Dear St Michael’s Community,

As we conclude a busy Term 3 the Primary Campus reflects on significant events that have taken place.

SACRAMENTAL PROGRAM
The Sacramental Program was re-introduced in 2015 in conjunction with the Flinders Park/Hindmarsh Parish. 21 of our Year 4 students have been preparing with their families to receive the ‘Sacraments of Initiation’ Confirmation and Eucharist; the foundations of every Catholic’s life. These boys and their families have chosen to give witness to their faith in a very public manner, proclaiming their commitment and renewing their baptismal promises.

It is hoped that other families, as their son’s approach Year 4, will take the opportunity in 2016 to explore their faith journey through engaging in the Sacramental Program offered at St Michael’s or through their local parish.

BOYS AND DADS NIGHT
This year we introduced a new format to the night with the focus being the Upper Primary years, enabling us to provide more challenging experiences for the boys and their dads, allowing them to work together. Activities included: Rock Climbing, Karate, Wheelchair Basketball, Robotics, 3D Printing, Movie Making, Sumo Suits, Bubble Soccer, Boot Camp, Samsung Virtual Reality and just for some added humour a Mechanical Bull! The evening provided an opportunity for the boys to spend some time with their dads and there was quite a bit of fun and laughter had by all.

Children who have fathers or male father figures involved in their education are more likely to:
- get better grades;
- have better verbal and problem solving skills;
- do better on achievement tests; demonstrate a higher tolerance for stress and frustration;
- are more likely to have positive peer relationships

(Allen & Daly, 2007)

PORTFOLIO CONFERENCE / EXPO EVENING
The Portfolio Conference Evening combined with a Teaching and Learning Expo was held last Wednesday. The evening was a significant change to previous years where three students at a time had an opportunity to showcase their school work to their families during a 30 minute block under the guidance of their teachers. It was a great opportunity for the boys to share their learning with their families. The Specialist Curriculum areas and class displays in Founders Hall represented a wonderful celebration of what the boys have achieved, so far this year. I would really like to thank the parents who took the time to engage with their sons at both the Conference and Expo as this provides an opportunity for parents to set some realistic goals together with their sons to work towards a positive Semester 2 Report.

CATHOLIC SCHOOLS MUSIC FESTIVAL – PRIMARY CHOIR
I would like to thank the College Music Teachers for their planning and practice with the Year 6 and 7 students who have been involved in the Catholic Schools Music Festival. The Primary Choir has worked enthusiastically hard over the last three terms in preparation for this Thursday night’s event at the Festival Theatre. The year’s theme celebrates the Centenary of the War in Gallipoli which will include medleys of Songs to Forget Your Troubles and Aussie Remembrance. The Choir have done an excellent job in remembering the extensive lyrics and actions to these pieces. They will also perform a couple of their favourite songs including Judy Garland’s ‘Somewhere over the Rainbow’.

Live Jesus in our hearts!

Damian Patton
Deputy Principal (Primary Campus)
STUDENT ABSENCE LINES
PRIMARY:  8150 2397
SECONDARY:  8150 2323

MASS
Parents and parishioners are warmly invited to attend Mass at either Campus each week during school time. Please do not hesitate to contact the College with any queries.

PRIMARY: Thursday at 9:00am
SECONDARY: Wednesday at 9:00am

STAFF SERVICE AWARDS
At this time of the year, when we celebrate De La Salle Day, we also congratulate and thank staff for the valued contributions they make to the SMC community and the mission of De La Salle. This year, in particular, we celebrate the service of the following staff.

30 YEARS
Craig Burns
Ray Reiner

20 YEARS
Darren Ellul
Louise Kometer
Richard McVey
John Pagonis

10 YEARS
Lavina Desyllas
Jo-An Fidock
John Foley
Jane Green
Clive Moore
Tony Robinson
Mark Stephens
Linda Story

Jill Thorn

ANNUAL MEMORIAL SERVICE
"It is a holy and wholesome thought to pray for the dead" (2 Maccabees 12:46)

Each year a special Memorial Prayer Service is held for the students, with their families, to give them an opportunity to pray for those close to them who have died.

The second Memorial Service will be held at:
★ Beverley on Friday 20 November in the School Chapel at 9:00am

We would also like to invite family members and friends to this Service. The Services will take approximately 30 minutes.

All are very welcome to attend.

