Dear St Michael’s Community,

DISTRICT COUNCIL AND LASALLIAN MISSION COUNCIL VISIT
It has been a pleasure for St Michael’s College to this week host the District Council and Lasallian Mission Council. In addition to their own meetings, both groups were able to meet with the College Board and leadership teams in discussion around learning and teaching, as well as the Strategic Priorities of the College. These opportunities are valuable to all parties and help strengthen the association between the Brothers and those engaged with them in the Lasallian Mission and we thank and congratulate Brother David for his leadership in this regard.

Thursday night’s dinner included a significant moment, with the signing of a Memorandum of Understanding relating to the official transfer of Membership of St Michael’s College, Adelaide from the Trustees of the De La Salle Brothers to the Lasallian Mission Council. Whilst this is a significant shift in District Governance, the College Board will still maintain long-term operational and strategic responsibility for the Mission of the College.

The signing was part of a Transition Ritual that very aptly began with the hymn “Standing on the Shoulders”. The words of the song are particularly symbolic when we reflect on the Brothers, Board members, staff, students and wider community who have been instrumental in building the foundation for what we celebrate about St Michael’s College today.

I am standing on the shoulders
Of the ones who came before me
I am stronger for their courage, I am wiser for their words
I am lifted by their longing for a fair and brighter future
I am grateful for their vision, for their toiling on this earth

We are standing on the shoulders
of the ones who came before us
They are saints and they are humans,
they are angels, they are friends
We can see beyond the struggles and
the troubles and the challenge
When we know that by our
efforts things will be better in the end

... I imagine our world if they hadn’t tried
We wouldn’t be celebrating here today
(Small excerpt, Joyce Johnson/Earth Mumma)

NATIONAL SORRY DAY
Today is National Sorry Day, an Australia-wide observance held on 26 May each year. This day gives people the chance to come together and share the steps towards healing for the Stolen Generations, their families and communities. Stolen generations refer to Indigenous Australians who were forcibly removed from their families and communities. It is always held the day before National Reconciliation Week (NRW), which runs annually from 27 May – 3 June. These dates mark two milestones in Australia’s reconciliation journey: The 1967 referendum and the historic Mabo decision, respectively. National Sorry Day was recognised with Indigenous presentations across both campuses on Friday morning.

Live Jesus in our Hearts!

Principal

COLLEGE PHOTOGRAPHS ~ Secondary: Thursday 1 June and Primary: Wednesday 14 June 2017

Advance Life School Photography have been engaged as the providers of school photographs for St Michael’s College in 2017.

For the convenience of our school community, school photos can be ordered and paid for online using a secure online platform.

Orders placed online DO NOT require any envelopes, cash/cheques or paperwork. However, if parents would like to purchase photos in the traditional manner using an envelope with cash/cheque they can do so.

All enquiries can be made to: enquiries@advancelife.com.au.

The preference of our school is that orders and payments be made online, as this reduces the administration and associated security issues related to the return of cash & envelopes on photo day.

Parents are advised of the following:

- Sibling/Family Photos can be ordered online or via envelope. To ensure a smoothly run photo day, online orders for Sibling/Family Photos will be cut off at 12:00am the night before our photo day. Sibling photos can still be ordered after the online cut-off date by collecting an envelope from the office and returning the envelope on photo day with your payment enclosed.
- All online orders should be placed on or before our day of photography.
- The online code above may also be used to order sports and other group photos.

All orders placed online will be delivered to the school for collection.

- Late Fees/additional charges will be applied for purchases after photo day.
- Photos will be returned to your school for distribution approximately six weeks after photos are taken.
- Sibling photographs must be ordered either online or by order envelope prior to the day of photography.
- A photograph will not be taken without an order.
- Sibling photographs only apply to children enrolled at the school.
- Sibling online order will cut off at Midnight on 13 June.

Students absent on 14 June will have their Individual/Family Photographs taken on the 16 June, however no Class Photographs will be taken on this date.

Mr Kym Clark, Director of Lasallian Mission

PRIMARY CAMPUS

MASS
Parents are invited to attend Mass, which is celebrated on Thursdays at 9:00am in the Primary Campus Chapel.

FAMILY MASS
Please note the Family Mass on Sunday 25 June at 9:00am in the Beverley Chapel. An invitation to all SMC families is extended.

PRIMARY EMAIL ADDRESS
Parents are advised that if they wish to communicate directly with the Primary Campus the following address is available: primaryadmin@smc.sa.edu.au. All communications are handled in a confidential manner.

SPORT TRAININGS - INCLEMENT WEATHER
Students/Parents will be notified as soon as possible after 2:30pm, if sport training has been cancelled. A text message will be sent from the Primary Campus to families advising them of the cancellation. In the event the weather becomes inclement after 2:30pm, training sessions will be modified and/or moved indoors.

