

**St Michael's**  
COLLEGE

## MISSION AND VISION

*St Michael's College is a Catholic school in the Lasallian tradition which is committed to the human and Christian education of the young, especially the poor, through: Community, Challenge and Choice.*

### ■ Community

We are an inclusive and respectful community where each individual is known, valued and cared for, enabling them to feel confident to explore their curiosities, flourish and fully realise their potential.

### ■ Challenge

Individual growth is achieved through engagement, opportunity and recognition, underpinned by a positive learning culture that is authentic, challenging and supportive.

### ■ Choice

Through a quality Lasallian education, inspired by the Gospel and a concern for social justice, students are empowered to better choose who they become as people, learners and leaders in the world.

*A quality Lasallian education "is realised by offering a community and personalised environment where each individual flourishes as human beings and where they are open to hope and have a positive sense of life"*

*I have come that they may have life, and live it to the full*