Sr Nithya Cp, Pastoral Support Worker

DOBSONS UNIFORM SHOP
1 Lawrie Street, Henley Beach  8150 2306

School Holiday & Week 1, Term 4 Trading Hours
8:00am – 4:15pm on the following days:
~ Monday 28 September through to Friday 2 October
~ Wednesday 7 October and Thursday 8 October
~ Monday 12 October through to Thursday 15 October

Bookings are recommended. Should you wish to make an appointment you may leave a message on the answering machine.

END OF TERM DISMISSAL
Parents are advised that students will be dismissed at the following time on the last day of Term 3, 25 September 2015.

PRIMARY – 12:45pm
SECONDARY – 12:45pm
School bus services will be provided from 1:00pm. School resumes on Monday 12 October, 2015.
DE LA SALLE DAY

Friday 25 September
Henley Campus

Time: 8:45 am to 12:40 pm

Begin the day with Liturgy in Founders Hall

Gold coin donation

At recess enjoy food such as:
Sausage Sizzle, Yiros, Chips, Krispy Kreme Donuts -
Year 11 Business Week Students,
Soft Drinks, Ice Blocks - LYL

And enjoy the Donut Eating Competition from
Sideshow Alley

... and if you are in Reception – Year 1
have your face painted!

Listen to:
Drums Session, Bands

Then, reassemble in your year level for
performances/sessions.

Following this participate in the Festival of Youth —
Drums Session, Jumping Castles for R-1,
Bands, Karaoke, Netball, Football, Mascot Race,
Side Show Alley (50°) and buy more tasty treats from the
many food stalls.

Bring spending money and
enjoy the day!!
Parents are invited to attend Mass which is celebrated on Thursdays at 9:00am in the Beverley Chapel.

**PERSONAL GROOMING**

Students are reminded of the expectations regarding “Personal Grooming - Hair” on page 11 of the College Diary. If intending to get a change of hair-style please ensure it conforms to College policy, especially avoiding razor cuts or patterns and clipper cuts not less than a number 3. If in doubt please err on the side of conservatism.

**SPORTS DAY – PARENT HELPERS**

Our Primary Parent Committee is seeking the assistance of parents/caregivers for **Sports Day, Friday 23 October**. If you are available to assist either for a morning or afternoon shift (set up/pack up, cooking sausage sizzle or selling BBQ, drinks and snacks) please advise us your availability via email: smcprimary@smc.sa.edu.au. We would appreciate any time you can spare. Remember many hands make light work!

**UNIFORMS**

Parents please note Term 4 sees the transition to the summer uniform which includes the College hat. Students R – 7 are able to wear their SMC PE Uniform to school on designated PE days this term.

**CONGRATULATIONS SACRAMENTS OF INITIATION**

The following students recently received the three sacraments that comprise the Sacraments of Initiation: Baptism, Confirmation and Eucharist which lay the foundations of every Christian life. We are born anew by Baptism, strengthened by the Sacrament of Confirmation and received in the Eucharist the food of eternal life. The boys along with their families began preparations in early February. Special congratulations to Talan O’Dea who was baptised earlier in the year and to Thomas Barker who undertook his preparation in the parish and received the Sacraments with his twin brothers.

**SACRAMENTAL PROGRAM 2016**

Parents/caregivers of students in Year 3 are asked to email Kym Clark on: kym.clark@smc.sa.edu.au if wishing to register an expression of interest in your son undertaking the Sacrament of Initiation Program – Reconciliation, Confirmation and Eucharist next year.

*Mr Kym Clark, Director Lasallian Mission*
NUDE FOOD DAY

NUDE FOOD SCHOOL PICNIC · FRIDAY, 16TH OCTOBER

This year for the first time our school is participating in Nude Food Day.

To celebrate we are holding a ‘Nude Food School Picnic’ at SMC on Friday, 16th October to promote waste and rubbish reduction across the school.

The picnic will take place on the school oval at the usual eating time and students are required to bring their own ‘nude food picnic lunch’. A rubbish free lunch = no rubbish to clean up afterwards.

This year marks the sixth year of Nude Food Day and to celebrate there is a $25,000 prize pool to six lucky schools.

The following is an excerpt* from www.nudefoodday.com.au

**Nude Food Day** is a nationwide initiative developed to encourage kids and parents to **eat well and live well**, and eliminate all unnecessary packaging and wrapping that goes into schools.

Essentially, kids bring their food – nude! This will reduce the amount of rubbish that goes into the bins, that goes into the ground that pollutes our planet. This is an amazingly simple concept that really empowers the kids to create change, you will be amazed with how enthused they can become!

