Dear St Michael’s Community,

COLLEGE CAPTAINS’ ADDRESS ~ GRADUATION MASS
(Extract of Presentation to the Class of 2015 by Gabriella Owens & Chris Galimitakis)

... Today was our final day of formal classes and now here we are, our Graduation Mass! Tonight is a night to celebrate our achievements and appreciate those around us; the people who mean the most to us, those who have been there every step of the way. We feel so honoured to be up here tonight, addressing you in a formal capacity for the last time.

It feels like yesterday when we, as a Year 12 group, were piling into Founders Hall for our first assembly, sitting up on the grandstand. Into the future we might have trouble remembering those maths formulas or Hamlet quotes, but we will never forget the memories we have created and shared together. Retreats, seminar days, and community events such as MAD and De La Salle Day, just to name a few, embracing the Lasallian ethos of St Michael’s College and enjoying ourselves with our friends. It’s impossible to forget the good times we have shared with our peers and teachers on a daily basis. These are the real memories of high school that we will all cherish forever.

How crazy is it to think that we started school in 2003? Since our first day of Reception all the way to tonight, we have bared witness to the launch of MySpace, Facebook and Twitter, we’ve seen the loss of Michael Jackson, Paul Walker and Whitney Houston, and the appointment of the first African-American President; Barack Obama. This just shows how long we have spent at school and allows us to reflect on all that has happened over the past thirteen years.

For some of us, our St Michael’s journey began at the SMC primary campus and from a number of visits to Beverley we have come to understand exactly what it means to be Lasallian and a part of this amazing community. The boys at the primary school are so full of life and love, and their incredible enthusiasm for school reminds me of how lucky we are to have the privilege of attending a school like this one. How lucky we are to be a part of it all.

For the majority of us, our St Michael’s journey began in Year 8 and to look back on those days, it feels like they happened a lifetime ago. We can probably all agree that St Michael’s College has given us so much. We are unbelievably lucky to have called this place home for the past 5 years and the innate Lasallian spirit will follow us throughout our lives I am sure of it. Through countless stories from old scholars I am confident that the strong friendships built at this school have every chance of continuing long into the future. Everyone of us will always be a part of the St Michael’s community. That is what makes St Micks so special, and we say thank you to the entire College community, for making this so much more than just an exceptional education.

To our teachers; whether they be from the primary school or our teachers through Years 8 to 12. We would like to take a moment to appreciate the long hours you spent chasing us for work, marking our assessments and providing us with the knowledge we needed to get through the year. We can only imagine how much we, at many times during the year, tested your patience. Through your actions, we know how much you care, and we believe that it’s important that you know just how much we appreciate everything you have done for us. This amazing tool of knowledge you have given us will now be cherished and shaped until each and every one of us finds our place in the world. As the Class of 2015, we now have a responsibility to venture out into our chosen paths and work to contribute positively to society, forever St Michael’s College Old Scholars.

2015 will forever hold a special place in our hearts. For many, the Retreat this year represented a time where everything seemed to fall into place. In the midst of gruelling deadlines and stressed-out students and teachers, Retreat was the perfect escape for all and from all. The day to day activities were enjoyable, however it was the final night, a time of reflection, where we truly appreciated how much we meant to each other. In sharing personal stories, regrets and achievements with each other, we weren’t just an odd group of Year 12s, we were much more than that. We were a group of friends, and that’s something that’s really hard to achieve.

To our support networks, whether they be parents, grandparents, extended family or close friends. Whoever you are and whatever you do, we would just like to say ‘thank you’ on behalf of all of the Year 12 students this year, as we wouldn’t be here without your ongoing love and support. We truly appreciate those little things you have done for us, whether they be those pre-test pep talks or that odd piece of comfort food. At the start of this year, we were told that it was not just the students that went through Year 12, it was the parents as well. You have helped us to realise our full potential and through your ongoing words of wisdom you have made that light at the end of the tunnel seem brighter and brighter. So thank you for coming along for the ride with us, it would not have been the same without you.
We have had the most amazing experience representing you this year. It is also very important to acknowledge the other twenty two College Leaders. It has been an absolute pleasure to work with each and every one of you and we thank you for the support and contribution you have made to the school this year and we are so proud of everything we have achieved as a leadership group. I think a special mention has to be made of our Vice Captains Jack Stewart and Melak Khaleel. Genuine and kind hearted doesn’t even begin to cut it. You really are amazing people whom we look up to.

