Dear St Michael’s Community,

A warm welcome and all the best for a successful Term 2. As we near the end of our first busy week back at school, I would like to reflect briefly on a number of special events held during the term break. Each of these build on the strong spirit of community so central to St Michael’s College.

LASALLIAN EDUCATOR’S CONFERENCE: “GOD HAS CALLED YOU TO YOUR MINISTRY”

This inaugural conference was held in Perth, at La Salle Middle Swan from Sunday 17 April until Tuesday 19 April. It was highly successful, with outstanding keynote addresses including Superior General Brother Bob Schieler, Br Gerard Rummery and Miranda Chow (Lasallian Foundation). There were a range of concurrent sessions and a number of opportunities to socialize with the 170 delegates from across the District and Pacific-Asia Region, including approximately 30 Brothers. St Michael’s College was represented by Mrs Marie Dorrington (Board Chair), Br Chris Gorrnge (Board Director), Mr Damian Patton (Deputy Principal, Primary) and myself.

In his welcome to the conference, our Brother Visitor David Hawke wrote:

“While the theme and the various presentations will focus the delegates on their particular ministry and serve to inform them on others, the fact that people gather “together and by association” will be a rich experience in itself. Further, the conference will be a wonderful occasion to express our solidarity with each other not only in the District but also in the PARC Region.”

I am confident that Br David will have been more than pleased with the success of the conference on all levels. Thank you to our colleagues from La Salle Middle Swan for their impeccable organisation and outstanding hospitality.

JOHN BOEYEN AFFILIATION

A terrific celebration was held on Wednesday 20 April in the College Chapel and afterwards in the MacKillop Centre. Those in attendance included family, friends, Brothers, past Principals, staff, College Leaders and Board Members. A special mention also to Benefactor, Mrs Bev Fitzgerald and her husband Brian. We were also particularly fortunate that timing allowed the attendance of the Superior General of the De La Salle Brothers, Br Robert Schieler, General Councillor Br Ricky Laguda and Br Visitor David Hawke to be part of the celebration. In reading from the Letter of Affiliation, Br Robert acknowledged with joy and gratitude John’s outstanding collaboration with the Institute, the quality of his personal life inspired by Lasallian spirituality, and his active and long-lasting participation in our work of education.

John is pictured above with Brothers (from back row left), Br Ricky Laguda, Br John Pill, Br Paul Rogers, Br Kenneth Ormerod, (front) Br David Hawke, Br Robert Schieler and Br Tim Peter.

ANZAC DAWN SERVICES

Anzac Day goes beyond the anniversary of the landing on Gallipoli in 1915. It is the day on which we remember all Australians who served and died in war and on operational service. The spirit of Anzac, with its qualities of courage and sacrifice, continues to have meaning and relevance today. St Michael’s College was once again proudly represented at Dawn Services at Henley Beach and Seaton Park as detailed in this edition of The Star.

They shall grow not old, as we that are left grow old:
Age shall not weary them, nor the years condemn.

Live Jesus in our Hearts!

John Foley
Principal

DOBSONS UNIFORM SHOP OPENING HOURS
Dobsons Uniform Shop (8150 2306): Tuesday, Wednesday Thursday 8:15am – 4:15pm

STUDENT ABSENCE
24 hour Student Absentee Lines: PRIMARY : 8150 2397 SECONDARY : 8150 2323

Parents are requested to contact the College via the designated absentee lines by 9:30am, if a student is going to be absent or late. We are unable to accept absences reported by students or via EMAIL.

With consideration for student welfare, the Administration Centre contacts all parents via text message if a student is absent and there has been no contact.

Extended Leave
Parents are requested to advise the Administration Office, in writing, of extended leave, ie: family holidays.

Secondary Students
If students are running late to their pastoral class in the morning, they MUST report to the Administration Office, with a note in their diary. If a student has been marked absent by the Pastoral Teacher and has not signed in at the Administration Office, a text message will be sent to the parent regarding their absence.

Secondary Students Leaving The Property During School Time
Parents and students are reminded of the procedure to follow if a student is required to leave the campus during school hours.

Parents are asked to write a note in the student’s diary. The student should have this note signed by their Year Level Director or Assistant before proceeding to the Administration Office to sign out. If the student returns to the campus during school hours, they are also requested to enter the property via the Administration Office to sign back in.