Historically, Nude Food Day has been celebrated on a specified date, however this year (after listening to your feedback), we are promoting the event to run across any day (or every day!) in October. The official celebration date is Friday 16th October 2015, which also coincides with Nutrition Australia’s National Nutrition Week and World Food Day.

Lesson plans are provided which directly link in to the Australian Curriculum’s cross-curriculum priority area of **Sustainability**.

*Learn more at the website*

The students and staff thank you for your support of this event and your recognition of our achievements across the school thus far and as we continue to promote the powerful message to look after our environment and reduce waste within our school.
What is Nude Food?

Nude Food is simply food that is not wrapped in foil, plastic or commercial packaging.

The best type of nude food consists mainly of fresh food, so that it is healthy and nutritious PLUS environmentally friendly.

Promoting Nude Food empowers students to make conscious choices about what they eat, and encourages them to think about their impact on the environment (and their health). You might be amazed with how enthused your child can become on this...

✅ To pack a Nude Food Lunch or Snack, you will need:

- Cutlery from home is better than throwaway plastic ones
- Plastic or metal drink bottles are recommended for refilling with water
- Reusable containers for putting all of your food, snacks and drinks into
- Lunch boxes that have lots of separate sections can be useful to avoid lost lids or containers

❌ Try to avoid:

- Zip lock or plastic bags, plastic wrap or aluminium foil
- Tetra packed drinks, single serve yoghurts and cheese
- Single use plastic forks and spoons
- Prepackaged food; i.e. biscuits, snack bars and chips

Tips for Packing Nude Food Lunches:

- Try to involve the kids in helping decide what to take. This will help to avoid uneaten foods being thrown out, plus will save your family money as well. Also, remember to praise your child if they do eat something healthy which is new for them.
- Try to pack the lunches the night before and store in the fridge overnight to avoid the mad rush in the morning.
- If your child normally enjoys chips, yoghurt or other prepackaged snacks, buy these in a larger format and you can decant these into smaller reusable containers or lunchbox.
- If your child does enjoy chips, why not try making your own vegie versions using sliced beetroot, parsnip or sweet potato and baking in the oven?
- Try to use fruit and vegetables that are in season. Seasonal produce is friendly to the environment as well as to your budget, as less fuels are used to transport it into your supermarket.
SECONDARY CAMPUS

SEMESTER 2, INTERIM REPORT

As outlined in a recent edition of The Star, the College has this year expanded the opportunities for parents to remain informed about their sons and daughters learning by having increased access to real-time information through the 'Parent Portal' tool of our Learning Management System, SEQTA.

Further to this, we are pleased to advise that Semester 2 Interim Student Reports will be available online via Parent Coneqt from Friday afternoon, 25 September.

You will be able to access and print your child’s report by logging on to SEQTA with your specific password details which were provided in Term 1. If you have misplaced this information, please contact Student Services on 8356 5966 or 8150 2336.

We encourage parents to take the opportunity to also explore the features of the Parent Portal if you have not already done so. The Parent Portal can be accessed from the front page of our website under "Coneqt-SEQTA access".

Further information will be sent to parents early next week.

Mrs Teresa Cimmino, Deputy Principal – Learning & Teaching Excellence
Ms Bron Kemp, Director of Curriculum & Assessment Administration

YEAR 12 LEGAL STUDIES EXCURSION

The Year 12 Legal Studies class would like to extend a huge thank you to Mr Williams with the assistance of Mr Chatterton for taking us to the Adelaide Courts and State Parliament House.

The day started with the group gathering outside the Magistrates Court where we were ushered into the building by Mr Cavouras the Educational Courts Officer, who explained that different sections of the building were constructed at different times; the front part of the building was built in the 1800’s and the rest of the building in the 1990s. Furthermore, it was revealed that tunnels situated under the city, which are accessible within the premises, were used during the war to house gold and other valuable items.

After that, we were taken to a sentencing hearing which consisted of a judge adjudicating and determining a sanction to be placed upon the accused relating to the issue of damage to property. Being able to apply the knowledge acquired throughout the year was imperative in understanding the proceedings of the case. We were also given the opportunity to dress up in the attire of a Supreme Court Justice as well as the 'silk' and 'stuff' worn by prestigious Barristers.

From the Magistrates Court we moved to the District Courthouse where we were privileged to listen to a case which involved the allegation of attempted endangerment of life, whereby a jury needed to decide the guilt or innocence, beyond reasonable doubt, of the accused. When the case was adjourned, we ventured into the Central Market to have lunch.

