Dear St Michael’s College Community,

As the term has drawn to a close, staff have been busily encouraging students, especially the current Year 10 and 11 students, to think about their future pathways. The break from the routine of school is an opportunity to further consider future options.

REPORTS: Reports outlining student progress for the first Semester will be sent home via the SEQTA portal this week. I encourage parents to peruse and discuss results with their sons and daughters. The parents of Year 12 students will have the opportunity to discuss progress at the scheduled Parent/Teacher Interviews on Tuesday August 2. Year 8-11 parents will have this opportunity later in the term.

YEAR 12 SEMINAR DAY 2: The second Year 12 Seminar Day held last week was led by Glenn Gerreyn, Director of "Oxygen Factory". Glenn is a highly sought after communicator who speaks to more than one hundred thousand people each year throughout Australasia in his mission to educate young people to face challenges with confidence and make positive life choices. A great number of our past students speak very highly of the positive impact Glenn’s presentation had on them during their final year of schooling. Glenn’s interactive presentation gives students the opportunity to reflect on the effects that external influences and personal perceptions have on the individual. By encouraging critical thinking, students are provoked to counteract negativity and make informed, healthy choices. Glenn’s presentation is dynamic and challenges students thinking about life.

You can read a selection of the student reflections from this Seminar Day later in this edition of The Star.

YEAR 12 EXAMS: Year 12 students will sit their trial exams in Week 1 of next term. The exam schedule has been published in The Star and is also available on the College intranet.

TRAFFIC SAFETY: Please take careful note of the traffic safety message inside this edition of The Star. We are asking parents to be especially aware of pedestrians and the speed of vehicles in the vicinity of the College.

STAFF RETIREMENTS: At the end of this term we extend our best wishes to two staff members who are moving on to spend more time with family and friends in retirement.

Mrs Helen Murphy joined St Michael’s to ‘help out’ for a short period of time in an administrative capacity. She is retiring six years later having "helped out" in Student Services, Music Department, the Bookroom and the Administration front office. Helen’s professional and wise counsel will be missed.

Richard McVey, an esteemed member of our Tech Studies and Maintenance Staff, is retiring after 21½ years of service. Richard’s expertise in many areas, particularly carpentry, have served the College well. Many a staff member has asked Richard "Could you build this to fit that?” ... and he would, with ease and perfection.

We extend our best wishes to both Helen and Richard.

Staff and students look forward to the holiday time to relax, refresh and prepare for a busy Term 3 and to those travelling during this time, please do so safely.

Live Jesus in our Hearts.

ADMINISTRATION MATTERS

TRAFFIC SAFETY
The support of all vehicle drivers is requested in regard to traffic safety around both Primary and Secondary campuses. The safety of all is paramount and we ask that every road user-pedestrian and driver, be very conscious of placing safety ahead of all other concerns. Council officers regularly monitor parking around both campuses so please be mindful of the parking restrictions that are in place.

SECONDARY CAMPUS ~ PARKING RESTRICTIONS
There are parking restrictions on both sides of Mitton Ave between 8:00–9:30am and 2:30pm–4:00pm. Lawrie Street has restrictions on the southern (college) side between 8:00am–8:30am and 2:30pm–4:00pm.

PRIMARY CAMPUS ~ Road Safety and Kiss 'n' Drop/Pick up Zones
Please use the pedestrian lights when crossing East Avenue. Standing or straddling in the middle of the road as cars travel past is an unsafe practice.

DROP OFF SAFETY AREA & SURROUNDING PARKING RESTRICTIONS
Hubbard Street is a ‘Kiss n Drop/Pick Up’ area AND No Parking Zone between 8:00am–9:30am and 2:30pm–4:00pm on school days. You can park and wait for your son to enter the College grounds OR alternatively get out of the car to ensure your son is safe (do not move more than 3 metres away from your vehicle). The drop off and pick up must be completed as soon as possible – in any case, within 2 minutes.

Students waiting to be collected are to remain on the undercover walkway and refrain from playing ball games or leaving this area until collected by their parents/caregivers. Yard Duty Supervision concludes at the drop off zone at 3:40pm and students who have not been collected are escorted to the office to contact their parents/caregivers.

PARKING is prohibited on both sides of East Avenue from just north of Hubbard Street to just south of George Street 24 hours a day. is NO Standing or

Students who utilise the bus service do so via the East Avenue gates; they are escorted to the bus by Yard Duty Supervisors. The students are to refrain from playing ball games while waiting for the bus.

The outer perimeter of the school and side streets are regularly monitored by City of Charles Sturt Compliance Officers. Please obey the parking signage to avoid penalties.

The Moorland Avenue gate is a “Staff Only” access point.

Please be attentive to all parking signage, including Saturday morning when attending College sporting activities.

Mr Michael Flaherty, Business Manager

PRIMARY CAMPUS

MASS
Parents are invited to attend Mass which is celebrated on Thursdays at 9:00am in the Primary Campus Chapel.

DISMISSAL FRIDAY 8 JULY
Students will be dismissed at 12:40pm, it would be appreciated if Hubbard Street could still operate as a 2 minute Pick Up zone. Please don’t park your vehicle and leave – consider others.

