Firstly, a huge congratulations to SMC 2<sup>nd</sup> 18 for an outstanding winning team performance over Sacred Heart College. A hard fought win where all players contributed. The first 18 came up against a very polished Sacred Heart College team whose skills were superior on the day. Our boys' sheer effort was something to behold and we created enough opportunities for ourselves to score more consistently over the four quarters, but we just required a bit more polish to reward our hard work. Consistently strong tackle pressure and contested ball efforts were areas where we were able to match the opposition. Despite being 4 soldiers down with injury by the end of the game, to the boys' credit, they played their hearts out until the final siren.

The Yr 9 A had a really strong opponent at the weekend. Sacred Heart were an amazing team that will continue to do well as the years progress. I was very impressed that the boys fought hard all the way until the end. This was probably be the toughest side that we come up against this year and thus I expect many winnable games in the coming weeks. I thought that Joseph did an amazing job at full back given the significant number of times that the ball was deep in our defence. I thought that our on-ballers battled hard all day and deserved a mention. Liam Scheuffele had to step up in the unenviable role of Centre Half Back and did a great job all day. Whilst it was a big loss, we need to keep our heads up for next weeks game against Immanuel.

Ruthless 4 Quarter Effort!

Couldn't have been prouder of what the boys dished up to start the season. Hungry for football and it showed out there on Saturday morning . From the first whistle we were inspired, hungrier for the football and more efficient with our disposal forward. Early signs is this playing group is extremely coachable, they followed instruction to a tee and over 4 whole quarters. The resilience to keep our opponents goalless and continue to front you even though they began to play dirty .. was tremendous to watch. Our challenge is to bring the same effort and and skill against more challenging opponents.
