Dear St Michael’s Community,

SACRAMENTAL PROGRAM
A significant number of Year 4 students are preparing for their reception of the ‘Sacraments of Initiation - Reconciliation, Eucharist, and Confirmation’. Over the next few weeks the boys will undertake their First Reconciliation. Their preparation is a shared responsibility between family, school and the parish. The parents, together with their sons, have been attending the all-important preparation meetings in readiness. We also acknowledge the many other students who are undertaking Sacramental Programs within their own parish.

Wishing all families every blessing as you journey with your sons in their expression of faith.

SUNDAY MASS IN THE PRIMARY CHAPEL
Last Sunday the Primary Campus celebrated its first Family Mass for 2016. The Mass was significant in that it was celebrated by Fr Chris Murphy, who is an old scholar. Fr Chris began his schooling in Year 8 (First Year) at St Michael’s College, Beverley and graduated in 1963 (Leaving Honours). In 1959 he was the Year 8 Dux, whilst in his graduating year was elected College Vice-Captain. His First XVIII coach described him as “an elusive centreman and rover, who showed plenty of courage in gaining possessions from the crushes!” At our Mass Father reflected upon his memory of St Michael’s College and expressed his pleasure in returning to very familiar surrounds. Welcome back Fr Chris!

PORTFOLIO CONFERENCE EVENING - Celebration of Learning
Our first Portfolio Conference Evening was held on Tuesday 5 April and was once again extremely well supported by families. The evening provides students an opportunity to showcase simultaneously their school work and learning to their families during a 30 minute block under the guidance of their teachers.

The Specialist Curriculum areas were available to provide an insight to the families into the learning activities that take place in Physical Education, Music, Art, Italian and Information Literacy. The PCE, as respectfully referred to, provides parents with an opportunity to set some realistic goals with their son’s to enable them to work towards a positive Semester 1 Report. We are currently developing a new Formal Report that will be available to parents on our learning platform, SEQTA. As this evolves, the Leadership Team at the Primary Campus will provide further information to families. We look forward to this new reporting format. Some Portfolio Conference Feedback;

‘We loved seeing your work up to date and what you’ve learned so far. Listening to your enthusiasm when talking about your research was excellent’. Junior Primary Parent.

‘As a teacher, the Portfolio Conference Evening allows me to see the growth of the boys in all curriculum areas’

‘It was a great opportunity to show Mum and Dad what we are doing in class. They were very impressed with what we are learning.’ Year 6 student.

MISSION ACTION DAY
On Friday 8 April Mission Action Day will be held across the College. The students will involve themselves in a number of activities to raise funds for Lasallian projects. In recent years the monies collected were directed towards Lasallian projects throughout the Asia-Pacific region providing poor children with an opportunity for a better future and supported projects such as:

- the Children Youth Centre, Ponta Leste in Baucau, East Timor;
- the Hohola Youth Development Centre;
- six schools in Pakistan;
- a number of other secondary schools in and around Port Moresby.

This year funds will continue to be directed to priority projects in Pakistan for the Lasallian Foundation. The day is a great opportunity for students to continue to build positive relationships with one another whilst working toward a common cause. Our new Reception students are really looking forward to their first MAD as new members of our Lasallian community.

We look forward to next week’s STAR for our Primary Feature including MAD photos and stories.

Live Jesus in our Hearts!

SARAH CLARK

The best thing I did over the holidays: going to the shack because I spent time with my friend and wakeboarded.

My favourite TV program/s is/are: Arrow, Vampire Diaries, Galavant, Leverage because they are amusing with good plot lines.

One chore I don’t like doing: ironing because it’s annoying when you accidentally iron a crease in.

In my spare time I like to: read and spend time with my dog.

My favourite band is: Maroon 5.

As a child, something that I was very proud of was: my reading skills and being in a higher grade than others my age.

Words that describe my personality: articulate, analytical, kind, smart, stubborn.

I have a pet: Siberian husky whose name is Cuba.

JORDANA MONTESI

The best thing I did over the holidays: go to the Taylor Swift Concert because my sister and I got upgraded to VIP front row!

The thing that I am the proudest of is: doing well in my dancing. It is my passion and I have done it since I was 3.

In my spare time: I like to see my friends and family because I think it’s important to spend time with the ones you love!

One chore I don’t like doing: vacuuming because my cat is scared of the vacuum.

As a child, something that I was very proud of was: making up dance routines with my sister and cousins because we used to perform them in front of the whole family.

I have a pet: kitten whose name is Florence.

KALYAN RIGNEY

The best thing I did over the holidays: hanging out at the beach because it was relaxing and it’s one of my favourite places.

My favourite TV program is: Prisonbreak. Because it makes you think and the plot is awesome.

