<p>1<sup>st</sup> XVIII</p>	<p>SMC 3.16.34 v PEM 13.21.90; Best: A D'Aloia, F Higham, N Angove, M Moschou; Goal Scorers: A D'Aloia, R Johnson, T Nagel 1</p> <p><i>We were confident of a competitive hit out against Pembroke on the weekend. In the end the scoreboard didn't reflect the effort put in by SMC boys. We fumbled the ball early on in the game, inaccurate kicking (3 goals 16 points) proved costly, and we struggled to run out the game, having fewer rotations on the bench for the 2nd half.</i></p> <p><i>Again we showed the ability to control the play and work offensively for extended periods, but let ourselves down with our lack of ability to defend the opposition and slow them down when they had the ball.</i></p> <p><i>We need to regroup, work on our deficiencies during the week and come out strong against PAC next Saturday!</i></p>

The key focus for the day was maximum effort and intent and regardless of the scoreboard to represent ourselves and the college with pride. The boys most certainly did that, from start to finish, up against it all day, they never waived from the contest or applying themselves with maximum effort, which is all that was asked of them. The opposition coach even commented post match about the boys spirit and 'never say die' attitude. A tough day but the boys should hold their heads high.</p>

8A	<p>SMC 15.9.99 v PEM 3.3.21; Best: Jaylen SOCHACKI, Nathan TOKIC, Ethan ASHLEY, Khye MADDERN, Noah AH CHEE, Logan HUGHES</p> <p>We hosted Pembroke at home and played an excellent brand of SMC footy. Our voice &amp; run created some excellent handball linkage. Strong leads from our forwards. Disciplined defence &amp; plenty of supply from our midfield.</p>

Goal scoring efficiency was the only real area of the game we will be looking to work on throughout the week in preparation for what should be a real test, Prince Alfred away.</p>
7B	<p>SMC 3.10.28 v SHC 2.3.9; Best: A Sheppard, J Roe, L Topp, K Tsoulakis, A Copley, P Redden; Goal Scorers: S Baker 1, A Copley 1, J Roe 1</p> <p>The boys ended up with a scrappy win on Saturday. It was a really low scoring game and unfortunately we were not very accurate in front of goal. We struggled to find space on the small oval and it was very congested in general. Whilst we kicked 1 goal and 5 points in the last quarter, we never really looked like losing!</p>

## HOCKEY

	SMC 0 v SIC 4; Best: B McInerney
Open Mixed	A fantastic effort from the Open Hockey team on Saturday against a very strong St Ignatius outfit. Although the result didn't go our way, the entire team fought well all game and they should all be very proud of their efforts. A special mention to new recruit Bud who kept us in the game all morning, making at least 20 saves as goal keeper! Well done to all.