TRAFFIC CONCERNS
The support of all vehicle drivers is requested in regard to traffic safety around both Primary and Secondary campuses. The safety of all is paramount and we ask that every road user (pedestrian and driver) be very conscious of placing safety ahead of all other concerns. Council officers regularly monitor parking around both campuses so please be mindful of the parking restrictions that are in place.

SECONDARY CAMPUS: PARKING RESTRICTIONS
There are parking restrictions on both sides of Mitton Ave between 8:00 – 9:30am and 2:30 – 4:00pm. Lawrie St has restrictions on the southern (college) side between 8:00 – 8:30am and 2:30pm – 4:00pm.

PRIMARY CAMPUS: ROAD SAFETY
Please use the pedestrian lights when crossing East Avenue. Standing or straddling in the middle of the road as cars travel past is an unsafe practice.

DROP OFF SAFETY AREA & SURROUNDING PARKING RESTRICTIONS
Hubbard Street is a ‘Kiss n Drop/Pick Up’ area AND No Parking Zone between 8:00 – 9:30am and 2:30 – 4:00pm on school days. You can park and wait for your son to enter the College grounds OR alternatively get out of the car to ensure your son is safe (do not move more than 3 metres away from your vehicle). The drop off and pick up must be completed as soon as possible – in any case, within 2 minutes.

Students waiting to be collected are to remain in the undercover walkway and refrain from playing ball games or leaving this area until collected by their parents/caregivers. Yard Duty Supervision concludes at the drop off zone at 3:40pm and students who have not been collected are escorted to the office to contact their parents/caregivers.

PARKING is prohibited (NO STANDING) on both sides of East Avenue from just north of Hubbard Street to just south of George Street 24 hours a day.

Students who utilise the bus service do so via the East Avenue gates; they are escorted to the bus by Yard Duty Supervisors. The students are to refrain from playing ball games while waiting for the bus.

The outer perimeter of the school and side streets are regularly monitored by City of Charles Sturt Compliance Officers, please obey the parking signage to avoid penalties.

The Moorland Avenue gate is a “Staff Only” access point.

Please be attentive to all parking signage, including Saturday morning when attending College Sporting activities.

PRIMARY PARKING
Compliance officers will continue to monitor the outer perimeter of the school and side streets regularly. Parking infringement notices will be issued if road users do not adhere to parking signs around the school and in particular in Hubbard Street. We also ask that road users ensure their vehicles are not parked in or across the driveway of our school neighbours.

Please be particular mindful that Child Safety is paramount and takes priority over the inconvenience of not having access to a park. As the weather turns more inclement the need for greater attentiveness to safe road habits increases. Please consider timing pick up for perhaps 5 minutes later as you will be surprised at the ease of accessibility. Conversely when weather is particularly inclement you can, in person, collected your son from 3:10pm, this is to support those parents/caregivers who park and walk. Don’t park in the Pick-Up Zone and leave your vehicle unattended.

Mr Kym Clark, Director Lasallian Mission

Please take this opportunity to look through the wardrobe for suitable items of clothing or perhaps include a few extra non-perishable items in your shopping to donate. **Your donations can be brought to school from 2 May to 20 May. All donations will be forwarded to the St Vincent De Paul Society.**

**NATIONAL WALK SAFELY TO SCHOOL DAY**
National Walk Safely to School Day aims to encourage safe pedestrian behaviour and promotes the health and environmental benefits of walking by asking parents and carers to walk to school with their children. Please visit the web site for more information www.walk.com.au/WSTSD/register-for-publicity.asp.

**COMMUNITY DAY – THURSDAY 12 MAY**
A recent tradition at the Primary Campus has been the celebration of members of the Lasallian Family on the day prior to the Whole College Mass. The day originally began four years ago to honour the life of Chol Chol, and continues in his memory and for all members of our Lasallian family who have gone to their heavenly reward. A shared BBQ and Buddy Activities are held throughout the day. Students can wear casual clothing – allowing families to have their son’s uniform in pristine condition for the Feast of De La Salle Mass the following day. Please be advised that the Term 1 report enables Subject Teachers to request an interview with parents/caregivers. Whilst it is up to the parents/caregivers to take up the offer, you are encouraged to take the opportunity to discuss your child’s progress.

When you log on to the Parent/Teacher Interview Program and follow the instructions, you will note that the Subject Teachers who have requested an interview will have been already prioritised (in green in the right hand column).

