership is essential in achieving best outcomes for the students. I also extend a thank you to all of our presenters and to the College’s Student Services Department for all their work in making this a successful event for those who attended.

BR PAUL KENT
Last week marked the fifth anniversary of the passing of Brother Paul Kent (5 August 2010). Br Paul was a much loved and significant figure during his many years at St Michael’s College. He had a tangible and infectious passion for teaching and would always go that extra mile to help the students, particularly those most in need. We remember him fondly this week and keep him in our prayers.

Live Jesus in our hearts!

THE AUSTRALIAN CATHOLIC YOUTH FESTIVAL
3-5 DECEMBER 2015
The Australian Catholic Youth Festival is an initiative of the Australian Bishops Conference. The Festival was held for the first time in Melbourne in 2013. This Festival is a celebration of what it means to be a young Catholic in today’s world. It will run over three days and is an occasion where important workshops, reflection time, prayer experiences, Masses and live music can be enjoyed by people from the ages of 13-25. It is a place where young people will have the opportunity to deepen their relationship with Jesus, encounter and celebrate the vitality of the Church in Australia and will empower them to become disciples in the world today. A key feature of the Festival is the discussion between young people and church leaders.

On Friday 21 August, the Host Diocese Festival Coordinator, James Meston, has been invited to the College to talk to students from Years 9-11 about this fantastic opportunity. It is hoped that a small group, being coordinated by Mrs Katrin Kingsberry, will represent St Michael’s College by attending this year’s festival at the Adelaide Convention Centre from 3-5 December. For more information about the Festival you can speak with Mrs Kingsberry or visit: http://youthfestival.catholic.org.au/. There is a registration fee involved and the College will subsidise some of the cost of registration for willing participants.

You can see the new promotional video here, featuring Adelaide Catholic secondary students and young people: https://www.youtube.com/watch?v=MPFnoDtXWz8.

**PRIMARY CAMPUS**

**MASS**
Parents are invited to attend Mass which is celebrated on Thursdays at 9:00am in the Beverley Chapel.

**FAMILY MASS**
The next Family Mass will be on Sunday 30 August in the Beverley Chapel at 9:00am. Please consider attending.

**SPORTS / CO-CURRICULAR PHOTOGRAPHICS**
Sports/Co-curricular photographs (all year levels) will be taken on Monday 7 September. All students who have participated in any Sporting/Co-curricular activity this year will be included. Students are required to wear the full college uniform. Blazers are required for Years 5 to 7, while Reception to Year 4 require their school jumper or crested polo fleece windcheater. Please note the following:
- Spray Jackets are not permitted for photographs.
- Hairstyles should be in line with College policy – refer to Personal Grooming on page 13 of the College Diary.
- The full College Uniform, appropriate to your son’s year level, should be worn.
- No PE uniforms required on this day as there will be no PE lessons.

There will also be an opportunity for individual student photos to be taken for those that were absent in Term 2. Please email your son’s name and class ID to smcprimary@smc.sa.edu.au if he requires an individual photo. Ordering envelopes will be sent out to parents shortly.

**ELECTRONIC DEVICES**
In our modern world the range and array of electronic devices is almost endless. A simple rule of thumb is that unless specifically required for educational purposes then they are best left at home. Mobile phones should be presented to the Primary Administration Office for safe keeping prior to the start of the school day and collected at the end of the day.

**ADMINISTRATION FOYER**
A number of students and parents are using the Administration Foyer as an entry/exit point to school when the gates are open. This area is not designed as a thoroughfare and students/parents are asked to assist in this matter. Also please note that the loading zone on East Avenue operates from 9:00am. Please don’t use this area as a drop off point.

**SECONDARY CAMPUS**

**TERM 3 PARENT TEACHER INTERVIEWS ~ TUESDAY 18 AUGUST, 2015**
Parent Teacher interviews are scheduled for **TUESDAY 18 AUGUST 2015 from 1:44pm to 8:32pm**.

Information regarding the booking process, including individual student booking codes, will be emailed to families next week. Please note that school finishes at 12:55pm on this day. Parents and guardians will have the opportunity to speak with their child’s teachers about any issues of concern that may have arisen during the year to date.

To make the most of the opportunity it is important to be prepared. Before your interview, plan specific questions you wish to ask and identify factors of which teachers need to be aware. The interview process should be seen as an opportunity for a two-way discussion where the interests of your child are important considerations for both parties. We also strongly encourage all students to attend so as to enhance the conversation and to hear constructive feedback firsthand. After the interview it is important for parents to follow up on matters discussed at the meeting with their son or daughter. Acknowledge strengths, identify areas where improvements can be made and encourage your child to take responsibility for his/her own learning. We look forward to seeing you and your child.

