Dear St Michael’s Community,

FOUNDERS DAY MASS
Founders Day is a time to reflect on the rich history of the Lasallian mission and the dedication to providing a human and Christian education to the young, especially the poor. Each year, Lasallians honor St John Baptist de La Salle, Founder of the Institute of the Brothers of the Christian Schools (De La Salle Brothers) and Patron Saint of Teachers. De La Salle died in Rouen on 7 April 1719, was beatified by Leo XIII on 19 February 1888, and canonised by the same Pope on 24 May 1900. Pope Pius XII then proclaimed De La Salle the Patron Saint of Teachers on 15 May 1950 and this is the date that his Feast is now normally celebrated. Many schools and ministries host various events and liturgies to honor De La Salle.

At St Michael’s College, our 2016 Founders Day Mass was celebrated today, Friday 13 May, at the Secondary Campus. Over 1700 students and staff from both campuses came together in what proved to be a wonderful community example of a Catholic school in the Lasallian tradition. The Mass was concelebrated by Fr John Rate, an Old Scholar of St Bedes, a Lasallian College in Mentone, and Fr Chris Murphy, an old scholar of St Michael’s College from the Class of 1963.

OLD SCHOLAR ASSOCIATION
We are currently in the process of inviting a cross-section of our community to take part in a community consultation regarding the development of a St Michael’s College Old Scholar program. The consultation is being conducted in support of the College’s Strategic Priorities and aims to give parents, old scholars, staff, students and other members of the community an opportunity to offer feedback on the direction and form of any Old Scholar program offered by the College.

The aims of the study are to establish:
● Community interest in an Old Scholar program for St Michael’s College;
● Input and feedback regarding the type of activities, events, and programs that may be incorporated.

If you would like to participate in a discussion group, please contact the College on 8356 5966 or via email: pastoral@smc.sa.edu.au. Group discussions will be held at various times from 23 May to 3 June, 2016.

CLASS OF 1966
Speaking of Old Scholars, we acknowledge the Class of 1966 who this year will celebrate their 50th year since Graduation. Many of the class will join together for a special dinner next week. Can you pick the current St Michael’s College teacher amongst these fresh faces?

Live Jesus in our Hearts!

STUDENT ABSENCE

24 hour Student Absentee Lines: PRIMARY : 8150 2397  SECONDARY : 8150 2323

Parents are requested to contact the College via the designated absentee lines by 9:30am, if a student is going to be absent or late. We are unable to accept absences reported by students or via EMAIL.

With consideration for student welfare, the Administration Centre contacts all parents via text message if a student is absent and there has been no contact.

Extended Leave

Parents are requested to advise the Administration Office, in writing, of extended leave, ie: family holidays.

Secondary Students

If students are running late to their pastoral class in the morning, they MUST report to the Administration Office, with a note in their diary. If a student has been marked absent by the Pastoral Teacher and has not signed in at the Administration Office, a text message will be sent to the parent regarding their absence.

Secondary Students Leaving the Property During School Time

Parents and students are reminded of the procedure to follow if a student is required to leave the campus during school hours.

Parents are asked to write a note in the student’s diary. The student should have this note signed by their Year Level Director or Assistant before proceeding to the Administration Office to sign out. If the student returns to the campus during school hours, they are also requested to enter the property via the Administration Office to sign back in.

TRAFFIC CONCERNS

The support of all vehicle drivers is requested in regard to traffic safety around both Primary and Secondary campuses. The safety of all is paramount and we ask that every road user (pedestrian and driver) be very conscious of placing safety ahead of all other concerns. Council Officers regularly monitor parking around both campuses so please be mindful of the parking restrictions that are in place.

Secondary Campus: Parking Restrictions

There are parking restrictions on both sides of Mitton Avenue between 8:00am–9:30am and 2:30pm–4:00pm. Lawrie Street has restrictions on the southern (College) side between 8:00am–8:30am and 2:30pm–4:00pm.

Primary Campus: Road Safety

Please use the pedestrian lights when crossing East Avenue. Standing or straddling in the middle of the road as cars travel past is an unsafe practice.

Drop Off Safety Area & Surrounding Parking Restrictions

Hubbard Street is a ‘Kiss n Drop/Pick Up’ area AND No Parking Zone between 8:00am–9:30am and 2:30pm–4:00pm on school days. You can park and wait for your son to enter the College grounds OR alternatively get out of the car to ensure your son is safe (do not move more than 3 metres away from your vehicle). The drop off and pick up must be completed as soon as possible – in any case, within 2 minutes.

Students waiting to be collected are to remain in the undercover walkway and refrain from playing ball games or leaving this area until collected by their parents/caregivers. Yard Duty supervision concludes at the drop off zone at 3:40pm and students who have not been collected are escorted to the office to contact their parents/caregivers.

Parking is prohibited (NO STANDING) on both sides of East Avenue from just north of Hubbard Street to just south of George Street 24 hours a day.