Every attempt will be made to ensure that interviews requested by teachers and parents/caregivers are allocated; however, in some cases this may not be possible due to the demands and constraints of the program.

To make the most of this opportunity it is important to be prepared. Before your interview, plan specific questions you wish to ask and identify factors of which teachers may need to be aware. The interview process should be seen as an opportunity for a two-way discussion where the interests of your child are important considerations for both parties. We also strongly encourage students to attend the interviews in order to enhance the conversation and to hear constructive feedback firsthand. After the interview it is important for parents to follow up on matters discussed at the meeting with their son or daughter. Acknowledge strengths, identify areas where improvements can be made and encourage your child to take responsibility for his/her own learning.

We look forward to seeing you and your child on Tuesday 10 May.

**NAPLAN TESTING: 10-12 MAY, 2016**

All students in Years 3, 5, 7 and 9 will undertake National testing in Literacy and Numeracy over a three day period in May.

The NAPLAN is a nationally developed program commissioned by the Ministerial Council for Education, Early Childhood Development and Youth Affairs (MCEECDYA). The tests are administered simultaneously in all schools across Australia. NAPLAN tests are another way of finding out what students can and cannot do so that support can be provided. As such, it is a valuable diagnostic tool for teachers so that they can individualise students’ learning programs. At St Michael’s, our teachers have been working with students so they are prepared for their upcoming tests. This assists in alleviating any anxiety students may be experiencing as the test dates near so that they can perform to the best of their abilities. NAPLAN individual student reports show the achievement of an individual student in a series of bands, against National Minimum Standards and the ranges of achievement for the middle 60% of students in Australia. These reports are expected to be ready for distribution to parents/caregivers during September. Further information for parents can be accessed from the website: [www.nap.edu.au](http://www.nap.edu.au)

_Ms Kemp, Director of Curriculum & Assessment Administration_
During Term 1, our Year 11 Information Technology students at St Michael's College participated in the GROK Web Comp (Beginners). This online programming challenge, attracting approximately 3000 students, was run internationally by GROK Learning, an organisation started by a group of educators and software engineers from the University of Sydney who “are passionate about teaching the next generation the skills they need to become the creators of tomorrow”. Students used HTML (Hypertext Markup Language) and CSS (Cascading Style Sheets) to create and style webpages over a period of 5 weeks. Each week, students web programming skills were developed through a variety of problems ranging from basic to challenging. The course was hands-on and interactive, with accessibility given to course materials and online tutors.

The Information Technology Education Department would like to congratulate Salvatore Arena, Rhys D’Sylva-Peck, Jason Lam, James Salvemini, Thomas Downer and Matthew Marchioro for achieving a Perfect Score, Michael Eason, Ryan Simpson, George Moustos, Evan Spodniak for achieving a High Distinction and Jaden Tachos, Jack Hunter for achieving a Distinction. These students appeared in the competition Leaderboard which showed the top 60 students. Giacomo Guttilla achieved a Merit.

The final task of the competition was for students to apply their CSS skills to style a webpage, Popup News, so it was eye-catching, attractive and easy to read. Once submitted, the webpages were part of a voting system, one for participants only and one open to the public. During voting, voters were shown two webpages and asked to choose which they preferred. This continued as long as the voter wanted to vote. Jaden Tachos was ranked 1st and James Salvemini 27th on the participant voting Leaderboard, and George Moustos was ranked 22nd on the public voting Leaderboard. These are excellent results for students new to web programming.

Mrs Carmen Swan - Information Technology Teacher

Nicholas Thompson, Class of 2008, received the highest Australian Bravery Award after helping in the rescue of his friend, Chris Blowes, who was attacked by a six-metre white pointer shark at Fishery Bay, near Port Lincoln, on April 25, 2015. The Star of Courage Award was announced in March 2016.

Without the quick thinking and bravery of Nicholas and stranger Christian Pyke, surfer Chris Blowes was unlikely to have survived this terrifying shark attack.

Nicholas was surfing with his friends when he heard another surfer call out “shark”. He and another friend frantically paddled to where Mr Blowes had been attacked and pulled him from the water.

After Mr Blowes was dragged to shore, a leg rope was used as a tourniquet to stem the blood flowing from his severed leg. Mr Blowes was clinically dead for 90 minutes before he was revived and despite losing his left leg and more blood than the average human body contains, is now on the road to recovery.
