Dear St Michael’s College Community,

Year 7 to Secondary in South Australian Catholic Schools

Catholic Education South Australia (CESA) has been working for some time on a strategy to move Year 7 to Secondary schooling contexts. Recently, the South Australian Commission for Catholic Schools (SACCS) endorsed a set of recommendations such that CESA has now advised it will be formally moving ahead with the strategy. Essentially this means that for most South Australian Catholic schools, from 2019 Year 6 will become the final year of Primary schooling and Year 7 the first year of Secondary schooling.

St Michael’s College

After much internal planning and in line with the CESA decision above, we are now pleased to announce that St Michael’s College will be implementing the move of Year 7 to the SMC Secondary campus as follows:

- Two SMC Year 7 classes relocate to the Secondary campus commencing 2018
- A full Year 7 cohort (as per current Year 8 model) will be enrolled to commence in 2019

In regard to enrolment and start dates, this means that:

Students currently enrolled in Year 5 at St Michael’s College will commence Year 7 at the Secondary campus in 2018. A parent forum will be scheduled for early in Term 4 to discuss the details of this move.

Students currently in Year 4 (excluding current St Michael’s College students) can now enrol to commence Year 7 at St Michael’s College in 2019. Enrolments will close in April 2017, with interviews held shortly after.

Students currently in Year 5 (excluding current St Michael’s College students) can now enrol to commence Year 8 at St Michael’s College in 2019. Enrolments will close in April 2017, with interviews held shortly after.

Planning and Implementation

As you can appreciate, there is considerable local and system planning required for such a move. Fortunately, in 2015, the St Michael’s College, Adelaide Board gave approval to undertake a planning exercise in collaboration with CESA and local Catholic schools, which would enable capacity for a full Year 7 cohort intake in 2019. Subsequently, this has been an ongoing focus at both College Board and Leadership team level for some time, with significant planning already underway. While the timeline below is a working document, it might assist in answering some of the initial questions community members have.

2016

- Continued planning at Board and College Leadership level.
- Ongoing, collaborative conversations continue with CESA and local Catholic schools.
- Community Engagement Plan implemented (including community forums), with a particular focus on staff, student and parental engagement.
- Progress Master Plan to project stage creating capacity for a full Year 7 cohort and Senior Learning Centre at the Henley Beach campus and Junior Primary and specialist areas development at the Beverley campus.

2017:

- Building works undertaken at both campuses.
- Year 7 and 8 2019 enrolment process undertaken (April/May).
- Alternate Year 6 program (including leadership and graduation processes) implemented at SMC Primary campus.
- Implementation of transition processes for SMC Year 7 2018 classes.
- Preparation of 7-12 curriculum model, including staffing requirements.

2018:

- Two SMC Year 7 classes commence at the Secondary campus.
- Implementation of transition processes for full Year 7 and Year 8 2019 cohorts.
- Specialist facilities upgrade at Secondary campus.
- Implementation of 7-12 curriculum model.
- Recruitment processes to appoint necessary increased staffing for 2019.

2019:

- Full Year 7 and 8 2019 cohorts commence at SMC Secondary campus.

2020:

- Full Year 7 2020 cohort commences at SMC Secondary campus (no new Year 8 intake).

This is an exciting and significant initiative that the College is embracing and it will surely generate much discussion and numerous questions throughout the community. Please be assured that following this initial announcement, we will continue to keep you informed as we undertake further planning and enter implementation phases. Both the Board and the College Leadership Teams are committed to working with the current and future St Michael’s College community to make this transition smooth and effective.

Live Jesus in our Hearts.

John Foley

Board Chair, St Michael’s College, Adelaide
ACADEMIC AWARDS

SECONDARY

Congratulations to the following students in Years 10, 11 & 12 who achieved Academic Excellence or Academic Endeavour awards for their Semester 1 studies.

**Academic Excellence:** presented to those students who averaged an 'A' grade across their Semester 1 subject areas.

**Academic Endeavour:** presented to students who achieved ‘Excellent’ or ‘Good’ for Application to Study and Behaviour in class for their Semester 1 subjects.

**BE THE BEST YOU CAN BE!**

… “the moment I pinched myself and realised I was living my dream.”

Adam Didyk

In April 2016, Adam Didyk, Year 7 Teacher at the St Michael’s College Primary Campus, was announced as the team distance coach for the Australian Athletics Olympic team, looking after athletes in the steeplechase, long and middle distance events. Adam will again be working closely with his personal athletes: Jess Trengove who represented Australia well at the London Olympics in 2012 and Madeline Hills (nee: Heiner) who will be making her Olympic debut. Adam is pictured here with Madeline (left) and Jess. We wish them, and all competitors, the best of luck in their chosen sport.

