A real character-building game for this resilience group of young men. Up against it with 2 on the bench to start the game plus more than 70% of the team playing the night before. What we got out of the game:

- *This group is RESILIENT - could have easily folded at half time especially with numerous sore bodies.*
- *Brotherhood – new theme we went with this week, and everyone bought in, genuine care within this group*
- *Tackling – is elite, pressure especially in D50 was very good*
- *Our Run and kicking game is very strong and that is how we broke them on the weekend.*

Still areas to improve which is super exciting! Looking forward to bringing in a couple more back this week which will also strengthen the 2nds.

It was a fantastic effort by the team, in all four quarters the boys played hard, contested football and when the game opened up played the fast, skillful brand of football we continue to work on and get better at. Well played boys.
