The rain stayed away but the cold wind which swept across the SMC oval on Saturday afternoon did not prevent our boys from having a red hot go against a very strong St Peter's opposition.

After a solid start we took the foot off the pedal which allowed SPC to hold a half time lead of just over 50 points. This was the stimulus for a brave fight back by SMC. We kicked 3 consecutive goals within the first 10 minutes of the third quarter. The whole second half showed the true style of football we are capable of when our intensity levels are up.

This was a tremendous brand of football on display resulting in SPC edging us out by 6 goals to 4 in the second half.

The lesson learned is the importance of maintaining pressure and intensity over 4 quarters, against high quality opposition.

Our second 18 were matched up against a physically bigger and highly skilled SPC second 18. Despite SMC giving their all, SPC had too many big guns on the day.

We currently have more than 18 players unavailable due to injury. This has challenged both of our teams. Under these circumstances we can be very proud of the efforts of every player who has pulled on the SMC jumper this season.

9A	St Peter's had a very tall and skilful team that had our measure right across the ground. We were only 2 goals down at half time, but they were far too good for us in the second half and ran away with the game. I felt as though our general endeavour and attack on the ball was lacking and this is an area that requires significant improvement for our next game.

7A	SMC 10.12.72 v SPSC 1.1.7; Best: K Palmer, W Rayner, L Hughes, J Chalubek, H O'Brien; Goal Scorers: L Hughes, H O'Brien 3; The 7A lads had another dominant win against St. Peters on the weekend. We had a few boys come up from Paul's team and they did the team things all game. All around a great 4 quarter only letting the opposition score with about 5 minutes to go in the last quarter. Well done boys!