After lunch we were fortunate to be shown around Parliament House by Local MP Paul Caica who allowed us to sit in both of the Houses of Parliament; House of Assembly and the Legislative Council and answered an array of questions we wanted to know about the workings of a Bill via Parliament. We also had a discussion about party discipline and the importance of Cabinet.

Overall, the experience allowed us to gain an insight into the workings of the legal system within our own society, both furthering and reinforcing our knowledge. This was fantastic preparation for our end of year examination. In closing I would like to thank Mr Williams for organising this memorable day for us.

Lisa Kidman 12 MA

FREE ITALIAN SUBSCRIPTION TO SUPPORT LANGUAGE LEARNING

Would students/parents like to improve their Italian skills or support their sons/daughters as they learn Italian? You can subscribe to ItalianPod101.com for FREE and receive regular emails with a word of the day, audio links and free word lists. It’s a simple way to increase and/or consolidate new vocabulary and continue learning over the holidays.

Signora Benedetti, Italian Coordinator

SPORTS, MUSIC & EXTRA-CURRICULAR PHOTOGRAPHS

Photographs are now available for viewing and purchasing. All photos are on display on the SPORTS Notice Boards or in the MUSIC suite. They may be purchased in two ways:

1. Collect an Order Envelope from the Administration Office, complete and return it to the Administration Office, before the end of Term 3, and we will forward these to Academy Photographic. Completed orders will be returned to the College.

2. Go to the web site academyphoto.com.au and choose ‘Online Ordering’ then insert the ‘Shoot Key’ SFWN6VVN and all photos from our shoot will be available for online ordering.

Mr Wayne Hoffman, Director of Administrative Systems
Congratulations to Jessey Nguyen 11GA on being accepted into the 2016 National Mathematics Summer School. This is an annual event held in Canberra for Mathematically Gifted and Talented senior high school students. It runs for 2 weeks in January and students are selected from all over Australia, based on their mathematical achievement and potential. The emphasis of the NMSS is on doing mathematics, not just on listening to someone else talking about it. By the end of the two weeks, most students are amazed at how much they have accomplished. We are sure that Jessey will gain an enormous amount from the NMSS, not only from meeting fellow talented maths students but by also enhancing his mathematical potential.

Ms Finlay, Head of Mathematics

Recently we had the opportunity to attend the UNISA’s Maths Experience Day at Mawson Lakes. There we were introduced to another side of mathematics, one that was more in-depth and elaborate. Not only that, we were able to visit many of the campus’ various facilities. These included the engineering workshops and the awe-inspiring Planetarium. This experience has helped shape what we want to do with our future. Studying Mathematics at a high level or completing a Mathematics degree does not force you to become a teacher or mathematician. You can venture into other areas such as Engineering, Robotics and even the Defence Force.

We spent the majority of the day challenging ourselves with problems that related to the real world. These were put forward to us in the form of games. This made things both educational and interactive. However, one of the main highlights during the day were the information sessions with students and experts of mathematics. UniSA introduced us to six guest speakers who were able to give us an insight into what they do and how they use mathematics in their respective careers. Each had a unique story to tell about how mathematics had influenced their lives.

We would like to thank Mrs Desyllas and Mrs Finlay for organising this amazing opportunity. We would also like to thank the UniSA for giving us the chance to participate in such a prestigious program.

Joshua Andrews 10KA and Kenny Cao 10ST

This year eight Year 8 teams, (50 students), read 6 novels and prepared for their rounds of quizzes based on the character and plot development of the novels. The competition rounds took place in Weeks 7 and 8 and culminated in a Grand Final on Friday 11 September in front of an attentive audience.

Congratulations to the 3 teams who read their way through to the Grand Final this year:

The Unicorns – 8GI (Mrs. Henry’s English class)
The Book worms – 8NI (Mrs Ramsey’s English class)
Jam Luck – 8BU (Mrs Puglia’s English class)

The competition was tight, with the Unicorns winning 4 rounds by a point or two each time.

Congratulations to the winning team, The Unicorns 8GI; Indigo Kuchel, Eleanor Zerella, Jennifer Fidelis and Vyvian Nguyen who each received a $20 Westfield voucher and a celebratory lunch for their whole class.

Mrs Maria Pepe-Micholos, Teacher/Librarian
TOURNAMENT OF MINDS

On Sunday 13 September, five very talented student from St Michael’s College; Liam Adrian, Kieran Payne, Francesco Ciampa, Ruby Pedicini and Dominique Sherratt attended the annual Tournament of Minds Competition. This competition was held at the Flinders University Campus, Adelaide.