As we look around at the people surrounding us we take a moment to appreciate who they are and how far we have all come together. We’ve inspired each other to be the absolute best we can be. We push each other to reach our full potential and inspire each other through sheer determination and hard work.

Each and every one of us now has the responsibility to go out into the world and show everyone what a student of such an amazing College can do. St Michael’s College has provided us with a foundation of which we will all continue to build on for the years to come, no matter our chosen pathway and as we continue living out the life of a Lasallian in all that we do.

Congratulations and thank you Class of 2015!

Best wishes to our

AMEB MUSIC EXAMINATION RESULTS

Congratulations to three of our music students on achieving highly successful results in their recent AMEB Music Examinations.

Benjamin Fitzgerald: A (Honours) Grade 4 Piano examination
Glacomo Guttilla: A (Honours) Grade 5 Piano for Leisure examination
Thomas Chan: A (Honours) Grade 6 Piano for Leisure examination

These outstanding results are only achieved by very hard work on their instrument and hundreds of hours of practice. We congratulate all three students and we are very proud of their musical achievements. Well done! Congratulations also to their piano teacher Eva Guttilla, on more excellent results for her students. We are very pleased and proud to have Eva teaching piano at both campuses of the College.

Mr Tim Donovan, Director of Music

2015 PREMIER’S BE ACTIVE CHALLENGE - YEARS 8 and 9

During Term 3 this year, many students in Year 8 & 9 have participated in the Premier’s Be Active Challenge. Students complete 300 minutes of activity each week for 10 weeks. We have had over 458 students enrolled in the Challenge with the completion rate climbing to 89%, one of the highest in years! SMC is ranked in the Top 50 schools in the State for completing the Challenge.

There will be a Premier’s Awards Ceremony on Wednesday 18 November at Priceline Stadium, Mile End (Netball SA) from 9:15am – 11:50am, where the Premier, Mr Jay Weatherill, will present the Year 9 SMC representatives with the Premier’s Be Active Award and a cheque for $1000 for the College. Congratulations to everyone who has taken part this year.

YEAR 10 ITALIAN MELBOURNE TRIP

‘GIROVAGANDO PER LE STRADE DI MELBOURNE’ (‘EXPLORING THE STREETS OF MELBOURNE’) – MELBOURNE TRIP

A group of nine Year 10 Italian students accompanied by their Italian teachers, Mrs Maria Pepe-Micholos and Mrs Patrizia Puglia have just returned from a weekend spent in the Victorian capital city. The language immersion program ‘Girovagando per le strade di Melbourne’ (‘Exploring the streets of Melbourne’) enabled students to be exposed to the unique sights and sounds of Melbourne, build lasting friendships and learn to recognise Australia as a culturally diverse nation that respects and appreciates cultural diversity. As their teachers, it was a pleasure to observe students embrace the program wholeheartedly and move out of their comfort zone by interacting in Italian at all times.

“Before the trip I had never been to Melbourne. Boy had I been missing out. Melbourne is such a great place, the busy people, the big buildings and brilliant art, and just the general vibe of the city. I think that Melbourne is like Adelaide only cooler and more interesting. We visited a number of interesting Italian places including the Italian Museum in Carlton, Brunetti’s café/restaurant and a shop selling a whole manner of Italian gear. We visited the Queen Victoria Market, the Eureka Tower, Bourke Street Mall and the National Gallery of Victoria. We had the opportunity to develop and put into use our Italian skills, subjecting all, from waiters to shop owners, to our multilingual talents. Other than the language, I learnt a number of things about myself, the others and the city. I discovered that I could understand Italian better than I thought. I was introduced to the basics of fashion. I navigated the streets of a foreign city and I embraced its bustling atmosphere. The trip was only three days long, but I feel like I experienced so much in those three days, and got to know some of the others, and the teachers. Before the trip, I had not really thought about it and what it would involve. I was surprised at how busy and yet so relaxed the whole thing was. We did so much, but it was casually done. The booklet provided background information on everything we did and everywhere we travelled. The whole trip was extremely fun, and I had an amazing time. The food was great, the city was great, and the company was fantastic. It felt longer than three days. The trip to Melbourne was an amazing opportunity, e’ Grazie mille’ a Mrs Puglia and Mrs Pepe ‘per un viaggio incredibile’. Ben Fitzgerald 10ST