SPORT TRAININGS - INCLEMENT WEATHER
Students/Parents will be notified as soon as possible after 2:30pm, if training has been cancelled. A text message will be sent from the Primary Campus to families advising them of the cancellation. In the event the weather becomes inclement after 2:30pm training sessions will be modified and/or moved indoors.

PERSONAL GROOMING
Parents are reminded that student hair styles need to be neat, tidy, out of eyes and without extremes of colour or style. As a general rule, if having a clipper cut no shorter than a number 3 is recommended. Thank you for your support in this matter.

LOST PROPERTY
Parents please regularly check to ensure your son’s clothing is labelled, especially spray jackets which often are discarded in active play. Also if clothing appears at home with another student’s name on it, please return the item to Administration as promptly as you can. Your support is sought to reduce the occurrence of lost property and return of items as quickly as possible.

INCLEMENT WEATHER AND ROAD SAFETY
The need to be particularly attentive to road safety increases in inclement weather. It is disappointing to note the apparent lack of emphasis a number of drivers and pedestrians place on safety, in particular stopping on the roadway and beckoning children to move onto the road to enter the vehicle, standing in the middle of East Ave waiting for a break in traffic, clearly exceeding the 2 minute Pick - up signage or even getting out of a vehicle stopped on the road. This behaviour places you, your son or grandson at greater risk. Please consider safety above a few extra seconds or minutes of inconvenience.

CAR SECURITY
There have been a couple of car break-ins recently around the school perimeter. Please ensure you do not leave valuables in the car in plain sight.

Mr Kym Clark, Director Lasallian Mission
YEAR 12 SEMINAR DAY 2

Student reflections ...

Without really knowing what to expect, it just seemed like another day we all had to sit through, with just another speaker that would attempt to give us advice and maybe half the year level would have listened to it. However, we got the shock of our lives when we all met Glenn Gerreyn. Glenn is the Director and Co-Founder of the Hopeful Institute, which delivers solutions for the school communities through powerful seminars that shift individual thinking and inspire audiences to navigate the complexity and disruption of contemporary society.

The seminar’s theme was ‘Day of Hope’. Glenn talked about how young people are living and inheriting an increasingly complex world – socially, environmentally and politically. It’s a world that causes many to flounder – drifting away from their true identity, forgetting their purpose, and being blinded by societal pressures and fears. After listening to this session words cannot describe what I felt and I think this goes for many others. Glenn helped me open my eyes to the possibilities that lay in front of me for my future and the future of others. He showed us that you shouldn’t be afraid to fail and even if you do ‘you pick yourself up, dust yourself off and try again’. It shouldn’t matter how many times you fail you just keep going because it’s your dream no matter how far-fetched or unrealistic it seems to you and the people around you, because if you want to be a rock star, be a rock star, if you want to be an astronaut be one, because it’s your life and your future and you should be able to feel happy and appreciated throughout your whole life because you made a difference no matter how small.

‘Day of Hope’ provided the knowledge and understanding that form the foundation on which students can build a hope-filled future. It helped us develop an understanding of the effects that external influences and personal cognitions have on us and how it effects the way we think, feel and how we see ourselves. Glenn is one of the greatest and most influential speakers I have ever heard and I am sure the rest of my cohort would agree with me. He showed us that not just as a person, or a year level, but as an entire generation, we can change the futures of not only ourselves but for the future generations to come.

Catherine Agostino

I honestly wasn’t sure what to expect from the day, I have had to listen to quite a few public speakers in my time at St Michael’s but I believe that Glenn has had the most profound effect on me out of every speaker that I have listened to. What I found most intriguing was his short and almost borderline brutish way of speaking to us, it was something that I found extremely effective in getting across his message and it felt good to not be babied during his talk. I would highly recommend attending his “Oxygen Factory” seminar as it does give you a well needed wake-up call to the world.

Alex Paraskevas

Within the first 10 minutes of his presentation it was obvious that missing a day of school would definitely be worth it. During the busiest time of the school year, pointers from Glenn regarding how to stay motivated and driven towards our goals was very refreshing. Hearing Glenn’s inspiring story of recovery awakened the Year 12 cohort to how lucky we actually are and consequently inspired us to pick ourselves up, dust ourselves off, and try again.

YEAR 8 HOMEWORK CLUB INITIATIVE

All Year 8 students have been offered support with homework through the College Homework Club. The aim is to provide students with the opportunity to access support from a team of teachers, representing various curriculum areas. Students are able to use the time to complete tasks with the assistance of a teacher should it be required, and they have full use of computers and other resources within the College. Students are free to attend at their own will, or can be referred by a teacher. This is a service that is offered with no additional costs to parents.

The Homework Club is held every Tuesday from 3:30pm – 4:30pm in Room 2 and will run until the remainder of the term. To join the Homework Club, students can turn up on the day and begin receiving support from fellow students and teachers.

For any more information on this, please contact Ms Rachel Philp, Assistant Director – Year 8.