Another reason to be proud is that Adam is an old scholar of St Michael’s and you can re-read his story, first printed in 2015, in this week’s Where Are They Now article.

**PARENT WELL-BEING WORKSHOPS**

Don’t forget to book for upcoming workshops scheduled for Tuesday 16 August.

**SETTING CHILDREN UP FOR SUCCESS**

- **Session 1:** Junior Primary families
- **Session 2:** Upper Primary families
  - with Tim Dansie

Tim is a registered Teacher and Psychologist, has vast experience working with children and families.

**CHILDHOOD PLAY**

- **Session 1:** R - 7 families
- **Session 2:** R - 7 families
  - with Simon Hutchinson

Simon is the Director of Climbing Tree Nature Play and Sustainability Consultancy. Climbing Tree Nature Play is about providing opportunities for children to explore, create and reconnect with nature.

**GO GREEN CHALLENGE**

- **Session 1:** R - 7 families
- **Session 2:** R - 7 families
  - with Robyn Palmer

Robyn is a Business Owner, parent of students at the school and developer of Refresh Go Green App.

St Michael's College is committed to ensuring the entire College community is informed on current issues and best practice in drug education. Hence the College is proud to present Paul Dillon, Director and Founder of Drug & Alcohol Research Training Australia (DARTA) on Thursday 29 September, 2016 from 6:30pm - 8:00pm.

Paul Dillon has been working in the area of drug education for the past 25 years. Through his own business, Drug and Alcohol Research and Training Australia (DARTA) he has been contracted by many organisations to give regular updates on current drug trends. He continues to work with many school communities across the country to ensure that they have access to good quality information and best practice drug education. In 2009 his best-selling book for parents was released titled ‘Teenagers, Alcohol and Drugs’. With a broad knowledge of a range of content areas, Paul regularly appears in the media and is regarded as a key social commentator, with interviews on television programs such as Sunrise, TODAY and The Project. Paul also writes a blog where he discusses topical issues of the day, as well as addressing some of the questions and queries he is regularly asked by those attending his presentations.

Paul will be presenting separate sessions throughout the day to Year 10, 11 & 12 students and staff.

Parents and caregivers are invited to attend Paul’s evening presentation which will focus on the following topic:

“Teenagers, alcohol and other drugs 2016: How much influence do parents really have?”

This presentation focuses primarily on alcohol, although the results of the 2013 National Drug Household Survey will be discussed. It will examine what we know about the prevalence of alcohol and other drug use by young people, with a particular emphasis on the latest evidence on the risks associated with teen drinking. There will also be a close examination of the positive influence that parents can have on their child’s drinking behaviour, as well as the barriers that they may face during adolescence. It aims to empower parents with a positive message and assist them in having open and honest family discussions in this complex area.

BOOK YOUR SEAT BY CLICKING ON THIS LINK:

For further information, contact
Mr Matthew Williams at St Michael’s College on 8356 5966.
**PRIMARY CAMPUS**

**MASS**
Parents are invited to attend Mass which is celebrated on Thursdays at 9:00am in the Primary Campus Chapel.

**MASS IN CELEBRATION OF ST MARY OF THE CROSS MACKILLOP**
The feast day of St Mary of the Cross Mackillop will be celebrated at Sacred Heart Church Hindmarsh on Sunday 14 August with a combined Mass at 10:00am. A shared morning tea will follow. Please bring a plate to share.

**THE FEAST OF THE ASSUMPTION**
A whole Campus Mass will celebrate the Feast of the Assumption of the Blessed Virgin Mary on Monday 15 August at 11:00am in Founders Hall. Parents are most welcome to attend.

**FAMILY MASS**
The next Family Mass will be Sunday 11 September in the Primary Campus Chapel at 9:00am. Please consider attending.

Mr Kym Clark, Director Lasallian Mission

---

**SECONDARY CAMPUS**

**SECONDARY CAMPUS EARLY DISMISSAL ~12:45pm 14 SEPTEMBER, 2016**
Year 8 – 11 Parent/Teacher interviews are scheduled for Wednesday 14 September, 2016. Buses have been organised to accommodate the early dismissal at 12:45pm.

**YEAR 8 HOMEWORK CLUB**
The Homework Club is held every Tuesday from 3:30pm–4:30pm in room 2, and will run every Tuesday until the remainder of the term. To join, students can turn up on the day and begin receiving support from fellow students and teachers.