**SUMMARY OF DATES /TIMES:**
- **Monday 10 August:** Information forwarded to families via email
- **Friday 14 August 9:00am:** Program closed for generation of appointments
- **Friday 14 August 3:00pm:** Program opens, families can now view/adjust schedule

**SECONDARY SUBJECT COUNSELLING INFORMATION**
Term 3 is when students and parents make important decisions regarding subject choices in preparation for future career pathways. These choices should be guided by student interest and success in preparatory subjects. Students in Year 10 have completed, or will be completing in Semester 2, the Personal Learning Plan (PLP) as the first stage of their SACE Certificate. This is designed to assist students identify possible career paths. Various parent information nights explain the subject selection process and SACE Certificate requirements and I urge parents to attend these if at all possible. Mr Anthony Vizianiaris and Ms Rose Coorey are available for Careers Counselling and Mr Kevin Woolford is available for advice on VET courses. Appointments can be made by contacting Student Services. Critical dates for various stages of the subject selection process are listed below. Due dates for the return of various forms will be published on the forms. Your support in this important process is greatly appreciated and I can be contacted through Student Services to clarify any issues arising.

CAREERS TERM 3

Year 12 Students

Parents and Students can access a PowerPoint, "Applying to SATAC for Entry to University TAFE 2016" on the opening page of the College website. 2016 Tertiary Application materials were also distributed to Year 12 students last week with some pastoral care time devoted to familiarising students with the materials and also a student session held last Thursday.

Students can complete the SATAC University application process online independently or if they wish to have more support in the process they are welcome to make an appointment with one of the Career Counsellors. It is important students have their own non St Michael’s email address, as it is an email service they can access themselves online. If they apply with us at school they need to click on an email that SATAC will send to their private email address. A reminder that applications to SATAC for TAFE courses will not open until the end of August.

We hope all Year 12 students interested in Tertiary Study in 2016 have considered the University Open Day schedules happening this weekend and have identified some relevant sessions to attend. A reminder that interested families need to go online and book into tours for Flinders Tonsley Campus prior to Open Day, (Link provided below). We continue to encourage students who are not aiming for a tertiary pathway to make an appointment and discuss their plans.

Please note news to hand since SATAC talks; any students interested in the Bachelor of Creative Arts Dance need to book an audition time as soon as possible. Please phone: Rebecca Haycock 8463 5005. Auditions to be held: 29 August, 17 October and 20 November.

Year 10 and Year 11 Students

There is an extensive support structure in place to assist students in making their 2016 subject selections. As part of this, students may wish to make an appointment with a Career Counsellor once they have worked through the normal process. As part of the appointment process these students are reminded to do some preparation for the appointment by completing a form that must be brought to the appointment. We want to ensure that students get the most out of the 30 minute appointment time. Please note students only have an appointment with a Career Counsellor if they initiate it by going to Student Services at recess or lunch to make an appointment. Students receive a lot of information in their “Subject Selection Packages” and we encourage students to go through this material before seeking help. We also encourage students to consider attending the upcoming Open Day sessions at the Universities and TAFE. It is important for students to visit the links and check out the schedule of talks to ensure they get the most out of the event.

GAP YEAR CAMP AMERICA

Many Year 12 students are interested in exploring Gap Year opportunities for 2016. Research shows us that students who participate in a “good” Gap Year experience in fact do better when they settle into tertiary study. The Camp America program is one such experience. We encourage interested students to attend the upcoming information sessions for June 2016 participation. The Information Session is being held Wednesday 26 August at YHA Waymouth Street Adelaide between 6:00pm-8:00pm. For more information see: http://campamerica.com.au/

Defence Force Recruiting will be running Q&A sessions on multiple avenues of entry into the Defence Force. Students will be able to login through Facebook and chat to members of the ADF!

Grammar Corner 3

Now that we know what nouns and verbs are we can start to build Simple Sentences with them, such as Jessica likes Tom, or Steven was reading a book.

Here, Jessica and Steven are the subjects of their sentences because it is they who are performing the actions of their verbs. To find a subject simply ask the question Who? or What? in front of the verb. Who or what likes? The answer is Jessica. Who or what was reading? The answer is Steven.

These are the subjects of their sentences and limit the ideas of liking and reading to Jessica and Steven. This makes the verbs FINITE VERBS because they are LIMITED by their subjects, the word finite meaning limited to something specific.