CANTEEN AND SMALL CHANGE
Parents/Caregivers are requested to ensure correct money is enclosed in lunch order bags and is not solely small change. It would be appreciated if the aim was to use the least number of coins as possible. Small change is manually counted on a daily basis and excessive 5 and 10 cent coins when used for as an example a $5 order, takes unnecessary time away from the Canteen Managers daily preparation duties. Foreign currency will not be accepted.
**LATENESS**

Missing a few minutes of school each day might not seem such an issue but research shows that mornings are the most productive time for children. That late arrival especially if it is habit forming, places your son at a distinct disadvantage to fully utilise the most valuable learning time of the day. Several helpful hints are:

- Establish a morning routine and remove distractions such as television and electronic games
- Set realistic time expectations including checking the school bag the night before

**SHARING OF FOOD**

At times students share food with other students. With the ever increasing number of food allergies that children are suffering from, this practice is one that needs to be discouraged. Students very often don’t realise the potential risks associated with food allergies. Please if your son does suffer from a Food Allergy remind him of the precautions he needs to take. It would also be appreciated if parents can discuss (age appropriate) with their sons that sharing food is best discouraged.

Mr Kym Clark, Director of Lasallian Mission

**GROK WEB COMPETITION**

St Michael’s College registered 29 students, across two Year 11 Information Technology classes, into the Grok Learning Program. The students competed in the Grok Web Comp – Beginners, along with another 3000 students registered internationally. Our students were enrolled into the Grok Learning Program, as part of their Stage 1 Information Technology course, in order to learn HTML and CSS needed to create web pages. This was an introduction into programming with very few students having any prior programming experience. Grok Learning courses are well suited for our students, as they are well structured, and provide an engaging, fun and challenging way for students to learn. Over a period of four weeks, students were taught the skills through set tasks and in the final week, they utilized their knowledge to style a webpage.

The top 60 performing students were added to a Leaderboard, and competing on an international scale. Fifteen of our students were on the Leaderboard and thirteen of those had a Perfect Score. Three of the students challenged themselves further by competing in the Intermediate Web Comp. All three of these students were on the Leaderboard, with Matthew Perrotta achieving a Perfect Score and Matthew Tokic and Christian Minchenburg achieving a High Distinction. We are very proud of our student’s efforts, and we are honoured that Grok noted their achievements and contacted the local media, which eventuated in an article appearing in the local Messenger.

**YEAR 9 RETREAT**

On Thursday 18 May, the Year 9 classes spent a day at the Beverly campus for a Retreat day. We separated into three groups and participated in a workshop with some of the South Australian Lasallian Team (SALT), buddied up with the Beverley students and were spoken and sung to by Indigenous artist, Scott Darlow. Throughout the day, we were able to remember what life was like at primary school by showing kindness and helping out the younger students with their daily classes and activities, from creating beautiful artwork to playing football.

Calia Sandona, one of our Lasallian Youth Ministers along with SALT and some of the College leaders ran a workshop. Here, we discovered the influences that the Lasallian Foundation and our school has had on the wider community, our fellow Lasallians, the less fortunate and those in third world countries. During the workshop, we discussed social issues such as homelessness, binge drinking/peer pressure and social media and discussed how we could make positive changes in these areas using our character strengths, including perseverance, social intelligence, courage and teamwork.

One of the highlights of our day was having an Indigenous singer/songwriter, Scott Darlow, perform for us. Not only was his singing amazing but he also spoke to us about the importance of National Sorry Day and the respect we must have for Indigenous Australians. Scott’s speech really touched our hearts and for some of us, hit close to home. He left us with one word, FLUTE, which stands for, forgiveness, love, understanding, tolerance and empathy. This highlights the way we should act and respond to situations throughout our everyday lives.

Overall, the Retreat was a great experience. We learnt how important it is to respect the Indigenous Australians who suffered and fought for their land, widened our knowledge on social issues such as homelessness, peer pressure, and technology and how much the Lasallian Foundation and our school supports those in need. We also had time to reflect on how we can plan for and be involved with change, “play to our strengths” and lead by example.

CROSS-COUNTRY & HOUSE SPORTS COMPETITION

Friday of Week 3, all students in the Middle School (Year 8-10) participated in the annual Cross-Country & House Sports Competition. This day involves each year level participating in a rotation of Cross-Country Running, Netball and Tug-O-War. We were blessed with ideal weather for these activities and the tone of the day was fantastic with many students dressed in house colours and all students showing a high level of participation and enthusiasm.

This day further allowed all students to express their house spirit and compete in a fun-filled environment. Overall winners on the day were Mutien House (Green), who just managed to beat Miguel House (Sky) and win the Br Chris Gorringe House Sports Cup. Winners of the Geoff Cornish Spirit & Sportsmanship Cup also went to Mutien House. There were many new College Cross-Country records set which was a fantastic achievement for these students. This event is proving to be an enjoyable day on the College calendar for Middle school students and will only get better into the future.

COLLEGE EXPECTATIONS

We’ve had a great start to our co-curricular program this term. Congratulations to all players on their efforts so far and parental support of our program.

We would like to remind students of the expectations of St Michael’s College and the player responsibilities as part of their enrolment. The St Michael’s College Co-curricular Policy states that “Where there is a conflict of interest between Club and College activities, a student must make themselves available for the College as and if required”. We are best equipped to do this when we have the full support of parents and students.

If there are students playing club sport and not currently playing for St Michael’s College, then could you please make contact with Jordan Young or Leanne Burton in the Co-curricular Office to discuss. Thank you