My favourite band/s is/are: NWA because I like how they use their experiences to expose racism through their music.

I have a pet: dog whose name is Nelson

As a child, something that I was very proud of was: Holding the record in the family for the most visits to the emergency department at the Womens and Children’s Hospital.

Something funny that has happened to me was: fell into the Murray River at 2 years old while it was pitch black. I was trying to wash a burnt marshmellow off a stick.

CYBER SAFETY EXPERT SUSAN MCLEAN VISITS ST MICHAEL’S COLLEGE
On Friday April 1, we were fortunate to have Susan McLean, one of Australia’s leading cyber safety experts, visit the College to talk to our students from Year 8 through to Year 11 about staying protected online and secure in all areas of the digital space.

Based in Melbourne, Susan McLean is regularly sought to provide advice and assistance to a wide range of diverse organisations including various education sectors, elite sporting bodies, adolescent psychologists, child protection agencies and medical practitioners. Susan has appeared on a range of national television shows including Insight, Four Corners, Sunrise and Today Tonight and has spoken on a variety of National Radio stations including 3AW and its affiliate stations throughout Australia.

Susan’s expert insights, together with her ability to connect with her audience thoroughly engrossed our student cohort and staff alike through her practical, easy to understand presentation. Susan shared a lifetime of ‘real’ experiences, as she drew on actual cases and examples to advise our students of both the positives and negatives of the online world. Her information was highly knowledgeable and relevant, especially to us in the school setting.

We thank Susan again for such a dynamic and worthwhile presentation.

Please be advised that the Term 1 report enables subject teachers to request an interview with parents/caregivers. Whilst it is up to the parents/caregivers to take up the offer, you are encouraged to take the opportunity to discuss your child’s progress.

When you log on to the Parent/Teacher Interview Program and follow the instructions, you will note that the subject teachers who have requested an interview will have been already prioritised (in green in the right hand column). Every attempt will be made to ensure that interviews requested by teachers and parents/caregivers are allocated; however, in some cases this may not be possible due to the demands and constraints of the program.

To make the most of this opportunity it is important to be prepared. Before your interview, plan specific questions you wish to ask and identify factors of which teachers may need to be aware. The interview process should be seen as an opportunity for a two-way discussion where the interests of your child are important considerations for both parties. We also strongly encourage students to attend the interviews in order to enhance the conversation and to hear constructive feedback firsthand. After the interview it is important for parents to follow up on matters discussed at the meeting with their son or daughter. Acknowledge strengths, identify areas where improvements can be made and encourage your child to take responsibility for his/her own learning.

We look forward to seeing you and your child on your selected day.

YEARS 10 AND VET SEMESTER 2

This week, I spoke at the Year 10 Assembly to inform students that from Semester 2, they are eligible to participate in a VET Course. These Courses (which attract SACE credits) act as a transition between school and work and enable students to explore a career path. Courses in Semester 2 may run for a half day during a term/semester or a full day for a term/semester, depending on what a student chooses. Those interested were asked to take an Expression of Interest form and discuss with their parents. After we receive the forms at Student Services, we will make an appointment to give more details and undertake the enrolment process. These Courses are generally run through the school day (most are off campus) and it is an expectation that students make up any school work missed. Please note, according to our VET Policy, St Michael’s College pays 75% of these particular VET courses meaning that individual families must cover the remaining 25% (generally between $75 - $250).

Dear Parents/Guardians,

COLLEGE UNIFORM – TERMS 2 & 3

The end of Term 1 is quickly approaching, and as such, it is an opportune time to prepare for the change of uniform for Terms 2 and 3. For many students it will have been 6 months since they have worn the College Winter Uniform and some adjustments may need to be made to ensure that they are ready for Day 1, Term 2.

Please find below, an extract from the College Diary (page 13) which outlines these uniform requirements. Please pay particular attention to the requirement to have the white shirt tucked in at all times.

Other guidelines regarding the expectations the College has of the students are in the College Diary (pages 11 to 19).

** White shirt options (IMPORTANT)

1. Short sleeve crested shirt available from Dobsons which may be worn untucked during Terms 1 and 4. This shirt MUST be tucked in during Terms 2 and 3. If unable to be tucked in, an alternative white shirt must be worn as per below.

2. Short or long sleeved non-crested shirt (ie a standard plain white shirt available from a supplier of your choice or Dobsons). MUST be tucked in and worn with the College tie.

Please note that clothing worn under the uniform should not be at all visible.

Optional Winter Physical Education Uniform for Practical Lessons:  
- St Michael’s spray jacket
- St Michael’s navy track pants

Whilst in school uniform, students are representing the College. As such, it is expected that the uniform be worn correctly and that non-uniform items are not worn. This includes when travelling to and from school and at all times whilst at school.