In Week 1 of this Term, the Tournament of Minds Directors released a Math’s/Engineering Challenge called; **Spooky Action at a Distance.** Students were required to engineer a device that could negotiate a specified path, the catch being that the device had to be transparent. The team then had to write a play that incorporated this device. The team came up with a very clever idea; they had stumbled across Ebola 2.0 and they had to transport it in secret to MI6 Headquarters. It was a really funny, suspense filled comedy that the judges really seemed to enjoy.

Not only did the team have to spend many hours working on this challenge, they also had to perform a Spontaneous Challenge. For this component of the competition, the team had no idea what the challenge would be. On the day they had to enter a room, with three judges, read the challenge in 3 minutes and then present it in only 2 minutes. They did a fantastic job on the day and the judges, again, seemed very happy with their response.

I am so proud of the effort our Tournament of Minds team put into this year’s challenge. They were such a wonderful, hard-working and dedicated team. Well done everyone and I look forward to next year! (Certificate presentation! Well done team! Ruby, Dominique, Kieran, Liam and Francesco (L to R))

Mrs Kat Kingsberry - Teacher

STUDENT SERVICES

Please be aware that many of these articles have extra information that can be accessed on the Student Services Intranet page: [http://intranet/secondary/student_services/latest_news/current.pdf](http://intranet/secondary/student_services/latest_news/current.pdf)

YEAR 12 STUDENTS REMINDER

If any students require help with their SATAC University applications for 2016 we encourage them to come to Student Services and make an appointment with either Mr Vizaniaris or Ms Coorey. It is useful if they are able to access a personal email addresses (not their St Michael’s one). The deadline for a timely application for 2016 University courses is Wednesday 30 September. After this date some courses close (Medicine, Dentistry, Vet and Bioscience). There are also many “Creative” courses that cannot be added after this date. We remind students their online application is not complete until they are emailed a summary with their 9 digit SATAC Reference Number. This occurs after they click on the SUBMIT tab at the end of this application process. We emailed the Year 12 students a more detailed summary last week, provided a Powerpoint presentation summary (now on Intranet) on Wednesday and held a TAFE Application Summary on Thursday at lunchtime. Hopefully they are all well in “the loop”.

LATE ADDITION 2016

**New course at Flinders University. Engineering (Agricultural) (Honours) SATAC code: 234151**

**Prerequisites:** Mathematical Methods or Mathematical Studies Assumed Knowledge; Stage 2 Physics. This course suits our South Australian industry growth projections promoting our “Paddock to Plate” Industry. See: [http://www.flinders.edu.au/courses/new-courses-2016/engineering-agricultural.cfm](http://www.flinders.edu.au/courses/new-courses-2016/engineering-agricultural.cfm)

FLINDERS UNIVERSITY

The [Bachelor of Sport, Health and Physical Activity](http://www.flinders.edu.au/courses/bachelor-of-sport-health-and-physical-activity) was launched in 2014 and received strong interest from many students. From next year, students will have the option to also choose a [Strength and Conditioning Coaching pathway](http://www.flinders.edu.au/courses/new-courses-2016/engineering-agricultural.cfm). This is the only course in South Australia that enables students to combine study in areas such as Sport and Physical Activity, Sport Coaching, Marketing, Tourism, Applied Sport Science, Nutrition and Business. Students also have the option from 2016 to study a new topic, “Psychology of Sport Participation and Performance.”

The University has a [SHAPE Research Centre](http://www.flinders.edu.au/courses/new-courses-2016/engineering-agricultural.cfm) which brings together researchers from across the University in the areas of Sport, Health and Physical Education. The Centre recently gave young footballers from South Adelaide Football Club a taste of AFL Draft Camp by undertaking a unique two day [Elite Development Academy](http://www.flinders.edu.au/courses/new-courses-2016/engineering-agricultural.cfm).

TAFESA

TAFE Applications are now open: [http://www.satac.edu.au/tafe-sa](http://www.satac.edu.au/tafe-sa). Students need to apply by Monday 30 November to get Equal Consideration for Competitive Courses. This is a bit different to SATAC Uni Applications. It means if you add a course after 30 November that is “Competitive” (as shown by the orange heading “COMPETITIVE Applications”) you will not get equal consideration even if you had other preferences on there by the 30 November. In terms of SATAC Uni we say you can add delete and reorder after the first date but at TAFE you can only add and reorder non-competitive courses after the 30 November deadline. The date for change of preferences of non-competitive courses with Equal Consideration is through to Thursday 31 December with offers being made around January 11 2016, (note some offers for Non Competitive Courses will be made before this date). Some of the “Creative courses” have additional application requirements that need to be met by specified dates – see TAFESA Website [www.tafesa.edu.au](http://www.tafesa.edu.au). We have emailed Year 12 students directly with additional information about upcoming Uni and TAFE Deadlines.