Students who utilise the bus service do so via the East Avenue gates; they are escorted to the bus by Yard Duty Supervisors. The students are to refrain from playing ball games while waiting for the bus.

The outer perimeter of the school and side streets are regularly monitored by City of Charles Sturt Compliance Officers, please obey the parking signage to avoid penalties.

The Moorland Avenue gate is a “Staff Only” access point.

Please be attentive to all parking signage, including Saturday morning when attending College Sporting activities.

PRIMARY PARKING

Compliance officers will continue to monitor the outer perimeter of the school and side streets regularly. Parking infringement notices will be issued if road users do not adhere to parking signs around the school and in particular in Hubbard Street. We also ask that road users ensure their vehicles are not parked in or across the driveway of our school neighbours.

Please be particularly mindful that Child Safety is paramount and takes priority over the inconvenience of not having access to a park. As the weather turns more inclement the need for greater attentiveness to safe road habits increases. Please consider timing pick up for perhaps 5 minutes later as you will be surprised at the ease of accessibility. Conversely when weather is particularly inclement you can, in person, collect your son from 3:10pm, this is to support those parents/caregivers who park and walk. Don’t park in the Pick-Up Zone and leave your vehicle unattended.

Mr Matthew Williams, Director Pastoral Administration &
Mr Kym Clark, Director Lasallian Mission
MASS
Parents are invited to attend Mass which is celebrated on Thursdays at 9:00am in the Primary Campus Chapel.

PRIMARY CAMPUS PHOTOS
Class and individual photos will be taken of students in Year 1 to Year 7 on Thursday 16 June. Students will require their full college uniform which includes the blazer for Years 5–7. Family envelopes will be made available from the Primary Administration Centre from Monday 6 June. There will be no PE classes on this day. Reception classes will have Class/Family photographs taken 12 September due to the excursion on 16 June.

CATHOLIC EDUCATION WEEK
Throughout Catholic Education Week (13–20 May) we will collect non-perishable foods and clothing to donate to those less fortunate. The Catholic schools in Lockleys, Richmond, Henley Beach, Flinders Park and Findon have indicated support for this combined Western region initiative. Please take this opportunity to look through the wardrobe for suitable items of clothing or perhaps include a few extra non-perishable items in your shopping to donate. Your donations can be brought to school from 2-20 May. All donations will be forwarded to the St Vincent De Paul Society.

NATIONAL WALK SAFELY TO SCHOOL DAY
Friday 20 May is National Safe Walk to School Day. Parents and Carers are encouraged to walk to school with primary school age children to reinforce safe pedestrian behaviour, to promote the health benefits of walking and help create regular walking habits at an early age. Children up to 10 years old should hold an adult’s hand when crossing the road. It is important to help children develop the vital road-crossing skills they will need as they become mature pedestrians. Other benefits include reducing the car dependency habits that are being created at an early age and which will be difficult to change as children become adults, promoting the use of Public Transport, reducing the level of air pollution created by motor vehicles and the level of traffic congestion. Please visit the web site for more information www.walk.com.au/WSTSD/register

VOLUNTEERING - WHERE THE BENEFITS FAR OUTWEIGH THE CHALLENGES
On my recent trip to Africa as an Education Volunteer, I was keen to return to the Midlands Children’s Hope Centre (MCHC) Drop-in Centre to work with the orphaned and abused homeless children of Gweru, Zimbabwe. This was my fourth visit to Gweru as a volunteer and many of the children I met in 2012 are still there.

Zimbabwe is one of the world’s poorest countries. It has one of the highest numbers of orphans, per capita in the world, mostly due to the AIDS epidemic. Over the years a failing economy, very high unemployment, drought, a poor health system and no social welfare have compounded the problem putting pressure on families who struggle to cope. Family breakdown and the need to leave rural areas to find work in the city has led to an increase in the number of children and young adults living on the streets. The Drop-in Centre provides a meal, support and a safe haven to the street children aged from as young as 7 to 18 years. This time I also noticed an increase in the number of young women on the streets some of whom are pregnant or have young babies. Finding the money to maintain the Centre has been a constant battle for the MCHC and during the past year it has had to close on several occasions due to an inability to pay the rent. The Centre relies almost exclusively on donations from volunteers and is run by staff who only ever receive payment when/if there is money to spare, which is rare. There is no government support or system in place to help provide for these vulnerable children. The money I raised last year through the movie night and via generous donations from staff at SMC ($730US) made it possible for the Centre to remain open, paid for basic groceries and food, bought gas for cooking and also provided $50US to each of the 5 full time staff who had not received any remuneration since September last year.

Working at the Drop-in Centre actually provides something immediate and positive to these kids. Being able to give them a hot meal means that for that day, at least, they have eaten. Sitting down with them talking, playing games (they loved Connect 4) and teaching them basic skills in English and numeracy as well as instruction in life skills helps them to maintain a connection to society and gives them a sense of belonging. Working at the Drop-in Centre has always been a special part of my volunteering journey. The fact that many of the children have not lost hope and continue to come each day for lessons and to meet and mix with volunteers is testament to their faith and resilience. I find sitting down with a child, listening to him read, in English, one of the highlights of my day and their determination to learn and improve, inspiring. Leaving to come home, knowing so much more could be and needs to be done, is always hard and probably the reason I feel so compelled to keep returning!