For further information, please contact Ms Rachel Philp, Assistant Director – Year 8.

Mrs Louise Kometer, Director of Teaching and Learning- Primary
YEAR 12 PARENTS SATAC NIGHT
It was great to have such a big turn out to the Year 12 SATAC Parent Night last Monday evening and we thank you for sharing this journey as we formally begin the transition to 2017 Tertiary Study. Last year saw 100% of our students who applied to SATAC for a University or TAFE course got offered a place and for 97% of these students it was either their first or second preference... hard statistics to beat. We hope two dates have made it onto the family calendar for those wishing to have a University preference in the system: being 30 September to have completed a SATAC application online, and then 30 December to make sure all final preferences are in order. Whilst the actual deadline for this is the 3 January 2017 as stated, we need time to check and contact students if there are any issues. The Year 12 Parent SATAC PowerPoint (with active links) is now accessible on the College Internet page: http://www.smc.sa.edu.au/learning/curriculum. I have added a final PowerPoint slide with links to information about future jobs and skills, procrastination and other areas of potential interest. This weekend we anticipate many families will be attending the Tertiary Open Days and we have provided the links below as planning is critical given set schedules for talks and tours and universities often spreading presentations across Campuses. We also ask that you remind your son or daughter that if they are interested in applying for University, there is a talk in the Mary McKillop Centre on Thursday 18 August 9:15am-10:15am, necessitating students coming to school early on that day. Thank you for your support in this matter. Please feel free to email any questions to: rose.coorey@smc.sa.edu.au or anthony.viziniaris@smc.sa.edu.au. We will respond via email or telephone as soon as convenient.

TERTIARY OPEN DAYS BEGIN THIS FRIDAY
This weekend sees all the Uni’s and TAFESA Adelaide College of the Arts open for talks and tours. Please make the most of these talks and tours as it only occurs once a year. It is imperative you plan your attendance carefully as there are set talk times for each course and talks occur in many different venues and even campuses. See below for the links to the schedules:

TABOR College: Saturday 13 August 10:30am-2:30pm. See http://tabor.edu.au/.

Adelaide Central School of Art: Sunday 14 August 10:00am-4:00pm, Glenside.

AIE Games Animation and Visual FX: Open Day Sunday 14 August 10:00am-3:00pm: http://www.aie.edu.au/openday.

YEAR 10 AND YEAR 11 UNIVERSITY PRE REQUISITE AND ASSUMED KNOWLEDGE INFORMATION 2018 AND BEYOND.
We remind parents and students that the 2017 publications from the Universities and SATAC are aimed at the current Year 12 cohort and as such do not refer to the new Stage 2 Australian Curriculum subjects up and running in 2017.

There is a section in the small SATAC Tertiary Entrance Booklet that has useful information for the current Year 10 and Year 11 students with regard to the new subjects. See page 45. This Booklet is very useful in the Subject Selection process as it shows both Assumed Knowledge and pre-requisite for each Course. On page 46 it does flag some changes to Pre-requisites for 2018 entry for Science at UniSA in particular.

Given the changes to the Mathematics course pathways for our current Year 10 and Year 11 students it is important to refer to page 45 in the orange: SATAC Tertiary Entrance Booklet 2017, 2018, 2019, as it clearly states that any reference to Maths pre-requisite or Maths Assumed Knowledge in any of the 2017 Tertiary Publications will have different titles for 2018 and 2019. Any reference to the 2016 version of Mathematical Methods and Mathematical Studies serving as a pre-requisite or Assumed Knowledge for 2017 entry will be replaced by the new SACE 2017 subject: Mathematical Methods. There will be no course that will refer to the 2017 subject Mathematical Studies as this will be replaced by the new Mathematical Methods. In this year of transition it is confusing for our current Year 10 and Year 11 families seeing in the SATAC Guide and University publications that there is a Maths Studies pre-requisite. This is for current Year 12 students only. The new Stage 2 General Mathematics 2017 will not serve as a pre-requisite or Assumed Knowledge for any Tertiary course in 2018 and beyond, but of course it will still contribute to an ATAR.

CAREER COUNSELLING APPOINTMENTS TO SUPPORT YEAR 10 AND YEAR 11 SUBJECT SELECTION PROCESS
Students wishing to have an appointment with one of the Career Counsellors prior to submitting their 2017 Subject Selection forms need to come to Student Services at recess or lunchtime and collect an appointment sheet. There is some preparation we ask students to do prior to coming to the appointment. Students who do not bring the completed sheet to the appointment may have their appointment rescheduled. We find when this preparation is done, we can make more use of the 30 minute appointment time slot. If parents wish to attend with their son or daughter they are most welcome. The appointment sheets are also accessible on the College Intranet, Student Services at the bottom of the Careers Section. It is very important that appointments are made as early in the process as possible. Of course Year 11 students will need to wait until they receive their books and forms next week.

