We started the game strongly and were well in control at half time. To Rostrevor's credit, they fought back in the third quarter. The last quarter really came down to who wanted the win the most and those that were prepared to keep running the game out. I felt as though many players contributed across the ground and I look forward to another great game (win) next week against St Peter's!

## FOOTBALL

SMC 16.17.113 v RC 3.9.27; Best: Ethan Ashley, Noah Ah Chee, James Chalubek, Will Rayner, Logan Hughes

We never go in to a game over confident. We always expect to be tested. Pre-game in the warm up and during the game, we could hear our opposition talking themselves up in a big way.

7A

As we've come to expect from our boys, they switch on and focus and let their football do the talking.

We outplayed & outscored them significantly in the 1st quarter kicking 3 goals 6 to their 1 point.

We made a few changes at quarter time and asked the boys to really dig in and straighten up. As usual, the boys responded and kicked 5 goals 2 for the quarter. The end result being another awesome four quarter performance from our boys and we remain undefeated for the season so far.

St Michaels 7.9.51 defeated St Ignatius 3.3.21; Best Players: Trent, Tahj, Hunter W, Travis, Jackson, Brodie; Goals: Trent 3, Miles 1, Joseph 1, Hunter W 1, Tahj 1

4 on the trot!

Saturday morning was a scrappy affair, not the greatest viewing and certainly uncharacteristic in some regards. We generously gave 3 players every quarter to our undermanned opponents and paid the price early. After a goalless first quarter we came to life and won the next 3. Credit to the players for digging in when it counted, we had some really good patches but will need to work on bringing back that 4 quarter effort.

A very good second half saw us as comfortable winners again.

This was after a very wayward shooting performance in the first half.

Their team, talented as it is was able to address this and made real amends in the second half.

A highlight of the game was the passing and team play. The defense again held up well and Henry was very good in goals, for the first time in almost a year!