The MCHC staff have asked me to say a special thank you to all those at SMC who made a donation of money and/or gifts to help support the children at the Drop-in Centre and to let you know that you are in their prayers.

**YEAR 8 HOMEWORK CLUB INITIATIVE**

All Year 8 students have been offered support with homework through the College Homework Club. The aim is to provide students with the opportunity to access support from a team of teachers representing various curriculum areas. Students are able to use the time to complete tasks with the assistance of a teacher should it be required and they have full use of computers and other resources within the College. Students are free to attend at their own will, or can be referred by a teacher. This is a service that is offered with no additional costs to the parents.

The Homework Club will be commencing next Tuesday 17 May from 3:30pm–4:30pm and will run each Tuesday for the remainder of the Term in room 1 and 2. To join the Homework Club, students can turn up on the day and begin receiving support from fellow students and teachers.

**YEAR 12 DRAMA**

For the duration of 2016, the Year 12 Drama class has been working on their class production of Noël Coward’s *Blithe Spirit*. Set in 1940’s England, Coward wrote a witty, comical improbable farce as a means of dealing with the taboo topic of death during WW2.

*Blithe Spirit* follows, Charles Condomine, a novelist, who wishes to find inspiration for a novel he is writing. Inviting good friend Doctor Bradman and his wife Mrs Bradman for drinks and dinner with his wife, Ruth, Charles arranges an eccentric medium, Madam Arcati, to hold a séance in his home. At the séance, Madame Arcati accidently summons Charles’ late wife Elvira who has been dead for seven years. A sequence of events leads to a series of accidents causing havoc as Elvira attempts to interfere with Charles’ current marriage with hilarious results.

Beginning with initial readings of the script, the class began to brainstorm the themes, ideas and possible visuals for our production. Deciding on the roles of each class member, we began to share our ideas with one another as we analysed the play. With rehearsals in full swing, actors began experimenting with voice and movement as the backstage crew began their initial designs and concepts. Throughout the rehearsal process last term, the show has continued to develop and our excitement for the production season is building. With the final stages of the rehearsal period taking place, we eagerly anticipate sharing our performance with the College community and celebrating our learning of five years in Drama at St Michael’s.

Tickets are free and strictly limited. The can be reserved by booking through Eventbrite with the password ‘farce’; [http://bit.ly/21VnJjJ](http://bit.ly/21VnJjJ)

OLD SCHOLARS
WHERE ARE THEY NOW?
Fr Chris Murphy ~ Class of 1963

After leaving St Michael’s in 1963 (St Michael’s was still contained at Beverley), I spent 4 years at Adelaide University and Adelaide Teacher’s College where I graduated with a Bachelor of Arts and a Diploma in Teaching. My first teaching appointment was at Lefevre Boys Technical High School where I taught English and Social Studies, working for the State Education Department. I really enjoyed my time teaching at Lefevre. The school was well disciplined and the staff, especially the senior staff, were very helpful and supportive. It was natural to choose a mentor and even though such a position was not official, my mentor was ideal for me. He taught me to be ‘firm and friendly’ with the students.

I then entered the seminary in Sydney for late vocations in response to a nagging thought that I may have been called to be a priest. The ‘nagging thought’ came to fruition after much study of subjects like Scripture, Theology and Philosophy and much inspiration from experienced priests when I was ordained a Priest in Henley Beach Church in 1975.

My first appointment was to teach and to supervise a dormitory of more than 60 students. Hard work it was, but also very rewarding.

I was then sent to Moonah Parish in Hobart for 4 years which proved to be a happy time and a good introduction to 5 years of youth and parish work in Kippax Parish in Canberra before returning to Adelaide as Parish Priest of Hindmarsh for 3 years and then of Henley Beach for another 6 years. It was great to be back home.

6 years is often the length of time for an appointment and so I left Henley for Kippax again and then 6 years at Kensington where significant political figures were parishioners. Among them were a Deputy Prime Minister, Lionel Bowen, and a Premier of New South Wales, Kristina Keneally. Being next to Randwick meant that some very successful race horse trainers were also part of the congregation … that was a more than interesting time!

I was then asked by our Religious Order (The Missionaries of the Sacred Heart) to work with our students for the priesthood, in Blackburn, Melbourne again for just over 6 years before returning to South Australia as Assistant Priest at Flinders Park, Hindmarsh where I have just taken up my position.

A nice seasoning of my time as a priest has been 6 months biblical study in Israel and later a 4 months renewal course in England.

Always I have found our Catholic lay people to be fine friends and strongly supportive.

In sum … I have had A Fortunate Life.