FLINDERS UNTEST

If students missed our sitting of the UniTest here at St Michael’s, they can now go straight to Flinders to sit it on campus at Flinders University, Bedford Park during the school holiday break: Tuesday 29 September, 9:00am-12:00pm, Tuesday 29 September, 1:00pm-4pm or Friday 2 October 1:00pm-4:00pm. Students need to [register online ASAP](http://www.flinders.edu.au/uni/unittest) to secure a sitting. Remember if you are applying for a “relevant” Flinders course then there will be two calculations for consideration of an offer – your straight Bonus point ATAR and the sum of 60% Bonus point ATAR plus 40% UniTest Result) – whichever is the better score will be the basis of consideration – you have nothing to lose: See: [http://www.flinders.edu.au/uni/unittest/](http://www.flinders.edu.au/uni/unittest/).
Grammar Corner 9

So far we have identified three kinds of clause in this basic grammar course - Main, Adjectival and Adverbial.

A Main Clause contains the central idea in a sentence, an Adjectival Clause gives the reader or listener more information about a noun in another clause while an Adverbial Clause does the same for a verb.

The sentence below contains one Main Clause, two Adjectival Clauses and two Adverbial Clauses. See if you can recognize these clauses and identify the words to which the Adjectival and Adverbial Clauses refer.

When I woke up early in the morning which was destined to become the most memorable in my life, I had no idea at all of the change which would occur so suddenly that I would never again be in any doubt at all as to my future path in life.
OLD SCHOLARS
WHERE ARE THEY NOW

Scott Camporeale ~ Class of 1993

In his graduating year, Scott played for the College’s 1st XVIII Football Team and was awarded Most Consistent player. He was also a member of the ISSA representative team and went on to play for SANFL club Woodville-West Torrens Eagles.

Scott was drafted by Carlton with draft pick number 15 in the 1994 AFL Draft. He quickly established himself as an impressive running midfielder for Carlton and was second in the 1995 AFL Rising Star Award behind Nick Holland (Old Scholar of Blackfriars Priory School, Prospect) who was then playing for Hawthorn. Scott’s speed was an important part of Carlton’s 1995 premiership winning side.

In 2000, Scott won Carlton’s Best and Fairest Award, the Robert Reynolds Trophy, as well as gaining All-Australian selection.

At the end of the 2005 season, Scott left Carlton Football Club and nominated for the 2006 pre-season AFL draft, hoping to secure a three year contract. He was successfully drafted to Essendon.

Debuting for Essendon in 2006, Scott’s career came to an unfortunate end when he suffered a right knee injury in Round 21 of 2007. Changing direction to tackle an opponent resulted in his knee bending and twisting the wrong way. Although surgery to the knee was successful, Scott opted to retire after 19 games over two seasons with the Bombers.

Scott went on to coach in an ‘assistant’ role at Essendon between 2007 and 2010. In October of 2010 he joined the Adelaide Crows as a midfield coach.

Following tragic circumstances, Scott picked up the interim coaching reins of the Adelaide Football Club and was paramount in supporting his player’s and the club through a very difficult period of its history.

COLLEGE INFORMATION

SCHOOL IMMUNISATION DATES 2015
All Year 8 students will be offered: 1 dose of Varicella (chicken pox) vaccine, 3 dose course of Human Papillomavirus (HPV) and 1 dose of combined Diphtheria, Tetanus and Pertussis (Boostrix).
Visit 3 Thursday 26 November Year 8 HPV (3)

UNIFORMS:
DOBSONS UNIFORM SHOP 1 Lawrie Street, Henley Beach 8150 2306

Normal Trading Hours: Tuesday, Wednesday, Thursday ~8:00am – 4:15pm
Please contact Mary or Margaret on 8150 2306 to arrange an appointment.
Parents are able to place orders using their credit card and supplying their name and the pastoral class of their son. Items will then be delivered to the Primary Campus.

SPECIAL: offering all parents specials in selected uniforms until the end of October. Appointments for new students are essential for the commencement of 2015, please call to schedule a time between 9:00am–3:00pm