The experience that we’ve all shared together will certainly be something I’ll never forget. One of the things that I truly appreciated doing was visiting Lygon Street and the Museo Italiano (Italian Museum). It was so touching to be able to see how well the Italian culture is doing in Australia. Dining at La Spaghettata was absolutely lovely and the people were so welcoming and we were treated like family. Going to places like St Francis Church, Sandridge Bridge was incredibly special as it gave us some information about the migration movement over time. Being able to communicate with other Italians was quite rewarding also, as you are constantly learning something. I’ve always been proud of my Italian heritage and now I remember why. Gianna Guttilla 10CO

Going to Melbourne this year will definitely be a highlight. I was given a great opportunity to spend time with those of my age who too share an interest in Italian; not only the language but the culture, food and history. I was very impressed with Melbourne’s uniqueness and beauty as we first rode the tram through the city. The influence of Italian culture is very prominent throughout Melbourne. Lygon Street was my favourite as it had an authentic Italian ambience. Interacting with the teachers in Italian was challenging yet fun as I was able to demonstrate my knowledge of the language. The Sandridge Bridge visit was really interesting and quite heart-warming. The sculptures were outstanding and portrayed powerful messages in regards to the different periods of migration in Australia, whilst in the Museo Italiano I was reminded of my own grandparents who migrated from Italy. This allowed me to imagine myself in their position and how I would feel. I enjoy learning about other cultures and hope to have more opportunities to experience more in the future. NOVEMBER 2016
ITALIAN EXCHANGE

Students will spend just over 3 weeks in Italy where they will attend our Lasallian sister school, San Giuseppe de Merode close to the Spanish steps in the very heart of stunning, historic Rome. Information about the school can be found at http://www.sangiuseppedemerode.it/.

Involvement in this program will lead to an opportunity to host a student from Italy in 2017. During this once-in-a-lifetime opportunity students will have the opportunity to extend their Italian skills and further develop their intercultural skills by visiting additional cities such as Pompeii, Florence, Verona, Milan and Venice. In addition they will have the opportunity to experience the breath-taking sight of Italy illuminated for the Christmas season. What an amazing opportunity!

YEAR 12 SACE RESULTS
The SACE Board has advised that Year 12 results will be available from **8:30am on Tuesday 15 December**. Ms Kemp and Ms Coorey will be available at the College. If any students wish to make contact on the day, they can call: 8150 2353. We encourage students to go to SACE Online www.sace.edu.au/students-online and make sure their PIN is sorted out well before that date. We have encouraged students to write all their important details down on one sheet and take a photo on their phones. Students will have until 4 January for SATAC Uni and 31 December for SATAC TAFE to add, delete and change the order of most courses (Note: some courses cannot be added after 30 September). The TAFE change of preference deadline for most courses is 31 December. We will be sending home a very detailed Final Careers Bulletin in mid-November with a summary of all end of year information.

**2016 Bachelor Degree with Flinders**
CDW Studios recently announced our Bachelor of Creative Arts (Digital Media) in conjunction with Flinders University. The response has been outstanding so far and we would just like to make sure all interested students have applied. The applications close 27 November 2015. A link to the Bachelor of Creative Arts page on the Flinders University website has been provided for more information, http://www.flinders.edu.au/courses/undergrad/bca-digital-media/

Christmas Holiday Workshops
Over the Christmas holidays CDW is offering two 2 day workshops for students. The first is on December 14/15 and this is Digital Painting in Photoshop with Tyler Bartley and the second is January 18/19 Creating 3D Characters with Alex Colvin. These are workshops designed for high school students who would like to learn about digital painting in Photoshop and also an introduction into 3D modelling from industry professionals. They are a fantastic opportunity to see what studying at CDW Studios is all about. The cost for each workshop is $120 and run from 10:00am – 4:00pm each day. Teachers are also welcome to come along if interested. A link to the website with more information has been provided for interested students, https://cdwstudios.com/workshops.

