

GET A HEAD START

Reception Mid-Year Intake

St Michael's College is offering a Mid-Year Enrolment Intake, Term 3, for Reception students who have attained the age of five on or before 31 October in that year. Students will complete six terms of Reception.

This Mid-Year Intake is in addition to the intake at the beginning of each year, where students complete a full year in Reception.

Benefits of six terms

Student learning will be enhanced with the two extra terms in Reception and will provide extended opportunities to set your son up for success.

Through a play-based curriculum he will discover, take risks, build confidence, negotiate, problem solve, create, learn to get along with others and develop self awareness.

This new Reception class will offer a significant head start and will cater more explicitly for individual learning and wellbeing needs through a smaller, supportive play-based environment for a successful transition.

This 'head start' will provide a valuable stepping stone between Kindergarten to Reception 2020.

If you are considering a Mid-Year enrolment, you are welcome to contact the Registrar at the Primary Campus at primaryadmin@smc.sa.edu.au or telephone 8346 6548
