

LIBRARY CLUBS

— TERM 2 AND 3 2021 —

	Lunch 1:25pm - 2:05pm	After school 3:35pm - 4:30pm
Tuesday	Board Games	Homework Club
Wednesday	Dungeons and Dragons	Homework Club Book Club
Thursday	Robotics	Homework Club Creative Writing Club

Board Games

Meet other students and develop your skills in different games such as Chess, traditional board games, problem solving games such as escape rooms, and puzzle games.

Book Club

Join our group of students who love books and reading. Students will engage in fun activities to learn about different authors, their stories and techniques to the next best read.

Creative Writing Club

The Creative Writing Club brings together students of all writing abilities who have an interest in creating fiction, nonfiction, scripts, and/or poetry in a fun and engaging way. It provides a collaborative work space for members to write, share ideas, and provide feedback for each other's work. Be involved in different Writing competitions such as Write a Book in a Day.

Dungeons and Dragons

Learn how to play the game of D&D in worlds of sword and sorcery. Driven by imagination, it is a game which develops creativity, problem solving, team work and communication skills.

Players roll dice to resolve whether their attacks hit or miss, or whether their adventurers can scale a cliff or roll away from the strike of a magical lightning bolt! Each player creates an adventurer and teams up with other adventurers (played by friends). Working together, the group might explore locations such as a dark dungeon or a haunted castle. The adventurers can solve puzzles, talk with other characters, battle fantastic monsters, and discover fabulous magic items and other treasure.

Homework Club

Develop good study habits and have teachers from different subject areas help you with homework needs.

Robotics

For students interested in learning about and working with robots. Be involved in the Robotics competitions where students must design and build a robot that can compete against opponents in a series of specific challenges.