THE SIR CHARLES BRIGHT SCHOLARSHIP TRUST
The Sir Charles Bright Scholarship was established in 1985 in memory of Sir Charles Bright, a former judge of the Supreme Court and a man who did much in his public duties and in his private life for the disabled and disadvantaged in our community. The Scholarships are awarded to persons with a disability undertaking post-secondary education, whether at University, Technical and Further Education or other recognised post-secondary educational institutions. **Applications close 24 December 2015.** For more details see: http://www.rphadelaidelife.org.au/scholarship.htm. Scholarships of $1,500 are presented annually in February/March. The Sir Charles Bright Scholarship is administered by a Board of Trustees. It receives support from the Royal Society for the Blind, Guide Dogs SA/NT, PARAP QUAD SA, Multiple Sclerosis Society, the Brain Foundation, 5RPH 1197AM, Arts SA and the Department of Employment, Training and Further Education, Rotary and Lions Clubs and Private Donors. Mr Kevin Woolford VET Coordinator, Ms Rose Coorey and Mr Anthony Viazniaris – Careers

CERTIFICATE 3 VET COURSES IN 2016
Many Year 11 and Year 12 students have already signed up for a Cert 3 VET Course in 2016. Both the Cert 3 in Micro Business and Cert 3 in Fitness courses are run here at St Michael’s on a Monday afternoon over the course of the year and we currently have a few vacancies available, filled on a first come basis. This year saw 41 Year 12 students opt to do these courses in the place of another TAS subject. Students often elect to do a Cert 3 as it is in the area of their career interest, to improve chances of employment, to develop tertiary study skills and in some cases to enable a better Year 12 ATAR score. Of interest the VET Cert 3 Fitness is the first step to becoming a Personal Trainer and on its own may help gain employment as a Gym Assistant. In addition the theory in the Cert 3 fitness also underpins much of the introductory learning in Health Science pathways at university. The Cert 3 Micro Business helps students develop skills to set up their own small business. Given the value of entrepreneurial skills for our students entering the workforce of the future, in many cases balancing employment with their own business venture on the side, the value of the Cert 3 Micro Business is significant. Congratulations to Year 12 student Dylan Tanner who won the Most Outstanding Business Plan Award for 2015 with his semester when undertaking a Cert 3 to keep on top of their workload. This year we found whilst many students tried to do a Cert 3 on top of their normal load, over 80 percent ended up dropping a subject(s) to keep on top of their workload. As such we are encouraging families to really think about a Cert 3 now and how it may fit in your son/daughter’s subject selections for 2016.

This year, these courses began around Week 6 of Term 1 and as such there were spaces for students who factored in a VET course late in proceedings. In most cases these late VET enrolments were from students who encountered difficulty in their selected subjects in the first five weeks of Term. In most cases students had given in to these initial subjects without a strong teacher recommendation or had not performed well in the final round of Year 11 assessments. Of course students undertaking 2016 subjects with a strong subject teacher recommendation are encouraged to continue with their initial choices. Next year these VET courses will begin in Week 1 Term 1 and as such there will not be the flexibility to join these classes. Whilst it is possible to change subjects within the first two weeks of the year (assuming spaces available) we wanted to bring to your attention that these two very popular VET courses are filling fast and will not be able to take late enrolments once having begun in Term 1 Week 1. We also remind interested students that they must have a genuine interest in these areas in particular for Fitness a willingness to be active and participate in all aspects of the course. VET courses do require some out of class bookwork that students need to complete before each session and for Fitness there is a requirement to do between 12-20 hours of Work placement. The Cert 3 Fitness also includes completion of a First Aid Certificate.

If you have any queries please contact Kevin Woolford: kevin.woolford@smc.sa.edu.au in the next week.
DEFFENCE FORCE RECRUITSING

For the conclusion of 2015, Defence Force Recruiting – Adelaide has created two Information Sessions designed for school leavers.