Ms Rachel Philp, Assistant Director, Year 8

SECONDARY SUBJECT COUNSELLING INFORMATION

Term 3 is when students and parents make important decisions regarding subject choices in preparation for future career pathways. These choices should be guided by student interest and success in preparatory subjects.

Students in Year 10 will be completing in Semester 2, the Personal Learning Plan (PLP) as the first stage of their SACE Certificate. This is designed to assist students to identify possible career paths. Various parent information nights are designed to explain the subject selection process and SACE Certificate requirements and I urge parents to attend these if at all possible.

Mr Anthony Vizaniaris and Ms Rose Coorey are available for Careers Counselling and Mr Kevin Woolford is available for advice on VET courses.

Appointments can be made by contacting Student Services. Critical dates for specific stages of the subject selection process are listed below. Due dates for the return of various forms will be published on the forms. Your support in this important process is greatly appreciated and I can be contacted through Student Services to clarify any issues arising.

### YEAR 11/12 EXAM PROTOCOLS ~ STUDENT RESPONSIBILITIES

- Students should be ready to enter Exam Room 15 minutes before the starting time. Please assemble in the adjacent courtyard; for example, for all morning exams, please assemble by 8:40am, sign the attendance sheet outside the room and you will be directed from there.
- Students are not to enter the Exam Room until invited to do so.
- Students are to ensure that all the necessary equipment has been obtained for the Exam. NO borrowing will be permitted. NO pencil cases allowed.
- Students plagiarizing will have their paper cancelled. However, the Exam must be completed. Obviously final assessment will be adversely affected.
- No student will be permitted to leave the Exam Room before the appointed finishing time.
- READING TIME – Each student will be permitted to make notes and read the Exam Paper for ten minutes prior to the start of the Exam. All notes must be written on the sheet supplied ONLY. Before the Exam, consideration should be given as to how best to use this time. Check with teachers if uncertain.
- If a student is ill and unable to attend, a phone call must be made to Ms Kemp, ideally prior to the commencement of the exam.
- Full College uniform is required for all exams, including compliance with the Grooming Policy.
- Students are encouraged to bring a dictionary into the examination but only unmarked dictionaries are to be taken in.
- Students will not be required for formal lessons during the exam week. Instead, private study should take place at home.
- Graphic calculators need to be cleared for subjects other than Maths.
- Mobile phones are NOT permitted. Teachers will not be responsible for these during the examination period.
STUDENT SERVICES

UnISA DAY IN THE LIFE WINNER
Congratulations to Year 12 student, Anthony De Dominicis, for his successful entry in the UniSA Day in the Life Competition. He will have a great experience at Hewlett Packard in the holidays, the beginning of “networking” a career in IT. Well done on seizing this opportunity Anthony.

NURSING HOME WORK
We are eager to hear from anyone in our Community who may be able to support one of our 2015 graduates secure a position – (part time or full time) in a Nursing Home. The student has completed a variety of TAFE Certificates ranging from Cert 3 in Health Assistance to Cert 3 in Pathology. The student has a genuine desire to work with the elderly and past Work Placement Assessments confirm her suitability to this pathway. As a student who came to us through our refugee program and without the usual networks that support the majority of our students, she has had difficulty securing employment. If you have any suggestions or contacts we would appreciate hearing from you. Ultimately she would like to secure a traineeship and be able to do a Certificate 3 or 4 in Aged Care whilst working at the Nursing Home. She is not in a position to consider the one on one care in a private home. Please email: rose.coorey@smc.sa.edu.au.

UMAT MEDICINE & DENTISTRY
Ms Cimmino has had a meeting with all our Year 12 students who have registered to sit for the UMAT on Wednesday 27 July. We have arrangements in place to support these students during the trial exam week and we wish them all the best in the test. After months of lead in, we are finally here!

Any student who has a dictionary not on the approved list must have written to the SACE Board by 29 June to seek written approval to use the dictionary at the examinations. If approval was granted, the student must take the letter of approval to each examination for the exam supervisor to check.

A school that uses a dictionary other than those on the approved list may apply for blanket approval for students to use that dictionary. Use of bilingual and monolingual dictionaries

The SACE Board has approved the use of bilingual and monolingual dictionaries for examinations in all subjects.

Use of dictionaries in examinations

If you want to use a dictionary in the examinations you must provide your own. The SACE Board will not supply dictionaries.

The use of dictionaries in examinations is subject to the following conditions:

• a dictionary may not contain any additional material that may help you in the examination of the subject concerned
• the exam supervisor at the examination centre has the authority to inspect any dictionary.

Approved dictionaries

The list of English-English dictionaries approved by the SACE Board for use in examinations has been updated (November 2005). Please note that other editions of the same titles are acceptable.

FREE ONLINE MUSIC TECHNOLOGY COURSE

The University of Adelaide, through its massive open online course (MOOC) division, AdelaideX, has developed a free online music technology course, Music Technology Foundations - Musonic101x. This course is ideal for high school students looking to build their music skills with a view to a professional music career. It will also appeal to music teachers interested in learning more about music technologies who may take the course as part of their ongoing professional development. The course starts on Thursday 21 July. More information including registration details are available on the Musonic101x link on the AdelaideX website.