CO-CURRICULAR NEWS

SACPSSA CROSS COUNTRY

On Thursday 6 August the SMC Primary Cross Country squad competed in the annual South Australian Catholic Primary School Sports Association Cross Country Carnival. The 48 boys from Years 3-7 were faced with typical winter conditions as it was cold with a few spots of rain. This did not deter the boys who were jumping out of their skin in anticipation. The race consisted of a 2km track spread over varying terrain in the East Parklands. In the past St Michaels has been strong in the U10 divisions and especially in the Div C race as we have won the team award for the last 3 years. The boys in the Div C team did not disappoint with a stunning result seeing the top 6 runners all St Michael’s boys. Jake Hall came first followed by Zac Schwarz, Johnny Finamore and Fabian Bonifacio rounding out the top 4.

St Michael’s also proved to be very strong in U11 with the boys winning both team awards in Div A and B. Well done to Sebastian Simone who was 2nd in the U11 Div B race. It was a very successful day in terms of individual and team results but also as the boys gave it their best effort and never gave up. I would like to thank Mr Fry for his help organising the competitors and also to the parents who came out and supported the boys.

Mr Kevin Woolford VET Coordinator, Ms Rose Coorey and Mr Anthony Vizanaris – Careers

Mr Lachlan Bartlett, Primary Co-Curricular Coordinator
St Michael’s College entered two teams into the SAPSASA District Basketball Knock Out Carnival this year. The teams were divided into a Year 7 team coached by Mr Clark and a Year 5/6 team coached by Mr Bartlett. The carnival was held at Wayville Stadium on Friday 7 August. The Carnival is set up in a round robin format with teams playing six games then a final. Going from previous experience the boys knew that to make it to the final they had to remain undefeated. The Year 5/6 team started with a great game but finished with a tie. From their matches, the Year 5/6’s finished with 1 tie, 2 wins, and 2 losses which does not reflect the great determination and team work shown by the boys.

The Year 7 team was feeling confident leading into the match as they felt they had the right mix of skill and height. Through the round robin games the team was only challenged in one game but went through undefeated. They progressed to the final which they won thus qualifying for the State Knock Out Carnival. It was a tough game with the St Michael’s boys trailing for most of the game. Under pressure the boys lifted their game to the next level and finished winning by 3 points. Thanks must go to the Mr Kym Clark for inspiring the boys and also for the support and scoring duties from the parents.

OPEN GIRLS KNOCKOUT FOOTBALL SEMI-FINAL

On Wednesday 5 August St Michael’s College hosted the semi-final match of the Open Girls Knockout Football against Brighton Secondary School. There was a lot of anticipation around the match with memories of Brighton beating us by 3 points the previous year in the same semi-final round. The team was determined not to let this happen again with the goal of playing in the Grand Final at Adelaide Oval at the front of their minds.

Captains Ebony Marinoff and Charlee Hodges took the girls through the pre-game routine before coaches Mr Matthew Williams and Mr Andrew Spencer provided their inspirational pre-game talk. Whatever was said worked, with the girls starting the game strong with accurate kicks, many handballs and gutsy tackles. Marinoff and Genna Liambis both kicking goals in the first quarter saw the team in front 12 to 2 at quarter time.

The second quarter continued in a similar manner with the ball spending the majority of the time in the St Michael’s forward 50m. The height of the Watts sisters and agility of our forward line stretched the lead to 22 to 8 at the break, with the only goal for the quarter coming from Adele Demasi.

The second half saw the wet ground beginning to take its toll on players, but the team continued to fight for loose balls and showed skill with strong marks. Marinoff led by example seeming to be everywhere on the field tackling, kicking and directing play. Marinoff kicked our only goal for the second half, with the final score seeing St Michael’s win convincingly 31 to 16.

We wish the team the best of luck in their Grand Final, which will be played as the curtain raizer to the Adelaide versus Brisbane match at Adelaide Oval on Saturday 22 August!

Mrs Kate Didyk, Girls Co-curricular Coordinator

ADELAIDE UNITED NPL YOUTH TEAM

St Michael’s College would like to recognise two students who have been selected and are playing in the Adelaide United NPL Youth League Team, Nick Polli (12ED & MacKillop House Captain) and Blake Carpenter 10FE. The NPL AUFC Youth League was established to provide a platform to develop a year round program for the best young players in South Australia.

Nick (pictured left) has recently been promoted to the NPL AUFC Senior Youth Team after scoring 20 goals in 16 games, playing primarily as a Striker/Winger. Nick is currently the youngest athlete in the squad, placing him in a fortunate position to learn from some of the other young footballers in South Australia.

Blake (pictured right) has recently been selected for the NPL AUFC Youth League Reserves Team. Blake transferred to the team from West Adelaide FC where he has been playing a starring role in their first team. Blake has played a total of eight games and as an Attacking Midfielder he scored 11 goals which is extremely impressive as he is also the youngest athlete in a squad of 30 players.