Entitled ‘ADF Opportunities for School Leavers’ these sessions will provide students with detailed information on the vast array of career options and avenues available to them at the conclusion of their secondary education. Options include furthering their education through the Australian Defence Force Academy (ADFA) or if they are attending a civilian University, they may be able to apply for the Defence University Sponsorship (usually done at the end of their first year of study). Leavers may be interested in the Gap Year program, or if seeking a full time role within the ADF, there are over 200 roles to choose from.

ADF Opportunities for School Leavers Information Sessions

Session 1: 12 November 2015, LVL 4, 191 Pulteney Street, Adelaide at 6:30pm. RSVP: cptsa@dfr.com.au
Session 2: 3 December 2015, LVL 4, 191 Pulteney Street, Adelaide at 6:30pm. RSVP: cptsa@dfr.com.au

Grammar Corner 12

The last few Grammar Corners have focused on clauses in an attempt to encourage students to use specific clauses in their work because this is a very good way to improve the quality of their writing. Anybody who has followed these short weekly features who would like to dig a little more deeply into the structure and functions of the components of an English sentence will find it informative to refer to A Short Guide to Better English which can easily be found on the St Michael’s College Intranet.

To end the topic of clauses in the Grammar Corner series here is a complex sentence containing a Main / Independent Clause, two Adjectival Clauses, two Adverbial Clauses and a Noun Clause. See if you can find these and recognize how each combines logically with another clause, functioning so as to provide the reader with more relevant information in one coherent sentence.

The kindly old priest who was a man of wide experience and deeply religious beliefs that helped him cope with his short battle with illness. He never turned anyone away and was always prepared to offer his assistance to those less fortunate.

Next week the Grammar Corner will start to look at some of the grammatical errors which in recent times have become regrettably all too common in the media and then unfortunately reflected in schools.

IN REMEMBRANCE

Vince Condello RIP ~ Class of 1979

Lawyer Vince Condello will be remembered for, among many things, the passion he had for his work. He was tireless, never turned anyone away and was always prepared to offer his assistance to those less fortunate.

Vince grew up in the western suburbs and completed his high school years at St Michael’s College. At the University of Adelaide he obtained a Bachelor of Science degree, before moving to the University of Tasmania where he completed his law degree.

It was in Tasmania that he met the love of his life, Carla.

After completing his law degree, Vince returned to Adelaide for his Graduate Diploma in Legal Practice at what was then the South Australian Institute of Technology.

It was during this course he forged friendships with people that would last his lifetime. They included the likes of Lindy Powell, David Edwardson, Michael Abbott, Martin Anders and Heath Barclay to name just a handful.

On completion of his studies in early 1990, Vince began work with a plaintiff’s law firm in Adelaide, Mahoney’s. Just a year later he established his own legal practice and shared offices with Harry Patsouris. He remained in that working relationship until he passed away in December 2012.

While he undertook many criminal briefs, Vince’s major field of expertise was personal injury and workers’ compensation – where his empathy for those he represented was most acute. For a time, Vince also served on the executive of the Australian Plaintiff Lawyers Association.

Vince lived for his work, but more importantly, for his clients – sometimes to the detriment of his health. During the course of his practising life he employed and mentored a number of Adelaide’s well known legal practitioners.

Vince and Carla married in 1994 and they had two sons, Salvatore and Alex.

Vince was a deeply religious person having served on the Parish Council for his parish of Mater Christi. It was no doubt that it was his deeply religious beliefs that helped him cope with his short battle with illness. He also served as a lay minister for most of his adult years.

Vince’s wife Carla and sons Salvatore and Alex, together with Nick Fazzalari, decided to honour Vince’s Memory by having a Fundraiser last year. The ‘Vince Condello Memorial Fundraising Evening’ was held on 23rd August 2014 and was a great success. The dinner dance had in excess of 400 people attend and was a true testimony to the many people Vince knew and helped during his short life.

Vince’s family decided all funds raised would go to the Flinders Medical Centre Foundation for Stomach Cancer. It was with much delight that a cheque was presented to Flinders for $37,605.00. Carla said of the function, “it was a wonderful way to bring people that knew Vince together and raise much needed funds to combat this hideous disease.”