Mr Kevin Woolford VET Coordinator, Ms Rose Coorey and Mr Anthony Vizaniaris, Careers
Where Are They Now?

Adam Didyk ~ Class of 1998

I started my schooling at SMC as a Year 4 student in 1990 and graduated in the Class of 1998. I remember vividly, the nerves I felt when addressing the school assembly as Achilles Cup Captain and the day that old scholar and Olympic Swimmer, Daniel Kowalski came for a school visit.

Since my childhood I have had a strong interest in Athletics. It’s offered me great opportunities, and allowed me to follow a passion throughout my life. This has enabled me to develop skills and relationships which will no doubt support me in my career and family life for many years to come.

After finishing secondary school, I went to UniSA and started my teaching degree. Whilst undertaking my Bachelor of Education, I was recruited by a number of Colleges in the United States as a Student Athlete and continued my studies whilst training. Whilst ‘student’ came before ‘athlete’ it was not the curriculum content that taught me the most. My year at the University of Memphis forced me to work harder than I ever had. I took on two years of University in one and tripled my required subject load so that I could leave after one year with a degree and major in Sport Psychology.

On return to Australia I completed my Bachelor of Education and in 2008 I was fortunate enough to have my first athlete qualify for an Olympic games which saw the start of my international coaching career and retired me as an athlete. Up until London, I was still pursuing my own ‘running’ goals, but sitting in the Australian camp I was faced with the confronting thought I had failed as an athlete. This is where I wanted to be, with this team preparing to race. Sitting there as a coach revealed to me that this was the pathway I would now follow, and from then I became more involved in professional athletic coaching.

Since that ‘lightbulb’ moment, I have coached Australian athletes on Australian teams in events ranging from Cross Country running, 3000m Steeplechase, Marathon/Ultramarathons and was the Australian Team Marathon Coach for 2014 in Glasgow. I had two athletes (pictured) who I personally coached in Glasgow, Jessica Trengove who came away with a Bronze Medal in the Marathon and Madeline Heiner who came 4th (behind 3 Kenyan runners) in the 3000m Steeplechase.

The lessons I have learnt throughout my education in many different realms will assist me in supporting my family, athletes and students at St Michael’s College well into the future. We all strive to be the best we can be, but it’s only when you see the world that you realise what is really required.

COMMUNITY NEWS

OUR LADY OF THE VISITATION PARISH 50th ANNIVERSARY CELEBRATION

The OLV Community invites all parishioners to a celebration lunch on Sunday 28 August 2016 in St Francis Community Hall, OLV School, Taperoo at 12:30pm. (Railway Tce entrance).

Join us for a “Bring-a-Plate” shared lunch and share memories of the OLV Parish. Please pass on this invitation to families and others who have been part of the OLV Parish story since 1966. BYO food plate to share and drinks. Tea, coffee and celebration cake supplied.

For enquiries and RSVP (for seating purposes) please contact – Carolyn Watt 0403 131 505 or email carolyn@picturethis.net.au or Mary Taylor 8248 0085 or email marypat@adam.com.au. If you have any photos or memorabilia you would like to lend us for the event please let Carolyn or Mary know.

SCHOOL DENTAL SERVICE

At the School Dental Service, dental care is free for all babies, children not yet at school and most children to age 17. For information about appointments and fees, contact your local School Dental Clinic on 8356 8394: Fulham Gardens School Dental Clinic, C/- Primary School, Mitton Avenue Henley Beach SA 5022.

CO-CURRICULAR NEWS

UNIFORMS

Please ensure you visit Sports Centre at 142 Port Road, Hindmarsh, to purchase the correct uniform for your son/daughter. Further information is available via the website: www.sportscentre.com.au or http://www.smc.sa.edu.au/__files/f/2850/co_curricular_website.pdf.

CO-CURRICULAR WEEKDAY TRAINING CANCELLATIONS

In the event that a co-curricular training session is cancelled on a given day during the week: students will receive an email notifying them of the cancellation. Parents will receive an SMS from the College informing them of the cancellation. This will occur at the earliest possible time once the decision has been made on the day that a particular training session has been cancelled.

Mr Jordan Young, Secondary Boys Co-curricular Coordinator
and Mrs Kate Didyk, Girls Co-Curricular Coordinator
*** Please note Girls Sport results will be featured next week