Both Nick and Blake train five days per week with AUFC Youth team, along with making themselves available for the SMC Soccer program. We wish both boys all the best as they head into the finals season.

Mr Dylan Hicks, Head of Health & Physical Education

Congratulations to Micaela Quinn 10SA for being selected in the South Australian U17 Soccer Team which participated in the National Training Centre Challenge in Canberra in July. Micaela played the left or right fullback position and over the course of the tournament her team won 1 game, lost 2 games and drew once. The SA Men’s Women’s team competes in the U15 Boys B JBL competition during the regular season.

The next step from the NTC challenge are future youth Matilda’s camps and teams. We wish Micaela all the best with her soccer in the future.

GRANGE TRAIN:
WHERE ARE THEY NOW? ~ Steven Rypp ~ Class of 2006

The one line that I always remember from my time at St Michael’s College is ‘Be the best you can be’ and this is the motto I try to live by. During my time with St Michael’s College from 2002-2006 the College taught me the importance of being an active participant in supporting a well engaged local community.

Since graduating from St Michael’s in the Class of 2006; between 2007-2013 I have successfully gone on to complete 3 degrees with UniSA as a Bachelor of Management (Honours) and a Business Double Degree: Bachelor of Sport and Recreation Management and Bachelor of Tourism and Events Management. My Honours Thesis with UniSA focussed on working with Surf Life Saving South Australia to undertake a study on Motivation, Involvement, Satisfaction and Loyalty of their volunteers.

The main highlight of my time with UniSA was completing an exchanging program in 2010 to study the sports management electives as part of my Business Double Degree at Brock University in Ontario; Canada and traveling through the United States of America.

I am currently employed as the Student Support Officer in the UniSA Business School and have been in this role for the past three years. This job involves a variety of events, project management, administration and marketing on a daily basis. Previously to this job I have had the opportunity to work casually for the Port Adelaide Football Club, Surf Life Saving SA, South Australian Cricket Association (SACA) and Domino’s Pizza as a Store Assistant Manager.

I am extremely proud of my recent career achievement which was getting elected to the City of West Torrens Council as a Councillor representing the Lockleys Ward. In June 2014 I decided that I wanted to pursue my passion for Community Engagement in a deeper and more meaningful way and run for Council. I gathered a few close friends and developed a local campaign plan. I am really proud that in seven to eight weeks I was able to door knock the entire Lockleys Ward (around 3,500 houses) and all the businesses and community groups in the Ward in amongst putting out flyers and developing a Social Media presence. I am very grateful to my amazing support crew of family and friends who helped me and enabled me to achieve this.

Since graduating from St Michael’s I have been heavily involved in my Local Community outside of my study, employment and Councillor role including:

- Assisting Surf Life Saving SA as a State Assessor, Patrol Inspector and Training Officer. A key achievement was delivering community “Be Active” coaching programs. As a result I received the 2011 AASC National Community Coach of the Year Award and the 2010 Term 4 AASC Community Coach of SA Award. My involvement with the state body enabled me to recently complete a Certificate IV in Workplace Assessment and Training.

- For the past 10 years I have been a Goal Umpire for the South Australian National Football League (SANFL). Key achievements were umpiring the 2014 and 2012 AFL NAB U18’s National Tournament in Melbourne and Geelong, umpiring the 2014 SANFL Reserves Grand Final at Adelaide Oval and having umpired around 30 SANFL League games to date. I also love my role on the SANFL Umpires Association Committee as the Director of Sponsorship and work on Fundraising initiatives.

- Being the former Director of Education and Training and the Community Liaison Officer at the West Beach Surf Life Saving Club. A key achievement was working with other club trainers to assist in the training of the 1st multicultural group to pass their Bronze Medalllion in South Australia. As a result I was awarded the 2012 Australian Institute of Emergency Services (AIES) National Youth Volunteer Award and a scholarship to sail on the Young Endeavour in December 2013. I was also nominated for a Pride of Australia Award for the Community Spirit section.

Overall St Michael’s College helped me to realise that nothing comes free in life and if you want to succeed then you need to have a positive attitude, be willing to work hard and the importance of networking should never be underestimated.

If I could give any advice to young students at St Michael's it would be:

- To realise that ‘opportunities are taken and not freely handed out’.
- You need to develop a positive attitude and be the type of person who sees an opportunity and then takes up that opportunity.
- Success only comes from trying different things, taking a few risks and not being afraid of having a few failures along the way.
- If you’re planning to go onto further study then use this as an opportunity to gain casual employment in your desired field, take up volunteer work, experience practicums, study, travel and volunteer overseas and volunteer specifically in your field in a local community organisation to make yourself more employable and competitive in the long run.
